

The Charismatic Charlie Wade Chapter 2469

Chapter 2469

At this moment, Aurous Hill International Hotel.

Shoude's motorcade stopped a row directly in front of the hotel.

Before he got out of the car, the security personnel had already rushed down and wiped out everyone around him.

At this time, the hotel's manager also brought dozens of security guards and greeted him graciously. He respectfully said to Shoude's assistant, "May I ask Mr. Su, what can we do for you? As long as there is, please Mr. Su bring it up, we will definitely Go all out!"

Shoude's assistant said coldly: "It's not used here for the time being. You let all your people back off. Don't let any of your staff run into Mr. Su without permission! As for other guests, you must not allow them Within 10 meters of Mr. Su!"

The hotel manager nodded without hesitation, and said graciously, "As long as there is anything specific, please speak up!"

Shoude got out of the car with Steve Hogwitz at this time. After getting out of the car, Shoude straightened his collar and said in a somewhat majestic tone: "Steve, let's have dinner together tonight, by the way. Also communicate in detail the details of your son's disappearance."

Steve was naturally flattered, and said hurriedly, "Okay Mr. Su! I'm causing you trouble."

Shoude asked him again: "Oh yes, which room do you live in? Do you know the room number?"

Steve said: "Because the rooms above the executive deluxe suite are gone, I can only book a normal deluxe suite. I don't know the specific room number. I don't know until after checking in at the front desk. ."

Shoude said indifferently: "The rooms above the executive deluxe suite are gone, because I have completely covered the entire executive floor."

Steve was taken aback for a moment, and hurriedly complimented: "No wonder, Mr. Su's handwriting is really too big!"

Shoude waved his hand slightly, and said calmly, "What's the deal? If it weren't for the agreement with the Wade family, I would have bought this hotel with ease."

With that, he opened his mouth and said to his assistant: "Say hello to the hotel manager, change the room to Mr. Steve and let him live next door to me."

The assistant immediately nodded and said, "No problem, I'll let the front desk arrange it."

Steve was a little embarrassed at once, because he did not come alone this time, he also brought some entourages and bodyguards.

It's just that those people had no chance to get on Shoude's motorcade, so they had to take a taxi to the hotel. They haven't arrived yet.

If he lives on the executive floor alone and is separated from his other entourage bodyguards, it will be more or less troublesome.

Shoude saw his concerns and said, "Well, let me arrange another room for you. You can let your assistant live in, but your bodyguard should not live on the executive floor. My people are here. It will definitely make you safer."

Steve knew in his heart that he didn't have many bodyguards.

Coupled with the fact that his son had brought them to China before, almost all the entourage had disappeared, so there were not many people who could be used in Aurous Hill, and the security force was not strong.

But Shoude is different.

He is the second child of the Su family, the Su family is so strong, secretly don't know how many masters are protecting his safety at all times.

For Steve, if he can live on the same floor with Shoude, or even next door, his own safety can also be greatly guaranteed.
