

The Charismatic Charlie Wade Chapter 2906

Chapter 2906

Issac nodded immediately and said excitedly: “Master, I understand what you mean, that is, both parties must work together to fill each other’s shortcomings.”

“Yes.” Charlie said seriously: “You two, you must choose your most trusted subordinates and let them practice martial arts with the He family. I will regularly give them some blood relief pills to help them quickly improve their strength.”

The Blood Relief Pill is not worth mentioning to Charlie, but for ordinary people and martial arts practitioners, the improvement effect is very obvious.

Charlie planned to select 40 to 50 people with potential and trust from Issac and Orvel’s men, and let them practice martial arts, and then use some blood-saving heart-saving pills for them to improve physical fitness and strength.

For forty to fifty people, there is no need for a blood-saving pill each time.

He only needs to dissolve four or five blood-saving heart-saving pills in the water, and let them take it evenly to achieve good results.

In this way, every once in a while, they will use the Blood Rescue Pill to gradually help them improve. With this within a year or half, they will be able to reach the level of a two-star warrior or even a three-star warrior.

If you really have 40 or 50 three-star warriors under your hand, it is definitely a force that cannot be underestimated. Pulling to Japan, you can easily wipe out a ninja family.

Moreover, there is Ruoli next to him. Now she is already the best among the three-star warriors. If he helps her again, she will soon become a four-star warrior like her grandfather.

Even in the near future, Charlie will be able to make her overtake Luther and become the only five-star warrior in the country.

In this way, he would hand over the newly trained team and the warriors sent by the He family to Ruoli for unified command. With her abilities, she would definitely be able to maximize the capabilities of these people.

Charlie was accustomed to fighting alone before, but after experiencing so many things and getting to know Hamid, he realized that no matter how strong the ability to fight alone is, there are times when he can't do it alone.

So, now is the best opportunity to completely change his mind and action strategy!

At that time, not only will the Japanese be shocked, but even if it is deployed to Europe and America from a long distance, the combat effectiveness will not be a problem!

The Rothschild family is indeed very powerful. It has countless hidden assets and private armaments all over the world.

However, if dozens of three-star warriors who are good at using thermal weapons are airborne over their heads, the Rothschild family can not afford it!

Chapter 2907

When the sun sets and the sky is full of sunrays crossing the clouds, a Gulfstream passenger plane, dressed in golden sunshine, landed at Aurous Hill Airport.

The eleven people who were sitting on the plane were sent by the He family this time, including Luther and Roma.

When these people got off the plane, they were immediately arranged by Issac's fleet and dropped at the riverside villa that he had bought in advance.

This villa happened to be in the same villa area as the riverside villa of Melba's father Pollard, but the area of this villa was much larger than that of Pollard's.

Charlie actually has a bit of selfishness to arrange the He family here.

He hopes that the He family can also pay attention to the situation of the father and daughter that is Pollard and Melba.

If any family members live here, if someone starts to attack them, it will be hard to come over immediately for their rescue.

At this time, Charlie, Issac, and Orvel were already waiting in the villa.

When the team arrived, the sky hadn't completely turned dark. Issac's men took Luther, Roma, and the other He family members into the yard, and Charlie also brought Issac and Orvel to greet them.

When Roma saw Charlie, she respectfully said: "Hello, Master Wade!"

Charlie smiled slightly and said, "Ms. He, you don't have to be so polite, just call me Charlie from now on."

"How can it be..." Luther on the side said in full bloom, "Young Master Wade is the benefactor of the He family and the future master of the He family. The distinction of respect and inferiority is still necessary!"

After that, he clasped his fists in his hands, bowed deeply, and said,

"Master Wade, here is Luther, the owner of the He family, thanks to the great kindness and great kindness of Master, and no retribution. I will never hesitate to serve you ever!"

Chapter 2908

Charlie hurriedly stepped forward, raised his arms, and said seriously: "You don't have to be so formal, I am young, and I can't bear such a gift from you."

"What's more, now my identity is still a secret in Aurous Hill. Most people only know that I am a Feng Shui master, and don't know that I am originally a member of the Wade Family of Eastcliff."

“If you call Master Wade Master Wade long and short all day long, it will easily reveal my identity.”

“Why don’t you just call my name, my full name is Charlie Wade, Wade of the Wade family.”

Luther was surprised, he hesitated for a while, and said: “This...this... We are so favored by you as a mountain like a sea, how can we directly call your name just like that.

If the ancestors know it, I am afraid that they will beat me in the leg and break it with the blows!”

Orvel smiled and said: “Mr. He, you are just like us, in front of outsiders, call him Master Wade! Anyway, his name is very famous in Aurous Hill!”

“Master Wade?” Luther repeated it subconsciously.

“Right!” Orvel said with a smile: “The real master of Dragon Leaf in the world, we basically know that Aurous Hill really has a face and reputation.”

Luther nodded solemnly as soon as he heard this, arched his hands at Orvel, and said, “Thank you for this brother’s suggestion. From now on, the Master will be called Blessed Master Wade!”

Charlie’s head was big.

This group of people followed all the time and called him Master Wade, and he had already had a headache hearing it.

But when he thinks about it, the title of Master Wade doesn’t matter. Anyway, he has heard that a lot, and he is all numb.

So he smiled helplessly and said to Luther: “Since the old man insists, then I won’t say more.”

Luther immediately clasped his fist and said: “Luther, I have seen Master Wade!”

As soon as these words came out, others in the He family followed suit.

Charlie nodded and said, "That's it for these trivial matters. Let's talk about serious matters."

After speaking, Charlie pointed to the villa in front of him, and said, "Mr. He, this villa is prepared for you by me for your daily accommodation and cultivation.

The house is large and there are many rooms. The level is opened up and it is enough for daily practice.

If you need any equipment, you can talk to Mr. Issac when the time comes, and let him arrange someone to implement it for you when that time comes."

Luther hurriedly said: "Master Wade, you are so polite. In fact, we can live in an ordinary dormitory with ease. There is no requirement for living conditions."

Chapter 2909

Charlie smiled and said, "I talked about cooperation with the He family, not to squeeze the value of the He family, so you come all the way, and I won't let you do this and that all day long."

"In the future, you still have to have plenty of time to enjoy life, especially to continue practicing.

If I arrange dormitories for you and not arrange a training venue, it will basically kill your room for future growth."

Charlie's words moved the He family very deeply.

They worked with the Su family before, but they didn't have such good treatment.

In the Su family, they were just like the servants at home, on standby 24 hours a day.

Even if it's bedtime, it's a command anytime, anywhere, no matter what they were doing, they must set off immediately.

Moreover, even in normal times, there are no holidays.

Most of them have their own objects of protection, so they basically have to stay in the dark during the day to do their security work with due diligence, and there is no time to strengthen their own practice.

Ruoli was originally the best seedling in the He family's generation.

But because she is the illegitimate daughter of Zynn, and he needed a personal bodyguard, so she started to be his bodyguard at the age of 18.

In the past few years as a bodyguard, her cultivation has almost stagnated, because there is no time or space for her to practice well.

Therefore, Charlie prepared a villa for the He family to give them time to practice daily.

He also made it clear that they must continue to practice and continue to improve themselves. This is indeed a world away from the Su family.

Charlie said again at this time: "My two subordinates, Mr. Issac and Orvel, each of them has a lot of hard-hearted brothers in their hands, but these people have not been in contact with martial arts, and the overall melee strength is relatively poor.

So in the future, I also need a lot of help from Mr. He and you, and spare a certain amount of energy to help me train and improve them."

When Luther heard this, he said without thinking: "Master Wade, don't worry! You are kind to me and the He family, so I will do this for you wholeheartedly!

My He family's internal boxing method is not good. It's incomplete, but it's still very practical for people who are just entering the industry.

I will pass on the He family's internal boxing to them and try my best to improve their strength!"

As soon as Luther said this, except for Roma, the other He family members were shocked.

The words of the old man are tantamount to giving away the most precious and invaluable things of the He family!

The He family's internal boxing method, that is the biggest reliance of the He family for hundreds of years!

Just giving it out will definitely have a huge impact on the He family in the future.

However, although everyone is worried, no one dared to put forward any meaning.

After all, after the eldest son Tom defected, the rest of the He family followed Luther desperately. Although they didn't understand his approach, they wouldn't have any rebellious intentions.

Roma knows Charlie's strength and knows whether the He family can reach a higher level in the future.

It all depends on him, so He family's inner family boxing skills are not worth mentioning in front of all this.

Moreover, this is also a way for her father to express his sincerity to Charlie on behalf of the He family!

Chapter 2910

Charlie didn't expect that Luther would face him, after two or three sentences, and simply want to take out the inner boxing technique of the He family.

Moreover, based on his understanding of Ruoli, she would definitely not immediately reveal in advance that he might give the He family a complete internal boxing technique just because he gave her a mobile phone.

Therefore, it can be seen that Luther is not only grateful, but he can indeed make a choice.

This is very rare.

From the feudal society to today, China has lost countless folk skills. The reason for the loss is that many people who have mastered the skills cherish themselves. Even if they take this skill into the grave, they are unwilling to pass it on to outsiders.

To a certain extent, this has indeed caused heavy losses to traditional folk culture and skills in the course of thousands of years of development.

It's like the inner family boxing technique that the ancestors of the He family got by chance. If its previous owner could open it up, it wouldn't end up being a fragmented scroll.

Therefore, based on the old man's attitude, Charlie's first impression of him was very good.

Therefore, he arched his hand at him and said seriously: "I can rest assured about this matter with what Mr. He said.

I hope that Mr. He can train more middle and advanced players for me in the future. There are also some retired special forces who are good at thermal weapons.

They have strong professional skills in thermal weapons, lurking, and tracking. If they are interested in the He family, they can also learn more. Combining tradition and modernity can achieve better Strong combat effectiveness."

Hearing this, he said with excitement: "That's really great! We actually had this idea a long time ago, and we mentioned it to the Su family at the time, but the Su family owner was very afraid that we would have too much. Mastering automatic weapons and modern scientific equipment have never been allowed to us, so we have never found a suitable opportunity."

The control of modern weapons is extremely strict.

Although the bodyguards of the Su family and the Wade family have retired top special forces, the weapons and equipment are indeed very sensitive. Without extremely powerful abilities, it is impossible to solve them.
