

# The Charismatic Charlie Wade Chapter 2461

## Chapter 2461

Steve knew that the Su family was currently the strongest family in China, so he wanted to make friends with him.

Now, knowing that he came to Aurous Hill for almost the same purpose, and he invited him to go to the hotel with him. This is definitely a good opportunity to establish an intersection with the Su family and increase the chance of finding the son.

It is definitely killing two birds with one stone!

So he said gratefully: "Mr. Su, it's true that since my son and his men disappeared, I have not even a single person available in Aurous Hill, so no one arranged a pick-up. If I can get your car. If you're going to the hotel together, thank you so much!"

Shoude smiled slightly: "Mr. Steve you're too polite. Our Su family had some ties with the Rothschild family back then. Although we had some unpleasantness, we finally reached a cooperation, which can be regarded as some friendship!"

Steve nodded gently, and said flatteredly: "If there is a chance in the future, I hope we can also have substantial cooperation with the Su family, even including the Rothschild family, I can also let my mother walk around a bit more and see if it can lead to new cooperation."

Shoude said, feeling very happy.

Although he doesn't take Steve seriously, he still has a lot of friendship with the Rothschild family.

He couldn't help thinking in his heart: "After all, the Rothschild family is the most powerful family in the world, and its true influence is more than ten times stronger than the Su family. If it can really get along with the Rothschild family in the future, it will be good for the entire Su family, but for myself, it must be of great help, at least it will make me stand more stable in the Su family!"

Thinking of this, he couldn't help but smiled and said to Steve: "Come Mr. Steve, let's go to the hotel in my car, and I'm going to be a host tonight. Let's have dinner for the two of us and exchange clues by the way. We can also cooperate with each other on the matter of finding someone next."

Steve immediately said excitedly: "Great Mr. Su, there is absolutely no problem with me!"

Shoude invited Steve to get in his car. As for the others brought by Steve, they were not treated as well. They had to take the car to the hotel.

Steve and Shoude sat in the back row of one of the Presidential One's. As the convoy departed from the airport, Steve probably introduced details about his son Walter to Shoude.

However, Steve didn't know his son Walter's attempt to Doris, nor did he know his nasty actions against Doris's father. Therefore, in his opinion, his son was steadfastly developing business in Aurous Hill. He did not expect that, suddenly One day the he'll evaporate, just like that.

After listening to his introduction, Shoude was even more puzzled, and said in a low voice: "It would be nice to say if it was your son who disappeared alone, but it would be a bit weird to have so many people getting missing all at once..."

“Yes!” Steve sighed, “I suspected that he was kidnapped at first, but, I know, I haven’t received any information about the kidnappers asking for a ransom.”

After speaking, Steve added: “I also asked people to check all the bank records of my son. Since his disappearance, none of his bank accounts have been woven even a penny. If the other party really does it is for money, it is impossible to still not want to ask for money...”

“Yes.” Shoude frowned and said, “A dozen people can disappear at the same time, and all monitoring records can be erased. The forces behind it must be very difficult to comprehend...”

Speaking of this, he couldn’t help thinking: “Liona and Zhiyu disappeared in the tunnel, and even Steven, the bodyguard of the old man, is also missing. It must be very difficult for someone common to do this. Aurous Hill itself is a small second-tier city. Even if there are big people hiding in it, it is impossible for two or more powerful forces to stay here... Maybe, the ones who let Steve’s son disappear are the same group of people who took Liona and Zhiyu.”
