

The Charismatic Charlie Wade Chapter 2876

Chapter 2876

She knew that Zhifei went to the venue early in the morning to prepare for Sara's concert.

So she thinks that if Zhifei suddenly puts aside his own things and rushes back after he wants to develop the conference, then he has at least a 70% probability that he has fallen into his grandfather's trap.

Moreover, if Zhifei rushed back for this incident, and in front of her, said kind words to grandfather, and begged for forgiveness for his grandfather, then he would have completely rebelled 100%!

If Zhifei really turned against her, not only would Zhiyu's heart be guarded closely, but she would also be unable to forgive him.

Because she felt that what grandfather Chengfeng did this time was really inhumane, and almost killed her mother and herself!

In the face of this kind of big right and wrong, the brother said that everything should stand on the side of justice and family affection, and stand close on the same front with her and her mother.

If he stood beside his grandfather in the face of this kind of big right and wrong, it would prove that in his eyes, the importance of money and status has completely surpassed justice and family affection.

If that is the case, it also proves that her brother has lost the humanity that a normal person should possess.

At the very least, it is no longer in line with the basic requirements of her brother Zhiyu.

So, she put away her manuscript indifferently, and rubbed her cheeks with a cold and even stiff expression.

After trying to make herself look natural, she said, "Brother, come in, the door is unlocked."

Zhifei hurriedly pushed in.

As soon as he entered, he immediately locked the door and then looked at her.

Chapter 2877

Seeing that there was nothing unusual in her expression, he smiled and said, "Zhiyu, why do you suddenly want to arrange a conference?"

Zhiyu said earnestly: "The people all over the country were paying attention to the safety of my mother and me when such a major incident happened in the tunnel. I think it is necessary to explain it publicly so that those who care about us can rest assured."

"Oh..." Zhifei nodded lightly and smiled: "So that's the way it is! You are right. Since the accident happened to you and mother, the people of the whole country have been paying great attention to your condition!"

"Moreover, there are still many people who spontaneously go out looking for various valuable clues. There are even people who have set up many analysis groups on the Internet. We work together to analyze the relevant clues of the incident. They are really very enthusiastic!"

"We really need to let them know that you and mom have returned safely!"

"That's right." Zhiyu nodded, and asked pretendingly: "By the way, didn't you go to the stadium to work? It's just such a thing, it's worth a special trip to come back?"

Zhifei smiled and said, "Zhiyu! I'm also worried about you. I'm afraid that you are too excited to think of these things when you are preparing for the press conference, so I came back to see you."

Zhiyu whispered: "Brother, thank you!"

"Between brother and sister, what are you doing so politely."

Zhifei patted Zhiyu's head and said, "Oh, yes, what are you going to say at the conference?"

Zhiyu said casually: "In fact, there is not much to say, I have summarized it, basically three points."

"The first point is definitely to tell everyone that my mother and I have returned safely, so that everyone can rest assured."

"The second point is to tell everyone that we were saved by a mysterious benefactor and he also gave us high-level medical care. On the one hand, it is an opportunity to thank my benefactor, and on the other hand, it is to eliminate the curiosity of the majority of netizens. I guess Many people must want to know how we survived such a serious car accident."

"As for the third point, I want to explain my attitude towards this matter. After all, people all over the country know that this matter was done by the Su family and even controlled by Grandpa. I want to talk to him at the press conference. Ask him to apologize and voluntarily go to the police station to surrender. After all, he is suspected of intentional murder."

As soon as Zhifei heard this, he suddenly became nervous and blurted out: "Zhiyu, the first two points are nothing, but the third point, is it a bit more radical and aggressive?"

"Aggressive?" Zhiyu asked her elder brother back: "He attacked my mother and almost killed us two! I just ask him to apologize and accept legal sanctions.

This is considered aggressive? So what is his behavior? Ruthless, inferior to beasts?"

Zhifei was embarrassed and said: "Zhiyu, you have to know, he is your grandfather after all, and, among so many younger brothers and sisters, he loves you the most! Look at the name he gave us, which one is not I have placed a lot of his requirements? Only you, he hopes you can be happy, nothing else matters..."

Zhiyu looked at Zhifei, deeply disappointed.

At this moment, she could already confirm that her brother was actually standing with the murderer, grandpa.

However, instead of expressing her disappointment, she nodded slightly and said indifferently: "Brother, I admit what you said, but you must be fair and objective when you behave and do things!"

"So, many things must be like sorting things, one is one, one yard is one yard!"

"It's not because he was nice to me before, I cannot forgive the fact that he wanted to kill my mother!"

Chapter 2878

Zhiyu's rebuke caused Zhifei a headache.

He couldn't help questioning her in his heart: "Grandpa really wanted to kill mother, yes, but is she not responsible for mother too?"

"As the daughter-in-law of the Su family, she kept thinking about the dead man named Wade, and she also went public to bid for the house that the family named Wade lived in. Isn't this like slapping on the face of the Su family?"

"Furthermore, everyone is an adult. Does hatred matter? The Su family has trillions of fortunes. Is it because the grandfather has brutally attacked mother that we have to draw a clear line with him?"

"Drawing a line with him is equivalent to drawing a line with the Su family's trillion-dollar property. In the end, aren't we left with ourselves nothing else?"

"If you lose the right to inherit the Su family's property, what will you and I do in the future?"

"Don't forget, our surname is Su, not Du. Do you still expect grandpa and grandma to give us a share of the inheritance?"

However, Zhifei could only complain about these words in his heart, and couldn't say it in front of his sister.

Because he knew very well in his heart that his sister was too strong in the concept of right and wrong, so terribly strong, there was almost no room for mediation. If he said this directly, she would not listen, but would turn her face against him.

Thinking of this, Zhifei was very depressed, and thought: "Hey, you are better suited to the name than I am."

She thought to herself, Zhifei agreed with Zhiyu's point of view, and nodded again and again: "Zhiyu, you are right, this kind of thing is really unforgivable, let alone you, I can't forgive it either."

Zhiyu didn't speak, she knew that if her brother said so, there must be something else.

As predicted.

Zhifei turned around and sighed: "But, let me tell you the truth, if we turn our faces with Grandpa, we won't get any benefit, and we can't give him any substantive punishment."

Chapter 2879

After a pause, Zhifei spread his hands: "Just let him accept legal sanctions as you just said. It's impossible. The old man is always cautious. There is never more than one firewall. You said he intentionally killed people. There is direct evidence?"

"As long as we don't have direct evidence, we can be said to be deliberately slandering. If it is really impossible, he can just push someone out to top the bag!"

"He can find too many people who carry the bag. As long as he has a word, I don't know how many people are rushing to carry this blame for him. Do you know how many scapegoats Anson helped Grandpa raise? Come any trouble! These are the firewalls of the old man!"

"If we don't have the resources and connections of the Su family, let alone bring down Grandpa, even Anson, we won't be able to bring him down!"

Zhiyu kept listening silently, and after Zhifei finished speaking, she asked him back: “When did you say that you are going to bring him down?”

Zhifei also asked: “Then what is your picture?”

Zhiyu said seriously: “I accuse him, maybe he has many ways to evade sanctions, but you have to know, if I don’t accuse, he doesn’t even need to evade! What I want is justice! It is justice in many ways! Not only result of justice, but also process justice and procedural justice! I know that result justice is very difficult, but procedural justice is within my power, so I must start a complaint against him today!”

Zhifei was big for a while.

He knew that, in fact, Zhiyu had no influence.

Because the Su family has always kept the personal information of the offspring very good.

The outside world doesn’t know the names of the descendants of the Su Family, and naturally, they don’t know who Zhifei or Zhiyu are.

But Zhifei is indeed different now.

The car accident in the Forbidden Mountain Tunnel in Aurous Hill is known as the “China Princess Diana Incident”, and it has been made public through a video of the mastermind’s confession.

You know, the population of Europe is only about half of China’s, but Princess Diana’s influence is very far-reaching, while China has almost twice the population of Europe, and the influence of Liona and Zhiyu’s affairs is of course very far-reaching.

Chapter 2880

In recent years, the Internet has become more and more developed, and people have become more and more eager for all kinds of fairness and justice. Once some cases occur that can arouse the indignation of ordinary people, even if the parties are just ordinary people, it will cause an uproar on the Internet.

Both the unscrupulous and vicious nanny, or the murderer's beauty accomplice, have received condemnation from the people.

What happened to Liona and Zhiyu was not only bad in nature, vain family affection, and annihilated humanity, but also involved the grievances between the top giants, and the attention was naturally beyond ordinary.

Therefore, Zhifei can almost conclude that once Zhiyu condemns the old man and asks him to surrender at the press conference, there will be countless people's support and even petitions.

At that time, even if the old man has layers of firewalls, he can escape by chance. But such a massive condemnation will definitely make him peel off.

Thinking of this, Zhifei hesitated and said: "Zhiyu, would you like to talk to grandpa?"

Zhiyu frowned: "What shall I talk to him?"

Zhifei said very solemnly: "Of course it is about compensation! You are going to turn your face with him now, but the elder brother also has to remind you that if the trouble is really unacceptable, even if you get the old man into prison, you have to. Does not have any substantial benefits."

"Besides, the old man will definitely make arrangements for the Su family before going to jail, but the arrangement will definitely exclude all of our family. By then, he will be in jail, what shall we do?"

"You are the eldest granddaughter of the Su family. If you don't break your face with the Su family, then you are still the top rich second generation in the country.

As long as you have the aura of the Su family, you can marry the descendants of the top family in the future, even the European royal family, it is impossible for them to find any sense of superiority in front of you.”

“However, once you draw a clear line with the Su family, the halo on you will completely disappear. What will happen to your life, your marriage, and your happiness in the future?”

“And you have to think about it, but it’s okay to say that you don’t have the Su Family’s aura, but if you turn against the Su Family, it will be really troublesome. Who dares to marry you in the future? If they marry you, they will be the enemy of the Su Family!”

Zhiyu suddenly smiled when she heard this, and said: “Brother, in this world, except for my benefactor, I don’t look at any man, whether he is a descendant of a top family or whether he is a grandson. Even if it is the royal family of Europe, it is worthless in my eyes!”

What Zhiyu said was from her heart.

But it was also what she deliberately wanted to say to her brother.

Since she confirmed that Zhifei has completely turned to the side, she has already started her own plan, which has only four words: the plan is to count.

She knew that Zhifei would definitely pass on these words to Chengfeng once and for all.

That is her real purpose!
