

The Charismatic Charlie Wade Chapter 2472

Chapter 2472

The assistant hurriedly said respectfully: "Boss, the masters sent out have already touched the entire Aurous Hill hospital, but didn't find the two of them."

"No?!" Shoude frowned and asked, "Are you sure that every hospital has been investigated?"

"Yes." The assistant nodded and said seriously: "Not only the tertiary hospitals, but even the ordinary small clinics have been searched, and they have not been found."

Shoude immediately slapped his lips: "Tsk tsk...It's a bit weird! They're not in the hospital, is it that they are dead?"

Having said that, he immediately opened his mouth and said, "Go and check the current progress of the police investigation. Is there any breakthrough?"

The assistant said truthfully: "Boss, I have already inquired about the police's situation. They don't have any clues. They are now monitoring the bullet shells collected at the tunnel site and want to push back clues from the gunman."

Shoude frowned and asked him, "Where are Liona and Zhiyu? The police have no clues?"

"No." The assistant nodded; "The police are just as confused as us."

“Damn...” Shoude cursed in a low voice, then continued to ask, “Are there any investigation results about the mysterious group of people? The group rushed in through the tunnel entrance and took Liona away. Zhiyu also took away Stuart and the four of them, let alone six big living people, even six corpses are not so easy to deal with! After all, are they not going to leave some clues?”

The assistant said, “The police have no idea about this at all.”

Shoude stomped his feet irritably and cursed, “It’s fu*king wicked!”

After speaking, he asked, “How is the PR network doing now?”

The assistant replied: “The PR has basically controlled the situation. At present, 70% of the content of the discussion on this matter on the Internet is inclined to the Su family, thinking that the Su family is the biggest victim, and want to murder Liona and Zhiyu is a false narrative. I believe that as long as we continue to maintain such an overwhelming coverage of public opinion, within a few days, people across the country will believe that we are innocent.”

Shoude breathed a sigh of relief and said, “You did a good job with this matter. If the old man is also satisfied, I will definitely not treat you badly.”

The assistant bowed immediately and said, “Thank you boss!”

Shoude gave a hum and ordered: “There is one more thing, you can arrange it for me.”

The assistant hurriedly said, “Boss, please tell me.”

Shoude said with a grim expression: “Although Shred’s family didn’t know that I gave them 20 million and asked them to tell Shred to kill one more that is Zhiyu, but once they shake this thing out, it will be passed on to the old man. In his eyes, then I am the biggest suspect, so you send someone to his hometown tonight and set a fire to destroy all the evidence, understand?”

The assistant nodded: "OK boss, I get it!"

After that, the assistant received a piece of information, took a quick look, and reported to Su: "Boss, Ms. Zeena's plane has landed at Aurous Hill Airport. You will be at the hotel in 40 minutes."

When Shoude heard this, a trace of desire flashed in his eyes, and his heart couldn't help but feel a little rippling.

Miss Zeena in the assistant's mouth is Zeena, one of the four young talents in today's entertainment industry.

This Zeena is only 26 years old this year. She graduated from the film school for four years. She is very beautiful, but because she is not very good at acting and has no background, she has been unknown in the film and television circles for the past two years.

However, since the year before last, Zeena has successively obtained the film resources of many top directors, which can be described as a steady pace, and soon ranks among the super first-line actors.

Many people speculate that there must be a gold master behind her, but as long as the relevant speculation posts are posted, they will be deleted immediately and will not spread at all.

The reason is that Zeena was taken in by Shoude, who was taken into his bag and made his canary.

Under normal circumstances, as long as Shoude has a chance to leave the city, Zeena will come over to have a tryst with him, and today is no exception.

When Shoude decided to come to Aurous Hill, he asked Zeena, who was filming in the South China Sea, to prepare to rush over. So Zeena stepped up to finish filming today's

scene, and immediately took a sick leave with the crew, secretly took a private jet, and rushed to Aurous Hill.

When he heard that Zeena was about to land, Shoude felt a little excited, and said to his assistant: "Okay, you go out. I want to take a bath. When Miss Zeena comes, you will send her directly into the room. see me!"
