

# The Charismatic Charlie Wade Chapter 2891

## Chapter 2891

Chengfeng gritted his teeth and said: "I want you to go to Aurous Hill and change the shipping company's ownership to Zhiyu. From now on, the shipping company will be hers alone."

"Ah?!" Anson's chin was almost astonished, and he blurted out: "Master, you...are you...are you kidding me?! For such a big shipping company, just give it away like that?!"

Chengfeng asked in return: "Otherwise? Zhiyu is a good girl now! My reputation will be in her hands in the future, and if she really asks me to surrender in front of the people of the whole country, then how can I settle this matter? I don't want to think about turning over again in the future!"

"Moreover, there is a mysterious master behind this girl, and I am not sure now, whether I can kill him before he attacks me!

Anson asked quickly: "Master, the British Cary has arrived in Aurous Hill, right? Is there any progress on his side?"

"Not yet." Chengfeng said: "Although Aurous Hill is a small city, it has a population of nearly 10 million. It is as difficult as climbing to the sky to find someone, so we still have to give him some time!"

Anson hurriedly said: "Master! In my opinion, you might as well call Luther yourself. This old thing is now a four-star warrior. If you can convince him and let him protect you personally, your safety will be guaranteed.

Greater the protection, and there is no need to worry that the expert will come to trouble you!"

Chengfeng sighed: "Luther didn't leave any leeway before. I think he is determined to draw a clear line with us. Asking him now will probably be useless."

After that, Chengfeng said again: "Even if Luther still has a chance, it will never be possible to find a breakthrough in a short while, so you should go to Aurous Hill first, first give the shipping company to Zhiyu and stabilize this matter. Go through today's hurdle safely."

Anson nodded and said respectfully: "OK master, I am ready to go!"

...

at the same time.

Charlie has received a call from Roma.

The He family has selected ten family members with the strongest strength, the highest talent, and the highest loyalty this time, and they are ready to set off to Aurous Hill to report to him immediately.

## **Chapter 2892**

According to Roma, Luther, who has just broken through the fourth meridian and became a four-star warrior, also became one of the ten people.

Charlie didn't feel much about who came from the He family, after all, he didn't really need the He family to work for him.

However, hearing that the old man of the He family personally put on the battlefield did make Charlie feel the sincerity of the He family.

Because the He family is here tonight, Charlie came to Shangri-La and told Ruoli the news.

Ruoli was naturally extremely excited when she heard that both her mother and grandpa would come.

After hearing that Grandpa had broken through the four meridians and became a four-star warrior, her eyes were wet with excitement.

She looked at Charlie, choked, and said, “To break through the four meridians and become a four-star warrior is the biggest and greatest wish of my grandfather in his life. After he was sixty years old, he knew that he would definitely have no hope of breaking through in his life, so he kept putting this incident and regarded it as the biggest regret of his life...”

Having said this, she said with a grateful expression: “Master, all thanks to the opportunity you gave, if it weren’t for your pill, grandpa would definitely not have such an opportunity, thank you!”

Charlie smiled slightly: “You don’t have to thank me for anything. The cooperation with your He family is indeed for your face, but this kind of cooperation is also equal, and it is not my unilateral charity.”

“Furthermore, I may have many places where I need to use the He family in the future. As long as the He family can work with me wholeheartedly, I will definitely give them more opportunities to rise.”

“This kind of opportunity is not only money and pill, it may even include a complete inner family boxing technique and other inner family techniques.”

When Charlie said this, he paused and asked: “According to my observations, the inner boxing technique that your He family cultivates should be a broken scroll. I don’t know if what I said is wrong?”

Ruoli said quickly: “Master really has a lot of magical powers, you can even see this...”

After that, she explained truthfully: “In fact, the inner boxing techniques that the He family has passed down for hundreds of years were not created by the family ancestors, but were obtained by chance by them.”

“In fact, when it was first obtained, it was a fragmented volume, and most of the content was missing...”

## Chapter 2893

“Therefore, when the He family practices this inner family boxing method, there are many restrictions, and it is easy to cause internal force disorder and life-threatening injury”

“It is precisely because of this that the family settled in the coldest place in China, because the colder, the less the chance of internal forces being disordered...”

Charlie nodded.

In fact, the way of martial arts has been in decline a lot since its development in ancient times.

In fact, from the Song Dynasty to the late Ming and early Qing, the development of martial arts was relatively prosperous.

After all, in the era of cold weapons, kung fu was very useful, not only to protect the home and the country, but also to make a living, so in addition to scholars, the rest of the people wanted to become martial arts masters.

However, in the Qing Dynasty, foreign powers opened the country with guns and suddenly let countless martial artists discover that they could hardly practice their skills for a lifetime, and they were even no match for a bullet gun or a cannon in the hands of foreigners.

In the beginning, many patriotic martial artists also had the heart to serve the country loyally, but their strength was not worth mentioning in the face of hot weapons.

The most sighing thing was that thousands of names and regiments besieged hundreds of foreigners in Dongjiaomin Lane, but they stayed for 56 days, but they didn't attack.

Since then, a large number of martial arts practitioners have become the biggest opponents of martial arts from their original love of the field. The reason is that they have seen a huge gap and realized that they have lost a bullet in their lifetime efforts.

Since then, domestic wars have been perennial, domestic, and foreign troubles, and the speed of weapon development has been getting faster and faster, which has widened the gap between martial arts and weapons.

Therefore, since the Qing Dynasty, martial arts began to go downhill, and it has not really re-emerged until now.

Originally, there were millions or even tens of millions of people in China, out of the total population, who practiced martial arts, but now, there are no more than hundreds of thousands of martial artists in the country out of these billion people.

Many internal martial arts have been gradually lost in this period of time, so that many martial arts practitioners do not have complete internal martial arts to practice, which can be regarded as a great sorrow of the decline of this art.

## **Chapter 2894**

However, the enthusiasm of this art today is not at all inferior to those of their ancestors.

Take the He family as an example. In fact, the He family has always been eager to fill up their incomplete set of internal boxing, but unfortunately, they have not found any relevant clues.

For Charlie, the inner boxing method was nothing remarkable.

The “Nine Profound Heavenly Scriptures” recorded a lot of internal martial arts, and he didn’t even bother to practice these, because he had already completely exceeded the level of martial arts practitioners. This internal martial arts was of no value to him.

However, if he casually took out one of the internal boxing techniques in the “Nine Profound Heavenly Scriptures”, I am afraid that the martial arts families in the world would be able to trade their heads for this.

What’s interesting is that nowadays, among the martial arts practitioners in the country, the only one who has mastered complete internal martial arts is the little pepper Aoxue who has just entered the industry and has no style.

The “Four Elephant Palms” she is now quietly practicing is a complete internal boxing technique that Charlie found out from the “Nine Profound Heaven Classics”.

Therefore, he said to Ruoli: “If the time is right in the future, I can provide the He family with a complete internal boxing technique. By then, I may be able to help the family to a higher level!”

She was shocked when she heard this, and she was equally excited.

She didn’t doubt that Charlie had a complete inner family boxing technique, but she did not expect that he would be willing to take it out and give it to the He family.

Although Charlie did not say to give it immediately or definitely, he also said that it would be given when the time is right, which means that he is willing to give it to the He family as long as the time is right.

Ruoli was very clear about the significance of complete internal martial art.

So when she heard this, she couldn’t wait to hope that the He family could become Master Wade’s confidant as soon as possible, and at the same time, she could receive the inner family boxing technique gifted by him as soon as possible!

While Charlie was chatting with Zhiyu, his mobile phone suddenly received a call from Leon.

This made Charlie a little curious.

## **Chapter 2895**

Generally speaking, Leon doesn’t contact him very often, but whenever he contacted him, it was usually a very important matter.

So, he hurriedly connected the phone and asked, “Steward Leon, is it something important that you are looking for me?”

Leon smiled slightly and said, "Master, I have nothing to do with you, but there is something that may require you to come up with an idea."

Charlie asked, "What's the matter?"

Leon said, "That's right, Miss Zhiyu's conference will be broadcast live on the whole network tonight.

She also contacted the short video platform you asked Wade family to buy, and hope we can also participate in this conference. I hope we can provide some recommended resources, so I would like to ask you to come up with an idea and see if you agree to her."

Charlie didn't pay much attention to the news today, so he still doesn't know that Zhiyu will appear in a press conference.

Suddenly hearing Leon say this, he asked very curiously: "Why is she suddenly appearing in a conference? And also engaged in such a big battle... Has she disclosed in advance what the conference is about?"

Leon hurriedly explained:

"It is said that the content of this press conference is related to their experience during this period. After all, the people of the whole country have paid great attention to the fact that they were missing after a car accident. Now that they have returned to the public eye, she should give an explanation."

Speaking of this, Leon paused slightly and said:

"And I think she must have a big move for this press conference.

Maybe she wants to take advantage of this opportunity to tell her grandfather in front of the people of the whole country. Chengfeng was in trouble! That's why I called to ask you, should we get involved in this matter?"

Charlie hesitated for a moment, combined with Zhiyu's character in his mind, pondered the matter carefully, and said: "Steward Leon, you can let our short video platform broadcast it for her."

Leon said: “Master if she really attacks Chengfeng at the press conference, it will be more or less embarrassing for us. After all, Old man knows that the short video platform is in the hands of Wade family. If we come forward to help Zhiyu live, maybe it will be rejected by insiders.”

The upper class has the rules of the upper class.

Generally speaking, the upper class doesn't like to engage in small actions behind the scenes.

In the past, many wealthy people manipulated social media by looking for people who had nothing to do with them. Even if the whole world felt that they did it by themselves, there was no direct evidence to prove it.

But the Wade family is different this time. People all over the country know that the short video platform belongs to the Wade family. If the Wade family deliberately disgusts the Su family on their platform, it will definitely be a little unglamorous in the eyes of outsiders.

Charlie smiled and said at this time: “From my point of view, Zhiyu shouldn't attack her grandfather at this press conference, so you can let the short video platform rest assured to broadcast it for her.”
