

The Charismatic Charlie Wade Chapter 2467

Chapter 2467

As soon as Issac heard that Charlie wanted to use Ruoli, he immediately asked with some worry: “Master, Ruoli is not sure whether she is uncontrollable. She has been under house arrest by us. If she is released, will she not take the opportunity to escape?!”

Charlie shook his head: “From what I know about her, she definitely won’t.”

Issac asked inexplicably, “Master, why are you so sure? This woman has always been cruel, not a fuel-efficient lamp!”

Charlie smiled and said: “She was so miserable under Su’s. Now that she has the opportunity to catch Shoude first, it is also a chance for her to take revenge. Based on this, she cannot turn back.”

After speaking, Charlie said again: “And now she is missing from the Su family’s view. Once she really gets rid of my control or my asylum, she will probably be discovered by the Su family. At that time, The Su family will definitely kill her.”

“I took another 10,000 steps and said that even if the Su family didn’t do anything to her, if the Japanese government knew where she was, they would never let her go. After all, she is the fugitive that the Japanese government wanted most to catch.

Issac nodded and said seriously: "I understand that young master. If you say so, Ruoli is indeed a good candidate. Her personal strength is very strong. Acting with you will not only help you, but also Will hold her back."

Charlie smiled and said, "In the recent period, Ruoli's strength has improved again. It is no longer the same as when she was in Su's house before."

After that, he stood up and said, "You stay in the office, and I'll have a chat with Ruoli."

Issac hurriedly asked, "Master, what about Liona and Zhiyu?"

Charlie said, "They should be able to wake up tomorrow morning. Tonight, you just need to arrange someone to guard the gate. By the way, let someone buy some change of laundry and daily necessities in advance, prepare the items, and deliver them early tomorrow morning."

Issac said immediately: "OK, young master."

Charlie said again, "Also, do you know Liona and Zhiyu?"

Issac thought for a while and said, "I know them, but they should not know me."

"That's good." Charlie said, "When they wake up tomorrow, no matter what questions they ask about me, you don't answer them. They ask you where this is, and you don't answer. They have to leave or talk to me. You can never agree to contact with the outside world. Just tell them and I will let them stay here honestly."

Issac said immediately: "OK master, I understand!"

.....

at the same time.

Ruoli was practicing in the room.

Since the last time, Charlie completely opened up her Ren Vessel, she has felt the tremendous progress made by leaps and bounds.

Therefore, taking advantage of this good opportunity, she spent all her time and energy on practicing, and her strength continued to improve like a rocket.

However, in addition to practicing hard these days, she would always think of Charlie uncontrollably.

These days, she would always be involuntarily in her mind, thinking about Charlie's good.

Whether it was Charlie saving her, or Charlie helping her to open up her line of power and let her strength grow by leaps and bounds, to him, she was deeply grateful.

If she thinks too much, she will naturally look forward to seeing Charlie more.

But Charlie didn't seem to always come to this hotel, so she was somewhat regretful.
