

# The Charismatic Charlie Wade Chapter 2736

## Chapter 2736

Chanel's dress is in the style of the British royal princess. The lower body is a knee-length skirt, while the upper body is a long-sleeved small suit style, which is quite a luxurious celebrity style.

The reason why he chose this kind of clothes is mainly that the weather is still a bit cold now. This kind of spring and autumn clothes is just right.

Although the skirt of this dress is very long, if you wear it with bare legs, it will definitely be a bit cold, so Charlie bought another black base stockings.

After choosing the size based on Melba's height in his impression, he was about to pay the bill and leave. He suddenly remembered that the pair of sneakers worn by this woman yesterday was too dirty, so he bought her another pair of size 37, White fashion leather shoes.

He didn't know if this size was right for her, but it didn't matter. If it wasn't appropriate, let Melba make do with it. It was better than wearing the clothes that had been on the battlefield.

Carrying the newly bought clothes and shoes, Charlie accidentally discovered that there were several dummy models wearing the only underwear in the window of the next store.

He just remembered that he hadn't bought underwear for her yet.

You don't have to think about it. Melba has been tossing for so long and finally arrived in the room in the morning. She must be exhausted. Therefore, it is most likely that she will go to bed immediately after taking a shower. She can't have time to wash her underwear out and dry them all.

That means that when she is going to see her dad, she doesn't have clean underwear to replace.

Therefore, Charlie simply walked in.

After entering, he discovered that this turned out to be a high-end lingerie shop.

The salesperson inside is female, and the few customers who are hanging out in the store are also female.

Seeing Charlie, a big man, came to visit the lingerie shop alone, everyone looked at him with a strange look.

Charlie also knew that it was indeed a bit inappropriate to run here alone, so he planned to make a quick deal, pointed directly at a black lace underwear worn by a model, and said: "Come on, please give me this.

The saleswoman was a little embarrassed, yet said: "Sir, you want to do what size?

Size?" Charlie frowned, recalled, opening: "probably about 1 meter 7 tall, slim.

Ok. The salesperson nodded, and then asked, "Then what cup shape is your girlfriend's upper body?"

Charlie heard what she meant, and thought: "What cup shape Melba is, how do I know? I didn't touch it. But, besides, she didn't tell me."

"Moreover, when I saw her, she was wearing outdoor sportswear with anti-war slogans. The clothes were relatively loose and looked like she didn't have much chest.

So he scratched his head and said: "Well, I don't know what the specific cup is, but it should not be too big." The salesperson also said with a bit of embarrassment: "That should be the A cup, wait a minute, I help you match the size.

Charlie said without hesitation: "Okay! Hurry up! The salesperson took out two pieces of underwear neatly stacked in the packaging bag from the small warehouse at the back, and asked Charlie: "Sir, do you want to open it and take a look? Check for flaws or thread ends.

Charlie is ashamed to check women's underwear in front of so many people and hurriedly said: "No need, just pack it for me. Come on, pay, do you swipe me, or I swipe you?"

The sales clerk said hurriedly: "Wait a minute, I will sweep you!"

Then the sales clerk skillfully puts the underwear into the bag, and then scanned the code for settlement.

After checking out, Charlie ran out carrying the bag without waiting for the receipt.

The salesperson looked at Charlie's back, then looked at the back of the dummy model, and muttered: "I didn't expect this handsome guy to be so decent, and he would come alone to buy such explicit T-shaped underwear for his girlfriend."

## Chapter 2737

For women, silk stockings are absolutely indispensable underwear, not only can set off the figure and temperament but also can be used for warmth.

A few years ago, women were rarely seen wearing skirts in winter, because the premise of wearing skirts is to ensure the temperature of the legs, but it is a little weird to wear skirts on the upper body and pants on the lower body, while the upper body wears a skirt. Wearing long trousers is even more exotic. It was not until the popularization of leggings and bottoming stockings that this problem was solved.

However, although silk stockings have become very common, Melba has never received silk stockings from men.

This feeling is more or less subtle.

But she knew very well in her heart that Charlie was showing an expression of care and consideration, otherwise she might really have to wear a dress with bare legs.

She picked up the dress, put it on her body, walked to the mirror, and gestured, looking at herself in the mirror, she couldn't help but sigh: "Mr. Wade bought the size that looks very fit, the style is also very beautiful, and the vision is really good.

She put down her dress and saw another Chanel bag and a shoebox, so she hurriedly opened the shoe box and found that it was a pair of very delicate white fashion leather shoes, so she couldn't wait to take it out and try it on her feet.

After trying it, she was even more surprised to find that: "These shoes are not too big or too small. They are really well-fitting. Don't know how Mr. Wade had such a precise judgment. Is it the result of visual inspection? If it is, then the visual inspection is too accurate.

Thinking of this, she felt a little bit more unusually moved towards Charlie.

When she thought that Charlie was still waiting for her and her father was even more anxious about her situation, Melba didn't dare to think about it anymore, and quickly got ready to dress and go out.

But when she took off her bathrobe, she suddenly realized that she didn't even have clean underwear to replace

when she arrived at the hotel this morning. She was so tired that she fell asleep on the soft floor of the living room almost the next minute.

In the end, because the body was really dirty, she took a shower forcibly. After the washing, she was so tired that she couldn't open her eyes, so she fell asleep and fell asleep without thinking about washing underwear at all.

Thinking of this, she was very annoyed, and she muttered with self-blame: "Melba, Melba, you are so stupid, why haven't you thought about washing your underwear clean and replacing it? What should I do now, I can't wear dirty underwear anymore. Well, that's too disgusting.

"But ah,

but I have to wear it. I can't let Mr. Wade buy me an underwear. It's too hard to tell.

When Melba didn't know what to do, she suddenly found out that package Among the huge Chanel shopping bags, there is a small pink handbag.

She hurriedly picked up the handbag, only to realize that the brand logo on the bag turned out to be a brand specializing in high-end women's underwear.

"Could it be that this is the underwear Mr. Wade bought for me?"

## Chapter 2738

When she thought of this, Melba's face was red immediately reached the base of her neck. Charlie bought her a base stocking, which already made her feel very embarrassed, but how could she have thought that he even bought underwear for her.

"Even such a close-fitting underwear." Mr. Wade had to buy clothes for her, which was too shameful for a while.

Melba was very complicated.

On the one hand, she was relieved because there was a solution, but on the other hand, because of the special nature of this matter, she was ashamed to want to plunge into the ice water.

After a while, reality prevailed in her struggling heart. She said to herself: "Anyway, at least the problem of underwear is solved. After this matter, I will pretend not to know, and never will Mr. Wade.

Just when she thought of this, she mustered up the courage and opened the pink package.

The package is opened, and lying inside are two individually wrapped plastic bags.

Melba looked at the two pure black clothes with lace edges, and her embarrassed face became hot.

Although she guessed it must be underwear, she didn't expect it to be black with lace.

In fact, Melba never wears such fancy and somewhat over-the-top underwear. She is a pragmatist. She likes to wear close-fitting clothes with solid colors and skin-friendly fabrics. After all, in her opinion, comfort is the most important thing.

However, right now Charlie bought them all, and there was no other choice, so she could only bite the bullet and open it, thinking: Anyway, let's dress first and go out. Her personal belongings are in the United States and some luggage.

The clothes are all in Syria. She didn't bring anything when she returned home. She could only purchase and purchase in bulk after she met her father. "

Immediately, she blushed and opened one of the underwear Charlie bought for her.

This is a piece of clothing worn on the upper body, so the first thing Melba does after opening it is to look at the size.

She usually doesn't like to wear clothes that show her figure, so it is easy to be mistaken for a flat figure, but in fact, at 1.7 meters tall, she has a super hot figure. The front and back curls are just basic, the ubiquitous s-shape. The curve is not less than those supermodels.

It is also because Melba's figure is really too hot. Since going to college, she has always attracted some nasty suitors because of her good body, and even many people are like dog skin plasters. Her study and life have brought a huge impact, so she has never worn any clothes that can highlight her figure since then.

For example, in summer, wear loose clothes as much as possible, and never wear skirts above the knees, so as not to show slenderness of her legs.

In winter, she dressed herself up very bloated, and she couldn't see the bulging and curves of her figure.

Charlie was fooled. Melba seemed to have no body, so she expected her chest out of stock, he bought the smallest cup directly.

However, the real situation of Melba must be at least two sizes larger than it.

## Chapter 2739

Therefore, when she tried on the dress that Charlie bought, she was speechless to the extreme, and she couldn't help but mumbled: "Is my figure hidden so well? . So easy to be underestimated. How can people wear it hard?"

I am afraid that I will be strangled. Thinking of this, she couldn't help sighing and thinking: "It must be because I have always been subjectively unwilling to show my body, so Mr. Wade has caused such a big error and prejudice. It seems that this will not be possible in the future. Otherwise, he thinks I am a Taiping princess."

Melba sighed, then looked at the dress in front of her and decided to grit her teeth and wear it first.

Afterward, she opened the other bag and took out the clothing that was as thin as a cicada's wings.

She held the piece of clothing with both hands and took a look, she screamed, and subconsciously threw the piece of clothing out, and then immediately covered her hot face, and her heart rate was almost twice as fast as before.

"Oh Gosh," how could Melba touch her hot face, and muttered in shame, "Why would Mr. Wade buy this kind of clothes for me? It's too explicit."

"Isn't he unintentional, but before buying clothes, he must be sure, has he seen the style, doesn't he see that this kind of clothes is too explicit?"

Or, he did it on purpose, but why did he deliberately buy this kind of underwear for me? Is it a deliberate prank, or has a certain nasty taste?"

Melba feels like this whole person strange, look at that piece of clothing that was thrown on the floor, she is almost certain that in this life will not wear something so disgusting

, however, soon put her mind to the idea of just relaxing and overthrow.

"not If you wear this, there is no solution. Wearing dirty, or simply not wearing it is really unacceptable."

“It seems that this is just barely acceptable.”

Thinking of this, she didn't even bother to speculate on Charlie's motives, gritted her teeth, and picked up the piece of clothing she had thrown away again.

Ten minutes later, the doorbell in Charlie's room rang.

He opened the door, and the one standing outside the door was indeed a completely new Melba.

Putting on Chanel's customized dress, paired with leggings and white leather shoes, Melba feels a bit noble and reserved.

In fact, her dress was worn by the commoner princess in Europe, who had been very popular some time ago, in public, showing her temperament and taste.

But, who would know that Melba's reserved and noble dress turned out to be a set of underwear that made her feel very ashamed.

Charlie didn't know what was going on inside. Seeing that she was dressed very appropriately, he couldn't help but say with a little sullenness: “Oh, it seems that I have a good vision. This dress is a perfect match for you, and it looks very sized.

Melba's face immediately blushed to her neck.

## Chapter 2740

Melba thought: “The outside is really suitable, but the inside is not suitable at all. I don't know if you are intentional or unintentional. If you are unintentional and you can say it, if you have the intention, then you are too funny.”

Furthermore, the clothes on the upper body were obviously too small, and she was struck out of breath,

but she would never say such words.

So she nodded awkwardly and said, "Great Master, the clothes and shoes fit well."

Charlie nodded, with some doubts in his heart, his clothes and shoes fit, and he didn't know whether his underwear fits or not.

However, this kind of question can't be asked, so he simply turned off the topic and said to her: "It's getting late, let's go."

"OK" Melba nodded gently.

Charlie asked Issac to send a car key, and he drove Melba to University from the Shangri-La.

On the way, Melba had been looking around curiously before, especially when she went to the center of Aurous Hill, she couldn't help but said: "Aurous Hill is only a second-tier city, how can it be developed so well? It looks like an international metropolis."

Charlie smiled and said, "China has been developing at a high speed over the years. In addition to the first-tier cities, there are also largely approved first-tier cities. Aurous Hill is now considered to be a quasi-first-tier city."

Melba nodded and said with emotion: "I used to think Aurous Hill was not good enough. It's a medium-sized city, and I didn't expect it to develop so well. It seems that the domestic situation is indeed very different from what the media portrays."

Charlie smiled and said, "That's natural. Western media are all lemon essence, which is sour all day long."

Melba agrees and said: "It is true. They like to report the smearing content every day when it comes to regions outside."

As she said, Melba felt that she was strangling more and more uncomfortable. Thinking about the shameful style, she couldn't help but feel a little depressed, so she deliberately said to Charlie: "Mr. Wade, do you often buy underwear for your girlfriend?"

Charlie never thought Melba suddenly talked about this, and while embarrassed, he also replied smoothly: "How could it be possible, today is the first time."

Melba pretending to be surprised and asked: "Is it true?"

Charlie nodded and said: "Of course it is true."

Melba asked again: "Were you embarrassed when you entered the store?"

Charlie sighed: "That's quite embarrassing. There were prosthetic models wearing various underwear all over there. I didn't dare to look at them with my eyes, I could only casually look at them. Pointed a set to a model, and then quickly bought it.

Melba nodded lightly and thought to herself: "It seems that the style was not intended by Mr. Wade.

Then, she saw Charlie talk about it. The matter seemed to be a bit cautious, and she couldn't help but laugh secretly: "I didn't expect that such a powerful character as Mr. Wade would be embarrassed to that level."
