

# The Charismatic Charlie Wade Chapter 2951

## Chapter 2951

The descendants of the Mai family have relied on this compass to aspire to the masters of Feng Shui. If this compass is lost, the ability of the Mai family to watch Feng Shui will be greatly reduced in the future.

So he hurriedly said to Dan: "Grandpa, let's call the police!"

Dan nodded repeatedly and blurted out: "Yes, call the police! Hurry up!"

At this moment, Issac stepped in and said: "Don't be too nervous, two of you, I have already reported to the police."

The grandfather and grandson turned their heads to look at the visitor, and saw that the other party was dressed in a suit and leather shoes. He looked like an ordinary person, so Dan asked, "This gentleman, I wonder who you are?"

Issac hurriedly said, "Oh, I forgot to introduce to you, my next friend, Issac, is the general manager of the Shangri-La Hotel."

As he said, he spoke with a look of shame: "I, as the manager of the hotel, am extremely sorry and ashamed of the occurrence of such a thing. When I learned of the burglary, I rushed over as soon as possible, and I came here. People have already called the police on the road, and I believe the police will be here soon."

When Mike heard that Issac had called the police, he gave up the idea of calling the police himself.

At this time, Dan asked with a bit of anger: "Mr. Issac, your hotel is a world-renowned chain, and I have stayed in your hotels all over the world once or twice!"

“No matter where I stayed at any Shangri-La hotel in the past, the security and services were very well. There has never been a case of losing something. Even the waiter’s tip is unconventional. If I leave the cash on the bed. It will move nowhere!”

“But, it’s your hotel alone, where burglary incidents will happen! And even one of my most valuable family heirlooms was stolen! It’s too much!”

Issac smiled awkwardly and hurriedly apologized: “Oh, Mr. Dan, I’m really very sorry, and I’m also surprised that something like this will happen in our hotel. To be honest, this is the first time since the opening of our hotel...”

As he said, he couldn’t help asking: “Mr. Dan, I wonder if your family heirloom treasure is very valuable? Could someone be following your family heirloom treasure to steal it?”

Issac’s kick immediately kicked the ball to Dan’s feet.

This is exactly what Charlie taught him.

## **Chapter 2952**

In Charlie’s words, this trick is called “returning troubles.”

Do you come to question me? Okay, then I will directly question you in reverse.

You accuse me of poor security here, and I will say vaguely that you may have been targeted by others. As for who is eyeing you, you have a ghost in your heart and think about it yourself.

And what’s interesting is that even if he stole anything from Dan’s room, Issac took the mobile phone live video to show Charlie, and Charlie chose the compass.

really!

Dan was immediately stopped by Issac’s rhetorical question.

He also thinks this thing is very strange.

Why did you steal it yourself?

Why did you steal the compass from your own family?

If you are not a knowledgeable person, you will definitely choose to take cash. Who would take an old compass that does not see the age and value?

Thinking of this, the first person Dan thought of turned out to be Cary.

Did he wonder if Cary secretly stole his ancestral compass?

Cary was originally not good at Feng Shui mystery. Maybe it was to make up for the shortcomings in this area, so he set his sights on his own ancestral compass!

Thinking of this, Dan did not dare to directly question Cary, so he could only pin his hopes on the police, so he hurriedly asked Issac: "Maybe, how long will the police take to be there?"

Issac checked the time and said, "I guess it will take up to three minutes. You can wait a little longer."

"Good!" Dan could only nod and agreed.

## **Chapter 2953**

Three minutes later, a young man with extraordinary bearing stepped into his room.

This person is Charlie who has just arrived at Shangri-La.

Charlie stepped in, looked around the room for a while, then focused his gaze on Dan, and asked, "Is this Mr. Dan Mai?"

Seeing that Charlie's eyebrows were full of heroic spirit, Dan thought it was a police officer in plainclothes law enforcement, so he hurriedly said: "Hello police officer, this is Dan, I have something very important that has been stolen!"

Charlie nodded, and said to Issac and the other staff around him: “I want to survey the scene, and other relevant people will go out first.”

Issac pretended not to know him, and said hurriedly: “Okay.”

After speaking, he ordered the other staff and left the room together, and brought the door to a close before leaving.

In the room, only Charlie, Dan, and his grandson were left.

Seeing that Issac had closed the doors, Dan couldn't help asking Charlie: “Mr. Police Officer, are you the only one in your police this time?”

Charlie looked at Dan, and suddenly said with a somewhat grim expression: “Since there are no outsiders, then I will open the skylight to speak up. I am not a police officer. I am looking for you because I have something to tell you. Check it out.”

Dan couldn't help frowning, and asked very vigilantly: “Are you not a police officer?! Then who are you?! Is my compass with you?!”

Charlie said coldly: “Still caring about your compass? I tell you, the next question I will ask, you'd better answer truthfully, otherwise don't talk about the compass, even your life will remain in my hands!”

When Mike on the side heard this, he immediately scolded: “I don't care who you are, but please pay attention to your words! Otherwise, don't blame me for being rude!”

Charlie glanced at Mike, and pointed a finger directly on his forehead!

## **Chapter 2954**

Immediately afterward, a trace of spiritual energy directly blocked his central nervous system. Mike didn't even have time to hum and immediately lost all control of his body. The whole person was like in high paraplegia, unable to move even for a second.

Mike's expression was terrified, he wanted to speak, but he felt that he couldn't even open his mouth!

Charlie didn't bother to pay attention to him, but looked at the terrified old man Dan, and said coldly:

"Master Dan, I know your details and the purpose of your coming to Aurous Hill. I even know that you were at Phoenix Mountain Cemetery last night.

It's the man named Cary you met there, so you'd better not play tricks with me, otherwise, I will let your two live together in Phoenix Mountain Cemetery tomorrow!"

Charlie's words made Dan's whole person struck by lightning!

Just now, with a single finger, Charlie directly pointed Mike into the living dead, which had already shaken Dan completely.

The strength that Charlie showed just now was far beyond his ability to compare.

Now, Charlie revealed his details, and his meeting with Cary last night, made Dan extremely nervous!

He stared at Charlie very nervously, and asked, "Who are you on earth?"

Charlie sneered: "My last name is Wade, and my name is Charlie."

Dan blurted out: "I and you have never known each other, why did you secretly investigate and follow me and steal my family compass?"

Charlie asked him back: "You are a Feng Shui who is over a hundred years old. Since you have lived in the United States for many years, and you are not in the United States to care for the elderly at such an old age, what do you want to do in China?"

You are also mixed with sinful beasts like Cary. Aren't you afraid of smashing the reputation and signature of your Mai family for nearly a thousand years?!"

Dan's expression was a little embarrassed, and he stammered: "I...I...I didn't mix with Cary! My hands have never been stained with blood!"

## Chapter 2955

Charlie asked again: "Then why did you go to see him at Phoenix Mountain Cemetery last night? Besides, haven't you seen the security guard who died at Phoenix Mountain Cemetery? Does his death have anything to do with you?"

Dan blurted out: "The reason why I went to see him was that he asked me to meet him over there to discuss something. I didn't want to have enemies with him, so I went to deal with it.

As for the security guard, when I got there, he was already dead. Yes, naturally there is nothing to do with me!"

Charlie stared at him, and asked, "What exactly does he have to discuss with you?"

Dan said coldly: "This is my personal affair with him, it has nothing to do with you!"

Charlie sneered: "Old man, it stands to reason that someone like you should not be so hard-headed.

I just think you are old, so I don't want to give you trouble, but if you want to rely on the old and sell the old, then I can say you are welcome!"

Dan felt a little flustered, but he resolutely said: "You are so unreasonable! I have no grievances with you. Who have I met, what have I talked about. What does it have to do with you?"

Charlie said impatiently: "Don't cheat on me here. I can tell you clearly. If you don't explain Cary's affairs clearly and tell me his specific trends, then don't blame me for disrespecting you at this old age!"

Dan snorted: "You are not a law enforcement agency, so naturally I will not tell you."

"Won't tell me?" Charlie snorted, sternly:

"Since you have seen him yesterday, you know that his natal Gu-worm relies on the human brain to feed on. If I catch him a day earlier, he might be prevented from killing more innocent people.

If you don't tell the specific truth, it is akin to sheltering and indulging in the crime!  
Everyone killed at the hands of Cary next, you bear the unshirkable responsibility!"

"Joke!" Dan said arrogantly:

"I have stood upright and walked upright throughout my life. I have never done anything that hurts the world. You should never want to put other people's feces on the old man's head! Even in the world! In front of the police, I am innocent!"

Charlie said coldly: "So, you should have his contact information, then find a way to help me ask him out."

Dan couldn't help saying:

"This matter has nothing to do with me. I don't want to be involved in this at all.

If you have any enmity with him, it is the matter of the two of you. Please don't involve me in it. The big deal is that we will leave tonight.

It's just that I don't have anything to do with China anymore."

Dan had seen Cary's ability, so he didn't want to be an enemy of him at all.
