

The Charismatic Charlie Wade Chapter 2986

Chapter 2986

He thought that he had made an appointment with Melba to meet at the Emgrand Group, so he dropped his wife at the construction site of the Emgrand Hotel early and drove to the Emgrand Group by himself.

Doris has been waiting here for a long time.

Melba was the first to arrive at the Group, and after showing her identity, she was immediately invited to Doris's office.

Doris did not know Melba, but she also knew that she was the right-hand invited by Charlie, and she was also the only daughter of Professor Watt from Aurous Hill University of Finance and Economics.

Therefore, as soon as she saw Melba, she showed great enthusiasm.

After all, the two of them will do things for Charlie in the future, although they have no distinction between them as superiors and junior, and they are there meeting for the first time.

In the future, they will be responsible for the business, but Doris still hopes to have a good relationship with her and strive to be Charlie's right-hand woman with her.

Although Melba graduated from a top university in the world, she still has insufficient practical experience.

Seeing Doris, a strong woman who relies on her own strength and has become the manager of a 100 billion market value enterprise step by step, she also has full respect, and she didn't expect Doris to be so young.

Doris was also surprised by Melba's youth and beauty.

After enthusiastically meeting her, she invited her into the office, she smiled and asked her: "When did Miss Watt return to China?"

Melba hurriedly said, "I just came back a few days ago."

Doris asked curiously: "You have been in America before?"

"Yes." Melba nodded and explained: "I was born and raised in the United States, so I live in the United States most of the time."

Doris asked again: "How do you feel about Aurous Hill?"

"Very good." Melba said with a smile: "In fact, I feel much better here. One is that I have a more sense of belonging. Another very important reason is that I feel safe in the country."

"That's true." Doris sighed: "I also stayed in the United States for a while.

The law and order there is indeed much worse than in China. After ten o'clock in the evening, except for the downtown area, I dare not go anywhere.

People often rob with guns in the streets and alleys, which is especially dangerous for women."

Melba nodded in agreement, and said helplessly: "The law and order issue has always been a stubborn illness over there.

When I was there, I usually stopped going out after 9 o'clock in the evening."

Chapter 2987

Doris smiled and said, "But here, you can rest assured, you can go out boldly at any time."

Melba nodded and asked Doris cautiously: “Doris, is Mr. Wade a person easy to get along with at work?”

Doris smiled slightly and said, “He is very easy to get along with in life, but at work, he is not easy to get along with at all.”

“Really?” Melba was a little nervous at once, and hurriedly asked: “Then the reason why he is not easy to get along with is because he is too strict with his work?”

Doris pursed her mouth and smiled, and said:

“No, on the contrary, the reason why the young master is not easy to get along with at work is because he is completely a hand-off shopkeeper at work.

After handing over the work to the people below, basically, if you don’t show up once for a few months, you won’t even be given a chance to get along with him at work.

This is why I say that he is not easy to get along with at work...”

Melba originally felt relieved, but when she heard the meaning of this sentence, she was a little disappointed in her heart, and she secretly thought:

“If I can’t see Charlie in the next few months, he doesn’t care about my work situation, then wouldn’t it be difficult for me to see him?”

Melba was thinking, someone knocked on the door, and a woman said, “Ms. Doris, Mr. Wade is here.”

It was Doris’s secretary who spoke.

Doris’s secretary did not know Charlie’s true identity. She only knew that he was Doris’s distinguished guest.

Every time he came to the Emgrand Group, Doris paid great attention to him. So after Charlie came, she immediately brought him over.

Upon hearing that Charlie was here, Doris hurriedly stood up, walked to the door and opened the office door, looked at Charlie, and said respectfully:

“Mr. Wade, you are here, please come in.”

Charlie nodded slightly and stepped in.

Doris hurriedly told her secretary: “For a while, I will not receive any visitors.

All meetings and visits will be delayed until I inform you, but if Miss Song from the Song family comes, you will take her and come to the office.”

The secretary nodded immediately: “Okay Ma’am, I see.”

Charlie entered the office at this time.

Seeing Melba standing on the side of the sofa in the reception area somewhat restrained, he asked a little surprised:

“Melba, why don’t you sit down?”

She said with some embarrassment: “Mr. Wade, you sit first, and then I will sit...”

Chapter 2988

Charlie waved his hand: “You don’t need to be so rigid in front of me, just be natural, sit down.”

Melba nodded, and carefully sat on the sofa again.

At this time, Doris also closed the door and walked over, and said respectfully: “Master, would you like to drink something?”

“Just drink plain water.” Charlie said casually.

Doris hurriedly poured a glass of water for him, and then sat opposite Charlie and smiled: “Master, before you came, I just talked about you with Miss Watt.”

“Oh? Really?” he smiled and asked: “What were you talking about me?”

Melba was a little embarrassed when she heard Charlie's questioning. She didn't want him to know that she was asking Doris about how he was getting along at the workplace.

Doris also belongs to the kind of woman with extremely high emotional intelligence, so she smiled slightly and said to him:

"The two of us were talking about future work. After all, we will be working together in your company in the future.

Many things need to be communicated."

After that, she looked at Melba and said:

"Master, Miss Watt has just returned to China and is ready to accept a new business from scratch, so you must give her more guidance and help her enter the state earlier."

Charlie didn't think much, nodded lightly, and said seriously:

"That's for sure. I personally attach great importance to this business, so once this business starts, I will definitely put more energy into it."

Melba felt a little sweet again in her heart.

"According to Charlie, there will still be many opportunities to meet him in the future."

At this time, Doris asked again: "Master, do you have any specific ideas about the ocean shipping business? For example, where do we start first?"

Charlie said: "I hope that we can directly start the core business as soon as possible.

Instead of focusing too much energy on familiarizing ourselves with the industry and integrating resources.

When we start this business now, the first goal is to let our own freighter set sail as soon as possible."

Melba hurriedly said: “Mr. Wade, I have carefully considered this aspect. The first preparation is to register an ocean shipping company as soon as possible.

Then obtain the relevant operating qualifications and shipping permits. As long as these are resolved, our ship theoretically can pass reasonably and legally.”

Chapter 2989

She said, “But because we are starting everything from scratch, and now we don’t have any ships dedicated to port resources.

So we have to synchronize some ship and port related resources when we make preparations.

It’s easy to say that when the time comes, I will go to clear the relationship, but you must pay attention to the ship as soon as possible.

Because the orders of major shipyards are very large, whether it is a container ship, a bulk carrier, crude oil or LNG Ships, from ordering to delivery of the vessel, it takes at least one year.”

Charlie nodded and said: “In this regard, I plan to make two-handed preparations.

The first is to hurry up to place orders with major domestic and foreign shipyards so that they can start scheduling production for us.

The second preparation is to dock some ships. With the resources of the leasing company, we have built a preliminary shipping fleet for us by means of leasing.”

Melba hurriedly said: “I have already started to prepare for this.

I have already started to learn more about the largest boat leasing companies in China, and I can touch them about the leasing plan at any time.

I think I should prepare for the first five A freighter, based on these five freighters, run through the world’s major routes and ports.”

Charlie agreed and said: “No problem, you can start leasing now, and you must solve the problem of five freighters within one month.

We can start the business as soon as the freighters arrive.”

Then, he said: “Warnia and Nanako will also come over in a while, just to talk to them about the transportation business, and many port resources of the Ito family can also connect with us.”

“Great.” Melba hurriedly said.

“In this way, our company has not registered yet, and we have already negotiated the business in advance.

As long as the qualifications are released and the ship is resolved, we can immediately start operating the actual business.”

Having said that, Melba asked again:

“By the way, Mr. Wade, I would take the liberty to ask, how much do you actually prepare for the start-up capital for the ocean shipping business?”

Melba is very clear about the basic logic of most businessmen.

As long as they come out to do business, they have several common characteristics.

The first is that almost everyone will exaggerate their investment and capital reserves.

A person invested 500,000 yuan to open a shop. When others asked about his design investment, he would definitely increase a certain percentage on this basis.

On the one hand, it is for the sake of face, and on the other hand, it is also to raise the barrier of entry for this industry.

The second is that the biggest dream of almost all businessmen is the empty glove white wolf.

For the businessmen, the empty glove white wolf is the peak commercial achievement, because only the empty glove white wolf can achieve absolute net profit.

Therefore, she didn't know how much money Charlie could spend to run this business.

He thought slightly for a moment, and said: "In the first stage, I will first put out 5 billion US dollars as the start-up capital.

I may add tens of billions of dollars in the future, but it depends on our first stage. How effective it gets?"

Chapter 2990

After that, he asked Melba: "In your opinion, five billion dollars is enough for the first stage?"

Melba said without hesitation: "More than enough, absolutely enough!

In this way, I can expand the scale on the basis of the original idea, and we can place an order for ten new freighters to the shipbuilding enterprise at once.

So next year, our capacity will be greatly improved."

Charlie nodded, and said, "These are all for you to decide."

At this time, there was another knock on the door and the voice of Secretary of Doris: "Miss Doris, Miss Song, and Miss Ito are here."

Doris hurriedly said: "Please bring them in quickly."

Charlie said to her and Melba at this time: "Warnia and Nanako are still not quite clear about my situation in Wade's house.

Please pay attention to it later and don't say anything."

The two nodded and agreed.

At this time, the office door was pushed open by the secretary, and the glamorous Warnia walked in with the virgin Ito Nanako.

Seeing Charlie, Warnia respectfully said: “Master Wade!”

Nanako couldn't hide her excitement and said, “Master Charlie!”

Melba was amazed when she saw the stunning beauty in the two of them.

She really didn't expect that there were so many beautiful women besides Charlie.

Just being Doris has already shocked her, but she did not expect that the two beauties at the moment are no worse than Doris.

Moreover, Melba thought very confidently, if I add myself, the four women, it would not be exaggerated to say that we are the four gods...

She couldn't help wondering why so many beautiful women called Charlie differently.

For example, she was calling him Mr. Charlie, Doris was calling him Master Charlie, and Warnia was called Master Charlie Wade, and Nanako called him Master Charlie.

Somehow, she always felt that Nanako's name for Charlie was really ambiguous. It sounded more intimate than Mr. Wade, Master Wade, or Young Master.

Charlie said to the two at this time: “You two are here just right. I'm talking about ocean transportation with Melba and Doris.”

After speaking, they made a brief introduction to each other.

Afterward, Nanako said:

“By the way, Master Charlie, I have received news that the Su family's ocean shipping group has completed the shareholder change, and now all the shares are in the name of Miss Zhiyu from the Su family.

There is a very large ocean-going transportation fleet held by this group, but they are still in a state of being blocked, and the entire group cannot be activated.

If you can find a breakthrough from Zhiyu, you will definitely be able to get twice the result with half the effort!"
