

The Charismatic Charlie Wade Chapter 2474

Chapter 2474

Charlie smiled and said, "Don't worry about this. When you get to the top of the hotel, the helicopter doesn't need to go down. If Ruoli and I go down by cable, then you will hover in the sky and wait for about ten minutes. Shoude and Steve will be taken to the balcony. When the time comes, you can adjust the ropes and pull us up. Then we will directly go to kennel."

Issac saw that Charlie had arranged everything, no longer said anything, and said firmly: "OK master, we are waiting for you above the hotel."

Charlie said to Ruoli again at this time: "Ruoli, you will be responsible for Steve Hogwitz later, and Shoude, I will solve it."

Ruoli nodded slightly, and said respectfully, "OK Master!"

Charlie said, "Remember, try not to disturb other people. Let's go in and out quickly, and try to see that Shoude and that Steve have evaporated from the world, and they can't find any clues."

"it is good!"

One minute later.

The plane hovered over the roof of the hotel.

Issac's men immediately put down two extremely strong nylon ropes from both sides of the helicopter.

After Charlie and Ruoli exchanged glances, each grabbed a rope and quickly slid directly from the sides of the helicopter.

In the blink of an eye, the two quietly landed on the roof of the hotel.

Afterwards, the two quietly touched the balcony of Shoude and Steve's room from the outside of the hotel.

At this time, Steve didn't have any interest in the fireworks outside. He was lying in bed, trying to fall asleep a little anxiously, but because of the jet lag, he was almost not sleepy.

In desperation, he had to decide to drink some wine to help him fall asleep.

So he stood up and prepared to take a bottle of whiskey from the wine cabinet in the hotel room.

At this moment, the sound of fireworks exploding again sounded outside, and he cursed a little irritably, "I don't know which damn b@stard it is. Fireworks are set off at this time!"

While muttering, he suddenly felt that someone patted his shoulder.

At this moment, Steve was so scared that his hair stood up.

There is only one person in the room, why would someone slap his shoulder?

He subconsciously turned his head to look, and a charming Chinese woman looked at him with a smile.

This woman is Ruoli.

Steve immediately realized that the other party was not good, panicked, and was about to call for help. He felt that his neck was suddenly hit hard, and he fainted.

at this time.

Charlie also touched into Shoude's presidential suite.

At this time, Shoude had just finished soaking in the bath, wrapped in a bathrobe and dangling cigar, while walking out of the bathroom, holding his mobile phone, he sent a voice WeChat message to Zeena: "Baby, how long will it take to arrive?"

The other party quickly replied, and the voice said in an extremely charming voice: "Dear, wait for me for another ten minutes. I have already entered the city and will be there soon!"

Shoude smiled obscenely: "Let the driver drive faster. If you don't arrived within ten minutes, I'll see him later, and I am going to beat you!"

After speaking, he loosened his finger and the voice was sent.

At this moment, he suddenly heard a man laugh and say, "Mr. Su, I see that beautiful woman's a\$\$, you can't beat it!"
