

The Charismatic Charlie Wade Chapter 2641

Chapter 2641

In Zhongquan's eyes, Charlie was a standard sweet and pastry.

Leaving aside Charlie's so powerful and strange strength, the marriage contract between Charlie and Sara and the firm attitude of the Gu family willing to abide by the marriage contract made Zhongquan look forward to Charlie's official return to the Wade family.

The money earned from trading is earned by accumulating one point after another point, but if you make money by marrying a woman, you may add tens or even hundreds of billions of property overnight.

Philip only has a daughter Sara the only heir of the huge wealth, so everyone knows that once someone marries Sara, he will inherit the entire Gu family.

Zhongquan wanted to surpass the Su family a long time ago. If Charlie really took Sara into his bag, then the comprehensive strength of the Wade family would surely surpass the Su family by a large margin.

Moreover, now the Su family has suffered successive blows. If Charlie can match up and let Wade family and Gu family work together to deal with the Su family, then it is very likely to pull the Su family down from the first place and drag them directly to third place.

When the time comes, the Wade family will be the first, and the Gu family will be second, and the Gu family is almost equal to the Wade family. That is really the time for the Wade family to rebuild its glory!

Therefore, Zhongquan would be tolerant of Charlie in every possible way. Charlie could only use his Concorde airliner, and he could only give it; if Charlie wanted him to help enter Syria, he could only help.

Therefore, he immediately mobilized resources and made arrangements, and then told Charlie: "Charlie, I have arranged it. The plane will take off from Eastcliff in ten minutes, and it will land at Aurous Hill Airport half an hour after takeoff. Then you can directly board at Aurous Hill Airport and fly non-stop to Lebanon!"

Charlie was relieved after listening.

Although the matter of going to Syria was too hasty, and there is no news that Melba has a confirmed accident, Charlie still felt that he has to go.

It was just that Charlie was about to leave for Syria suddenly, and he didn't know how to explain to Claire.

After much deliberation, he could only use the old rhetoric of showing customers Feng Shui, and called Claire.

At this time, Claire was still in a meeting in the Emgrand Group.

In the recent period, more than half of her working hours have been in the Emgrand Group.

Because many plans need to be connected with the representatives of the Group, if there is any need, the plan must be adjusted in time.

Emgrand Group itself is the largest real estate development group in the city, and its requirements for project partners have always been very harsh.

Moreover, in the Group, apart from Doris who knew that Claire's true identity was the wife of the chairman, everyone else did not know this.

Therefore, in the eyes of these people, Claire won the bid for the cooperation of the Emgrand Group, and they naturally have to strictly demand the partners.

Claire received the call from Charlie and hurried to the bathroom. After answering the call, Claire asked, "Husband, why do you call me at this time? Anything important?"

Charlie suddenly felt a little tangled.

In fact, he didn't want to lie and deceive Claire without a last resort.

But this kind of thing, he can't tell the truth to her anyway.

Not only is the situation in Syria extremely dangerous in the eyes of ordinary people, but the reason for going to Syria is simply not understood.

If he tells her that the child of a man who was a classmate of his mother is about to be in danger in Syria, then many of the questions involved cannot be answered at all.

For example, who is his mother? Who is the mother's classmate?

For another example, what can he do if his mother's classmate's child has an accident in Syria and can go there alone with bare hands? Besides, there is not even a direct plane, how can he get there?

Sometimes, if you choose to tell the truth, you must pull out the radish to bring out the mud and confess all the key information, otherwise, it is more appropriate to fabricate a false reason.

Therefore, thinking of this, Charlie had no choice but to say: "Wife, this is the case. I have a client who wants to ask me to go out of town to show Feng Shui in his house. He just happened to have a fancy for a second-hand villa that others are desperately selling. If there is nothing wrong with the Feng Shui, he will just buy it."

Claire asked him, "Going to another place? How long?"

Charlie thought for a while and said, "If it's fast, I can come back tomorrow; but if it's slow, it may take two or three days."

Claire couldn't help but asked him in a low voice, "Husband, can this project be dropped? You will have your birthday in a few days. I really don't want you to be as busy as before..."

Chapter 2642

Charlie was moved in his heart, and said softly, "Good wife, to be honest, I don't want to go out at this time, but this time I met an old customer, and I really can't escape."

Having said that, he paused slightly and continued: "Wife, or else, I promise you? After this order is finished, I will not accept new orders in the next month!"

The reason why Charlie promised for a month was that it was Ching Ming Festival almost a month later, and he had to go to Eastcliff to participate in the ancestor worship ceremony at that time, and he would definitely have to explain to Claire for reasons of Feng Shui.

Claire on the phone, after hearing Charlie's answer, not taking orders for a month, her mood finally eased a lot, and her tone was also a little bit coquettish, and said, "This is what you said, if in the future within a month, if you dare to go out and show others Feng Shui, then I will not share the room with you to sleep!"

When Charlie heard this, he immediately agreed without hesitation, and blurted out: "My wife, don't worry! I will do what I say!"

Only then was Claire satisfied, and asked him, "Then when are you leaving?"

Charlie said, "I'll leave directly in a while."

Claire couldn't hide her surprise and asked, "Why are you so anxious? I thought you have to wait for tomorrow to leave."

Charlie explained: "The seller of the villa at the other house contacted several buyers at the same time. Because the price is relatively cheap, whoever gets the deal will get it first. That's why this old customer is so anxious and wants me to go with him today."

Claire asked curiously, "What customers, man or a woman?"

After speaking, she felt that her question was a bit inappropriate, and hurriedly explained: "Charlie, I just asked casually. There is no other meaning. If you don't want to say it, then forget it."

Charlie smiled and said, "It's a male client. He is quite famous. He is the general manager of our Shangri-La Hotel, Issac Craven."

Claire naturally heard of Issac's name.

However, she only knows that Issac is the general manager of Shangri-La, and that he is very influential in Aurous Hill, but she does not know Issac's true background.

So Charlie was not afraid of using Issac as a cover.

Hearing Issac's name, Claire exclaimed: "Damn, this man is said to be very powerful. Even the Song family has to give him some face. When did he become your old customer?"

Charlie deliberately lowered his voice and said with a smile: "Aren't these rich people in Aurous Hill quite good? They believe in Feng Shui. I was a bit famous before, so many rich people came here admiringly."

While talking, he said again: "Wife, wait a minute, I will let Mr. Issac say something to you."

Claire hurriedly said, "No need, no, husband, I just asked casually, no other meaning."

Charlie smiled and said, "Your husband didn't mean anything else, just to let you rest assured."

With that, he said to Issac: "Mr. Issac, please talk to my wife."

Issac hurried over and said seriously: "Mrs. Wade, I am Issac. Mr. Wade will go with me this time, and I hope you don't mind."

Claire hurriedly said, "If I don't, I won't, I hope you all go well."

Charlie said at this time: "My wife, we are going to leave immediately, so I would say to you bye for now."

Claire said hurriedly, "Then you must pay attention to safety when you are away, and remember to eat regularly."

Charlie smiled and said, "Don't worry, I will take care of myself."

Claire reluctantly said: "Then you go, I will continue to work hard, come back soon."

"Sure, I will."

Charlie also hung up the phone a little bit reluctantly, and then immediately said to Issac: "Arrange a helicopter, I'm going to the airport!"

.....

Chapter 2643

When Charlie said that he was going to the airport, Issac subconsciously said, "Master, going now?"

Charlie blurted out: "What are you waiting for if I don't go now? The plane is estimated to have taken off. It will arrive at Airport in less than 20 minutes. If the helicopter moves more slowly, the Concorde may arrive first."

Issac came back to his senses and smirked awkwardly: "Yes, yes, yes, I forgot that this Concorde airliner is flying fast. Wait a moment, I will arrange the helicopter to take off."

After speaking, Issac picked up the walkie-talkie on the table and blurted out: "The helicopter crew prepares immediately and takes off to Aurous Hill Airport in five minutes!"

Soon, Charlie heard the helicopter engine starting sound from the roof.

Issac hurriedly said, "Master, you can go!"

"Good!" Charlie stood up without hesitation and walked out of Issac's office.

Issac's office itself is on the top floor, and the helipad on the top of the building is directly above his office. At the entrance of his office, there is a special elevator that can rise directly to the top of the building.

Under the leadership of Issac, Charlie took the special elevator to the top of the building. The helicopter had started at this time and was ready to take off at any time.

A flight attendant opened the door of the helicopter and stood aside respectfully. Charlie stepped up without hesitation. Unexpectedly, Issac would also follow.

Charlie said: "You don't have to see me off."

Issac said hurriedly, "Master, I am not going to see you off, I am going to go with you!"

"Come with me?" Charlie frowned and said, "Don't have to be so troublesome, I can do it myself."

Issac blurted out: "No, master, you are going to Syria and you are not familiar with the place. Although your strength is unmatched, I still hope to be able to stand by your side, and if my Lady Claire calls you, I will at least can help you round up a lie."

Seeing Issac's insistence, Charlie didn't refuse, and said, "Okay, let's go together."

Issac was overjoyed, and hurriedly sat down beside Charlie, and said to the crew: "Get off!"

The helicopter immediately climbed and galloped towards the Aurous Hill Airport.

Twenty minutes later, when the helicopter was less than ten kilometers away from the airport, Charlie saw a slender white passenger plane in the sky above him, swiftly passing by.

Unlike the arc-shaped front face of an ordinary passenger plane, the nose of this plane is a very sharp cone, and the wing is not in the shape of two open wings, but a triangular wing that is rearward. The shape of this delta wing is the kind of design style that is extremely speedy.

Issac on the side also saw the plane, and said excitedly: "Look, master, that's the master's Concorde! It seems that this plane has arrived before us!"

The approach speed of the Concorde airliner was nearly 400 kilometers per hour, which was much faster than the helicopter, so the helicopter was left behind in the blink of an eye.

Charlie looked at this plane full of science fiction imagery, and couldn't help feeling in his heart. He really did not expect that such an advanced plane was a product developed decades ago.

What made him even more emotional is that the power of capital is indeed extremely powerful. The cost of this aircraft is extremely high, and the cost of modification and maintenance is higher. The cost of keeping it is faster than burning money if it is not for assets with more than one trillion. No one in the big family can afford to burn such expensive things.

Chapter 2644

A few minutes later, Charlie's helicopter arrived at Aurous Hill Airport.

At the end of the airport runway, the Concorde plane was parked just now.

The pilot said at this moment: "Young Master, Mr. Issac, the feedback from the airport said that the Concorde is ready to take off. Let's land directly next to the Concorde, and then board and take off immediately!"

"Okay!" Charlie nodded. He became more aware of the reasons for the success of the big family, and a large part of it was the guarantee behind the success.

Ordinary people want to go to Syria, according to the conventional route, from the moment of boarding, it takes at least 24 hours.

However, with such a complete support system, the time to arrive in Syria can be almost reduced to six hours.

The difference of eighteen hours does not seem to be a big deal in normal times. It is nothing more than the difference between a plane ticket and a green leather train ticket. But in the face of extremely important events, these eighteen hours can be a great headstart. There are too many things and too many results that can be changed.

As the helicopter descended, Charlie suddenly received a call from Pollard. As soon as the call was made, Pollard said in a panic, “Charlie...know that something serious happened to Melba... “

Charlie hurriedly asked, “Uncle, don’t worry, and speak slowly, what happened to Melba?”

Pollard blurted out: “I just received a message from a local friend that the government army’s military operation failed today. The troops they sent were encircled by the opposition. Over a thousand people were killed or injured, and nearly a hundred people are captured. Eight young Americans including Melba...”

“What?!” Charlie suddenly exclaimed, “Is the message confirmed?”

Pollard said nervously: “It has been determined...Now the government forces are preparing to launch military retaliation, but the opposition has already told the government forces and the U.S. Embassy to pay 80 million US dollars as ransom, otherwise, the eight of them including Melba will be executed!”

Charlie asked hurriedly, “Did the American Embassy declare its position?”

“I have expressed my opinion.” Pollard sighed and said: “Their spokesperson strongly condemned the actions of the opposition, and they said that they would not accept the threat of the opposition, and demanded that the opposition must release the hostages, otherwise they will launch Military offensive against them...”

Charlie’s tone couldn’t help being solemn, and said: “If this is the case, it is likely to anger the other party.”

“Yes...” Pollard gritted his teeth and cursed, “My friend knows the people in the US Embassy. They actually don’t care about the lives of these eight young people!”

“And they are not willing to pay the ransom at all, because they have made a lot of enemies in the Middle East over the years. Once this compromise is made, I don’t know how many people will follow suit, so they want to prevent this from happening again... ..”

Speaking of this, Pollard choked and said: “The opposition is also very angry at the attitude of the Embassy. They said that they will give them six hours. After six hours, one will be executed every half an hour. Melba! I... I am afraid this time it will be too bad. ...”

Charlie hurriedly comforted: “Uncle Watt, don’t worry about it...”

Pollard cried bitterly and said, “Hey, how can I not worry...I am about to have a heart attack now!”

“And I really regret it! I regret making Melba naturalized at the time... She was born in the United States at the time, so she was naturally naturalized at that time. If she was a Chinese national, she would definitely return this time. There would be a turnaround...”

“It’s a pity that she and her classmates and friends are all American...”

Charlie hurriedly said: “Uncle, don’t worry, let alone not be so pessimistic. I will set off for Syria right away. I will definitely find a way to rescue your daughter. You can wait for good news from my side!”

Chapter 2645

Pollard never dreamed that Charlie was already ready to go to Syria!

He originally did not call Charlie to ask him for help, because he felt that Charlie could not help much. After all, his daughter is now six to seven thousand kilometers away in Syria, and she is too deep in the armed conflict.

In this case, even the Syrian government army could not help, so he never thought that Charlie could help.

Pollard made this call to Charlie mainly to tell him the latest situation.

Therefore, when he heard Charlie say that he was ready to go to Syria, he was shocked to speak.

After a while, he subconsciously asked, “Charlie, you...how would you go to Syria? That place is not even connected to civil aviation...”

Charlie had already stepped off the helicopter and stepped onto the slender Concorde in front of him.

As he ran up the boarding stair car, he said to Pollard on the phone: “I let the Wade family arrange the plane to fly to Beirut, the capital of Lebanon, and then enter Syria from Beirut!”

Pollard heard this and immediately said excitedly: “Charlie, you... are you serious?!”

Charlie said, “Of course, I’m already at the Airport here, and will take off immediately.”

Pollard asked subconsciously: “How long will it take to get to Syria? The opposition will start killing hostages in a few hours. I’m afraid you will toss it so far, but in the end, you still can’t catch up...”

Charlie said: “I borrowed the Wade family’s Concorde, and I can get to Beirut in not more than four hours. In addition, I also asked the Wade family to prepare the resources and contacts there. After I land, I should be able to go directly to Syria. Kent is only a few tens of kilometers away from Syria, and should still be able to catch up.”

Pollard hurriedly asked again: “Then...can I come with you then?”

Charlie said, “Uncle, time is running out. I will take off in five minutes. You can wait for my message here with peace of mind. I will definitely bring your daughter back safely.”

Pollard said gratefully, “Charlie, thank you so much...”

After speaking, he asked again: “Charlie, how do you plan to save Melba when you arrive in Syria? You promised uncle that you must never try to risk yourself! In any case, you can’t put yourself in a dangerous situation, do you understand?”

Charlie comforted: “Uncle, don’t worry, I mainly intend to use the money to solve the problem this time. Don’t the Syrian opposition just want the ransom? If the US embassy is not willing to give it, then I will give it.”

Charlie couldn't help but ridiculed himself again: "To be honest, I am going to be a spoiler for the opposition this time. No matter how b@stard they are, they can't even let the God of Wealth not let go, right?"

In fact, Charlie just comforted Pollard and told him not to worry too much.

Using money to redeem someone is not Charlie's style at all.

Because he knows that such desperadoes are absolutely impossible to have any credibility at all.

Generally speaking, such brutal and vicious criminals will only see money open and treachery will follow.

They really took tens of millions of dollars in the past to redeem people, they might not only not let them go, but on the contrary, they would feel that they were a big fish and detain them and asked for more dollars.

So, this time, he is ready to directly use violence to solve the problem.
