

# The Charismatic Charlie Wade Chapter 2671

## Chapter 2671

“Concorde?!”

When Charlie said these four words, everyone was stunned.

Who can believe that the legend and the super king of civil aviation speed-Concorde, which ended as early as 20 years ago, It's still in operation now?! The Chinese kid subconsciously laughed and said: “You really know how to say that the Concorde has long been retired. Now there is no airline in the world, and it has a supersonic speed in operation. Do you think we are a fool?”

Charlie shook his head and laughed at him: “Oh, I really don't understand myself, what am I doing with you so much?”

After finishing speaking, he looks at Melba, said: “The situation is urgent now. The opposition has announced to the public that if the US embassy does not agree to their demand, it will start killing hostages, so we don't want to delay any more time and leave this now.”

Melba couldn't help asking: “Then my friends?”

Charlie reached out his hand to stop her and said: “What kind of stupid people are your friends, I believe you are watching it all. Put the words here, today I will only take you alone, to go or not to go, I will give you 10 seconds to consider.

“Just take one person?” one boy put his right hand in the air disdainfully, made a gesture of reaching out and twisting the light bulb, curled his mouth, and said: “You really feel good about yourself. Tell you the truth, even if you ask If you let me go with you, I won't go with you!”

Charlie ignored him, but looked at Melba and said, "There are still five seconds left. "

I, Melba, suddenly fell into a dilemma.

She really wanted to leave with Charlie. After all, he was entrusted by her father to come to Syria to save her.

However, she didn't want to just treat these classmates who share common ideals and stay here.

At this moment, the kid of Chinese descent said immediately: "Melba, even if his identity is not a problem, you must never follow him! There are one or two thousand opposition armed forces outside, and if you are not careful, you may be caught. You must not make a joke about your life's safety!

"Yes!" a white boy said: "The best way for us now is to wait for our troops to rescue us! If you go with him now, not only After nine deaths, even if you survive by chance, you will definitely regret it! At this moment, Melba fully understands that it is absolutely impossible for her to convince this group of friends.

So she opened her mouth and said, "Everyone, I don't want to hit everyone's self-confidence, but I don't really believe that the SEAL team will come to rescue me. So

far, Melba hesitated for a while, and finally said firmly: "So I decided to talk to Mr. Charlie and leave! Whether it's life or death, I won't regret my decision!

Charlie nodded and said: "Okay, don't talk nonsense with them anymore, let's go now." After that, he walked over. In front of Melba, he pulled her up from the ground and untied the rope tied to her hand.

At this moment, he suddenly noticed that someone was walking down the stairs outside, so he immediately whispered in Melba's ear: "Someone is here, sit back first!"

Melba hurriedly sat back on the ground, and Charlie stepped back a few steps and quickly stuck it on the wall next to the iron gate.

After a while, he heard someone speaking in Arabic outside.

Charlie could perceive it, and three people walked down the stairs at this time.

The headed person is saying something loudly.

Immediately afterward, two of the three people stayed at the door of the outermost door, and the head walked in by himself.

As soon as he entered the door, Faisal and the others immediately said loudly: “Hello, Commander Hamid! Upon hearing this, Charlie’s spirits jumped all of a sudden.

## **Chapter 2672**

At the same time, he also spurned the seven highly educated stupid birds in front of him. Didn’t they wait for the Marines to rescue them? The Marines did not come, but the angel of death came first!

Then, he listened to that Commander Hamid and Faisal and others outside exchanged a few words, probably asking Faisal how the hostages inside are.

One of the guards hurriedly said that everything is normal, and then the leader said: “Open the door.”

Immediately, the door opened sounded.

After a while, the iron gate was pushed aside from the outside, and a man in a desert camouflage stepped in.

What’s interesting is that the moment he stepped in, his figure swayed to the left, which made Charlie instantly see that this guy was still lame with a problem with his left leg!

Hamid stepped forward and saw these eight hostages didn’t wear headgear, and he was furious. He shouted sharply, “Fu\*k! Why don’t they wear headgear?! Now that they see my face, won’t I have to kill them?!”

As soon as the voice fell, he realized there was still a figure in the peripheral light on his right side, so he hurriedly turned his head and saw Charlie, who was looking directly at him with a smile on his face.

Seeing that Charlie was an unfamiliar face, he was suddenly shocked, and he subconsciously went to his pocket to draw a gun.

At this moment, Charlie pointed the muzzle of the AK47 directly at him, then closed the door with one foot, and said with a smile: "Come on, kneel on the ground with your hands on your head."

After speaking, he shook his head again and said to himself said: "I guess you can't understand what I said."

Hamid blurted out: "You are the Chinese people?"

Charlie curious and asked: "You, you also speak Chinese?"

Hamid put a calm, said: "I've had studied in China, I learned Chinese. Originally, my father wanted me to fully develop trade with China in the future, but I did not expect that my father would be killed by the government forces."

After speaking, he looked at Charlie and asked coldly: "Who are you? How come you are here?! Are you a member of the government army?"

Charlie smiled slightly: "I'm not from the government army."

Hamid with an expression of horror, blurted: "Whom do you serve?"

Charlie pointed to Melba: "I was commissioned by the girl's father to bring his baby daughter home,"

After that, he pointed to Hamid again and said coldly: "So you guys are not righteous, and go to war. But you kidnapped a few students who were stupid in reading and were not afraid of other people's intentions?"

Hamid gritted his teeth and yelled: "Stop talking nonsense with me here. I tied them because they are with the government army and are my enemy! And you ran to me"

without shame and want to take them away when I am here? You come as you want, and leave as you want?”

Charlie smiled and said, “Otherwise? Believe it or not, if I kill you now, I can still safely evacuate.”

Hamid gritted his teeth and said, “It’s all my people outside. You can’t escape at all!

Charlie shook his head: “No, no, no, you are wrong. The outside is all my people.

Then, Charlie opened the door and told Faisal: “Take the two outside and control this guy, remember not to let the people in the yard hear it!

Faisal nodded without hesitation: “Yes!

Hamid stunned and yelled: “Faisal, you dare to betray me! Betray our grand goal of overthrowing the government army!”

‘Sorry!’ Faisal pointed at Charlie respectfully with both hands, and said without hesitation: “I am only loyal to this gentleman now!

## **Chapter 2673**

“Grass!

Hamid’s heart suddenly became cold when he heard this. After all, he has been leading the army for many years, and his judgment of the strategic situation is very accurate. At this moment, he has realized that he and Charlie each have half of their control initiative.

“In this cellar, the initiative is in the hands of this Chinese man, because he has a gun at me and bought my subordinates. He can kill me in this room at any time.”

“However, I am not completely passive. After all, no matter how powerful he is, it is impossible to buy over one or two thousand people from the entire base.”

“Because, if he really had this capability, he would have overthrown me directly, so why bother to spend so much effort? , How about sneaking into this cellar?”

Thinking of this, he immediately said to Charlie: Friend, neither of us should be too impulsive. If you have anything, you can talk and discuss it. After all, I have been studying in China for many years and I see you are very kind!”

Charlie nodded and smiled: “It’s easy if you want to talk. I just have one request. If you ask me to take people away, I won’t make it difficult for you. Otherwise, I will kill you first.”

Saying this, Charlie must say seriously: “After I kill you, as long as I run faster, your men may not be able to react. After all, when I came in, your men didn’t find me, trust me When I leave, they could not find out as well. As soon as Charlie said this, the opposite Hamid immediately became tense.

He is not a fool.

His own base of one or two thousand defenses can still make this man come in quietly, and it was obvious that his defenses were not counted as f@rts in front of the other party.

At this time, Charlie continued: “When they find your body lying in this cellar, I might have already left Syria, but what about you? You can only lie down hard and accept the funeral prepared by your one or two thousand men. Your status in the army is so high, and your funeral will be very grand by that time!

Hamid’s face immediately turned green.

He quickly understood in his heart that he and Charlie were not as close as he had imagined.

People like Charlie can take the initiative.

If Charlie kills him first, he will be cold first.

If he really annoyed him, he would go ahead and kill him, and then escape smoothly, wouldn’t he be a big loser?!

Thinking of this, Hamid's expression suddenly became very depressed.

Let him let go, he is naturally unwilling 10,000 times.

After all, he is still waiting to use these hostages to extort funds from the US Embassy.

He has two thousand soldiers under his hand, people fed by horses, and there is a huge funding gap. He is waiting to make a windfall to stabilize the team. If there are extra surpluses, he can buy a batch of new weapons from the arms dealers. Equip troops to improve their combat effectiveness.

However, money is important, but he is also a commander after all, which is equivalent to a warlord and a native emperor. Even if the money cannot be made, he has this team. In the future, he will have more chances to make a fortune. Maybe the opposition will win the final victory. Can also mix with a senior official.

Therefore, for him, the most important thing is to live, to live safely.

## Chapter 2674

Otherwise, if he dies here, he will really lose everything.

Because his life is more important, he doesn't dare to confront Charlie.

After thinking about it, Hamid gritted his teeth, tried to make the final fight, and said: "Brother! It's not easy for you to come all the way, plus the two of us are predestined. I can't refuse your request, but you must also save me a little bit of face, and you can't let me come to the bamboo basket to fetch water in the end, don't you have an old saying in China? Keep a thread in everything, so you can see each other in the future!"

Charlie smiled and said, "I have to say, What you said in Chinese literature is really not bad, and even the allegorical words can give me two sentences."

Hamid embarrassedly smiled, and said: "The use one word to describe, whatever the outcome, I was also a school bully."

Charlie nodded and asked him:” You said let me give you a bit to stay Face, I don’t know how you want to keep this face?

Hamid waved his hand and said with a face full of quagmire: “Brother, this way! These eight people, half of you and half of me, there is an old Chinese saying that is so far away as a guest, so I let you pick first. You pick four people at random and take them away. The remaining four are left to me.

As soon as Hamid said this, all the seven people besides him were crazy except for Melba. What the hell is this What a ghost! Is this guy who came by the Concorde so fierce?

The commander of the opposition came. Not only did he not kill him, but he also controlled him. What’s more outrageous is that the two men are still talking about terms...

What’s even more outrageous is that this Hamid actually agreed.

He asked Charlie to take four people away. Doesn’t that mean that four people can be rescued directly by him?!

Since Melba is determined To occupy one place, there are three places left!

Thinking of this, the boy of Chinese descent blurted out: “Mr. Wade, save me! We are compatriots! We are compatriots! You can help me if you say anything!

Charlie waved his hand: “Hey, don’t come with me. This set, what you said just now, don’t you remember? I do treat you as a compatriot, even if you are holding a passport from another country, but what you have is the blood of our Chinese nation. You are my compatriot in the eyes.

Speaking of this, Charlie said helplessly: “Look at what you said just now. You were born and raised in the United States, and your homeland is the United States. If you have said so, I can’t rush to recognize you like me. Compatriots, isn’t this forcing you to betray your motherland?

The other party cried out and choked up: “Mr. Wade, I was wrong! Actually, I was not born in the United States, I was born in China, but later my parents migrated, took me to

the United States and I became a citizen there. The reason why I always declare that I was born in the United States is that I don't want to be looked down upon by Americans. I want them to know that although I am not an American face, I am The American-born and authentic American said this, he cried bitterly: "Actually, I am a foreigner. I am now aware of the mistake. I know what is still flowing in my bones;

Charlie blurted out and interrupted:" It's OK, don't say anything, I understand what you mean. "When the other party heard this, he felt as if he had hope of survival, he immediately cried and said, "Mr. Wade, thank you so much! From now on, I will be a cow and a horse, and I will repay you well!"

A white American boy also hurriedly said: "Mr. Wade, I apologize to you for my recklessness and impoliteness. Please take me with you. The Indian boy also cried. He said: "Yep blame me for my senselessness, in fact, I particularly admire you, such a lone hero. I ask you to forget my rudeness before, give me a chance."

Others as seeing that they were all pleading, also hurriedly started crying.

Charlie smiled at this time, turned to look at Hamid, and said seriously: "Commander Hamid."

Hamid said quickly, "Brother, when you meet, you are destined, and when you are destined, you are friends. Don't call the commander like that. By the way! In addition, my brother said to him, my last name is Hamid', these three words are connected, if you can do not open it, try not to open it."

After speaking, he hurriedly added with a smile One sentence: "Of course, if you think it's too tiring to say three words, just treat it as if I didn't say anything.

## **Chapter 2675**

Seeing Hamid's aggrieved look, Charlie couldn't help but smile: "Since Commander Hamid has spoken, I'll connect these three words later.

Hamid hugged Charlie. Then he pointed to the eight people on the opposite side and said generously: "Brother, just pick it!

After finishing speaking, he was afraid that Charlie would not be willing to borrow the donkey from the slope. He gritted his teeth and blurted out: "This way, my brother, I will give another step. You choose five!"

The desire of the seven to survive in an instant increased!

Charlie looked at Hamid, smiled, and praised: "Commander Hamid is really interesting. Just at this point, you can see You should be a person of integrity and commitment. "

Hamid nodded seriously and said:" I am the person with most credit, whether it is trade and commerce, or the troops in war, we must honor the commitment that let you take five, would not have vague!

Charlie At this time, he waved his hand: "I am also the most ethical person. I have always believed that you respect me a foot and I respect you more. Therefore, among the eight people, I only need Miss Watt and the rest. Leave them to you.

The other seven people burst into tears when they heard this. The young people of Chinese descent cried and said: "Mr. Wade, everyone is a compatriot, you can't get me into injustice!"

All the other people also cried together, begging for mercy and begging constantly for rescue and help.

At this time, Melba also couldn't see it. She pleaded: "Mr. Wade, they are indeed frogs at the bottom of the well. They have eyes but don't know the world. I hope you don't keep a grudge. Please try to save as many people as possible. Take them all away.

Charlie said indifferently: "Melba, things are not handled like this. I am here to save you completely for the sake of your dad. You asked me to save them. Who do you want me to save?"

Melba was ashamed. , But for the safety of friends, she still gritted her teeth and said: "Mr. Wade, please give me a face! I know this request is very abrupt, inappropriate, and self-defeating, but I still ask you to look at my face.

Save them once, Charlie shook his head and firmly refused: "I don't give you this face because from beginning to end, these friends have never given me face at all. I am a

person who has never admired foreigners or locals, those who don't care about me. Is it an American or a Martian, as long as he doesn't give me face, I won't give him face?"

After speaking, he looked at Hamid, pointed at Melba, and said seriously: "I will only take her away."

'Grass, interesting! Hamid-stomped and blurted: "In this case, then I won't be too nonsense. Now I will tell your men, you two can leave at will, no one can stop!"

After finishing, Hamid flashed aside, let out the door, and said, "Brother, please!"

Charlie waved his hand: "No, it's not my villain's heart. After all, this is your site. I have to be more cautious. The helicopter parked directly in the yard. The helicopter must not carry any ammunition. In addition, all people except the pilot must be evacuated. Then you will accompany the two of us personally. When the person picks me up, I will let you go, what do you think?"

Hamid looked embarrassed and said, "What if you change your mind when you get there? What if you kidnap me? Now the government is offering a reward of several million dollars for my head, how do I know if you get greedy?"

"Do you see me greedy?" Charlie smiled helplessly, pointed to his face, and asked him with a smile: "You said that I might get greedy? I cam here fcking sitting on a Concorde airliner with more than hundreds of millions of dollars, within a few hours, all the way from China to the place where you don't shit, will I make money for the multi-million dollar reward on your head?"

Hamid swallowed his saliva and blurted out: "Concorde?! You are from the Wade family of China?!"
