

The Charismatic Charlie Wade Chapter 2462

Chapter 2462

So Shoude hurriedly asked Steve: "Did your son offend anyone during his time in Aurous Hill?"

"This..." Steve shook his head and said, "My son has never been to Aurous Hill before, or even China. This time he was sent to Aurous Hill by the family to develop the family business, and he came here. The time was also very short, so I don't think he will have any enemies here."

Shoude asked him, "Is your son married?"

Steve hurriedly said truthfully: "He's married and have two children."

Shoude continued to ask: "Then his private life is checked?"

Steve seriously said: "I have never heard of improper relations with any woman."

Shoude asked again, "Is he an addict?"

"No! Absolutely not!" Steve said hurriedly: "Our family absolutely does not allow any addicts to appear. All adult men must undergo regular urine tests. Once he is found to be an addict, he will be interrupted. In all the positions in the family and the withdrawal of all funds, Walter will never touch this red line made by the family!"

Shoude stretched out his four fingers and said, "In most criminal cases in the world, there are four possibilities. The first is for money, the second is for addicts, the third is for love, and the fourth is for Enmity."

"If the other party kidnapped your son and doesn't want money, this will rule out the possibility of making money."

"If your son has regular urine tests and he is not a drug addict, then this aspect can also be ruled out."

"As for? In terms of relationships, although you say that your son is very prudent in his private life, he knows his face and doesn't know his heart. What's more, you are a father. To put it ugly, how many women your son has slept with may not be known better than his good friends. You know better, so I think there is still a possibility for emotional reasons."

"And revenge. Even if your son has just arrived in Aurous Hill, it doesn't mean that he won't offend people. Maybe he really offended some very powerful people in the city."

Speaking of this, Shoude smacked his lips, and said, "I think the possibility of love and hatred is fifty fifty. You can start to examine these two aspects first."

Steve nodded gently: "Thank you Mr. Su for this insight. I will actively search for relevant clues to see if I can find any breakthrough points!"

The reason why Shoude did so much analysis for Steve is to hope that Steve can find clues to his son's disappearance through these aspects.

He now suspect that the disappearance of his son was done by the same people who are responsible for the disappearance of Liona and Zhiyu. He has no way to find clues. If Steve can, it would be a curve to save the efforts.

At this moment, Steve suddenly said, "That's right! My son seems to have a close college classmate in Aurous Hill, and it seems to be a woman!"

Shoude immediately said excitedly: "This is a very valuable clue! If this woman has something to do with your son's disappearance, first find a way to find a breakthrough from her!"
