

# The Charismatic Charlie Wade Chapter 2460

## Chapter 2460

Steve hurriedly said, “Mr. Su, I am the head of the American Hogwitz family. I wonder if you have heard of our family.”

Shoude couldn't help frowning.

“The Hogwitz family in the United States? It seems that I have never heard of such a family...very powerful?”

Just wondering, Steve hurriedly added: “My mother belongs to the Rothschild family!”

In the world, the popularity of the Rothschild family can be said to be known to everyone.

Sure enough, as soon as Shoude heard this, the American introduced himself as blood related to the Rothschild family, and he immediately took it seriously.

After that, Shoude walked quickly to Steve, reached out and introduced himself: “Hello, this is Shoude.”

Steve quickly shook hands with Shoude flattered and said, “Hello Mr. Su, my name is Steve Hogwitz! It's a great honor to meet you!”

Shoude nodded and asked curiously, "Where did Mr. Steve come from?"

Steve responded quickly: "I flew all the way from New York and just landed at Aurous Hill Airport."

"OK." Shoude smiled slightly: "The two of us are front and back."

Then, he asked, "What family business does Mr. Steve have in Aurous Hill?"

"No." Steve explained, "My eldest son has been expanding the family business in Aurous Hill some time ago, but he disappeared a few days ago. I came to Aurous Hill this time to find his whereabouts."

"Oh?" Shoude suddenly became curious, and thought to himself: "What a coincidence?! This Steve also came to Aurous Hill to find someone? Could a person with blood related to the Rothschild family disappear in Aurous Hill?"

"But when you think about it carefully, the ghost place of Aurous Hill is indeed a bit weird. Not only people with blood related to Rothschild disappeared here, but even the daughter-in-law of the Su family and the eldest granddaughter also disappeared here. Now, it seems that this small place is really a hidden dragon and a crouching tiger!"

Thinking of this, Shoude's inspiration suddenly flashed: "The disappearance of this Steve's son, will there be any connection with the disappearance of Liona and Zhiyu?!"

At this point, Shoude immediately felt that the two things might really have a certain connection!

So he immediately said to Steve: "It's true that I came to Aurous Hill this time to find someone as well. It seems that the two of us have the same purpose. Maybe there are also the same people we are looking for. There could be some kind of connection!"

“Really?!” Steve exclaimed, “Mr. Su, this incident even bothered you to come in person, could it be...Is someone from the Su family missing in Aurous Hill?!”

Shoude nodded: “It is true, this is the case unfortunately!”

After speaking, Shoude immediately said, “Mr. Steve, I think we can find someone on this matter and exchange information with each other, maybe we can find any valuable clues!”

“Yes!” Steve said without hesitation: “If I can investigate this matter with Mr. Su, then I will feel more at ease!”

Shoude asked him, “Which hotel would you stay in Aurous Hill this time?”

Steve blurted out, “I live in Aurous Hill International Hotel. My son lived there before he disappeared!”

Shoude nodded: “Coincidentally, I also booked room in the Aurous Hill International Hotel. If that’s the case, let’s go together! We just can have a good chat on the way!”
