

# The Charismatic Charlie Wade Chapter 2569

## Chapter 2569

Mike's words, let Dan's whole person cheer!

He has studied Yijing Bagua and Fengshui Metaphysics all his life, and it seems that he has reached the pinnacle. In fact, he has just passed the entry-level in Feng Shui Metaphysics.

True metaphysics is far more than feng shui and gossip, but a large school of wisdom and inheritance of Chinese ancestors.

Among them, many advanced metaphysics have been lost, and almost no one knows.

In this life, Dan has been quite accomplished in Feng Shui, but he has been crushed by several other masters. Among them, Lai Qinghua, who is ten years older than him, is the most cruel.

Lai Qinghua can be regarded as the most accomplished in the field of Feng Shui metaphysics among all Chinese Americans.

There are still two high-level masters, but they are no longer alive.

Dan has been hoping that after Lai Qinghua enters the soil, he will become a leader in Feng Shui metaphysics.

However, seeing that he was in his nineties, Lai Qinghua, who was over a hundred years old, was not dead yet.

A few years ago, Qinghua left the United States and returned to China for three years.

And those three years were the three years in which Dan had the strongest sense of accomplishment.

Because no one could find Lai Qinghua, he temporarily became the strongest in the field of geomancy and metaphysics in the United States.

He once felt that the reason why Lai Qinghua wanted to leave the United States and return to China was probably that he had reached the end of his life, so he wanted to return to his roots, return to China to spend the last time in his life, and would not live back to the United States.

What he did not expect was that Lai Qinghua returned to the United States some time ago.

What made him even more unexpected and unacceptable was that Lai Qinghua was in excellent condition. Although he was over a hundred years old, he looked better than him.

For a time, Lai Qinghua, who was nearly twenty years old, became the focus of discussions in the entire American Chinese circle. Countless people regarded Lai Qinghua as an old god. For a time, legends about him spread throughout the Chinese community.

During that time, Dan was extremely depressed.

Although depressed, he was also very curious and yearning for Lai Qinghua's changes, so he made a special trip to visit him very humbly.

During the visit, he tentatively asked why he became young. Lai Qinghua only said to him in eight words: "There is a sky outside the sky, and there are people outside the world."

Dan also understood the meaning of his words. He knew that Lai Qinghua was telling himself that he met an expert in China, so he also encountered great luck.

Although Dan didn't know what kind of destiny Lai Qinghua encountered, he speculated that Lai Qinghua could suddenly be twenty years younger when he was about to die, and he might have mastered a higher level of metaphysics.

In addition to the feng shui mystery, metaphysics also has the Fu seal formation. The nine-character mantra spoken by the ancestors: Lin, Bing, Fight, Zhe, Ji, formation, column, forward, and line are the core of the Fu seal formation.

However, these are not the true top techniques of metaphysics.

Because, in the field of metaphysics today, there has always been an unproven legend, that is aura!

In ancient literature records, Reiki is often mentioned, as well as the chain repair method based on Reiki.

There are even relevant records in many folklore and famous stories.

It is said that aura is the highest among all powers, and if you master aura, you can master everything.

However, since modern times, the metaphysical circle has not found any cultivation method that can harness spiritual energy.

Countless people in the metaphysical circle searched desperately, but did not find any practical clues.

Although Dan was also full of longing, but he was also very clear in his heart that he certainly did not have such good luck.

However, the words of great-grandson Mike reminded him.
