

The Charismatic Charlie Wade Chapter 2535

Chapter 2535

In order to win over Regnar Wu, Old Chengfeng Su asked his housekeeper to directly take gifts to visit Wu's house.

The chief butler of the Su family has the same qualifications and status as Leon, and even worse. Moreover, the chief steward represents not only himself but also the head of the family, Chengfeng. Therefore, let the steward visit Wu in person. It definitely gives the Wu family face.

Chengfeng attached great importance to the win over the Wu family, so he asked his butler to visit him on his behalf.

Chengfeng also knew very well that he had become a rat crossing the street right now, and it was impossible for him to return to Eastcliff in a short time.

So he must be prepared to stay in Suzhou for a long time.

This incident gave him the feeling that it was a period of history when the British and French forces invaded Eastcliff in 1860 and the Qing Emperor Xianfeng hurriedly fled to Rehe.

When the British and French forces invaded Eastcliff, Emperor Xianfeng fled in a panic like him.

However, the fate of the Emperor was a bit miserable.

He waited hard for a year in Rehe and didn't have the chance to return to the capital. As a result, he died in the second year after escaping to Rehe. He was only 31 years old.

In order not to repeat the latter of Xianfeng, Chengfeng had already made a comprehensive plan for himself from the moment he fled Eastcliff.

When he came to Suzhou, he wanted to quietly establish a foothold here. Not only would he bring all the top local families in Suzhou over, but also quickly transfer the industries of the Su family across the country to Suzhou to consolidate the family's presence in Suzhou.

He wanted to make this city the second base camp of the Su family.

In addition, he also wanted to hold his eldest son Zynn Su up again and let him serve as the acting chairman of the entire Su Group.

Once Zynn becomes the acting chairman of the board, it means that he has been formally established as the "prince" of the Su family. This will not only allow Zynn to adhere to him honestly but also reduce the outside world's attention to him to a certain extent.

What he thought was to draw Zynn over, let him be his own puppet, and show his face in the public, while he hides in Suhang to listen to politics, so as to ensure that his power will not be weakened by Zynn.

The entire Su family has been in the hands of Chengfeng for so many years. Whether it is the shares of the group, the voting rights and veto rights of the board of directors, and the management rights of family trust funds, all of them are in Chengfeng's hands alone.

Therefore, as long as he does not transfer these rights, even if Zynn sits on the position of acting chairman, he cannot have any real power, let alone take this opportunity to seek usurpation.

Moreover, Chengfeng is extremely exquisite. He has already made a will. Once he dies, all the property of the entire Su family will be automatically handed over to the trust fund established by the Swiss Bank for management. The property of more than one trillion, any one of the Su family The children have no right to call, they can only receive living expenses from the trust fund every month in accordance with the rules set by Chengfeng.

As for the standard of living expenses, Chengfeng also set it early. Each of his sons and daughters can receive 10 million per month, and his spouse can receive 5 million per month; his grandchildren can receive 6 million per month. , His spouse can receive 3 million a month. If the grandson has heirs, each heir can receive 2 million a month before the age of 18.

Counting it down, if Chengfeng didn't change his will before his death, after his death, the entire Su family's juniors would receive two to three billion in living expenses in one month.

However, the Su family's assets exceed one trillion, and its monthly net profit exceeds ten billion. No one is eligible to use the remaining money, so it can only be put into the trust fund for profit.

It seems that it is very unfair to these children and grandchildren of Zynn because even if they continue to receive living expenses until they die, the Su family will have more money.

However, Chengfeng had his own plan for the reason why he was so determined.

First of all, this will is here, which is Chengfeng's amulet.

Because no heir of the Su family would have the intention of murdering Chengfeng.

The reason is that once Chengfeng is dead, not only will they not be able to inherit the position of Patriarch, but their income will be greatly reduced.

Originally, a family can earn tens or tens of billions a year, and they can also get a lot of other resource support from the family, but once the father dies, everyone lies down and receive the dead wages, the family can receive several One hundred million is a big deal, and it shrinks ten times, even tens or hundreds of times.
