

The Charismatic Charlie Wade Chapter 2846

Chapter 2846

“Then what do you think of that Master’s strength?” Luther couldn’t help himself.

“I can’t see Master’s true power...” said Roma honestly.

“Do you think this Master is a few steps higher than us?” Luther inquired again.

“How many levels are there?” Roma paused, recalling something her daughter Ruoli had said to her.

Ruoli’s great success in his Ren Vessel was not due to the god pill given to her by Charlie.

Charlie, according to her daughter, simply counted her meridians and seemed to use internal power to move around in them, specifically assisting her in achieving Renmai Dacheng.

This is the equivalent of a height that most people have been trying to achieve for a lifetime, and she will never be able to achieve it. Giving the opponent a pulse is all Charlie needs to do, and he can easily lift the opponent to that height.

For a lifetime, just moving your fingers is worth the effort of others. How many stages do you have in between?

Isn’t it possible that it can’t be clarified solely by the level?

As she pondered this, she turned to her father and said solemnly: “If you really want to hear it, Dad, it may be the same difference that exists between Monkey King and Buddha Tathagata... Even though Monkey King appears to have exceptional powers,

Tathagata Buddha managed to escape. If we don't go back, it appears that the gap between us and Master Wade will widen..."

When Luther heard it, he was taken aback and asked, tremblingly, "When... is there really such a gap?"

"Dad, in my view, it is real!" Roma said without hesitation.

"Since this Young Master Wade has such a talent, where will we be seen in his eyes?" Luther couldn't help but wonder.

Roma: "I'll take responsibility for not clarifying what I said, Dad. This time, Master Wade did not come to me to win over the He family."

Luther yelled, "What are you talking about?! What is the point of not winning over the He family?!"

Roma smiled bitterly in her heart as she remembered her precious daughter Ruoli: "In truth, she thought her daughter died on the high sea. On the contrary, he rescued her and kept her safe. After he saw that she misses her mom, he found an opportunity to reunite the two. All of these nice things are just because the master wants to look after my family for the sake of Ruoli."

But, since she believed she had told Charlie that she would not tell her father anything, she had no choice but to say: "Father, there are some things I promised Master Wade that I can't say, so you don't have to ask; all you need to know is that the young master requested our cooperation not because he admired our abilities, but because he wished us luck..."

Chapter 2847

Luther also realized that cooperating with the He family was a kind of help and gift because the other party possessed such power and possessed such a god pill.

It's just that he couldn't fathom how such a wonderful thing could happen to He's family.

As a result, he inadvertently asked: “Why does he want to work with us, Roma? Before you returned, I assumed Master Wade would want to fight with the Su family.

After you returned, I discovered that the Wade family’s young master possesses a wide range of magical abilities, and the Su family is nothing in his eyes. He doesn’t need to work with us at all if he really wants to fight with them...”

Roma nodded and said solemnly: “That is why I said that this is a blessing from Master for our He family. Regardless, we must seize this opportunity!”

Charlie’s motivations had already been examined by Roma.

She had the following thoughts: “Master isn’t sure how much stronger he is than the He Family in terms of size. The He Family can’t get into his eyes because of his supernatural abilities.”

“It’s all because of Ruoli’s face that he’s still willing to take the initiative to give the money, give the pill, and cooperate with the He family.”

“It occurs to me that Master must harbor some sort of feelings for Ruoli.”

“This is not just Ruoli’s good fortune, but the good fortune of the entire He family.”

“Such a god-given opportunity is naturally to be grasped firmly!” said Luther, who nodded in agreement.

“I will go to Anson and tell him directly that the He family rejects the Su family’s invitation to cooperate!” he said immediately.

Roma abruptly came to a halt and said, “You should start with the second divine pill, Dad! What if you could cross the fourth meridian in a single attempt?”

Luther paused for a moment before softly nodding and saying: “Okay, that’s it! In that case, I’ll take it lightly to see if I can get past the fourth meridian! If I succeed, my family will be able to reclaim their former glory!”

Roma was looking forward to it as well.

Luther is not only a king, but also a mainstay for the He family.

If his cultivation level can be raised, not only will the He family progress significantly, but it will also provide them with a significant opportunity.

Luther is looking forward to it as well.

He took the god pill, examined it for a few moments, and then swallowed it.

Since he has already had an experience, he focused on his luck and trained his internal energies so that when the medicinal force diverged, he could guide the medicinal power to rush to the fourth meridian and restore the pulse.

The effect of the drug was forcefully consumed by the dry body while taking a magic pill due to inexperience. While this will significantly boost physical health, it will also make the body appear younger and longer. He has a long life span, but he is also hesitant to use drugs to prolong it.

He decided to use the second god pill's therapeutic properties to influence the pulse.

Chapter 2848

The surge of medicinal strength rushed outwards from his abdomen after a while. Luther had prepared himself by quickly exhausting his entire body's internal strength and tightly wrapping the medicinal force.

Luther's internal force is like a dam used to stop a flood, desperately guiding the course of the medicinal power and doing everything possible to guide the medicinal power to the fourth meridian.

It's just that this therapeutic influence is so powerful that even though he has complete control over it, nearly 30% of it is still consumed by the body.

While there are signs of loosening in his heartbeat, he has no faith in his heart to break through, so he can only focus all of his attention on making the final battle.

Roma noticed her father was flushed and sweaty, and her left hand couldn't help but grab the corner of her shirt. Despite her anxiety and nervousness, she realized she couldn't support her father with his affairs and could only wait patiently.

Luther is also apprehensive.

He could feel the medicine's strength draining the pulse, but there was still no indication that the pulse would be disrupted. Pessimism was inevitable in his heart, given that the medicine's strength was mostly broken and there was not much remaining.

When the therapeutic power was only around 20% remaining, he immediately felt that the metaphysical platform was transparent and that the whole individual had reached an unparalleled state of detachment, as if he had just awoken from the best night of his life. It is impossible to say that an individual is happy and secure as a whole.

For a brief moment, he was taken aback, but then he became ecstatic, exclaiming: "What a breakthrough! Roma, Roma, Roma, Dad made a huge breakthrough!"

"Dad, are you serious! This is fantastic! It's fantastic!"

Roma was ecstatic when she learned this. She felt deeply relieved in her heart when she saw her father's animated face, and tears welled up in her eyes for a brief moment.

Her father's lifelong ambition had been to break through the four meridians, she remembered.

Initially, everybody, including father, believed that this day will never arrive, but today it is here, arrived!

Luther's eyes welled up as Roma began to cry.

"I just didn't expect to one day smash through the four meridians, and eventually be worthy of our He family's ancestors..." he trembled and choked.

After all, the feelings are heightened, and the old tears have already begun to flow.

"Father, how much do you have through the fourth meridian now?" Roma hurriedly inquired.

Luther “Just 10% of the students graduate, but there must be space for improvement in the future!

Chapter 2849

After all, the Ren Vessel has already proven to be a huge success, and the Du Vessel’s power has risen from 50% to 70%. Cultivating the Ren Du Vessel is a top priority.

It’s akin to solidifying the foundation for future cultivation, and future cultivation will be more effective as a result!”

Roma excitedly nodded several times and said: “I see that your physical condition and mental outlook have greatly improved since you took the second divine pill.

It is not a fantasy to wish you a long life, and you will undoubtedly continue to grow your cultivation in the future. It’s possible that we’ll be able to break through to the fifth meridian and set a new record in the He family history!”

“If I really have that day,” Luther exclaimed, “I would die without regrets!”

After that, he hurriedly added: “Roma, your current cultivation level has also increased significantly, and your talents have always been sharp.

Despite the fact that you have lost an arm and your actual fighting potential has been severely harmed, there is still a lot of space for development. In my view, you should resume your cultivation, and you will undoubtedly achieve a new breakthrough!”

Roma fell silent all at once.

She has never fully abandoned her martial arts training.

It’s just that she’s no longer as committed to cultivation as she once was.

Martial arts practitioners follow a similar path to professional athletes.

If you really want to make a difference, you must first prioritize martial arts as the most important aspect of your life, dedicating at least half of your waking hours to structured and rigorous training.

People start training frantically before the table is high, much like a table tennis player, and they don't hit their peak condition until they are in their twenties. During this time, you must ensure that you are getting the most out of your preparation.

Roma has gone from becoming a professional athlete to becoming a retired athlete since her injury. Every day, she devotes the majority of her resources to caring for Ruoli, and she has insufficient time to practice.

While she can fit in two to three hours of preparation a day, it falls well short of the demands of professional athletes.

Her father asked her to pick it up again this time, with the intention of reintroducing her to the professional athlete-like training form.

She, too, wanted to train as hard as her father said, but when she realized she had promised Charlie to go to Aurous Hill and had to watch over her daughter, she told Luther:

“Master Wade said, “Dad.” If you agree to comply, I must transport the He family’s ten best masters to Aurous Hill at any time to obey his instructions. I imagine it would be difficult for me to train as hard as I did previously.”

Chapter 2850

Luther almost said without hesitation after hearing Roma’s words, “In this situation, after I settle down at home, I will also go to Aurous Hill with you and wait for Master Wade’s dispatch.”

Despite his age, her father is the most powerful member of the He family. She didn't know what to say to Master Wade if he didn't go to Aurous Hill.

“Father, what should we do about the Su family?” she later asked her father.

Luther broke through the fourth meridian, becoming just the second master in the He family's hundreds of years of history to do so. At the moment, he was ecstatic.

Hearing Roma's predicament, he instantly started to formulate new ideas for the He family's future. Adjustment is needed.

"Since Wade Master has bestowed such good fortune upon us, I will naturally terminate our cooperation with the Su family, and fully draw a line with them, and then immediately set out to find the right guy, and return to Master Wade in Aurous Hill."

"Master Wade, including you, just need eleven people from the He family," she said, movingly. As a result, the elderly and infirm, as well as women and infants, are not required to leave the homes with us.

Those who haven't progressed far enough in their cultivation should remain in Mocheng and practice with great concentration..."

He couldn't help but sigh at this point: "Hey! In my heart, Mocheng is a legacy left by our forefathers, and I don't want to give up on it.

This old house must be abandoned before the Su family would let us go south, so it is generally nice that these hundred people will stay in Mocheng and work hard."

"Dad, let's discuss something," Roma said, nodding and thinking about something.

"Say!" hurriedly said, Luther.

"This time I went to Aurous Hill, I didn't consider my elder brother's thread," Roma said. His cultivation is fine, but he has been squandering so much in recent years, and his mind isn't on this. He is still not permitted to communicate with Master Wade.

Those two sons, on the other hand, are much worse; they aren't even in the top 20 in the family."

"Yes," says the speaker. "Your eldest brother is worried about making money," Luther nodded solemnly. Anson arrived with a one-billion-dollar check this time.

You have no idea how ecstatic he was. It was very discouraging..."

“I originally planned to hand the He family to him after a hundred years,” he sighed again, “but after experiencing these years, your eldest brother is not a capable individual...”

“Father, you don’t have to think about these matters,” Roma hurriedly said. In the next 20 years, the He family will undoubtedly prosper under your leadership, in my view! You do not need to be concerned about potential master selections at this time.

With your presence in town and the sponsorship of Master Wade, the He family will undoubtedly have a better young generation in the next 20 years, and there will undoubtedly be a suitable host to choose from!”
