

# The Charismatic Charlie Wade Chapter 2465

## Chapter 2465

When Issac heard Charlie say that he wanted to keep Shoude and Steve Hogwitz, he immediately exclaimed, "Master, Steve, fortunately, he should not bring many people from the United States this time. But Shoude has hired dozens of security personnel, and the masters hidden behind him don't even I don't know how many. It's a bit difficult to catch him..."

Charlie said calmly: "It doesn't matter, there are no impervious pants in this world, to grab Shoude and Walter, I will be enough."

As he said, a person suddenly flashed in his mind, so he immediately changed his words: "No, let's add another person."

Issac stood up immediately and said without hesitation: "Master, I am willing to be with you!"

Charlie smiled and said seriously: "Old man, you are courageous, but you are still a little bit weak in strength. Maybe you haven't gotten close to Shoude, you have been discovered by his hidden men in the dark."

Issac said awkwardly, "This...Master...If you don't dislike it, I will try my best from now on!"

Charlie smiled and said, "It's definitely too late to practice caution now."

Issac hurriedly asked, "When do you plan to do it? If I need to do something on my side, I will prepare in advance!"

Charlie said: "Hurry up, I want to do it tonight, otherwise if they focus on Doris, this matter will be a little tricky."

After speaking, Charlie said again: "Let me call Doris first and let her work overtime at the company today. In that case, I will do it tonight."

Immediately afterwards, Charlie took out his mobile phone and called Doris.

As soon as the phone was connected, Doris's voice came over: "Master!"

Charlie gave a hum and asked her, "Doris, where are you now?"

Doris respectfully said: "Master, I am in Hong Kong."

"Hong Kong?" Charlie asked curiously, "Why did you go to Hong Kong?"

Doris explained: "In recent years, Hong Kong real estate has been declining, and our mainland market is very competitive. Therefore, Emgrand Group plans to develop a commercial real estate project with the Xu family in Hong Kong. I just came over here this morning to prepare for further discussions with them."

After speaking, Doris hurriedly asked, "Master, were you looking for me?"

Charlie smiled slightly and said, "You don't have anything to worry about. Since you are not in Aurous Hill now, wait until you come back."

Doris had no choice but to say, "Well, young master, if there is anything anxious, please tell me, I can fly back anytime."

Charlie said hurriedly, "No need, just stay in Hong Kong."

Doris didn't know what Charlie meant, so she said, "OK master, then I will concentrate on discussing cooperation in Hong Kong these days. If you need me to come back, please inform me at any time."

"It is good."

After hanging up the phone, Charlie breathed a sigh of relief.

Doris happened to be not in Aurous Hill, so this matter was not so anxious.

If this is the case, it's better to closely monitor Shoude and Steve first to see what kind of medicine the two people, especially Shoude, is selling in the gourd.

But Charlie didn't plan to give the two of them too long. Within two or three days, let them evaporate directly in the Aurous Hill world!

At this time, Issac saw Charlie hung up, and hurriedly asked, "Master, Miss Doris has gone to Hong Kong?"

"Yes." Charlie smiled slightly: "It's a coincidence, she just left this morning."
