

# The Charismatic Charlie Wade Chapter 2546

## Chapter 2546

After speaking, he explained: “Anyone who has studied history knows that in 37 years, we have experienced a huge ordeal in China. At that time, many top metaphysical families had already calculated the disaster of China Land one or two years in advance. Many have fled overseas in advance. Those who have not escaped are either those masters who serve the country and the people, or those who have the insufficient ability and limited skills, and cannot be counted as two swords of disaster.”

“And those top masters who stayed devoted their efforts to Jiangshan Sheji. In addition to the Eight Years’ War, there were deaths and injuries, and a large number of domestic metaphysical masters withered, but the ones who fled overseas were intact. Survived.”

Regnar couldn’t help asking, “Mr. Su, there is still something unclear below. Why did these escaped metaphysical masters go to the United States?”

Chengfeng smiled and said: “Recall the history of World War II you learned in junior high school. At that time, the whole world was swamped. Europe, known as the birthplace of modern civilization, was also turned into a puddle of mud. Even Britain was blown to ruins. Needless to say. Continental Europe.”

“Looking at the whole world, there was only the United States that year. Except for a small attack on Pearl Harbor, the mainland was almost out of the war. The true masters of metaphysics have long been there for the peace and peace of the United States, so almost all of them have a brain. Fleeing to the United States, other people’s World War II was a raging war. These people’s World War II was to survive in America.

After all, Chengfeng said again: “If you need it, I can help you find a top metaphysical master from the United States and let him see your son’s situation.”

Regnar asked a little excitedly, “Mr. Su, is what you said is true?”

“Of course!” Chengfeng smiled slightly and said seriously: “Since we are all interested in being tied together to do something big, then I must show something, so let’s arrange for someone to contact and let the master sit as soon as possible. The plane is coming. If the speed is fast, the master may be there tomorrow night.”

Although Regnar didn’t dare to betray Charlie, he couldn’t help getting excited when he thought that the master of metaphysics that Chengfeng had found might really be able to heal his son.

This also made him feel the feeling of having the right and the right. If he could cleverly mediate between Charlie and Su’s family, wouldn’t he be able to please both sides and obtain benefits from both sides?

Thinking of this, Regnar hurriedly stood up, clasped his fists in his hands, bowed, and said, “I’m taking the place of the dog, thank you, Mr. Su! If you need to be here in the future, just give a command, and don’t let it go!”

Chengfeng waved his hand and said casually, “Mr. Wu, between you and me, you are welcome.”

After speaking, he looked at Zynn and told him: “Zynn, you turn back to talk to Mr. Mai in Los Angeles. It is best to ask him to come out and visit Suzhou.”

Zynn nodded and hurriedly said, “I know Dad. It is estimated that the time in Los Angeles is not bright yet. Should I wait an hour or two before contacting?”

“Okay.” Chengfeng smiled and said with emotion: “I haven’t seen Mr. Mai in years. If he is willing to show his face and come here in person, I will also ask him to do the calculations for me. I have encountered various blows, maybe it has a lot to do with Feng Shui luck!”
