

# The Charismatic Charlie Wade Chapter 2931

## Chapter 2931

Zhongquan hummed and said, "I will send you his mobile phone number in a while, and you will call him. If he ignores you, you will say that you are my grandson, and he will give it to you more or less. It's kind of thin."

"Okay." Charlie didn't say much, and said: "Then please send me a text message."

Soon, he received a text message with a string of US phone numbers.

Charlie dialed this number directly, and waited a few seconds before prompting that the line was connected.

Qinghua's voice came from the other end of the phone: "Hello, who?"

Charlie said, "Mr. Qinghua, it's me, Charlie."

Qinghua heard Charlie's voice at once, and said in surprise: "It's Master Wade! Why did you call me suddenly?"

Charlie said: "That's it. I don't know if it's inconvenient if I want to ask you about something."

Qinghua said hurriedly: "Please tell me."

Charlie asked, "Do you know an old man named Dan Mai? He is also an overseas Chinese in the United States."

"Dan?!" Qinghua asked in surprise, "Master Wade saw him?"

“Yes.” Charlie said calmly: “I saw him, but didn’t meet seriously. I feel that he came to Aurous Hill as if he came to find me, so I want to ask you about this person.”

Qinghua sighed: “Dan knew that I had a great opportunity after meeting you in China, and he was also longing for it, so he also wanted to come to China. Someone asked him to come over and do something. He figured out the possibility. There was another opportunity, so he came there.”

Charlie asked again, “How about him?”

Qinghua said earnestly: “A very upright Feng Shui master, who is a direct descendant of the Mai family. I have known him for many years. This person is decent and upright, and has never done anything evil.”

As he said, he further added: “Master Wade, if there is any misunderstanding between Mr. Mai and you, please be merciful. This person is definitely not a bad person, and may just be used by a bad person.”

Charlie said: “Don’t worry, I will remember your words, thank you Master Qinghua.”

Qinghua said hurriedly: “You don’t have to be polite, Master Wade. If you have any questions, you can contact me at any time.”

## **Chapter 2932**

At this moment.

Dan and Mike took a taxi together to a cemetery outside Aurous Hill.

Taking a taxi to the cemetery at night, the taxi driver was originally unwilling 10,000 times, but Dan gave a high price of 1,000 yuan, and the driver could only rush there with his teeth.

On the way, Mike couldn’t help asking Dan: “Grandpa, why did Master Cary let us go to Phoenix Mountain Cemetery to see him at night? Isn’t this person sick?”

Dan waved his hand immediately and said seriously: "Don't talk nonsense, this Cary is not an ordinary person. We can't afford to offend him. He chose to meet in the cemetery. There must be his reason. You will see him later, except for what he should have. Don't say anything outside of politeness, lest you make too many words, understand?"

Mike asked in a puzzled way: "Grandpa, why should we treat him so respectfully? We have our mission. It's not enough to concentrate on our mission. Why meet him?"

Dan said earnestly: "I told Mr. Chengfeng a long time ago that there must be a hidden great man in Aurous Hill, but he still wants to start with that man. Cary came this time to help him solve this matter."

After that, Dan said again: "I have heard about this person Cary, this person is very evil, and he has a lot of metaphysics tricks, which is not something we can afford."

Mike asked nervously, "Grandpa, what does he want to do when he invites us to meet this time?"

Dan whispered: "I guess he wants to get some clues from us."

Mike nodded lightly, and said without a bottom: "But we haven't found any valuable clues in the past few days. What if the Su family is to blame us through this man?"

Dan sighed and said, "I am really sloppy when I come to Aurous Hill this time. Knowing that this place is unfathomable, I still rushed all the way. The main reason is that I always think about the coexistence of opportunities and dangers, but I ignore that opportunity itself is very important. Difficult to grasp..."

He said, "Now that Cary has come to Aurous Hill, things may be more variable. If the situation is not clear, we will go back to the United States, and all the money given by the Su family will be returned to them."

Twenty minutes later.

The taxi stopped in front of the largest Phoenix Mountain Cemetery in the suburbs of Aurous Hill City.

The cemetery here occupies a few nearby hills and has a huge area. Usually, many people come to worship during the day, but at night, you can't even see a dog.

After the taxi took the grandfather and grandson to the gate of the cemetery, the accelerator slammed far away.

## Chapter 2933

With the dim moonlight, Mike looked at the huge gate of the white marble in front of him, and said nervously, "Grandpa, why doesn't this place even have a staff member?"

Dan shook his head: "I don't know, the door is closed tightly, and I don't know if it is locked. You can help me to come and see."

When the two came to the door, Mike pushed the door, but the iron door didn't move. He hurriedly said, "Grandpa, the door is locked."

Dan frowned and took out his cell phone to make a call to Cary.

At this moment, a middle-aged man wearing a security uniform suddenly walked out of the darkness.

The middle-aged man walked very fast, but his walking posture was a bit strange. It seemed that his limbs and torso were a bit stiff.

Mike suddenly saw a person walking out of the dark. He was shocked. He hurriedly pulled Dan to move back, but Dan slapped his hand on the back and whispered: "Don't move!"

After speaking, his eyes were fixed on the security guard.

The security guard walked straight towards the grandfather and grandson, and when he approached them, Dan found that the person was black and bleeding, and his whole body suddenly shuddered.

It was the first time that Mike next to him encountered such a situation. He was so frightened that he trembled unconsciously.

No matter how he saw this kind of formation, he felt that the security guard seemed to be a dead body, and also a tragic corpse.

Dan was also horrified in his heart, but fortunately, he was also a person with experience, so the concentration was naturally much stronger than Mike.

So, he fixed his eyes on the security guard, not daring to relax a little, but he didn't step back and dodge.

At this time, the security guard mechanically took out the key and opened the iron fence door from the inside. After pushing the door open, he did not come out. Instead, he looked at both people blankly and waved at them.

Immediately, without saying anything, he turned and walked towards the cemetery.

Mike's frightened legs weakened and asked Dan next to him: "Grandpa, he...what does he mean by beckoning us?"

Dan said solemnly: "Let's follow him in, let's go, go in and see!"

Dan went in and took a look, he almost didn't scare Mike's soul out!

He said in a panic: "Grandpa, I don't think he is a man or a ghost. We don't even know what's inside awaiting us. In my opinion, we can't just go in!"

## Chapter 2934

Dan looked at the stiff back of the security guard, and said lightly: "This person has died a long time ago, but he is just a puppet."

"Really dead?!" Mike was frightened when he heard this, and said nervously: "This...isn't this the zombie in the movie?!"

"No!" Dan waved his hand and said seriously: "This is the end of the Gu-Worm. Now he is not driven by his own consciousness, but driven by the Gu-Worm."

"Gu-Worm?!" Mike asked dumbfounded: "What is the principle of that thing?!"

Dan said earnestly: “There is no principle, it’s just a kind of fierce metaphysical mystery. Gu-Worm, the lower level, is to raise a bunch of poisonous insects to kill each other, and the one who survives is Gu-Worm. But that kind of Gu technique is relatively low-end, similar to raising a poisonous snake or raising a wolf dog to bite people. It doesn’t have much technical content.”

At this point, Dan changed the conversation and said: “But the really powerful masters use Gu-Worm that normal people have never heard of and have never seen. Those Gu-Worm may not even be known to top biologists!”

“Many have long been extinct in nature, only secretly passed down in the cultivating Gu school.”

“The kind of Gu-Worm can fly to the sky and escape everything, and can still be controlled by the mind of the cultivator!”

“I think this security guard was killed by a master. He came to greet us to enter, and he must follow the master’s orders.”

Mike asked palely: “Gu keepers can control Gu-Worm with their own thoughts, and then use them to manipulate other people’s corpses? This... is this too outrageous?!”

“Is it outrageous?” Dan said, “Doesn’t the West also have telepathy between twins and mother and child? Mind is regarded as a feudal superstition in the people, but it is famous in the field of science. There is a certain scientific basis for quantum entanglement.”

Mike nodded lightly, and said, “If you say that, it’s like a quantum entanglement effect between the person who raises Gu and the Gu-Worm he raises?”

Dan said: “You can also understand that. As far as I know, this kind of Gu-Worms are usually hatched in the blood of the Gu cultivator when they were still eggs. Therefore, it is compatible with the Gu cultivator’s blood. From the very beginning, a blood connection is established between the two.”

“Moreover, this kind of Gu-Worm only feeds on the blood of the Gu cultivator in the year before it hatches. This is also to continuously strengthen its connection with the Gu cultivator, just like a baby is born and fed with breast milk of the mother.”

“And then?!” Mike’s curiosity has gradually overcome his fear, and he can’t wait to learn more.

Dan continued: “During the period of feeding Gu-Worms, the Gu cultivators have already started training them.

As for how to train, these are the secrets that are not passed on in each faction.

I have no way of knowing. Knowing that after they wait for the Gu-Worm to reach adulthood, they will take these to do evil everywhere. The way to do evil is to let the Gu-Worm kill for them, and once the Gu-Worm start to kill people, they will almost never stop until the Gu-Worm naturally age and die.”

Mike widened his eyes and blurted out, “Killing constantly? What if there is no enemy? Is it possible to kill innocent people?”

“Correct.”

“why?!”

Dan said: “Because Gu-Worm no longer feeds on the blood of the Gu cultivator after they reach adulthood. If you want Gu-Worm to survive, you must keep killing for them.”

“Huh?” Mike asked, “Do Gu-Worms eat human flesh when they grow up?”

Dan shook his head and spit out three words: “Eat people’s brains!”

When Mike heard the three words, he felt retching, and he blurted out: “Eating human brains?! This...vomit...this is too disgusting...”

Dan nodded and said, “Look at the security guard just now, how do you think Gu can control his corpse?”

Mike shook his head and said: “I...I don’t know...I feel this is incredible, or it can be said that this is not scientific, nor is it like urban gossip. Although everything seems mysterious, after mastering the essence, you will find everything. In fact, there are all traces to follow...”

## Chapter 2935

Dan looked at Mike and explained: "You think things like Gu-Worms seem to be invisible. It seems very unscientific, but in fact, it is very scientific."

After speaking, Dan further explained: "Gu-Worms feed on human brains, and they must be fresh human brains. This also means that humans have just died, although human brains have been swallowed and lost by Gu-Worms. The entire central nervous system, but the body's functions will not immediately lose its vitality, just like brain-dead people often have a heartbeat and blood circulation."

"The reason why Gu-Worms are magical is that after they eat the human brain, they can temporarily take over the human central nervous system and then perform simple manipulation of the body."

"It's like the security guard just now. He is controlled by them and walking all the way, but because the person is dead and his muscles are constantly rigid, he seems to be very stiff."

"You can see that he can only walk, open the door, and wave his hands, but he can't speak. This is mainly because Gu-Worms can't control him deeply. They can only do some very simple actions driven by the Gu cultivator's mind."

Mike looked at the back of the security guard carefully, and hurriedly asked, "Grandpa, can Gu-Worm control this corpse all the time?"

"Of course not." Dan said solemnly: "Let's not say that this corpse will gradually stiffen and decay. Just talk about the Gu-Worm itself. After it has swallowed this person's brain, even if it enters a dormant state immediately, it can survive at most one. If they don't eat again within a month, they'll starve to death."

Mike exclaimed: "It must eat again within a month. Doesn't that mean it will kill a person in a month?!"

Dan said coldly: "Kill a person a month, or if it has been in a dormant state for the whole month, if the Gu raiser keeps it killing everywhere, then it might eat once in a few days..."

Mike looked horrified and trembled: “This... Behind every Gu-Worm is bloody human life! I have never heard of anything more evil than it in my life...”

Dan sighed, “That’s because you don’t have enough knowledge. There are also things that are evil than Gu-Worms.”

The grandfather and grandson walked as they talked, and soon reached the depths of the cemetery.

At this time, in a clearing halfway up the mountain, a lean old man was sitting cross-legged in the middle.
