

# The Charismatic Charlie Wade Chapter 2534

## Chapter 2534

The steward replied truthfully: “Master, the influence of video is still expanding. Now it has gradually spread from China to overseas. The overall public opinion situation is extremely detrimental to the family.”

“Besides, Elijah Du from the Du family has made no less than 10 calls. I didn’t dare to answer...”

“Several leaders of Eastcliff also called for questioning. They were very angry about this matter and asked the Su family to give a clear solution. I excused that you were ill and temporarily delayed, but they want you to give a clear statement within 24 hours...”

Chengfeng couldn’t help sighing, gritted his teeth, and said: “The short video platform is in the hands of the Wade family. I think it is impossible to engage in public relations. As for the Du family, we don’t have to care about him. Elijah can do whatever he wants. I won’t see him, the big deal is I won’t see him in my life.”

The butler hurriedly asked, “Master, that leader...”

Chengfeng sighed, “This is what I worry about the most... That Shred actually strapped explosives to take hostages. The impact of this kind of thing is really bad. Now it’s all exposed. I have to carry the pot...”

As he said, Chengfeng calmed down and said, “You give my feedback to the leaders, saying that I am recovering from illness abroad, and when my body improves slightly, I will immediately go to them and ask them for forgiveness!”

“OK master.”

Chengfeng rubbed his temples, and asked a little bit weakly, "By the way, which family has the strongest overall strength in Suhang?"

The steward said seriously: "The Wu family should be the strongest, but a lot of things happened to them some time ago, and their strength is lost by nearly half. They were originally the first family in the South, but now they are no longer in the top three."

Chengfeng nodded and said: "The Su family has been focusing on the overseas market for the past few years, and has not deeply plowed the domestic market. Now is the time to quickly regain the domestic market and network resources, and I may want to stay in Suzhou for a long time, it is more convenient to get acquainted with the big local family. It is better to use this Wu family for our own use."

With that, he asked, "By the way, when will Zynn land?"

The butler checked the time and said, "Master should land around two or three o'clock in the afternoon."

Chengfeng gave a hum, and said, "In this way, you will meet the Wu family on my behalf, and tell them that the Su family wants to invite them over for dinner at night, but don't reveal my identity. Don't let people know that I'm in Suzhou, do you understand?"

The housekeeper immediately nodded and said, "Understood sir! I'm going to contact the Wu family!"

.....

At the same time, Zynn was flying over the Western Pacific in a private jet.

Although he didn't close his eyes overnight, he was a little excited.

And Zhifei, lying in his car in a complicated mood, had three pictures constantly rotating in his mind.

The first picture is Liona, his mother in the car accident;

The second picture is the younger sister Zhiyu who was also in the car accident;

The third picture is the self after becoming the head of the Su family.

Originally, these three pictures were one after another, one after another, and one after another, they were considered evenly matched.

However, with the passage of time, the first two pictures gradually became a little thin, and the third picture began to firmly occupy the main position.

After talking on the phone with his father Zynn, Zhifei discovered that the position of Su Family Patriarch, and the huge wealth that can be controlled by this position, was too strong a temptation for him.

With a wave of the hand, he can command a superfamily with assets of more than one trillion. This feeling of pointing the country is simply the ultimate power that all businessmen desire!

He analyzed the current situation carefully, and he couldn't help feeling more excited, because he felt in his heart: "The second uncle has disappeared, and grandpa's reputation is completely stinking on the street. In this way, the possibility of the father inheriting the Su family is much greater. My father only has one son, which means that my chances of becoming the Su Family Patriarch in the future are much greater!"
