

# The Charismatic Charlie Wade Chapter 2841

## Chapter 2841

Luther's lifelong ambition is to see the He family prosper under his control.

He is willing to give everything, including his life, for this.

That is why he was able to stand in front of two billion people and endure the blood and guts of his granddaughter Ruoli, because, in his opinion, the granddaughter is important, but not as important as the future of the entire He family.

When he saw Roma's progress, however, he realized that this kind of opportunity is far more valuable and rare than money.

With 2 billion RMB in hand, he can only ensure that dozens of He family Children will receive some assistance in cultivation; however, the assistance that ordinary medicinal materials can provide is limited; even if two billion is spent on one person, it will be impossible for him to succeed.

As a result, he can determine which is lighter and which is heavier.

So he swallowed his disbelief and challenged Roma to prove it:

"Roma, the reason why your Ren Vessel is able to achieve great success and your main Vessel's rise from 20% to 40% is because you have taken this kind of pill?!"

"Yes," Roma said solemnly, "Dad, say nothing; you'll know if you take one!"

"I'm 80 out of three. If this god pill is so amazing, it would be a waste of my time to take it. I think it's better to call your eldest brother over and let him have a try!" sighed Luther as he placed one of the pills in his mouth, hesitated for a moment before putting it down again, and sighed with a smile.

“Dad, you are the head of the family; whether our He family will cooperate with Master in the future will also be up to you to decide; so you should take one first and see the effect, and you are our He family’s strongest strength and highest cultivation base, after subscribing to this god pill, the cultivation base can definitely go further,” Roma hurriedly said.

“Then I’ll take one for now and try it!” Luther thought for a moment, nodded lightly, and sighed.

Put the pill in his hand into his mouth after that.

In the mouth, the elixir melted.

Through the three meridians opened up by Luther, the surging internal force spread from the abdomen to the entire body and gathered in the dantian.

Ren vessel, which had previously scored 70%, was immediately inspired to greatness by this powerful internal force!

The Du Channel was originally passed by 50%, but under the influence of the medication, it increased to 70%!

Chongmai, which had previously reached 20%, has now directly doubled to 40%!

And the vein on the fourth meridian, which he had been trying to crack through for decades, was loosening as well!

## **Chapter 2842**

Luther was overjoyed, believing he had a chance to bypass the pulse, so he sat down on the ground, fighting for his life and the surging internal force in his body that was attacking the pulse.

Ordinary people’s eight meridians of the odd meridians are inherently closed, and martial arts practitioners must do everything possible to pulse open the eight meridians that are originally blocked if they want to outperform ordinary people in strength.

But, oh, what a challenge it is to break through the eight meridians!

You can become a master in the eyes of ordinary people and enter the gate of martial arts if you break one, but most martial arts practitioners will stop here, and most of them will not be able to get through Ren Du's two channels in a lifetime;

If you can crack two, you'll be one of the few martial arts practitioners in the world today, and you'll be considered a martial arts master.

If you can get past these three, you will undoubtedly be among the top ten martial artists in the world.

When it comes to breaking through the four points, none of the dozens of martial arts families, large and small, can compete.

Luther believes that if he can break through the fourth meridian, he will be the pinnacle of Chinese martial arts practitioners.

He was shocked to discover that a significant portion of his body's surging medicinal power was desperately flowing into his internal organs and body via various blood vessels and nerves, just as he desperately wanted to realize this ambition.

It felt as if his entire body had dried up at this point, and the medicinal effect of that god pill was beyond his understanding.

Originally, he intended for this state to use his entire pulse, but due to the body's dryness, a large portion of the blood was unable to flow to the pulse and was quickly absorbed by the body.

He felt his body functions had been greatly restored and strengthened almost immediately afterward. When his body felt a few years younger, but the medicine's impact was dragged down by the body, and he was almost drained, there was no extra energy to go. Start a collision with the belt pulse.

## **Chapter 28343**

Roma kept staring at her father and was surprised to notice that his expression had improved significantly and that his skin didn't appear to be as old and shriveled as before.

She wanted to know if her father's cultivation level had improved significantly, but she didn't dare to interfere, so she had to keep her surprise to herself and wait for him to wake up and speak.

Luther immediately opened his eyes after a moment, and tears rolled down his cheeks.

"Dad, why are you crying? How are you feeling?" Roma hurriedly inquired.

"This divine pill is really amazing, and the power of the medicine is so terrifying," Luther said quietly, a little annoyed.

"I originally wanted to take the opportunity to attack the veins and open the fourth meridian, but unexpectedly, my body is indeed too old, dragged a lot of hind legs, more than half of the medicine power was sucked by this body, too much of it is sucked by this body.

"Dad! How could this be a waste! After all, you are over eighty years old, and your body's internal and external functions are severely degraded. This magic pill distributes the efficacy of the medicine to your body, and it will definitely delay your aging.,

It can even extend your lifespan. This is a good thing! In my opinion, you will be able to live over a hundred years!" said Roma hurriedly.

"If I can break through the four meridians, even if I only have three to five years left to live, I will be willing to live..." said Luther, regretfully.

"Dad! Or take this magic pill too! Maybe you'll be able to break through the fourth meridian in one fell swoop!" Roma exclaimed as she handed another pill to Luther.

"Don't, don't, don't! I am a bad old man, not really worth wasting another magic medicine!" Luther snatched her hand away and exclaimed guiltily.

“Dad! Now you are the only one in our entire He family who has broken through the three meridians. Our He family can be one of the four major martial arts families, and most of them rely on you alone.

Support, if you are a hundred years later, the He family will inevitably fall out of the four major families, so these medicines are the most appropriate for you!” Roma said unwaveringly.

“So, call your eldest brother over and give him a try on the remaining magical medicine,” Luther said after a moment’s thought.

Roma categorically stated, “Dad! Brother has always tended to reconcile with the Su family, and I can say to my heart, the eldest brother has not put his mind on cultivation at all in these years, but on money, To enjoy life too much.

The colder the way of martial arts in the He family, the better, but he bought a villa in Sanya as soon as possible. Every winter he always finds a girlfriend.”

## **Chapter 2844**

Roma’s words allude to Luther’s suffering.

He was the only one who understood the virtue of the eldest son.

He learned his eldest son had lost his greatest martial arts pursuit as early as twenty years ago.

Not only that, but he developed an unhealthy obsession with material goods.

After 20 to 30 years of martial arts experience, he says it’s time to relax and enjoy life. Those martial arts and action stars faced adversity when they were younger and started to hit the pinnacle of their careers in their middle years. He let it all go.

Many martial arts celebrities have become billionaires by the age of 30, and their personal status has deteriorated at a rate that can be seen with the naked eye. On the surface, they seem to be training less and less.

The training is becoming less and less, but the quality of life is improving.

Working hard to make a movie at the age of seventeen or eighteen may earn you a few hundred thousand dollars, but by the age of thirty, you can earn tens of millions of dollars or more by casually showing your face and embroidering your legs.

Tom was also greatly stimulated by this.

He reasoned that if martial arts stars who just practiced some foreign three-legged cat kung fu could become masters, why couldn't he? He had been studying martial arts for 20 or 30 years, so why couldn't he?

Tom's cultivation has almost reached a halt since then.

Martial arts, on the other hand, are incredibly difficult in the first place, and they are in no way equivalent to those fake guns.

Luther was well aware that his eldest son's cultivation degree gave him a significant advantage over average citizens, but he was desperate to make a living while studying martial arts, which was almost meaningless.

Not to mention allowing him to lead the entire He clan.

Luther, on the other hand, is disappointed with Tom's negativity, but he has no other options.

His other younger brothers are bad at best. Despite their efforts, they lack the overall power of Tom, who is passive and sabotaged.

Roma recently claimed that the He family is one of the four big martial arts families, and that Luther is the main reason for this. This is right. The He family would easily fall out of the four main families if he dies, based on the power of the He family's descendants. In one breath, the family series dropped out of the top ten.

Roma was excellent as a child, but she was unfortunately chosen by the Su family as an adult, and she went to the Su family to personally protect Zynn, which is why she went out early to make money.

Luther could only drive Roma out because the He family had to depend on the Su family for survival at the time.

Since then, she has spent the majority of her days ensuring Zynn's safety, leaving her with little time to devote to full-fledged martial arts training.

As a result, her cultivation base developed at a glacial rate.

Later, in order to defend Zynn, she sacrificed her right arm, and her power plummeted.

Despite having a higher cultivation base than Tom, after losing one arm, the real fighting strength is even worse than Tom's.

## Chapter 2845

Furthermore, Luther is very clear that even though he is not partial and does not have a patriarchal mindset, it is still difficult for the entire He family to accept a woman as the head of the house, and even more difficult to accept a disabled woman as the head of the house, so Luther believes that, in the future, the owner of the He family, apart from Tom, I am afraid that there will be a woman as the head of the house

But now, Roma's words have made him realize something important.

In recent years, the eldest son has shown little interest in martial arts. He may not have any good effects if he gives him the last god pill.

Furthermore, even though he is willing to entrust the He family to his elder son Tom in the future, he may not be able to fully grow the He family.

On the opposite, he is more likely to bundle and sell the entire He family to the Su family, then take the large amount of money offered by the Su family and flee to live his life to the fullest.

In that scenario, the whole He family would be used to make money for him.

Instead, finding a way to live a few more years and actively leading the He family forward would be preferable.

He will die without remorse if he expends all of his remaining resources to propel the He family to the rank of first martial arts family in the world!

He finally made up his mind at this point and told Roma: "Our most important task, Roma, is to allow the He family to fly higher and farther! Master Wade will be the only one to look forward to for the future of my He family, because he has bestowed upon us such a cherished good fortune!"

"Father, do you plan to cooperate with Master?" Roma hurriedly inquired.

Luther said categorically: "The god pill was given by Master Wade, and I had already taken one. Is there some way I can go back in time at this point?"

Roma "That's fantastic! It's incredible! What Master will get us is much more complicated than five divine pills and 100 million dollars per year if we fully cooperate with him. I believe, he will not only make the He family the country's number one martial arts family, but will also help the He family to overtake the martial arts families and become a stronger force in this field!"

Luther "Roma, you said that you have outgrown the martial arts family and have evolved into a more powerful being. What exactly is this more powerful existence?"

Roma calmly shook her head and said: "I'm not sure. I used to believe that martial arts masters should be the most effective in melee fighting. However, when I met Master Wade yesterday, I felt as if we were frogs at the bottom of the well, practicing martial arts. We simply have no idea what the wide world outside the well is like..."
