

The Charismatic Charlie Wade Chapter 2536

Chapter 2536

And this will, in addition to the role of amulets, is also equivalent to family insurance.

The ancient emperors were worried about the faint monarchs in their heirs so that they would throw away the sacred land and leave the future generations without blessings.

And these modern rich men are also worried that their offspring will have a prodigal, ruining the family foundation.

Therefore, almost every wealthy man will set up a trust fund, and if his descendants are unwilling to succeed, they will hand over all the property to the trust fund to ensure that the descendants of the family will live forever, and they will always have money to spend and will not lose their property.

Moreover, this rule of relying on the leader for living expenses is particularly easy to stimulate the gang of children and grandchildren to multiply their offspring.

Because, as long as they give birth to one heir, it is equivalent to giving birth to a meal ticket.

What the head of the family is most worried about is the continuation of the incense. If this allows children and grandchildren to have more children, coupled with sufficient trust fund assets, the continuity and development of the family can be more ensured.

For Chengfeng, if his children and grandchildren do not satisfy him, he would not change this will until his death.

But if there are very capable children and grandchildren who can gain their own trust, then there is no time to change the will when he is about to die.

In this way, this old fox can firmly hold the power of the entire Su family and all the initiative in his own hands, and it is impossible for any offspring to threaten his rule over the family.

.....

Here, Regnar and Roger have just returned home. Before the two of them sat hot, Chengfeng's housekeeper came to the door.

Hearing that the chief butler of the Su family came to visit, Regnar's first thought was: "Charlie, this fellow, is really amazing! As soon as I came back, this family came to the door!"

Thinking of this, he hurriedly said to Roger: "Son, in order to highlight the importance, you personally go outside to greet him, and invite the chief butler of the Su family to my study!"

Roger nodded hurriedly and walked out quickly.

Regnar straightened his collar and went to his study first.

After a while, Roger walked in with a middle-aged man who was about fifty years old.

As soon as this person entered the door, Regnar greeted him immediately.

Roger hurriedly introduced, "Dad, this is the chief steward of the Eastcliff's Su family, Mr. Anson!"

Regnar immediately said with great enthusiasm: "Oh, Mr. Anson, I have been admiring you for a long time! Please sit down, please sit down!"

Anson nodded slightly, and said with a little smile: "Mr. Wu, I came here today in the place of my lord, and ask Mr. Wu to come to the house for dinner!"

Although Regnar had already guessed the other party's intentions, he still pretended to be flattered and said excitedly: "Mr. Su is going to invite me to dinner?! This...is this true?"

“Of course!” Anson smiled slightly and said, “I wonder if Mr. Wu has time tonight?”

Regnar said without hesitation: “Yes! Of course! Are we going to Eastcliff? If yes, I will quickly get the crew ready for flight!”

Anson shook his head and said with a smile: “Mr. Chengfeng is in Suzhou, and he wants to host a banquet at Suhang’s house tonight.”

After speaking, he reminded him with a very serious expression: “Mr. Wu, only you father, and son know about the information that my master came to Suzhou. You must remember this matter and never disclose it to anyone!”
