

# The Charismatic Charlie Wade Chapter 2861

## Chapter 2861

The current He family will no longer face endless internal friction as before. On the contrary, the current family will twist into a rope and work together to achieve greater achievements!

Thinking of this, he couldn't help getting excited deep in his heart, and said, "That's right! There is one more thing to announce to the public. All those who leave the He family will not be allowed to come back. From now on, the door of the He family will not open to the people who left!"

...

Just as Tom took a large group of He family to the airport by bus, the martial arts field suddenly caused an uproar!

The He family announced that Luther, the head of the He family, successfully broke through the fourth meridian!

As soon as this news came out, it immediately detonated the entire domestic martial arts field!

At present, among the hundreds of thousands of martial arts practitioners in China, 90% have just opened up one meridian.

Those who can get through the two meridians account for 9.999% of the remaining 10%...

There are only five people known in the country who can get through the three meridians and become a three-star warrior!

Moreover, these five people are all in the sequence of the four major families.

Except for the Northwest Huo family who owns two three-star warriors, there is only one of the remaining three families, including the He family.

As for the four meridians, there was no one before Luther.

In other words, he is currently the only martial artist in China who has broken through the four meridians.

This also means that Luther became the first person in the martial arts field in the country.

Originally, everyone on the bus was still looking forward to a new life after arriving in Suzhou. At this moment, don't know who shouted: "Second Uncle, he has broken through the four meridians!"

"what?!"

Everyone knows that Luther is the second of his brothers, so the second uncle is naturally him!

In an instant, the He family in the bus suddenly exploded!

Before Tom recovered, the phone exploded!

A large number of colleagues sent news to him and his father. Tom saw the news and his whole body was struck by lightning!

He never dreamed that he had just broken with his father on the front foot, and his eighty-year-old father on the back foot made an achievement directly!

Being very sensitive to money, he almost immediately realized that the He family was bound to rise to power from then on!

Tom was very annoyed at the thought of his father's announcement when he had just left on his front foot, and he thought to himself: "No wonder the old guy repented

temporarily! It turned out to be a breakthrough in martial arts! I am his eldest son. He broke through such an important thing, but he didn't tell me! This is outrageous!"

## Chapter 2862

Just when Tom was full of resentment, someone in the car shouted angrily: "The He family has announced to the public that anyone who leaves will not be allowed to go back!"

For a while, everyone was shocked.

They didn't expect that they would abandon the He family and raise another branch, but they did not expect that the He family gave them a trick to draw their salaries.

Now, they are abandoned sons of the He family.

Elder Su, who was far away in Suzhou, was also very depressed.

This morning, he heard almost all bad news one after another.

At first, Luther suddenly turned back.

Then, it was Luther who suddenly became the number one martial artist in China.

The most painful thing is that something that originally belongs to him became better after not belonging to him.

For example, a girl who once looked down on an ex-boyfriend suddenly became a master after a breakup, and then married the most beautiful girl, the girl might be depressed for a lifetime.

Although Chengfeng has no love for Luther. Luther was originally a subordinate of the Su family and served the family. To put it ugly, he was a dog of the Su family.

But now, he has turned against the family, and his strength has doubled after turning against the head. How can this not be depressing?

Chengfeng now feels that the world seems to be against him.

He wanted to betray Ruoli, but she just disappeared. The Japanese rummaged the coast of Japan, but she could not be found.

He wanted to kill Liona, but she was rescued by a powerful mysterious man. He wanted to kill her to protect the reputation of the family, but he didn't expect that the reputation of the family was not successfully maintained. On the contrary, he became infamous and embarrassed. Everyone yelled and beat the rat crossing the street.

Now the He family has made such a big move again, which makes his heart very uncomfortable.

In addition to these, his second son and eldest son have disappeared one after another, and the Chinese master who saved his grandchildren in Japan has also become a huge potential threat to him.

Thinking of this, Chengfeng muttered to himself with extreme depression: "I lifted a rock by myself, hit my own foot, a stone fell from the sky, and the damn hit my own foot. There is still a master in the dark, constantly moving. I picked up a stone and smashed it on my foot. I tossed and tossed, except for loss or pain. I didn't get any benefits. What the fuck is that?"

While being so depressed, his cell phone rang suddenly.

The call was an unfamiliar number from Aurous Hill.

## **Chapter 2863**

He hurriedly connected, only to hear a man on the other end say coldly: "I have arrived in Aurous Hill. This is my latest contact information. Within the next seven days, I will stay here and try to find what you are looking for. If I can't find him within seven days, I will go back to the UK directly. The deposit you paid will not be refunded!"

When Chengfeng heard this voice, he blurted out with excitement: "Oh, Master Cary! You have finally arrived in Aurous Hill! You must be very tired after traveling all the way from the UK? Would you like to rest for a few days?"

The other party said coldly: "No, I will start to do things right away. If you have any valuable clues, you can tell me."

Chengfeng hurriedly said: "Master, things have made a little progress. I didn't have any clues about the mysterious person, but now I probably know that this person is of Japanese Chinese descent, and he is not very old, at most 27-28. He is about the age, but his strength is extraordinary.

It is said that even the Japanese ninja is not his opponent. He can deal with several by himself! Master, be careful!"

The other party said disdainfully: "What's so great about Japanese ninjas? It's like someone who has never killed a ninja. I think there was a Japanese ninja who had offended me back then. He was really strong. I would definitely not be his opponent when facing.

So what? He didn't know it, so he was poisoned by the poison I raised, and in his sleep, I personally cut his stomach with a ninja knife. When he died, his internal organs flowed out. It is said that his wife saw at the time, she was scared to death."

Chengfeng said in surprise: "I have long heard that Master Cary's methods are extraordinary. Since you have such skills, then I can be completely relieved. I am waiting for the good news of Master Cary's victory in Suzhou!"

The other party snorted and said: "I declare that someone likes killing people invisible, and likes to kill masters the most. I like to see those so-called masters who die unclearly in my hands, but they continue to die. They don't know why they died. This feeling, like a god, can control everything!"

Chengfeng was so excited that he blurted out and asked, "Master Cary, can you kill a four-star warrior?"

"Four-star warrior?" The other party asked in surprise: "Do you know a four-star warrior? As far as I know, there are no four-star warriors in the country for a long time, right?"

Chengfeng gritted his teeth and said: “Yes, one just came out this morning!”

The other party smiled, and said: “Four-star warriors are not easy to kill. If you want me to try, you can double the money to me.”

The extremely depressed and extremely angry Chengfeng’s heart had already burned him uncomfortably. Hearing this, he said without hesitation: “Master, money is not a problem, but you have to kill the Aurous Hill master first.”

The other party hummed and said: “Don’t worry, I will kill him first, and then I will talk to you about the four-star warrior.”

After that, he directly hung up the phone to Convenience.

The master Cary mentioned by Chengfeng is a metaphysical master who he commissioned from the UK.

China has had a line of metaphysics since ancient times. Fengshui mysteries, Qigong insects, and even the Book of Changes, Bagua, and Qimen Dunjia belong to the line of metaphysics.

However, due to the vast land and resources of China, the customs, habits, and preferences of different regions are different, so metaphysics is generally more prosperous in the south.

In particular, Hong Kong has been the bridgehead for the development of metaphysics in the past two hundred years.

In Hong Kong, feng shui masters and metaphysical masters are not feudal superstitions believed by the poor.

On the contrary, the richer the person, the more obsessed they are with Feng Shui metaphysics.

There are many top wealthy people in Hong Kong who are worth over hundreds of billions or even over 100 billion U.S. dollars. These people, without exception, believe in metaphysics very much.

Not only the top wealthy believe that, but even the stars in the entertainment circle are also extremely fond of Feng Shui metaphysics.

Cary started his career in Hong Kong and grew up to become the most famous master of metaphysics on Hong Kong Island, and even became the queen master of the Hong Kong Li family.

## Chapter 2864

More than ten years ago, the Li family wanted to transfer funds and business to the UK, so they invited him to go to the UK. Cary didn't want to stay trapped on a small Hong Kong island, so he went to the UK and established his own clan.

In the past ten years of Cary in the UK, relying on the resources of the Li family, he has indeed made considerable progress. Not only did he make a lot of money, but he also recruited many disciples.

However, he did not expect that the Li family made major mistakes in strategic direction in recent years, so that while the wealth continued to shrink, the reputation was getting worse and worse, and he was likely to become a mouse on the street.

This caused Cary to suffer as well.

He does not understand Feng Shui luck himself, and he is good at Miao Jiang Gu technique and some insidious things that harm others and self. After he started to behave like a man, the Li family immediately drew a line with him, so that Cary's income in recent years was straight Decline, now he is running out to make money by himself.

This time, Chengfeng asked someone to find him, offered him a price of 100 million pounds, and asked him to come to Aurous Hill to kill someone. Cary had never used the insidious methods he had learned to harm people in his entire life, so faced with such a high reward, Naturally, without any hesitation, he just packed up and rushed over from England.

However, although this task is rewarded a lot, it is relatively tricky.

The most nonsense is that he still doesn't know who he is going to kill.

In the past, when he helped others to do things, they would directly tell him the information about the competitors he wanted to target.

For example, the other party's surname, birth date, ancestor, and even the ancestral tomb will be investigated first, and then he will start directly after he gets the information.

This time, Chengfeng didn't know the specific clues of the mysterious master, so he could only ask Cary to come over and let him use his metaphysical methods to find the person first, and then kill him!

## **Chapter 2865**

After a day and night of flying, Zynn finally arrived in Syria.

Unlike Charlie, he has the benefits of taking a Concorde airliner. He can only fly all the way to the Middle East. After landing in Turkey, he took the road to cross the border overnight and into northern Syria.

When Zynn set foot on Syrian soil, he even had the desire to die.

Because he entered the country illegally, the vehicle dragged him all the way to avoid the city, so that he was shocked by this desolate country.

This devastated country is full of deserts, hills, and ruined villages and towns.

The endless deserts and mountains immediately reminded him of an ancient poem, the desert is lonely and smoked.

After going deep into Syria for a hundred kilometers, he realized in his heart that if Charlie doesn't nod his head, then he would not be able to leave Syria in his life, not to mention that he didn't know anyone here. Just because of the face that is very different from the surroundings, it is destined to be difficult to get out of this country.

Thinking of this, he was desperate deep in his heart.

He thought that his despair had penetrated into the Mariana Trench, and when it was impossible to be more desperate, he finally reached the armed zone occupied by Commander Hamid.

When the car drove into the valley, the fortifications on the mountains on both sides were being built in full swing.

Hamid's friend who worked in a construction team in Iraq, for the sake of money, arrived in Syria in just over ten hours. He has now begun to command his workers and the engineering company that Hamid had just formed last night. Work together and hurry up to build fortifications.

Zynn looked at the desolate valley in front of him, the soldiers with live ammunition around him, and the permanent fortifications being actively built, and he was crying deep in his heart.

“What the hell is this place?!”

“Located in the middle of ten thousand mountains, traffic is extremely blocked, and the level of development is far below that of a small mountain village in China...”

“I don't know, I thought this was the base area behind enemy lines during the War of Resistance Against Japan...”
