

# The Charismatic Charlie Wade Chapter 2826

## Chapter 2826

Roma did not rest at this time.

She and her daughter were talking nonstop on the bed in the Aurous Hill Shangri-La Hotel.

At the time, Roma was in a really good mood.

This is something she hasn't seen in a long time.

It was more surprising than God's favor and the Bodhisattva's blessing to her today.

The daughter is still alive, and her cultivation has advanced to the point that she has become the first He family member in a century.

And the handicapped, such as herself, were given a wonderful opportunity.

Charlie also promised the He family five pills and a yearly payment of 100 million.

For the He family, this is unquestionably the most rare and valuable opportunity in hundreds of years.

Initially, she was eager to return home and notify her father.

But, after all, she hasn't seen her daughter in such a long time that it feels like a farewell.

As a result, she plans to spend tonight in Aurous Hill with Ruoli before returning to Mocheng the next morning.

After all, there are far too many thoughtful things to say between the mother and daughter.

Ruoli was vividly explaining the situation with her mother when Charlie saved her at sea at the time.

“This man will transform her unsmiling and extremely cold daughter into the appearance of the cheerful and shy girl today,”

Roma thought as she looked at her daughter’s excited expression like a girl. The allure is incredible. “It’s impossible to fathom...”

“However, this is helpful to Ruoli.”

She had been too cold previously. In Su’s home, she was taught how to be a cold-blooded murderer.

She had been reduced to nothing more than a killing machine.

She can see her regaining the qualities that a normal girl should have.

As a mother, it appears that she is much more relieved...”

Roma’s phone rang at this precise moment.

“Ruoli, switch the phone to mom,” she said with a smile to Ruoli.

Ruoli hurriedly stretched out her hand, snatched the charging telephone from the bedside table, looked down, and saw that the caller was her dad, and exclaimed, “Mom, grandpa is calling!”

## **Chapter 2827**

“Are you serious?” “Your grandpa must have something important to call so late,” Roma said hurriedly. “Hand it over to me.”

“Mom, don’t forget that we told the Master not to expose my condition to the outside world,” Ruoli said, nodding. Don’t forget about it!”

“Don’t worry, mom knows it, don’t speak,” Roma said solemnly.

“Dad, what’s the matter for calling so late?” she asked after she finished speaking to Ruoli and connecting the call.

“Roma... there is something, dad has to tell you, don’t be angry after you hear it,” Luther said embarrassingly.

“Father, please tell me,” Roma hurriedly said.

“Ahem...it,” That’s Luther said after coughing twice.

Anson unexpectedly arrived in Mocheng tonight...”

“Anson?” says the narrator. “What is he going to do in Mocheng?” enquired Roma, frowning.

“That’s right, Mr. Su sent him over in the hopes of letting go of his grudges and cooperating with the He family once more,” Luther explained.

“Will you cooperate once more?” Roma erupted in anger and screamed, “Dad!” Ruoli was killed by Chengfeng. She is not only his granddaughter, but He’s granddaughter as well!

The He family will no longer have anything to do with this kind of guy because he has no love or affection in his eyes!”

“Roma, these things you are talking about dad understands,” Luther sighed helplessly.

To be honest, your father despises Chengfeng just as much as you do, and I even wish to kill him, but what’s the point? We can’t help ourselves.

You’ve been fighting with the Su family for a long time. We decided to leave the Su family after Ruoli’s accident because of this, but we did not want to keep the Su family liable. In the end, there is still a large strength difference...”

“I confess that the strength gap is too great, and I never considered allowing the He family to go against the Su family and take revenge for Ruoli, so the matter of leaving the Su family and Ruoli at the start,”

Roma raged. Take it in stride; I, for one, will embrace it...”

“What I can’t understand is that you now wish to cooperate with the Su family again,” Roma exclaimed again. Isn’t this implying you’re looking for tiger skin?!”

## Chapter 2828

“Roma!” said to her father, sighing. This time, the Su family’s price is so tempting that he can’t say no. “I have to think about you and Ruoli, as well as the rest of the He family.”

The He family is now in a tough situation. Our family consists of over a hundred members, half of whom are elderly and frail, women and children, and half of whom practice martial arts.

There isn’t a single person in this group of a hundred who can make money. Everyone is a hungry mouth that needs to be fed!”

“Recently, the whole He family has been struggling to save money.

The elderly and children’s living costs have been significantly reduced.

Cultivator rations have also limited the supply of certain medicinal materials.

If this trend persists, the He family’s relative power will be isolated from that of other families within five years. There is a significant disparity.

We’ll never be able to hold one of the four major families’ seats by then. I’m afraid we won’t even be able to stay in the top ten.

In my our, the ancestors’ base will be broken!”

“But now, the Su family is able to continue cooperating with the He family at a price of two billion a year,” Luther said, a little excitedly.

With these two billion, the He family's current condition can be rectified in a single phase.

When the time comes, complete change, or even to an unimaginable new stage, the elderly in our family will have sufficient living security, children will have sufficient growth security, education security,

and, most importantly, the younger generation who is working hard to nurture will be greatly aided. Our He family may be able to become the country's top martial arts family in five years.

The revival of the He family is just a matter of time!"

When she heard this, Roma couldn't help but sigh and say:

"Dad... the so-called eight martial arts families, four martial arts families, and even the country's largest martial arts family." These are all made-up names with no practical sense..."

"What are you talking about? Roma!" said Luther, a little glumly.

How much work did our forefathers in the He family put to elevate the He family to one of the country's four big martial arts families?

You said that such a thing does not exist. Is this true in some way? Is this deserving of the forefathers?"

"Dad, before today, just like you, I believe the He family can become one of the four big martial arts families in the world," Roma said solemnly.

The meaning is far-reaching and invaluable among them, but I now completely understand that we are nothing more than frogs at the bottom of the well."

"Dad, can you believe that someone in this world can directly link a person's Ren Vessel to the realm of Dacheng by himself?" Roma paused before saying,

"Can you believe that someone in this world can directly connect a person's Ren Vessel to the realm of Dacheng by himself?"

“Isn’t this a fantasy?” Luther exclaimed. There are many masters among the He family’s ancestors, but who can truly enter the domain of Renmai Dacheng?

Meridians Dacheng is an ideal state, as if people will live indefinitely, but consider it!”

“So that’s why I said, why we’re the frogs at the bottom of the well,” Roma sighed. The martial arts path has always felt very powerful to us.

Counting on it, it’s possible that we won’t be able to defeat the opponent on our own, and that we won’t be able to avoid the opponent with a pass...”

## Chapter 2829

Luther was perplexed as to why Roma said that.

“Roma, what’s wrong with you?” he exclaimed, shocked. Why do you suddenly start talking gibberish?

You claimed that the He family as a whole might not be better than one person. I’d like to know who is so strong.

Is that what there is to it? “Does that happen to be Master Wade?”

“Dad, I’m not talking nonsense,” Roma said solemnly. We used to have a limited perspective and believed that martial arts are the pinnacle of power.

This is a huge blunder. In reality, in the eyes of people of higher realms, even ants aren’t as good as the martial arts we consider normal...”

“As for Master Wade, I can’t give you many details over the phone, but I can assure you that he is not in the pool.”

Cooperation with him on time is the only way out for our family in the future!”

“What kind of cooperation requirements did the Wade Family Master offer us?” He asked, his face beaming.

“Can he give like the Su family up to 2 billion per year?”

“Master Wade will give 100 million yuan a year for the He family, as well as some training tools that can’t be bought for 2 billion yuan,” Roma said.

“A hundred million?” you might ask. “This little money is to give beggars?” snorted Luther.

What, after all, do you mean about cultivation tools that aren’t worth two billion? What exactly is it? “Is it a two-billion-dollar medical substance?”

“Yes!” Roma said enthusiastically. These drugs, in my opinion, are worth at least several billion yuan, if not several billion dollars, and they may not be affordable!”

“What kind of medicinal materials are they?” Luther inquired quickly. “Tell me everything!”

“They are five medicinal pills with excellent effects,” Roma said.

“Wait, what?” Luther was taken aback: “He will give only five pills?” “Are you sure it’s not five trains, but five pills?”

“It is only five pills,” Roma said solemnly. The results of these five pills are amazing, beyond belief!”

“I just can’t think of any pill that can be magical to the tune of \$400 million!” Luther smirked as he listened.

Do you know how many rare medicinal materials two billion can buy? While five trains could be an exaggeration, there is always a complete train carrying thousands of tonnes of valuable medicinal materials!

It can make a lot of Qi San and wake-up syrup, plenty for our family’s younger generation to use whenever they want! It makes no difference if you eat it!”

## Chapter 2830

“What about Buqisan and Xentel Decoction, even though they are really eaten?” said Roma, shaking her head. It may not be worth a pill after ten years.”

“Roma, I understand that you are reluctant to believe that the He family will cooperate with the Su family again,”

Luther said angrily, “but you should not doubt the He family’s decisions because of your personal emotions.”

What a great achievement! Buqisan and Body Rejuvenation Decoction are two of the He Family’s most significant core strengths to date.

How will I get through the three meridians without these two things? “Why do I find out about the He Family’s status?”

“Dad, I’m still not talking about it,” Roma hurriedly said. You will automatically understand when you see this pill...”

Luther, who had no faith in Roma’s words, sighed and said, “Roma, I have already considered it.”

I’ll send you another 200 million to locate Ruoli’s once the Su family’s 2 billion payment is made.

So, do you think you have a better chance of finding Ruoli?”

“Father, have you agreed to Anson?” Roma asked helplessly.

“Yes,” says the speaker. “I promised Anson,” Luther said. “Later, I’ll inform the He family of my decision.

I’ll be leaving for Suzhou at 10 a.m. tomorrow.”

Roma knew that there were several things she couldn’t tell her father over the phone, and that even if she did, he wouldn’t believe her.

If she tells him, for example, that her new Ren Vessel has become a big deal, he would most likely dismiss it as an illusion.

He would not believe her if she told him that someone had given her medicine and that all he needed to do was take one medicine to make his cultivation advance by leaps and bounds and even achieve a qualitative breakthrough.

It is difficult to believe in things outside the scope of one's cognition if one's cognition is limited by inherent cognition.

If you let him see it for himself.

It's pointless to say anything if that's the case.

"Dad, don't rush to agree," Roma hurriedly said. Even if you agree, don't take the whole family.

And wait a while for me. I need to speak with you face to face about some important matters.

I'll return early tomorrow morning, and I'll be there as soon as possible in the afternoon!"

"Roma, I promised Anson," Luther said. "Maybe he has already told Mr. Su about the situation."

"It's fine if he agrees," Roma hurriedly said. Su family members have the desire to sell their own flesh and blood.

What if anything goes wrong? The most important thing I want to tell you about is the He family's future.

Regardless, you must pay attention to me. Only after you receive the information you can make a decision!"
