

The Charismatic Charlie Wade Chapter 2719

Chapter 2719

Zhiyu doesn't know what her mother is thinking, but in her heart now, there is indeed a kind of excitement to get her wish, as well as expectations and fantasies for the future.

She thought in her heart: "Although it sounds clichéd and dogmatic to say that heroes save the United States, it's also because most people don't have the chance to encounter such a thing when this kind of thing happens to her. In order to feel the lethality behind this, thinking that her life was saved by him, she can't help but develop a mentality of commitment to him"

"More importantly, the benefactor saved me more than once. He saved me twice! Brother once, mother once, and the half-sister next to her."

One life-saving grace has been unforgettable for a lifetime, not to mention so many times of repeated stacking.

"It's just, I don't know if My Grace meant that to me, or is he still single now?"

Zhiyu's thoughts were confused, and she wanted to ask Charlie, but she didn't know how to speak.

Charlie took the lead in breaking the silence.

He looked at Liona, and said with respect: "Auntie, I am really sorry for allowing you and your daughter to stay here during this period of time, and for not allowing you to contact the outside world.

Liona said hurriedly, "Charlie, you must Don't say that, if it weren't for you, Auntie and Zhiyu would have died long ago, so how could they have survived without incident.

After speaking, she added: "What's more, you don't allow us to contact the outside world to protect our safety. Auntie understands this very well.

Charlie smiled slightly and said: "Auntie can understand it, this is the best thing."

After that, he said again: "As for right now, although it is still not sure, after the Su family learns the news that you are still alive, whether the family will continue to attack you, but what the Su family did to you before The behavior has been exposed by me. I believe that as long as the Su family is not completely crazy, they should not dare to attack you again.

Liona pursed her mouth, nodded lightly, and said: "It's all thanks to you, otherwise Auntie and Zhiyu must be dead.

Charlie smiled and continued: "Auntie, in principle, you both are free to leave, but I still have a gratuitous request. I hope you can agree to it.

Liona said hurriedly: "Charlie, you and auntie don't have to be so polite, don't hesitate, you can mention anything!

Charlie said: "Zynn will be sent to Syria soon, so it will be in the eyes of Su's family soon that he is completely missing in public view. The Su family will definitely search for his whereabouts when the time comes. If I let you and Miss Su leave, the Su family will definitely believe that Zynn's disappearance is related to the two. At that time, I hope that the two can temporarily keep a secret.

Liona nodded without hesitation and said, "Charlie, don't worry, Zhiyu and I will never avenge revenge. If anyone asks about our whereabouts these days, I will say that I was rescued by a mysterious person whose identity I don't know. I feel that Zynn's disappearance is also related to this, so let them guess for themselves, in short, I will deny it to the end.

Charlie arched his hand towards Liona, looked at Zhiyu, and said seriously: "Thank you Miss Su for more help.

Charlie suddenly talked to Zhiyu, making her a little nervous.

But she was more or less tangled in her heart.

She is a member of the family after all. If Charlie considers the Su family a mortal enemy in his heart, and will continue to launch an offensive against the Su family in the future, as a descendant of the Su family, it would be really difficult.

After thinking about it, she asked Charlie in a low voice: "My dear, I can agree to your request, but can you please answer a question?"

Charlie nodded and said frankly: "No problem, just say it."

Zhiyu plucked up the courage and asked him: "In the future, how will you treat the Su family? Will you continue to kill, or will you let go?"

Charlie said: "Whether to let go or continue depends on the relationship between the death of my parents and the Su family."
