

# The Charismatic Charlie Wade Chapter 2836

## Chapter 2836

Luther is not being hypocritical or pessimistic; rather, he has already considered it in his core.

Why did the Su family father suddenly allow Anson to visit him at this time, as well as give such favorable cooperation terms?

The only explanation is that the Su family is now facing a formidable foe, and the He family is desperately needed to boost the Su family's military ability.

As a result, even though the impact of these two billion is immense, making this money would be difficult.

Perhaps He family will face innumerable difficulties in the future.

Luther didn't know if he was doing the right thing by leading the He family to the south at the time.

A familiar footstep echoed from far to close, just as he was feeling down.

He had already guessed that his daughter Roma was the one, before he turned around to confirm it.

He couldn't help but frown again before turning around.

He pondered the following: "Roma's power is impressive, but she lacks control over her body and breath!

This person's power, in my opinion, should be at least one level higher than Roma's!"

“Who would this person... be?” says the narrator.

Luther’s heart couldn’t help but become tense at this point.

His internal strength had been lifted from his dantian to his hands when he unexpectedly turned around, in case he needed an emergency shot.

However, when he turned around, he saw that the person approaching him was indeed Roma, his daughter.

She seems to be the same as she was when she left yesterday.

Luther, on the other hand, noticed that Roma today appears to be very different from yesterday!

This conflicting sensation is akin to returning to the same pool of water after a day, and it always appears to be the same size and age.

But today she gives the impression that the same pool of water is much deeper than it was yesterday!

“Roma, you...how are you doing?” he inadvertently inquired.

“Father, can I speak to you in private?” Roma hurriedly interrupted him.

Luther instantly sensed that this daughter’s breath regulation is indeed much more subtle after she spoke.

Look not at just saying a word, but at Roma’s involuntary control of her breath while speaking. She’s not the same person she used to be.

So he stifled his surprise for the time being and hurriedly said, “Come, go to my study!”

## **Chapter 2837**

Roma chased after her father, and the two dashed to the backyard study.

They just met Tom, Roma's eldest brother, on the way. Tom was about to greet the elderly gentleman.

He was startled to see Roma standing by his side. Tom was taken aback and inquired: "Dad didn't say you went to the Jiaodong Peninsula yesterday, Roma. What time did you return?"

"Brother, I just returned, and I have something to communicate with Dad," she quickly responded.

Tom's cultivation is similar to Roma's, if not slightly lower because he is oblivious to the changes in Roma's body.

He assumed her sudden reappearance was due to father's pledge of cooperation with the Su family.

He guessed that Roma, as Ruoli's mother, would certainly not want the He family to continue cooperating with the Su family, so she returned in a rush, presumably to prevent this.

As a result, he hurriedly stated: "There are just a few hours before departure, Dad. Let's get to work and get ready.

Have you packed all of your belongings? If they aren't packed, I'll have someone come over to handle it for you!"

"I'm almost done packing," Luther said. "You should go to work first; I have something to discuss with Roma."

Tom hurriedly said: "Please don't take too long, Dad. We can't afford to wait to hear from the Su's.

We have mentioned that we would begin at ten o'clock. At about 7:00 or 8:00 p.m., I expect the car to begin loading."

Luther understood what Tom was saying. He was afraid that after speaking with his daughter Roma, he might change his mind.

Luther is certainly responsible for his daughter Roma, but he is also adamant that he will not change his mind because this is such a significant matter for the He family. He is not permitted to be arrogant as the head of the He family.

“You should prepare, or start loading your luggage at eight o’clock as scheduled,” he told Tom, “and the whole family will leave on time at ten o’clock.”

When Tom learned of this, he smiled and said, “That’s OK, Dad, I’ll make arrangements now.”

Roma did not talk on the side, but she did pick up on some subtleties in her father’s and elder brother’s conversation.

She couldn’t help but smile and think to herself: “Dad now seems to be unwavering in his willingness to work with the Su family.

My father has always done what he said, but I’m afraid that after ten minutes, he’ll break his own pledge to those who insisted on it...”

## **Chapter 2838**

The father and daughter walked through the front and back courtyard halls, one after the other, to Luther’s study.

Luther entered the house first, followed by Roma.

He turned around and closed the door, then said to Roma, powerless and guilty, “Roma, you must forgive your father in this matter.

Dad is still unwittingly...”

“Dad, I know you’re worried about the He family...” Roma nodded.

“Yes!” exclaims the speaker. He sighed and said, “Why would I be able to make such a decision if it weren’t for the He family?”

It appears to be a casual sentence, but it smacked in the face.”

He explained “Don’t blame Dad, Roma. Dad, likes you, wants to recover Ruoli so you don’t have to deal with Su’s family again. Only go all out in your hunt for Ruoli!”

Roma gave a bitter smile and muttered to herself: “What else can I do if it’s too good to be better than it is now, but you are a bit one-sided about the issue.

The He family now has a once-in-a-lifetime chance, but it is not related to the Su family, but rather to Charlie, the great Master Wade.”

Yet, since she couldn’t say it outright, she formulated a tactic to make small steps forward.

Luther took a serious look at her at this point and asked: “By the way, Roma, I notice your power, breath, and overall feelings have improved significantly since yesterday? What really is going on?”

“Dad, how much progress do you think I have made now?” Roma asked her father, who she didn’t expect to see it.

Luther smacks his lips together and says, “Actually, I didn’t see much of a difference. You can always only go through two meridians in my opinion, but I have a peculiar feeling...”

“Dad, what kind of feeling are you talking about?” Roma asked as she smiled slightly and looked at her father.

Luther pondered for a moment before saying, “What’s the best way to put it? For instance, you resemble a pool of water.

Your surface area hasn’t changed much since yesterday, so when I look at it, it doesn’t seem to have changed, but I still get the impression that the water in this pool has gotten much deeper overnight, and it’s bottomless. This makes me a bit perplexed.”

In reality, Luther’s metaphor simply depicts Roma’s true transformations.

## Chapter 2839

Roma's power has increased significantly, but this can be split into two categories.

The first aspect of her development is that her physical strengths are rapidly improving, and her stamina, speed, vision, and endurance have all greatly improved; however, this kind of strength is literally invisible to outsiders, regardless of how good their eyesight is.

It's difficult to tell how many pounds of muscle a guy has, how fast he can run a 100-meter sprint, or how fast and how much stamina he has in long-distance running just by looking at him.

As a result, Luther is oblivious to Roma's changes in these regions.

The degree of smoothness of Roma's second line of appointment, which has significantly improved from before, is the second feature of her development.

Originally, her Ren Vessel had a 50% pass rate and her Du Vessel had a 20% pass rate.

However, her Ren Vessel is now a huge success, and her Du Vessel has hit 40%.

However, this is also very fascinating. Luther would be able to see the difference at a glance if Roma opened up the third meridian or if Ruoli, who had opened up the three meridians, returned to Luther.

After all, the two were brought together. Between the opening of one meridian and the opening of three meridians, there is a world of difference. It's as if they're in the same body of water.

It was just about the size of a basketball court yesterday. It has suddenly grown to be twice the size of a football field.

With such a large distance, Luther himself only opened three meridians, allowing him to see it at a glance.

What's odd is that, unlike Ruoli, Roma was unable to open up the third meridian, but she did greatly boost the first two.

The pool of water, in Luther's view, has always been the size of a basketball court and has not changed.

He couldn't see the smoothness of Roma's second line of the main one with his naked eyes, but he had the impression that Roma's overall level had risen significantly, so she gave him the impression that the same pool of water had suddenly become much deeper.

## Chapter 2840

Roma looked at her perplexed father and proactively stretched out her remaining left arm in front of Luther, the palm of her hand raised, and said, "I know you have a lot of reservations, Dad.

You should give it to me because I said nothing. Number one will be aware of the situation."

Luther knew what he had to do, so he quickly put his finger on Roma's veins and measured her internal strength.

He was taken aback by this look.

As if hit by lightning, he trembled: "Your Ren Vessel, Roma...has been a huge success?! I'm not sure how this is possible... I've been studying martial arts for a long time and have never met someone who has mastered it. Pulse of Dacheng...

With so many ancestors, no one has been able to split the Ren pulse to more than 90% in the past few hundred years of the He family. Only 80% of the strongest evidence has been reported...

You, on the other hand, How is this accomplished?!"

Roma "This is what I said to you over the phone, Dad. This time, I realized that we're all just frogs at the bottom of the well. A master of turning his hands into clouds and rain is well beyond our grasp!"

Luther was eager to ask: “Tell your dad, Roma, what adventure did you have this time in Aurous Hill?! What is the name of that Young Master Wade?! Is it true that he supported you in the success of Ren Mai?!”

Roma said with a nod, “Father, Master Wade’s power is unfathomable! And the best part is that a man like Master, who possesses magical abilities, would take the initiative to work with our He kin! This is a once-in-a-lifetime chance for our He family!”

“You haven’t said how Master Wade made you improve so quickly!” exclaimed Luther, impatient.

Roma “Your daughter was lucky enough to receive a god pill from Master Wade. My second meridian has significantly improved since taking it.

Not only that, but I believe my body is much more capable. It had previously risen by more than one step!”

“Is that a God pill?” Luther was a fool, and he blurted out with a look of surprise on his face: “For hundreds of years, our He ancestors have exhausted all methods of looking for the best medicinal materials in the world, and some will even spend their entire lives doing so.

I’m soaking in the medicine jar, but no one seems to be having much luck with the veins. What kind of magical pill could generate this effect?”

Roma reached into her pocket and pulled out two mediocre pills, handing them to Luther and saying, “These two, Dad, are the god pills, as I previously said. Master Wade is the one who sent these back to you. H said, if the He family continues to work with him, he will give five divine pills as well as a yearly salary of 100 million yuan.”

Luther took the pill in both hands, terrified in his heart, and exclaimed, “Is this god pill really that god?”

Roma “Isn’t it real, Dad, that I’ve mastered the pulse? You can take one to test the effect if you don’t believe it.”

“If this god pill really has such a strong impact,” Luther exclaimed, “then the He family will surely look forward to this young master in the future!”
