

# The Charismatic Charlie Wade Chapter 2496

## Chapter 2496

Walter was also struggling to get up, but because of his weakness, he tried several times without success.

So he could only lie on the bed helplessly, crying, and said in: "Dad...I...I was poisoned, and now I have uremia... .."

After that, he could no longer control his emotions, and cried loudly: "Dad! You must save me, Dad! This ghost place is like hell... If you don't want to save me anymore If I don't go out, I might die here."

Charlie smiled and said, "Walter, it's impossible for your father to save you, but the good news is that I plan to leave your father here to take care of you, and you and father will live in a single room in the future."

After speaking, Charlie said to Kobayashi Jiro again: "Jiro, you won't have to feed this Walter anymore, just feed your dog."

As soon as Kobayashi Jiro heard this, he was overjoyed and blurted out, "That's great Young Master Wade! You don't know, besides feeding this Walter every day, I also give him shit and urine, which is much more disgusting than serving a dog ."

Charlie smiled slightly: "In the future, let his father do this thing. You already spend much time in the past few days. Let Orvel give you a day off. As long as you don't leave the kennel, you can do whatever you want."

Kobayashi Jiro bowed in excitement, "Thank you, Master Wade! Thank you, Master Wade! If I can take a day off, I...I want to sleep well, then...and drink again. Two bottles of beer..."

After speaking, he looked at Charlie and asked nervously, "Master Wade, I... can I drink two bottles of beer?"

Charlie smiled, waved his hand, and said to Orvel, "Orvel, let someone prepare a case of beer for Jiro tomorrow, let him relax!"

Orvel immediately said, "OK Master, leave it to me!"

When Kobayashi Jiro heard that he could have a box of beer, tears of excitement rolled in his eyes, and he choked up: "Master Wade, thank you...I...I haven't had beer in a long time. ...."

Charlie smiled and said, "As long as you behave well, let alone beer, even white wine, red wine, or even your Japanese sake can be arranged for you."

Kobayashi Jiro exclaimed with excitement, "Master Wade, I will continue to work hard and go all out!"

Charlie nodded, waved his hand and said, "Jiro, you go and rest first, I don't need you here."

Kobayashi Jiro hurriedly said, "OK, Lord Wade, then Jiro will leave first!"

Orvel winked at his subordinates when he arrived, and immediately one of his subordinates came forward and left with Jiro Kobayashi.

Charlie asked Orvel at this time: "Where is the welcome ceremony I asked you to prepare? It's been a long time since everyone has arrived, don't you hurry up?"

Orvel nodded quickly and said, "This is the beginning, this is the beginning!"

After speaking, he hurriedly shouted at the people around him: "Quick, get the props!"

As soon as the voice fell, several of his men immediately took out a large red carpet from the empty dog cage beside them, and a few people laid the red carpet from the hallway of the kennel in an orderly manner and spread it all the way into Walter's single dog. The cage was spread directly on the side of Walter's bed.

Another person directly brought Orvel a red suit jacket. Orvel immediately became the emcee of the scene and said with a serious and emotional expression: "Today, it is Mr. Steve Hogwitz's great day of reunion with his dog son Walter, father and son, on this good day of universal celebration, let us witness the historical moment of the father and son reunion!"

After finishing talking, a little brother hurriedly held a bunch of flowers, stuffed it into Steve's arms, and threatened in a low voice: "Hold tight, if you dare to drop a flower, I will discount your legs!"
