

# The Charismatic Charlie Wade Chapter 2475

## Chapter 2475

When Shoude heard this sound, his whole person was as if being electrocuted, and he jumped high all at once.

Soon, he immediately followed the sound, and on a small stool in the bathroom door was a young man with a smile on his face.

He was shocked and suddenly asked, "You...who are you?!"

Charlie sneered, "Me? I'm the great benefactor of your Su family."

Shoude said nervously, "What kind of benefactor? You...what do you want to do?"

Charlie smiled: "I'm really the great benefactor of your Su family. Your eldest brother's children Zhifei and Zhiyu. They were kidnapped in Japan. I saved them. You said am I the great benefactor of your Su family?"

"What?!" Shoude said dumbfounded: "You...you are the mysterious master of Japan?!"

Charlie asked with interest: "What? Have you heard of me?"

Shoude vaguely said: "I heard my niece talk about it...My father still keeps talking about it. If he has a chance to find you, he must thank you very much."

As he said, he carefully looked at Charlie with a pair of eyes, trying to figure out whether this person was an enemy or a friend.

He secretly analyzed in his heart: “This kid suddenly appeared in my room. No matter how I look at it, it is because the person who came is not good...”

“But... if he is really the mysterious person who rescued Zhifei and Zhiyu in Japan, then he should have no malice towards the Su family, right?”

Charlie smiled at this time and said, “Oh, if Su family really want to thank me, then it would be a really good, heartfelt gratitude. I just say it, because I not only saved the brother and sister, other than those two, also took a hand to save your elder brother’s illegitimate daughter.”

Shoude’s expression changed suddenly!

“My eldest brother’s illegitimate daughter?!”

“You...you mean Ruoli?!”

Seeing him in horror, Charlie nodded and said with a smile: “Yes, I also rescued Ruoli.”

Shoude didn’t know whether Charlie was an enemy or a friend, but now he had the answer in his heart.

The man in front of him must be an unkind person.

Because, it was because of Ruoli’s sudden disappearance that the old man’s business with the Japanese Self-Defense Force was not fulfilled, and it was completely exposed.

The nervous Shoude immediately said, “Hey brother, Ruoli’s matter was the idea of my father alone, and I did not participate in it.”

Charlie nodded and smiled: “I haven’t finished speaking yet, don’t worry about explaining your excuses.”

Shoude hurriedly said respectfully: “Please say...”

Charlie snorted, tilted his long legs, and said leisurely: “Your sister-in-law and your elder niece were kidnapped by the wanted man and almost died in a car accident. I saved them both.”

“What?! It’s you?!” Shoude was even more terrified when he heard this!

The last thing he wanted to see was that Liona and Zhiyu alive!

Unexpectedly, they were also rescued by this young man!

The nervous Shoude was afraid that Charlie would see his guilty conscience, so he hurriedly pretended to be excited and said, “I didn’t expect my sister-in-law and niece to be alive! It’s great! Great!”

After speaking, he hurriedly said again: “I came to this city this time to find their whereabouts. Don’t you know, our family is very nervous about the safety of the mother and daughter. Before I came, my father told me, At all costs, it’s safety of the two of them very important! I didn’t expect them to be saved by you. Thank you so much!”

Charlie smiled and said, “Shoude, I thought you all of the Su family men are old foxes with scheming fortunes. I didn’t expect that your acting skills are so flamboyant and you are not at all interested. It really disappoints me.”
