

The Charismatic Charlie Wade Chapter 2941

Chapter 2941

Issac realized that the matter might be a bit serious, and hurriedly arranged for his subordinates to follow the vines.

The monitoring at the entrance of Shangri-La is very complete, and it can be said that there is no dead angle coverage in 360 degrees.

So his men quickly found the license plate number of the taxi through surveillance video.

Immediately afterward, they immediately found the taxi that was pulling work in the urban area through the city's taxi positioning system.

In order to form an absolute deterrent to the taxi driver, Issac specially transferred Abner from Orvel, and asked him to come forward and talk to the taxi driver.

The taxi driver didn't expect that he would have alarmed the four heavenly kings under Orvel's hands. At the same time, he was shocked and frightened, and immediately retold all the things he could remember, one fifty and ten.

Dan and Mike, the grandparent and grandson, talked about this Cary on the way to Phoenix Mountain.

At that time, the two didn't care too much about the taxi driver, after all, they didn't talk about anything that was prohibited or sensitive.

And they also felt that a taxi driver could not have anything to do with the Su family and the Master Cary.

But they didn't even dream that Charlie found the driver along the way.

Therefore, the driver told Abner that the two people in the car, one old and one young, talked about Cary all the way. He said that one was talking about going to Phoenix Mountain to meet the person named Cary, and he also said something about metaphysics. People don't understand things, so the driver doesn't take it too seriously.

When these words reached Charlie's ears, he first hit a question mark in his mind.

"Cary?"

"I've been in Aurous Hill for so long. I haven't heard of this person before. Could it be that he also came from outside?"

Thinking of this, he called Qinghua again.

Chapter 2942

As soon as the phone was connected, he said politely: "Excuse me, Mr. Qinghua, I still have something else, and I want to ask you about it."

Qinghua smiled and said, "Master you can ask anything, I'll share if I know anything!"

Charlie asked, "I wonder if you have ever heard of a person whose name is Cary?"

"Cary?!" Qinghua's voice suddenly increased by nearly an octave, blurting out: "How can Master have anything to do with this person?!"

Charlie frowned and asked, "Mr. Qinghua, do you know him?"

The old man replied truthfully: "I can't talk about knowing him, but this person has long been notorious. Basically, he is known in the feng shui metaphysics circles overseas."

"Oh?" Charlie asked curiously: "What is this person's background?"

Qinghua said: "He is one of Rocco's three true disciples!"

Charlie frowned: "Rocco? Who is this person?"

Qinghua explained: “About forty years ago, there was a well-known Feng Shui metaphysics master named Rocco in Hong Kong.”

“No one knows where he came from, only knowing that as soon as he made his debut, with his talents, he gained a firm foothold in this area.”

“After that, he started to establish schools and collect disciples. For a while, he was in the limelight. Many Hong Kong rich and underworld brothers were his disciples...”

“I have met this person several times, and I have drunk wine and talked with him about the ancient and modern times, so I know him better. This person is very good. Not only is he good at ventilation and water mystery, but he is also proficient in the mysticism of Gu technique, and he is very capable. Got all the in’s and outs!”

“It’s not like our feng shui master, who only knows the techniques of feng shui mystery and I-Ching, but not proficient in gu techniques and the killing methods such as lowering the head.”

Qinghua said this, and went on to say: “This Cary went to Rocco about thirty years ago. I met him when I visited Rocco at that time in the city.”

Chapter 2943

“Oh?” Charlie asked very curiously: “Since this Rocco is famous, how can Cary as his apprentice be so notorious?”

Qinghua explained: “Rocco’s talent was unparalleled in the world at the time. I have studied I-Ching and feng shui mysteries all my life, and I can only achieve the same level of knowledge as him in this area.”

“In addition to the I-Ching, and Feng Shui mystery, he is also proficient in many metaphysical mysteries. There are both good and evil, and his overall attainments are far superior to me!”

“Therefore, if it is not an outstanding talent, it is impossible for anyone to learn all of Rocco’s skills.”

“Because of this, his three true disciples at the time all had their own priorities.”

“Some people focus on feng shui mystery, some people focus on esoteric axioms, and Cary focused on raising Gu and lowering his head.”

“In the field of metaphysics, Yang-Gu is called sorcery, that is, evil way. Among them, Yang-Gu is the most vicious.”

“While Rocco was alive, Cary was able to suppress the evil thoughts in his heart and prevent himself from doing evil, but after Rocco died, this person completely freed himself, became an accomplice of the rich, and killed many enemies and competitors for the rich. So he has long been notorious.”

Charlie frowned, smacked his lips, and asked: “Mr. Qinghua, what is the relationship between this person and Rocco’s school and the other two true disciples of Rocco? I wonder if I will kill him by then, and I stabbed a Hornet’s nest, provoke a group of annoying guys?”

Qinghua said truthfully: “Although Rocco is an outstanding talent, he has no future developments in his life. After he did not ask questions in his later years, the school has lost its backbone and gradually fell apart. Otherwise, Cary would not leave Hong Kong and go to the UK. So there is no need to worry about his followers or friends.”

He said, “As for the relationship between his other two true disciples and Cary, to be honest, I don’t know too well.

In the later period, Hong Kong’s Feng Shui masters were used by the big powers to serve as tigers, so their character and reputation were generally not too great, so Master, you should be more careful.”

Immediately afterward, Qinghua continued: “I remember his other two true disciples, one named Melar and the other named Jinghai.”

“Jinghai?!”

Charlie’s pupils suddenly shrank, and he thought to himself.

“Unexpectedly... the Hong Kong metaphysics master Jinghai who was struck to death with thunder by himself turned out to be Cary’s senior brother! It’s really something!”

Qinghua, who was on the other side of the ocean, didn’t know the change in Charlie’s expression at this time.

He said on the phone: “Master, you must be careful about that Cary, and at the same time, pay attention to your side to see if there are people named Melar and Jinghai around. Rocco has countless fans around him, but The three true disciples have really learned some abilities, but the others are not enough.”

Charlie quickly thanked him and said, “Thank you, Mr. Qinghua, I will be more careful.”

Qinghua said again: “Also, that Cary has an extremely weird personality and he is an extremely insidious person.

The Gu-worm he raised is said to have been raised for 20 years. Except for the first year, that thing has grown up by drinking his blood. Every next day it will depend on eating the brains of living people. It is extremely dangerous. Master must be extra cautious.”

When Charlie heard this, a cold light flashed in his eyes!

The Gu-worms that are raised by this man Cary actually swallowed human brains for food, which is simply damaging!

So he said, “Mr. Qinghua, don’t worry, the day Cary meets me is the day when the evil ends! I will definitely not leave him and his Gu-worms free in Aurous Hill this time!”

Chapter 2944

At the same time, Dan and Mike were sitting worriedly in the Shangri-La Hotel room.

Mike hasn’t recovered from the shocking experience just now, and his mental state is very bad.

Dan also kept silent, holding a few copper coins in his hand, and tossing them on the table.

The hexagram represented by the copper coin is no longer what he can comprehend, which makes him a little confused.

The opportunity in the hexagram is always there, but the danger has never been eliminated, even the misty sense of the unknown is even stronger than before.

Unconsciously, the old gentleman's mentality began to gradually change.

Originally, he felt that he had borrowed Chengfeng's invitation to come to China to find opportunities and make some money along the way.

It doesn't matter if the chance and money are not found, just as a trip back to the motherland.

Even if it's dangerous, it's probably because he is older, and his body may be unbearable.

At the same time, it is also easy to trigger some hidden diseases that are common in the elderly.

However, he never expected that this event would have developed into a new level, with unprecedented dangers for him and his grandson!

This man Cary year is too dangerous!

This kind of murderer is so fearsome in his eyes.

Even for him, killing has long been commonplace.

He was suddenly involved in this matter, and it really made him feel a strong sense of crisis, so that he began to reassess in his heart, to judge whether this matter is worthy of continuing to invest in or not.

He lived to such an old age, and he didn't care about Chengfeng's money, but he wanted to have Qinghua's chance to be twenty years younger suddenly.

Chapter 2945

However, now that the opportunity is complicated and the risk factors are uncertain, he is worried that he has not found the opportunity, so he put his life in danger in Aurous Hill.

After all, he is just a dying feng shui master. It can be said that he has no power to bind the chicken. The great-grandson Mike is the same. The grandfather and grandson basically have no ability to protect themselves.

In front of vicious Cary, the two of them couldn't resist him for a round together. If they really started, he is afraid that they would only feed the Gu-worms.

Mike on the side has always had lingering fears and couldn't help but say: "Grandpa, let's go back to the United States, today I found this Cary really evil, if he wants to target us, we have no chance of winning at all!"

Dan sighed: "We can go, but if we go, we will definitely offend Chengfeng. Should Chengfeng let him kill us at that time, wouldn't we be self-defeating?"

Mike hurriedly said: "We can tell him clearly, and then return all the money to him, is it not possible to break up peacefully?"

Dan shook his head and said:

"Did you not listen to Cary? He is good at killing people, but not good at finding people, so he is still waiting for us to find people out for him.

Then he goes to kill the people, and now Chengfeng thinks that this person we are looking for is related to his granddaughter Zhiyu. Let us find a breakthrough from her.

If we leave at this time, Cary may not agree. Didn't you listen to him before leaving? Let me find the person quickly and don't delay him getting rich."

Speaking of this, Dan sighed and said: "We have been framed now. It is not our decision to go or stay."

“F*UCK!” Mike couldn’t help but burst out a curse, and said angrily: “Then what to do...Can we find this person?”

Dan said with emotion: “It’s okay to find someone, but the key is whether there will be other troubles after finding that person... And if we find that person, and that person is killed by Cary, This is our karma!”

Mike couldn’t help saying: “Grandpa, now is not the time to take care of others. The most important thing is that we leave Aurous Hill safely. If we are fed to that big white bug by Cary, then we will be completely finished!”

Dan hesitated for a moment, nodded lightly, and sighed: “Hey, what you said makes sense. When you are too busy to take care of yourself, you can only find a way to protect yourself...”

After speaking, he said again: “I will try to get in touch with Zhiyu tomorrow and see if we can find a breakthrough from her.”
