

The Charismatic Charlie Wade Chapter 2816

Chapter 2816

Tom, the He family's eldest son, is also present with Luther.

Roma's eldest brother and the foundation of the He family's next generation.

Luther's face was more or less grave as he watched the helicopter land slowly, thinking that he must be respectful and polite to the Su family who murdered his granddaughter.

He felt more or less receptive at times.

"Dad, once you meet Anson, you must contain your emotions and don't get angry with him!"

Tom reminded him before the plane landed.

After hearing this, Luther felt uneasy.

In reality, he was well aware that he would never be able to anger Anson.

However, what the eldest son said made him annoyed.

But he also knew that even though he held back the flames, he wouldn't be able to turn his face away from Anson, which made him even more uneasy.

Anson's trip's intent had already been deduced by Tom.

Su's family is on the lookout for He's family, and they're just looking for one thing: The Su patriarch wants his family for something.

In reality, the He family is devoid of any other abilities.

If Su's is a supermarket, then there is only one thing in this store.

It reminds him a lot of the street vendor selling candied haws. Who has driven a long way to see him.

Other than buying candied haws, what else would he do?

As a result, he was confident that Anson would come over this time, and he was determined to get the He family back to the Su family.

This is just what he had wished for.

Since his eldest son's life has been extremely tight after the He family separated from the Su family and absolutely ended their cooperation.

On weekdays, the He family used to provide cultivation for younger generations, which would have cost a lot of money, particularly since they have now lost their source of income.

It's nothing more than a way of securing a source of revenue. What's more insane is that he spent hundreds of millions to track down Ruoli.

Even though a few hundred million is a large amount of money, he really wanted to use it to find someone in the sea, and the money is insufficient to feed the sea.

What about the sea? It occupies 70% of the planet's surface area! A US aircraft carrier formation was thrown in, and 99 percent of the world's countries couldn't figure out what it was, let alone a Ruoli?

Chapter 2817

In reality, Tom was opposed to the search for Ruoli from the start.

He believed that at the time, the whole world understood that Elder Su had betrayed Ruoli, and that the He family had no choice but to look for Ruoli, not the right one. Didn't it just mean that Elder Su was opposed to him?

The best option is for the He family to say or do nothing, allowing the old man Su to see that the He family is still on the Su family's side and is able to accept Ruoli's fate for the Su family.

In that scenario, Elder Su would certainly provide more benefits to the He family, and Ruoli would be considered a successful death because she used her life to provide more benefits to the He family.

Unfortunately, sister Roma was enraged by Ruoli's murder, and the old man had to draw a straight line between the He family.

This is awesome.

Ruoli's death may have been traded for certain benefits, but the benefits were not exchanged, and the He family's own income was fully taken into account. It was too irrational in his mind.

As a result, he is now very willing for the He family and the Su family to re-establish a cooperative relationship.

Tom's hopes were shattered when the helicopter landed safely in the courtyard.

Anson jumped out of the helicopter and stuck out his hand from a long distance, trotting all the way to Luther until the blades completely stopped.

Anson took the initiative as soon as he entered, taking Luther's hand and politely saying, "Mr. He, I haven't seen you in a long time!"

"Anson, it's been a long time since I saw you, how have you been?" Luther could only sneer.

Anson sighed and said, "No, it's not at all pleasant. Is it possible for me to be happier without you?"

He hurriedly said after he finished speaking: “The master demanded that I greet you alongside him, and he also listed the previous events. He has always been deeply remorseful and apologetic.

The master had intended to visit in person, but it was a long journey and the master’s health doesn’t make this possible. His body can’t bear tossing because it’s too heavy, so I can’t help but come for him...”

“Oh, how can he, how worthy to make Master Su miss so much...”

Luther can only tell with a flattering expression.

He quickly made a motion and said, “Anson, it’s too cold outside; come inside and chat!”

“Mocheng is so cold, I think it will be minus 20 degrees, right?” Anson nodded repeatedly and sighed.

“The minimum temperature tonight is minus 35 degrees,” Luther said lightly.

“Hey...” says the voice. Anson said with a smile, “This is much too frightening. Let’s go inside and chat because otherwise my body would be totally frozen in no time...”

Luther guided him to the main hall, a step ahead of him.

Chapter 2818

Anson couldn’t help but inquire as soon as he stepped into the main hall: “Why is this room so frigid, Mr. He?”

Despite the fact that Eastcliff is very cold in the winter, the room is heated and the temperature is above 20 degrees Celsius.

I’m afraid it’s not even ten degrees in your bed...”

Luther said with a smile: “The He family’s exercises are particularly special. It’s preferable if the temperature is as low as possible. We came to Mocheng for that purpose.

The main hall has some heating, so the temperature remains above freezing and the water does not freeze.

If you go into the room where the children live, you will note that there is no heating and that the temperature is usually about minus ten degrees.”

“My mother...” says the speaker. “Fortunately, I am not a part of your family, otherwise I would have frozen to death...” said Anson, shrugging his neck.

“Tom, go get Anson a basin of charcoal fire, and let people turn on the heating,” Luther said to Tom, who was following.

“Great father,” Tom hurriedly said.

“Tom, thank you for your hard work!” Anson said with a smile.

Tom isn’t as qualified as his father, so he treats Anson with respect. He politely bowed slightly and said:

“Su steward doesn’t have to be so polite. Only a second, and I’ll be right here.”

Anson was asked to sit in a cold wooden chair by Luther. He had just sat down and couldn’t help but get up.

He remarked, “Hey, old man, I’ll sit and wait for the charcoal fire to return. I can’t bear it because it’s too cold...”

“It’s because we didn’t entertain you well,” Luther said, nodding.

“Where is it, I came to disturb you at night, it was too presumptuous,” Anson hurriedly waved his hand.

Luther didn’t continue to be friendly with him, instead of asking, “Anson, I wonder if Master Su asked you to come this time, what’s the matter?”

Anson quickly replied: "This is the case, Mr. He, because of Ruoli he feels he is genuinely guilty and ashamed of the past.

He knows you're upset with him, so he sent me over to see you and tell you about his care and his apologies. I'm also hoping to turn fighting with you into jade silk."

Chapter 2819

Luther said, with a dry chuckle, "Please tell Master Su that if Ruoli's surname was Su after all, even though it was my He family who raised her to adulthood, it's the same as sending her back to Su's time.

The Su family received her back. Master Su made the decision to kill her in order to save the Su family. He does not have to apologize to me because I am Ruoli's grandfather and also an outsider."

Luther didn't say it out of the goodness of his heart.

He had a deep affection for Ruoli.

Chengfeng had betrayed Ruoli and was bitter about it.

He was aware, however, that his power was too far away from that of the Su Family.

He would certainly turn the Su Family into an enemy if he said he despised the He Family in front of Anson today.

As a result, he purposely used rhetoric to indicate that Ruoli was a member of the Su family and that he is an outsider.

On the one hand, he couldn't offend the Su family directly on this topic. He may, on the other hand, indirectly express his disappointment with the family.

After all, a person who can even sacrifice his own granddaughter is unworthy of Luther's continued friendship, so the best thing to do in the future is to go their separate ways, and no one can bother each other.

Anson is a human, so how can he not understand what Luther is saying?

Despite this, he proceeded to speak in a witty manner: "You are right. Ruoli must be of the Su family's bloodline since she is the illegitimate daughter of the eldest young master.

However, if this is the case, the master always has feelings for you and your kin. For Ruoli, he is extremely guilty, as half of the blood in her body comes from the He family..."

Luther was irritable, to say the least. Anson, he learned, was still afraid to move the conversation away from Ruoli.

Why did he hold on to this topic when he didn't want to talk about it?

Anson, just as he was becoming perplexed, said: "In fact, what the master meant was that the He and Su families do not have a typical master-servant relationship. After all, the He's have built a bloodline for the Su's.

The master is extremely aware of this and is hopeful that he will be able to make amends."

Luther's eldest son, Tom, came in with an iron charcoal-burner while they were conversing.

He was overjoyed as soon as he heard this. He couldn't help but wait in anticipation for Anson's surprise as he put the burner in front of him.

He was curious as to what the Su Family Master was able to do in return for the He Family.

Anson reached into his inner pocket and pulled out a check, which he handed to Luther and said, "This is a one billion yuan cash check, Mr. He. I was ordered by the master to deliver it to you."

Chapter 2820

“One Billion?” you might wonder.

Tom on the side was startled as soon as the paper was taken out.

This amount is very frightening.

May equal the entire He family’s previous two-year income.

Furthermore, the He family is currently facing a financial crisis. Tom is both excited and overwhelmed by the one billion cheque.

This number alarmed Luther as well.

Father Su shocked him by offering one billion in cash with a wave of his hand.

However, he realized deep down in his heart that the Su family’s money could not be taken so easily.

It’s something you can think about with your toes, and the money isn’t exactly secure.

Rather than taking the check, he asked, “Anson, I’m curious why Master Su asked you to take this check with you?”

Anson said solemnly:

“As I clarified that Master feels bad for the He family and hopes to make amends.

He also hopes to be able to preserve the previous cooperative partnership with the He family.

As a result, he confessed to me and asked me to inform you that if the He family agrees to restore cooperation with the Su family, the annual salary will be raised to 2 billion.

It makes no difference if the He family is reluctant. This one billion should suffice as the remuneration to the He’s!”

Luther was taken aback at first.

He expected the Su family to want to continue cooperating with the He family, but he didn't expect Su's father's price to nearly quadruple from the previous basis.

What is this definition of two billion a year?

A listed firm with a market capitalization of 40 billion has a profit of 2 billion year-round, based on a price-earnings ratio of 20 times.

Most companies in the domestic stock market have a P/E ratio of more than 50 times.

In other words, tens of thousands of people are busy with their lives in several group businesses with a market value of 100 billion dollars, and their annual earnings are just 2 billion.

And as long as the He family returns to the Su family's arms, they will earn a yearly income of 2 billion, which is equivalent to a golden brick from the sky!

Luther was stunned for a moment, and Tom, on the other hand, was already ecstatic and uncontrollable!

He thought this was a great opportunity that the He family had never considered. The He family would be able to ascend into the sky if he took advantage of this chance.

With this large sum of money, in the future, He family might be able to become the country's top martial arts family!

And he's on his way to becoming the patriarch of the country's most powerful martial arts family!

After this, he and his family would be able to fly!

Luther was also a little giddy.

While he was aware that his daughter Roma has traveled to Aurous Hill to meet the Wade Family's Young Master, he assumed that the Wade Family wanted to work with the He Family as well, but he believed that the Wade Family would not be able to give the He Family such a high price.
