

# The Charismatic Charlie Wade Chapter 2706

## Chapter 2706

Liona couldn't help laughing a few times: "Haha, what kind of dream are you having recently."

Zhiyu smiled: "In my dream, it seems to be on the bank of the Yongding River, which is where I liked to fly kites when I was a kid."

Then, Zhiyu said again: "You said it's strange to dream. I seem to be a little girl in my dream, but when I dreamed, I didn't feel at all against it."

Liona nodded: "What's weird about this, most of the dreams that violate peace are incomparably invested when you are in the dream, and you only feel absurd when you wake up."

She said, she sighed softly and continued: "In my life, I don't know how many absurd and weird dreams I have had. I dreamed that the dead person was still alive and that I had changed a life."

Zhiyu looked at Liona and saw that her face was always indelible. Regrettably, she couldn't help asking: "Mom, do you regret marrying dad?"

Liona was slightly ashamed, and immediately gave a wry smile, and said: "If I were the girl who was as old as you back then, knowing that marrying that man would be accompanied by a lifetime of unwillingness, Then she will definitely not marry, but when that girl has a daughter the same size as she used to be, if you ask her again, she will definitely not regret it."

After Zhiyu listened, her eyes couldn't help but a reddish color.

She knows the meaning of her mother's words.

If it is only for herself, marrying her father is regrettable; but if she also counts herself, marrying her father and having herself and a brother, she does not regret it.

It's just that she doesn't regret this sentence, but the true love of her mother's life is buried.

Zhiyu couldn't help but said, "Thank you

Liona with a smile: "Silly girl, thank me for what?"

After that, she gently wiped away the teardrops from the corners of Zhiyu's eyes, and said seriously: "So, you are not me, you are the same as the girl who was the same age as you back then, so you must be careful when choosing the other half in the future. , Don't take the mother's old path, there are countless kinds of men in this world, tall, short, fat, thin, white, black, poor, and rich. All these are not important, only The right one is the most important, so in the future, you must choose the right one. Remember what mom said, don't forget."

Zhiyu nodded and said earnestly: "Mom, I will."

At this moment, the doorbell suddenly rang.

Zhiyu hurriedly said: "It should be the aunt who comes to collect the tableware. I will open the door.

After that, she got up and went to the door of the room, stretched out her hand, and opened the door.

But she never dreamed that at the moment when the door was opened, it was a man.

Charlie who she had been dreaming about and dreaming for a long time!

At this time, he was tall and thin with a cold expression. Charlie stood at the door of Zhiyu's room. When his face was close at hand, Zhiyu was struck by lightning, and the excitement in his heart could not be restrained.

She looked at Charlie with ecstasy and blurted out: "Benevolence! It's really you!"

Charlie looked at Zhiyu, and said blankly: “Miss Su, please give me a favor.”

Zhiyu is not clear, but she still obediently stepped back and asked subconsciously: “Benevolence, do you want to come in?”

Charlie didn’t say a word. He pulled Zynn out from the wall on the outside of the door. He drew in front of him.

Zhiyu didn’t have time to see Zynn’s face in an instant, only to see Charlie pulling out a person from the blind spot next to him, and then there was a bang!

Charlie actually raised his foot, kicked the man into the room with one foot!

## Chapter 2707

Seeing a figure roll directly into the room from his feet, Zhiyu was also taken aback.

However, she didn’t care to see who the man rolling by her feet was, instead, she focused all her attention on Charlie’s face.

Seeing him really standing in front of her, Zhiyu’s whole body seemed to be completely captured by him in an instant. The longing for many days at this moment is like a spring, from her heart, straight into her eye sockets, immediately afterwards, turned into bean-sized teardrops and rolled down.

She knelt on the ground almost without thinking, and said with a choking voice, “Thank you benefactor for saving my life twice! Thank benefactor for saving my brother, and thank benefactor for saving my mother.

Charlie, pointing blankly at the swollen nose on the ground not far away. Zynn, coldly said: “Don’t rush to thank me, you see who he is!”

Hearing this, Zhiyu subconsciously turned around and looked around, and the whole person was struck by lightning!

“Dad?!”

Zhiyu couldn't even dream of it. The person who was kicked in by Charlie turned out to be her own father, Zynn!

At this time, Zynn was also completely confused! Zhiyu has been missing, although the old man guessed that it might be by the Japanese master, but Zynn didn't understand this layer of mystery. His judgment about Zhiyu's life and death was originally half information, but he didn't expect that she was really alive!

Moreover, it was in the Wade family hotel!

Zynn was tortured several times by Charlie's soul just now, and the whole person was in extreme guilt towards his two daughters. Now that Zhiyu is still alive, he burst into tears: "Zhiyu, Zhiyu, you really are still alive. I'm sorry!"

At this time, Liona with a shocked look had already come to Zynn's side. She looked down at Zynn and then looked up at Charlie at the door. The whole person suddenly felt like a world away.

Charlie really looks a lot like Changying.

Standing in front of Liona made her feel as if she was back thirty years ago.

All of a sudden, she returned to the time when she loved Changying and dreamed of marrying him.

At this time, Zynn saw Liona walking out, and the whole person was even more struck by lightning.

He looked at Liona, and subconsciously blurted out: "Liona, you are also alive."

Liona was awakened by this sound. She recovered from the memory. Then she looked down at Zynn and saw Zynn's fifty-something face.

She returned to reality from the dream. She looked at him, her expression and eyes were so calm that Zynn's heart was inexplicably flustered.

Then, she said in the same calm tone: "Zynn, after so many things, the divorce agreement can you sign it?"

Zynn was ashamed and choked: I signed it and waited for you to return, so I immediately signed it.

Liona counted and nodded, and said, "When you finish signing, there will be nothing between me and you." Cleared up, I will not pursue all the things that happened before."

Zynn said with tears on his face: "Liona, the kidnappings and car accidents were arranged by father alone, and it has nothing to do with me!"

I know." Liona smiled slightly: "If you are married, I know you will hate me." He may not really be able to kill.

## Chapter 2708

Zhiyu rushed to Zynn at this time and blurted out: "Dad, why did Grandpa do this?! Why would he kill my mother?!"

Zynn said with great shame: "Your grandpa, his style of behavior is like this. He was only aimed at your mother, not at you, but he didn't expect that you were also at the same place.

Zhiyu blurted out anger: What is the difference between targeting my mother and targeting me?! He made people kill my mother, didn't he think about it? After that, will I not find him for revenge in the future?!"

Zynn was speechless. After hesitating for a while, he sighed and said, "What can I do? Your grandpa said, I'm going to Australia overnight; He said another word, I rolled back from Australia overnight. He has all the resources of the Su family under his control, and everyone in the Su family has been played by him.

Zhiyu questioned angrily: "Ruoli is also your daughter. Her unfound body is now a gift from grandpa. My mother and I almost died in Aurous Hill. It was also his instigation behind the scenes. Three people and three lives. Isn't it enough for you to avenge us?!"

Zynn was ashamed and embarrassed. He covered his face with both hands and cried bitterly: "I, I think too! But what can I do? Leave the Su family and break with your

grandfather. The resources I can mobilize are probably less than 1% of the Su family. It is difficult for me to take revenge, even if you protect yourself, so I can only bear the humiliation, and after I get the position of Su Family Patriarch..."

Zhiyu shook her head, and said with an extremely disappointed expression: "Dad, I understand. You, even if you get the Su Family Patriarch, you will not avenge us, you will only be your Su Family Patriarch, and everything else is just a passing flick.

Zynn waved his hand: "No, no. How could I be like this?"

Charlie said coldly at this time: "You said you are not such a person. What are you doing when your two daughters are unclear about life and death? In front of your wife and children, talk about watching you. Why are you doing in Aurous Hill?"

Zynn blurted out: "I came to Aurous Hill to find the whereabouts of wife and daughter!

Did you find?" Charlie sneered: Aurous Hill is full of my informers. I never heard that you are really looking for the wife and daughter. I only know that you came to Aurous Hill and stayed in Shangri-La quietly. Find a chance to get closer to Ito Yuuhiko from Japan!"

As for why you are looking for him, it is because your family's shipping permit has been revoked and you are losing heavily every day, so you want to cooperate with the Ito family to quietly transition the blocked shipping business. When he arrived in Japan, am I right?!

"I, I" Zynn was speechless for a while, and said: "This is the task my father gave me. I dare not disobey.

Charlie sneered: "Come on, Zynn. What Zhiyu said just now is right. What you really value in your eyes is the position of the head of the Su family. It is not a love for children at all. For this position, you can sacrifice anything, including your close relatives!

Zynn Strongly denied: "No! It's not what you said! I am willing to do anything for my daughter, but I was really incapable before! I am incapable!

"Oh? Is it?" Charlie looked at him and sneered. He asked: "Zynn, you said you are willing to do anything for your daughter, do you take this seriously?"

Zynn said without hesitation: "I swear to heaven!"

Charlie nodded and smiled: "I remember you just now also said that you're willing to use your life to replace the lives of your two daughters. Now is the time to test whether you are sincere."

After speaking, he turned around and said to Issac outside the room: "Go, bring the other guest here!"

Issac naturally knew that the other guest he was talking about was Ruoli!

So he didn't hesitate to say: "OK master, wait a minute!"

## Chapter 2709

Ruoli's room was not far from the rooms of Liona and Zhiyu. They were all in the same area of the executive floor, but there were a dozen rooms in between.

At this time, she naturally didn't know anything about what happened in Zhiyu's room.

Recently, she has been seizing the time to practice martial arts.

Charlie had directly increased her Ren Vessel patency, which made her whole person's strength and foundation go through earth-shaking changes, so she couldn't wait to take advantage of the good foundation Charlie laid for herself and improve her strength quickly.

At this time, Ruoli was wearing sports underwear in the room for morning exercises, and suddenly heard the doorbell, subconsciously it must be Charlie, and ran to the door with excitement.

When she was about to open the door, she heard Issac's voice outside the door: "Ms. Su is awake?"

Ruoli's hand that was about to touch the doorknob suddenly stopped, and asked a little disappointedly: "Is there anything wrong with Mr. Issac?"

Issac said politely: "That's right, our young master is here, and has a few acquaintances in another room. He would like to invite you to come there too. I don't know if it is convenient for you."

Ruoli heard that Charlie was looking for her, and she was a little disappointed just now. She is now excited to the extreme, like a little girl who just fell in love, so she hurriedly said: "Mr. Issac wait a minute, I will change my clothes. Come out right away!"

After speaking, she hurried back to the bedroom. Although she was covered with fragrant sweat, she didn't care about taking a shower. She wiped it quickly and changed her clothes.

Before she went out, she went to the mirror and looked at the mirror carefully. After looking at it for a moment, she saw that although her face in the mirror was radiant, her lips were red and her teeth were white, but she still lacked the sense of sophistication after applying pink and white, she couldn't help but felt a little lost, and said to herself, "Hey, I didn't learn to apply makeup before, and there was never even a lipstick around me. There are no eyebrow pencils, or else I could dress up a little."

In desperation, she could only dispel this idea and hurried out. When she arrived at the door, Issac was waiting for her.

Seeing Ruoli coming out, he made a gesture of inviting and said, "Miss Su, please come with me."

Ruoli nodded and followed Issac to the room where Charlie was.

At this time, except for Charlie. Besides Issac, Zynn, Zhiyu, and Liona didn't know who Charlie was talking about as the 'other guest'.

Therefore, the three of them were very curious.

Soon, the doorbell rang outside, and Issac was outside with someone. He opened his mouth and said, "Master, please come here."

Charlie gave a hum, and said, "Let her come in. Issac immediately opened the door and said to Ruoli beside him: "Miss Su, please."

Ruoli stepped forward and saw Charlie standing inside the door. She felt extremely happy in her heart, but after she saw the other people around Charlie clearly, her whole body was dumbfounded.

She never dreamed that her father Zynn, half-sister Zhiyu, and Zhiyu's biological mother Liona were all here!

Zynn, Zhiyu, and Liona saw Ruoli enter. When she entered, she was shocked to add!

No one thought that Ruoli, who disappeared in Japan, was still alive!

The whole of Japan was struggling to find her, and the Metropolitan Police Department carried out a carpet search across the country. The soldiers of the Self-Defense Force also searched every city in the mainland, and conspired with Chengfeng to do meritorious service, but accidentally played with the Maritime Self-Defense Force. , But no one found Ruoli's whereabouts.

They once believed that Ruoli should have been killed at sea. After all, it was really difficult to find someone in the sea.

The Su family also felt that Ruoli 90% was dead, and there was a high probability that she would be buried on the bottom of the sea. Otherwise, how could she escape from the net of security forces which encompassed heaven and earth?!

But now, she appeared to them alive. before!

Moreover, this is not Japan!

This is Aurous Hill!

Moreover, since she is Charlie's guest, it must be Charlie who rescued her.

From this point of view, this man simply has the ability to reach the sky!

If he does not have the ability to reach the sky, how could he bring Ruoli back quietly from the tiger and wolf's mouth?!

This is simply incredible! The one who is most excited is naturally Zynn.

Seeing that Ruoli was still alive, he was even more emotional, and cried and said, "Ruoli! Ruoli is that really you! It's so hard for Dad to find you!"

## Chapter 2710

Charlie rolled his eyes and looked at him, raising his hand just to slap him.

"Pop!"

This slap made Zhiyu and Ruoli both surprised!

Zynn was also completely stunned, and asked with anger in his heart: "What's the matter with you? What the hell is wrong with you? Why are you hitting me again? Me? And hit me in front of my wife and daughters!"

Charlie asked coldly at this time: "Zynn, you are so shameless. After Ruoli disappeared, did you really look for her?"

Zynn said. Startled.

"Yes, did you look for her?"

"Of course not."

"That's because you really couldn't find her."

"She disappeared in the vast ocean, and the power of the whole country could not find her. How can I, Zynn, have this ability?"

"Because I knew that the chance was slim. It was negligible, so I didn't really think of looking for her at all."

"Besides, I've been pressed by the old man all the time, and I couldn't mobilize any resources. The old man just sold Ruoli on the front foot. If I went to find her on the back foot, why don't I confront the old man? So, I really haven't looked for her."

“in other words, this leaves the slap in the face, in the right place. Thinking of this, he hung his head in shame, mouth choking:” If away, you get caught in Japan, I really want to Save you, your grandfather kept saying that he would help me save you, but I didn’t expect that he would talk to the Self-Defense Force about those nasty conditions on my back.

Ruoli’s eyes burst into tears. She also guessed that she really wanted to. Grandpa Chengfeng must be the one who betrayed her.

However, her heart felt a little cold when she thought that her father had not made any substantial efforts to save her.

She felt that even if she was an illegitimate daughter, she was always the flesh and blood of Zynn.

His own flesh and blood were betrayed in this way, and even her life and death were unknown. He did nothing, and it was indeed too impersonal.

Seeing her crying, Charlie smiled slightly, and comforted: “If you are away, don’t be sad, don’t say you are an illegitimate daughter, even the eldest daughter Zhiyu, she is still helpless and has never done anything. This person has no humanity at all. All he wants is the position of Su Family Patriarch. No matter whose head is used to change it, he will not hesitate.

Ruoli heard Charlie’s words, lightheartedly.

She nodded lightly. The last time she followed Charlie to catch Shoude, the second child of the Su family, so after that time, she knew what happened to Liona and Zhiyu. When she thought of this and then of herself, her expression suddenly changed. She was even more disappointed.

In her opinion, the Su family is indeed the tomb of family love and humanity. For the family, there is nothing in this world that cannot be sacrificed or given up.

Zynn saw the eyes of his two daughters looking at him, which are full of deep disappointment and indifference, and then his heart collapsed.

He knelt on the ground, crying and wailing: Zhiyu, Ruoli, it is me who has not fulfilled his obligations as a father, it is me Without protecting you properly, I was wrong, I was guilty. I am guilty.

Ruoli turned her face directly and turned her back to Zynn to wipe the tears, while Zhiyu, the tears have long been flowing like a spring.

At this time, Charlie looked at Zynn and yelled coldly: “Zynn! You antagonized my parents and established the Anti-Wade Alliance, and there is a high probability that you will be responsible for the death of my parents, but I have repeatedly saved your family bloodline four times!

In Kyoto, I saved your son Zhifei and daughter Zhiyu! “

In Tokyo, I saved your illegitimate daughter Ruoli!

“In Aurous Hill, I saved your wife Liona, and saved your daughter Zhiyu one again!

“Leave Aunt Liona aside, I have saved three of you from the Su family and four lives!

“Zynn! You just said that you are willing to use your life for the lives of your two daughters. Now both of your daughters are intact. Standing here without loss, it’s time for you to fulfill your promise!!!
