

The Charismatic Charlie Wade Chapter 2791

Chapter 2791

“More importantly, because they fled at your grandfather’s hands, your mother and sister will never forgive your grandfather in this life, and they will even freely turn their faces with your grandfather, or even turn their faces toward you.”

“What will you do at that point?”

Your grandfather no longer feels responsible for you, and your mother and sister view him as an adversary, engaging in various confrontations with him or openly attacking him. You will undoubtedly be implicated at that moment!”

“No one will give the Patriarchship to the enemy’s son, the enemy’s brother...”

Zhifei got irritated just thinking about it!

It was also at this point that his heart’s balance moved slightly.

As a result, he unconsciously took out his phone and dialed Chengfeng’s number, who was worried about Zynn’s whereabouts.

At the time, Chengfeng was gloomy.

Zynn, his eldest son, has been missing for more than 12 hours after he went missing in the morning.

He didn’t find any useful hints in those 12 hours.

Zynn, like his younger brother Shoude, seemed to vanish from the face of the earth.

Although the Wade Family was suspicious, Zynn was self-defeating in that he gave the Wade Family a good excuse to throw the pot, so he did not dare to push the Wade Family any further.

Zhifei called at this precise moment.

“Zhifei, have you found a hint to your father?” he asked, a little irritably on the phone.

Zhifei was taken aback and asked, “Grandpa, what are you talking about? Are you looking for details about your father? What’s the matter with father?”

Chengfeng only realized this after Zynn’s crash, when he realized he hadn’t been aware of Zhifei for the whole day.

As a result, even though Zhifei was in Aurous Hill, he was unaware that his father had vanished.

“Zhifei, there is bad news, your father is missing...” he sighed.

Chapter 2792

“What are you talking about?”

Zhifei was taken aback and exclaimed,

“Grandpa, you...what do you mean?”

“My father is fine; why would he suddenly vanish?”

“I’m not sure.”

“Your father concealed his identity and lived peacefully in Shangri-La in Aurous Hill,”

Chengfeng said frankly. He planned to find an opportunity to meet Ito Yuhiko of the Ito family, but there is no news since this morning.

“All of his men have disappeared.”

“Ah?” says the voice.

Zhifei had black spots in front of his eyes, dizziness in his head, and was on the verge of collapsing.

“How could this be...” Zhifei muttered incoherently to himself.

“The whole thing is really weird,” Chengfeng said helplessly.

“I haven’t yet discovered any useful information. However, I believe it has a lot to do with the disappearance of your second uncle.

It’s possible that it was done by the same guy. There should be some kind of connection with the Wade family as well.

After all, your father was injured in the Wade family’s hotel, and Aurous Hill is the Wade family’s domain.”

“Grandpa, could it be the Wade family?” Zhifei hurriedly inquired.

He was still with him when the second uncle had an accident, and the other party might get the second uncle away under Master Luther’s nose.

“Wade’s family shouldn’t have such a master, right?” I remember thinking.

“Hey...this is something I haven’t worked out yet,” Chengfeng sighed.

It appears to be inextricably linked to the Wade Family, but when you think about it, the Wade Family doesn’t seem to merit such strength...”

“However, I have sent someone to look for it,” he said again after speaking.

I’ll go to any extent to find clues. In Aurous Hill, you will eagerly await my news.

You can also inquire there if you have any sources. Look for any noteworthy hints.”

“All right...” Zhifei was annoyed and grudgingly agreed.

“I have a headache, so I won’t talk to you anymore,” Chengfeng said again at this point. I’ll keep you informed of any developments.”

“Okay grandpa, then you first have a nice rest and take care of your body...” Zhifei murmured absently.

He quickly recalled what Grandpa had said and hurriedly said, “Grandpa, don’t hang up the phone!” as he spoke.

“What’s the matter?” Chengfeng inquired. “Are you all right?”

“My grandfather just called me, and he said that mother and sister have returned!” Zhifei hurriedly said.

“What are you talking about?” Chengfeng burst with joy and shouted,

“Your mother and sister are back?”

What exactly do you mean when you say they are returning?

“How did they get back?” “Where were they?”

“Grandfather didn’t say anything specific, but they were in Aurous Hill,” Zhifei hurriedly explained.

They just called and asked him to pick them up right away.

Mother and Zhiyu should probably have gone back to Du’s old house in Aurous Hill.”

“How is this possible?”

Chengfeng screamed, turning up the stormy sea in his heart.

“How in the world is this even possible?”

“Zhifei, where are you now?!” he hurriedly inquired.

“I am at the Aurous Hill Olympic Center, and I am going back to the old house to take a look!” Zhifei hurriedly said.

“Go!” exclaimed Chengfeng. Check out what’s going on!”

Chapter 2793

After hanging up the phone, Chengfeng felt black for a while.

Anson on the side hurried forward and asked cautiously:

“Master... Liona and Missy, have they really returned to Du’s house?!”

Chengfeng rubbed his temples, nodded weakly, and sighed, “Anson, things seem to have gone to the worst...”

Anson asked quickly: “Master, why are you saying this?”

Chengfeng sighed: “Hey...All of this is extremely consistent with my worst assumptions before.

Things have started to develop in the direction I least want to see.

The Su family is really going to be in big trouble this time!”

Anson asked in surprise: “Master... Have you previously guessed that their wives will be safe?”

“Yes...” Chengfeng rubbed his temples and said weakly:

“I thought that even if they were rescued, it would be difficult for them to survive such a serious car accident.

Maybe when the other party took them away, There were already two corpses, but I did not expect that they would actually survive, and the other party put will them back, which proves that the mysterious person behind not only has hands and eyes open to the sky but also stood by them....”

Anson asked again:

“Then... Is this mysterious person related to the disappearance of the young master and the second young master?!”

Chengfeng nodded: “There must be a relationship!”

Anson looked shocked, and said, “Master, we have investigated Aurous Hill before. The city has nothing to do with Crouching Tiger, or a Hidden Dragon.

It is nothing more than a few local companies and families, and Issac from the Wade family seems to be the most powerful. In terms of size, how could it be possible to cultivate such a powerful person? Even the Wade Family does not have this ability.

If the Wade Family really has this ability, after Changying’s death, they would not be able to crush and beat the Su family for so many years!”

Chengfeng’s expression was dignified, and he said coldly: “I now suspect that this mysterious person is not from Aurous Hill at all, and may not even be from China!”

Chapter 2794

“What?!” Anson was even more horrified:

“It’s not from China? Where would it be? Is it from abroad?!”

It can’t be the Rothschild family, right?

The Rothschild family hates the Wade family. Yes, in this case, they will never be able to deal with us, because once our strength is weakened, the Wade family will definitely be strengthened...

How could the Rothschild family sit back and watch the Wade family fishermen profit?"

As he said, Anson continued to analyze:

"Changying's wife's family is indeed very powerful, but in my impression, An family has always looked down upon the Wade Family. Back then, An's pearl of the hand married into the Wade Family. An's were said to be very furious."

Chengfeng waved his hand and sighed: "It's not the Rothschild family or An's, but the Japanese Chinese!"

"Japanese Chinese?!" Anson was even more surprised:

"Master, the largest family in Japan is the Ito family. Among the top four families, there is no Chinese family, and even the first Ito family in Japan does not have power comparable to us. Its comprehensive strength is not that strong."

"You don't understand." Chengfeng said: "This strength does not necessarily refer to economic strength, but strength in force!"

After talking, Chengfeng said again: "At the beginning, Zhifei and Zhiyu were kidnapped by the Matsumoto family in Japan."

Several top ninjas guarded them. After killing them, they would throw their bodies to Ito's residence in Kyoto.

The whole plan was designed.

The clothes were perfect, but in the end, these top ninjas were killed by a Chinese youth who we don't know where he came from..."

Anson exclaimed: "Master, you suspect that it was the mysterious Chinese youth who saved Liona and Missy this time?!"

Chengfeng said annoyedly: "I don't want him to be the same 10,000 in my mind, but now it seems that he can basically nail it..."

Besides this person, who else has such a strong ability to be able to deal with that car accident and rescue Liona and Zhiyu?

Except for this person, who can abduct Shoude without showing off under our guard's nose?

Except for this person, who can make Zynn disappear?!"

Anson blurted out:

"Master, if this is the case, then your personal safety must be strengthened!

Otherwise, if this person wants to act on you and our defensive power is not strong enough, we are not going to be opponents at all... .."

Chapter 2795

Chengfeng nodded repeatedly, and said in agreement:

"Yes! The biggest problem now is that our military strength is severely insufficient. The He family has withdrawn.

Only some other bodyguards are in the hospital.

I am afraid that it will be unbearable in front of the mysterious man. If he hits suddenly....."

With that said, he immediately told Anson: "Anson! You will fly to Northeast Desert City right now!"

Anson exclaimed: "Go to Mocheng? Master, you let me see Luther He?!"

"Yes!" Chengfeng said:

“Go to see Luther, and apologize to him about Ruoli’s affairs on my behalf, and tell him that if the He family is willing to continue to serve the Su family regardless of the past, I can give them for a year two billion yuan!”

“Two billion a year?!” Anson said dumbfounded: “Master, the remuneration we gave them before has increased from 200 million a year to 600 million.

To be honest, this amount is already very high. If it rises to two billion all at once, this is more than a three-fold increase!”

Chengfeng waved his hand: “What does it count even if it goes to triple?

The key is that the most important thing is to solve the urgent needs! Now there is a powerful enemy after the Su family, who is invisible and intangible.

If I don’t defend myself, someday, I will also be arrested by the other party. Isn’t the Su family finished?”

Anson hurriedly bowed and said, “Master, I understand! I will set off now and go to Mocheng to see Luther, the head of the He family!”

Chengfeng nodded, directly wrote a one-billion-dollar cash check, handed it to Anson, and said: “Take this check with you, hand it to Luther, and tell him whether he accepts my invitation or not, he can keep the cheque.”

After a pause, Chengfeng said again: “If he accepts the invitation, it is considered that I prepaid 50% of his salary; if he does not accept it, then the money is considered to be my compensation to the He family, in Ruoli’s matter. After all, I am sorry for them.”

Anson couldn’t help but said, “Master, if Luther really chooses the latter, wouldn’t these billions of dollars be meat buns for the dogs?”

Chengfeng shook his head and said: “You don’t understand, most people who learn martial arts have a sense of arrogance, especially those who have made great achievements in martial arts like Luther, even more so! I understand Luther’s character.

He is destined to choose to reject my invitation completely, or accept it directly, it is impossible to choose to take the money and not do anything, so this is just polite and win him more favors.”

Anson hurriedly said: “Okay master, I understand, then I will start!”

Chengfeng nodded slightly and said,

“Go, there is no airport in Mocheng. You have to arrange the helicopters at nearby airports in advance, so as to save time as much as possible.”

“OK, lord!”
