

The Charismatic Charlie Wade Chapter 2946

Chapter 2946

The next day, a rumor suddenly appeared in Aurous Hill.

It is said that a spiritual incident occurred in the Phoenix Mountain Cemetery in the suburbs. A security guard who guarded the cemetery was killed by an evil spirit last night.

However, these kinds of rumors were quickly controlled in a targeted manner. In addition, they were too superstitious, so only some middle-aged and old people with superstitious thinking would believe it, and young people would basically sneer when they heard it.

In the morning, Elaine made breakfast at home. When Charlie and Claire came down to eat, she said solemnly at the table: "Claire, Charlie, you two must go out as little as possible these two days. Even if you have to go out for something, you must come back before dark!"

Claire asked with a surprised look: "Mom, what's the matter with you?"

Elaine said seriously: "I tell you, at Phoenix Mountain Cemetery last night, someone was killed by a ghost! Even the brain was emptied! It is said that at the time of death, the seven orifices bleed, and the big bowl on the top of the head was a big hole, the result is an empty shell inside, with nothing!"

When Claire heard this, she said helplessly: "Mom, you are also a college student anyway, do you believe this kind of rumor? There is no such thing as a ghost in the world, they are all deceptive lies."

Elaine said solemnly: “How can this be a lie? This is true! Several elderly people I was in were all mad. There are still photos, but I don’t know how it was done. The system deleted it. Oh, that photo is terrifying, and my back is still wet even now.”

Jacob frowned and said, “There seem to be some people in my group discussing, but I looked through the chat records, and there is no evidence such as pictures, etc.”

Claire smiled and said: “Even if there are photos, it is not necessarily credible. The current computer synthesis technology is so advanced that any photos can be made. You guys, just put your heart in your stomach and don’t think about it much.”

Elaine said sternly, “I would rather believe it, or not believe it. You two should come home early. Anyway, there is no loss if you come home early. You can stay with me more at home. Isn’t it good?”

Claire said helplessly: “But I have to keep an eye on the projects recently, and I will get busier and busier in the future.”

Elaine shook her head helplessly, looked at Charlie, who had not spoken, and said: “My son-in-law, you have the ability. Remember to pick up Claire at night these days, she can come home alone, but I can’t rest assured.”

“Okay, mom!”

Although Charlie hasn’t spoken, he has already reviewed the content of Elaine and Claire’s conversation in his mind.

What Elaine talked about is not groundless, and it should be inseparable from that man Cary.

It’s just that ordinary people don’t know things like Gu-worms, and the incident was in the cemetery, so it is natural to speculate that evil spirits killed people.

It seems that this man is really cruel, and it is indeed a heinous crime to just feed his so-called Gu-worms by killing others!

If he doesn’t move and wait for him to come, don’t know how many people will die under his hands during this period!

Thinking of this, he immediately sent a message to Issac: "Check for me whether there is a record of the entry of a British Chinese named Cary, and then check the Aurous Hill hotel system to see if there is his check-in information!"

Chapter 2947

Issac received the message and immediately replied: "Master, do you want me to find out this person's photo and send someone out to search for clues about him?"

"Don't!" Charlie hurriedly ordered: "This person is very dangerous. Your subordinates are definitely not his opponents. Even the masters of the He family may not be his opponents."

Issac hurriedly asked him: "Master, you asked us to track the pair of the old man and the young man who went to Phoenix Mountain last night. The strange death of the security guard at the Cemetery this morning should be related to this person, right?!"

"Right." Charlie replied: "So you don't tell other people, just check the clues for me, don't let the wind go, let others go out to find him, but don't let them contact him, otherwise they'll get killed."

"Sure, Master!"

At the time of breakfast, Issac got Cary's entry and exit records.

This information includes his passport information, electronic photos, and surveillance videos left by the customs when he entered the country.

However, according to what he said, in the entire Aurous Hill hotel system, there is no record of this man staying in a hotel.

This also shows that this person did not live in a hotel in Aurous Hill, so he could not accurately locate his current whereabouts.

Charlie could only remember this person's appearance and characteristics in his mind first, and then think of a long-term plan for the rest.

At the same time, he also made a review of the logical relationship of things in his heart.

Whether it is Dan and his grandson, or Cary, they must have been sent by Chengfeng, which is certain.

Cary is only good at killing people, but not good at finding people, so this guy definitely needs the help of Dan and his grandson to find clues.

In this case, through Dan, he should be able to find this man Cary.

This dog came to Aurous Hill from England to commit evil, and he must be killed as soon as possible to prevent him from endangering the lives of others!

Chapter 2948

At this point, Charlie made up his mind and went directly to Shangri-La to see this old man.

If he cooperates honestly, he will let this old man and his grandson leave China alive because he hasn't done much evil and didn't help the abuser.

But if they dare to help Cary and let him hurt anyone in Aurous Hill, then they will never return to the United States in this life!

...

Because of ghost rumors, Charlie didn't let Claire drive to work by herself, but instead himself drove and dropped Claire at her place.

Claire originally didn't want to trouble him, but after all, Elaine had spoken, she didn't dare to object.

I have to say that since Elaine has suffered some big losses and been deceived, she is indeed more wary than before, and she knows that she cares about Claire's safety.

Charlie sent her to the hotel under construction by the Emgrand Group, where construction is in full swing. Thousands of workers are here, so there will be no safety problems if they want to come.

When Claire was about to get out of the car, Charlie reminded: "My wife, don't go home after getting off work alone at night. Whenever you are almost done, just call me and I will drive over to pick you up."

Claire nodded, and said apologetically: "Then I might be late today."

"It's okay." Charlie smiled slightly: "I will come to pick you up even if it is too late. Remember to call me in advance, lest you have to wait for me."

"Okay!" Claire said with a sweet smile: "Then I will get out of the car now!"

After he bid farewell to Claire, he drove directly to Shangri-La.

On the way, he called Issac and asked him: "Mr. Issac, has Dan left Shangri-La?"

Issac hurriedly said: "Master, they are now having breakfast in the dining room. I think they have washed and dressed neatly. It is estimated that they will leave after the meal soon."

Chapter 2949

Charlie said: "I will arrive in about ten minutes. If they want to leave, you can help me hold them."

Issac asked, "Master, where do you want to meet them? Would you like me to arrange security to take them to my office?"

Charlie said: "No, it will be a horror. Later, you will directly arrange for the waiter to use the universal room card to enter their room, flip through their things, and then take something away, and finally open the door. If they want to leave, you will let them know about the theft from the room and ask them to rush to the room to confirm the loss."

Issac smiled and said, "Master, it's better that you have more ideas... OK, I will arrange it! If you want to come and do this, it will definitely take ten minutes!"

...

At this moment, Dan drank the last half cup of coffee, wiped his mouth, and said to Mike: "Okay, let's hurry up and go to Du's house and follow Zhiyu nearby."

Mike hurriedly asked him: "Grandpa, are we going to follow that woman? We are not good at stalking..."

Dan said: "Don't worry about that. As long as you see her and find a way to get a piece of her hair, I can figure out her previous movement in Aurous Hill little by little, and I can find a way to find her recent and long time places."

After a pause, Dan said again: "Didn't she have been missing for a while, and she was seriously injured. She must have stayed with the mysterious person the Su family is looking for such a long time, so I just need to find her. For a long time, she has been very close to that mysterious man!"

Mike asked in surprise: "Grandpa, what are you talking about? Why is it so amazing?!"

Dan said earnestly: "These are the tracking methods in Qimen Dunjia. You should learn the I-Ching first. In the future, your grandfather and your father will naturally teach you the various methods of Qimen Dunjia."

Mike nodded lightly, full of expectation in his heart.

So he hurriedly stuffed half of the sliced bread into his mouth, and then said vaguely: "Okay, grandpa, let's go!"

Dan nodded and just stood up, suddenly a waitress ran over and asked nervously, "Are you a guest in room 1003?"

Dan asked curiously: "I am, what's wrong?"

Chapter 2950

The waiter said apologetically: "I'm so sorry! When our room service was cleaning the room just now, she found that the door of your room was open. She went in and looked at it and found that your personal belongings were turned over.

It may be a theft, so please go back to your room and check if there is any property damage. If there is any, we will immediately cooperate with you to report to the police for investigation!"

Dan never thought that he would live in an internationally renowned five-star hotel chain and would accidentally get into trouble like this.

Hearing what the waiter said, he didn't have any doubts at all, and subconsciously exclaimed: "Oh! Mike, help me back to my room!"

Dan went out this time and brought a lot of good things handed down from his ancestors, and today he was going to secretly approach Zhiyu, so he didn't need many things so he didn't bring them.

Among them, just a piece of Song Dynasty Fengshui compass is invaluable!

Moreover, that was passed down from the ancestors of the Mai family for nearly a thousand years, so there is no room for half a miss!

With Mike's support, Dan hurried back to the room.

At this time, the room was in a mess.

Both he and Mike's suitcases were opened and searched, and the Feng Shui compass was wrapped in silk and satin and placed in the suitcase.

And part of the RMB exchanged by him and Mike when they came to China, as well as some emergency U.S. dollars, were not lost in the box.

Dan was very nervous, and blurted out to Mike: "I didn't lose money or other things, just lost the compass..."

Although Mike is not good at learning arts, he also knows that the compass is the family heirloom of the Mai family. It is said that it has been passed down from the first generation of ancestors who engaged in Feng Shui metaphysics in the Mai family until today.

Let alone how much this thing can be worth, the meaning of this inheritance alone cannot be measured by money.

More importantly, this feng shui compass, because of the continuous blessing of the ancestors of the past dynasties, can already be regarded as a magical instrument. Use it to check feng shui and divide gold and fix acupoints. The accuracy is much higher than that of any ordinary compass!
