

The Charismatic Charlie Wade Chapter 2485

Chapter 2485

At this moment, Aurous Hill.

The helicopter flew all the way to the dog farm of Orvel.

At this time, the kennel is already busy.

Orvel took his confidant and was looking forward to it, waiting for Charlie's arrival.

As the roar of helicopters in the sky grew louder and louder, everyone's expectations were also beyond words.

Immediately afterwards, the helicopter descended slowly and stopped in the middle of the kennel.

Orvel immediately led people to greet him.

At this time, Issac opened the helicopter's hatch, and then made an inviting gesture to Charlie, respectfully saying, "Master, please!"

Charlie nodded and got off the plane with Ruoli.

Orvel hurriedly said, "Master, I have prepared the single room for the warm father-son reunion ceremony. It is all ready. When do you think we start?"

"Don't worry." Charlie waved his hand and pointed to Shoude and Steve who were still unconscious in the cabin. Leave only a pair of pants, and pour a basin of cold water on each of them. By the way, remember to open the windows."

It is still in the first month of the year, and the weather in Aurous Hill is still cold, showing no signs of warming up.

In this kind of weather, if you are stripped of your clothes and poured on a basin of cold water, and you are still in a room with wide open windows, most people probably cannot bear it.

Orvel didn't hesitate at all, and immediately said to his men next to him, "Hurry up and bring these two guys to the office. Besides, go to the individual and get some cold water!"

Several subordinates immediately stepped forward and dragged the unconscious Shoude and Steve directly to Orvel's office.

Charlie asked at this moment: "Orvel, how is Walter now?"

Orvel hurriedly said: "Master, Walter is now in the late stage of uremia. Don't worry, I have given full play to the humanitarian spirit and actively treated him. Now he is given hemodialysis once a day. Basically, Keep his dog's life."

Charlie nodded and said, "Take me to see him!"

"OK Master!"

Orvel took Charlie and Issac to the that area of the kennel. Charlie walked, observing left and right, and exclaimed, "Your place is indeed going to be expanded. Do you have any plans to start construction?"

Orvel respectfully said, "Master, since President Issac told me about this last time, I have already asked people to come up with an expansion plan!"

After speaking, he introduced to Charlie very seriously: "My current preliminary plan is to free up an area of 500 square meters in the yard, excavate this area directly, and build a three-story underground. By then, the total usable area of the three-dimensional kennel will be at least more than 1,000 square meters. It will be no problem to build 70 or 80 kennels!"

"This three-dimensional kennel is entirely made of reinforced concrete. There are no exits on the three underground floors. All entrances and exits are concentrated in a large room on the ground. People must go through this large room for security inspection. Twenty-four hours of security by guards to ensure that no dog is allowed to escape from the kennel!"

Charlie smiled slightly and joked, "In that case, your kennel can raise at least a thousand dogs."

"Yeah, Master!" Orvel said with a smile: "Expanding at this scale should be enough, but as long as you say something, I can continue to expand at any time. It is not possible. We can put the entire kennel underground and develop it!"

Charlie nodded in satisfaction, and said, "If you don't have enough money, please tell me at any time. I personally still have a good view of business. It doesn't matter if I invest more!"

Issac was listening to the chat between the two of them. For some reason, what he imagined in his mind was all kinds of people locked in dog cages.

At this time, a few people have come to the gate of the kennel.
