

The Charismatic Charlie Wade Chapter 2981

Chapter 2981

Immediately afterward, he saw that the dying Gu-worm that had been trampled by Charlie, suddenly seemed to be beaten with chicken blood, and suddenly recovered to the most obese and most mental state.

Afterward, Charlie kicked the Gu-worm towards Cary, and yelled in a cold voice: “Bring him to me!”

The Gu-worm volleyed towards the Cary, with its mouthparts open that were as hard as iron opened.

Cary was shocked, and hurriedly slapped a handprint in the void, shouting at the Gu-worm: “Baby, come back to me!”

Cary felt that he and this Gu-worm had been dependent on life and death for decades, and it was impossible for this Gu-worm to deal with him in turn.

Therefore, he wanted to quickly take back the natal Gu-worm that had quickly recovered its vitality, and then continue to use it to fight Charlie desperately.

Anyway, the current situation is like a beast fight. If he wants to survive, he can only work hard with Charlie, and there is no other choice!

But what he didn't expect was that the handprint of the summoning was passed, and the natal Gu-worm seemed to have not received it at all, and it flew to the top of his head in the blink of an eye.

He felt the white and fat body of the natal Gu-worm landed on top of his head, and stretched out his hands, trying to drive the natal Gu-worm away from his head subconsciously.

However, just reaching the top of the head with both hands, he felt a sharp pain, accompanied by a crisp click.

His right hand was actually bitten off from the wrist by the Gu-worm!

Seeing his right hand falling to his feet like a free fall from the top of his head, Cary suddenly collapsed and shouted in pain, "Ah! My hand!"

But as soon as the voice fell, another click came!

The natal Gu-worm took another bite in an instant, and directly bit off his left wrist!

The bloody left hand fell from the top of the head, hit the right hand, and was immediately bounced away!

Cary looked at the two bloody, bare arms, and shouted in despair: "Don't... don't kill me... don't kill me!"

As soon as the voice fell, he felt an extreme pain suddenly coming from the top of his head!

Immediately afterward, his whole nerves became extremely sensitive, and he could even feel another cold wind, which was blown directly into his brain from above!

Chapter 2982

The cold wind poured into the skull caused Cary to shiver violently.

What followed was a feeling that was ten thousand times more painful than death by thousand cuts!

This is because the venom released by the natal Gu-Worm is really terrifying, making the pain in nerves a hundred times more acute than before.

Not to mention that the natal Gu-Worm bit a big hole in the top of the head.

Even if someone now takes an embroidery needle and pierces him casually, it is almost equivalent to a thousand arrows piercing the heart.

The extremely severe pain caused Cary to faint for a while, but when he was irritated for a while, he woke up in an instant, and the whole person was in terrible pain.

And at this moment, the natal Gu-Worm had opened its dark mouthparts and plunged into his head to feast on his brains.

Cary immediately died in extreme pain.

His skin color began to grow black and blue quickly at a speed visible to the naked eye.

At the same time, blood was gushing out of his seven orifices.

His corpse knelt in place, motionless, his expression was extremely miserable, as if he was kneeling in repentance for the innocent person who died in his hands.

Seeing that he was already dead, Charlie snorted coldly, and said, "It's more than guilty to be so evil!"

At this time, Dan on the side said flatly, "Master Wade, his natal Gu-Worm, since you can manipulate it, you must subdue it. It will be of great use in the future!"

Charlie snorted coldly, "What use do I have for this bug that eats human brains?"

Dan hurriedly said: "Master doesn't know that this natal Gu-Worm is a baby that has been raised in Cary's hands for at least 20 to 30 years.

This thing has lived for 20 to 30 years and has been omnipotent. It can be regarded as a magic weapon that this evil man has cultivated in his half-life cultivation base!"

Charlie sneered and said, "If I leave this ghost thing, don't I have to feed it with human brains?"

Suddenly, Dan was speechless, hesitated for a while, and then said: "I just think that killing the Gu-Worm like this is indeed a loss..."

Chapter 2983

Charlie said disdainfully: "I haven't fallen to the point where I need to rely on this kind of thing!"

As he said, he held a thundering warning in his hand and yelled: "Thunder!"

Immediately afterward, another sky thunder descended, and instantly smashed the skull cap of Cary.

In an instant, Cary, together with his natal Gu-Worm, were all smashed into powder by the lightning!

A gust of wind blew, and the powder that Cary turned into disappeared into ashes and completely dissipated in the air.

Dan stared at all this in amazement, and sighed in his heart: "Today, I really witnessed a miracle..."

This Master is indeed a man with great magical powers! No wonder he has a way to make Master Qinghua twenty years younger!

There is such a great supernatural power that can summon the sky thunder, and it is rejuvenating, so what is it?"

Charlie looked at Dan at this time, and said lightly: "You helped me capture Cary, but you were sleek and self-interested.

In addition, you helped my enemy come to Aurous Hill to find my whereabouts.

Although you have merit, It's not enough to offset all the faults, so from now on, I will put you and Mike under house arrest in Aurous Hill, and I will let you go after I solve the Old man Chengfeng."

Dan's expression was very bitter, but he also knew in his heart that it was useless to beg Charlie for mercy, and it was useless to show loyalty to him at the same time.

This was because Charlie had already had a scale in his heart, and as a result, he had already determined that he would never change his own decision because of others' begging for mercy or obedience.

Cary just now is the best example.

Therefore, the best choice for him right now is to be obedient and let Charlie do what he wants.

Although house arrest is painful, at least it can save his life.

If he cooperates with Charlie well in the future, he may still have the opportunity to make up for his merits.

So, he bowed his body and said respectfully:

"The old man has no objection to the decision of Master, and everything is decided by Master Wade is what I fully accept..."

Charlie nodded in satisfaction, and said: "If this is the case, then let's go back."

Dan quickly agreed, but when he raised his head and stood up, he suddenly let out an exclamation.

"Huh?! Isn't this Cary even being cut out of the relic by thunder?"

Chapter 2984

After hearing this, Charlie subconsciously looked at the place where Cary was split into powder by lightning, and he saw a gray-brown thing the size of a duck egg on the ground.

He couldn't help frowning, and said, "Why is there such a big relic? I think it might be a kidney stone, right?"

"It's not right..." Dan said, walking over involuntarily, picking up the gray-brown thing.

He looked carefully for a moment, and couldn't help exclaiming: "My God! This...this turned out to be Ambergris!"

"Ambergris?" Charlie frowned.

He had dragged Qin Gang to help find Ambergris a few days ago, but he didn't expect that Cary had a piece on his body.

However, Charlie didn't care too much.

Because, Ambergris is actually not uncommon.

Rich people can buy it at any time as long as they are willing to spend money.

The first time he met Jinghai at the Pavilion auction, there was a Song Era back-flow incense burner in the Treasure Pavilion.

At that time, in order to sell this Songhe back-flow incense burner at a high price, the auctioneer also specially matched it with two boxes of ambergris.

What Charlie needed for alchemy was ambergris that was at least ten thousand years old, and ordinary goods had no meaning at all.

So he said to Dan: "This thing shouldn't be surprising, I don't know what Cary did with such a piece."

Dan hurriedly said: "You don't know Master Wade. If it is ordinary ambergris, the whole is waxy, and this thing is relatively flammable.

As long as it is dry ambergris, it can be burned directly by the fire Yes, but this one is a bit special."

As he said, he continued: "After being struck by your sky thunder, even the flesh and blood of Cary turned into powder, but this ambergris can still be preserved intact. The incense has become a fossil!"

"It has become a fossil?!"

Charlie exclaimed, stepped forward, and asked, "Can you be sure this thing is really a fossil?"

Dan handed the piece to Charlie and explained: "You see, Master Wade, this thing is now extremely hard and dense, and it is no longer waxy, more like a stone.

It's not that the texture is relatively special, and I don't necessarily recognize it as ambergris."

Charlie asked curiously: "Have you ever found a fossil of Ambergris before?"

Dan hurriedly said: "There are some, but they are abroad, and they were bought by mysterious people at extremely high prices as soon as they came out.

Charlie asked him: "Do you have any research on Ambergris?"

Dan nodded and explained: "Ambergris has a strong medicinal effect, and it can let people get rid of distractions and relax completely.

It is very suitable for entering a state of meditation.

When deducing the knowledge of the Book of Changes, it is very useful and of great help, so most feng shui masters are very fond of ambergris.

Even if you have no money, you must buy some incense containing ambergris. I usually prepare some, so I just did some research."

After speaking, Dan said again: "Most of the ambergris on the market are obtained by killing sperm-whales in the deep sea, but the ambergris obtained by these two methods will not take too long."

After a pause, Dan continued: "It is said that some masters in the past needed Ambergris as old as millennia, or even more than ten thousand years, as medicine."

"But this kind of thing is too rare. The only way to find it is to go to the bottom of the deep sea."

“This is because humans tens of thousands of years ago did not have the ability to kill sperm whales.

At that time, the sperm whales sank to the bottom of the sea after death, forming a whale fall.

After the bones were eaten by the creatures on the bottom, the ambergris would stay on the bottom of the sea, buried in the sand.”

“However, finding a piece of ambergris that has been buried for more than 10,000 years in the sea is not much different from finding a needle in the haystack, so almost no one can do it.

The ambergris fossil found before is said to be due to geological movement.

It was melted into the rock layer tens of thousands of years ago, and it did not reappear until a few years ago.”

Charlie was overjoyed. If this piece of Ambergris can really reach the level of a fossil, it must have a history of at least tens of thousands of years.

In this way, this thing may really meet the needs of refining the pill of cultivation!

Chapter 2985

Charlie collected the ambergris, and when he looked at Dan, he also felt that this bad old man was more pleasing to the eye than just before.

So he opened his mouth and said: “From tonight, you and Mike will be staying at Shangri-La.

I will let someone arrange a room for you and provide you with three hearty meals and other daily necessities every day.

The only price is that is, you cannot contact the outside world for the time being, let alone leave the hotel without authorization.”

After speaking, Charlie added: "This is also the best deal I can give you. Believe me, Shangri-La is much more comfortable than a kennel."

How dare Dan be dissatisfied, so he can only bow down honestly and say: "I must follow the instructions of Master Wade..."

Charlie nodded and called Issac. Ten minutes later, he came all the way by helicopter.

Issac left the two people to solve the taxi that Charlie drove, and then left Phoenix Mountain with him and Dan.

After sending Charlie back to Tomson First Grade, Issac took Dan back to Shangri-La, found a room in the closed administrative area, and arranged both him and Mike in.

At the same time, their mobile phones were also confiscated, and the room phone was cut off, completely cutting off contact with the outside world.

After Charlie returned home, he stored Ambergris in the underground storage room of the Villa.

After all the other medicinal materials are available, he could take time to start refining the Cultivation pill.

In the morning of the next day, there was another rumor in Aurous Hill.

It is said that last night, sudden lightning hit the Phoenix Mountain Cemetery.

Some people say with certainty that the lightning struck a car, and the driver of the car was burned into fly ash.

It was also said that the thunder and lightning last night caused the violent ghost who had killed people to be condemned by heaven.

Some people even said that Phoenix bird itself was in the Cemetery last night.

Anyway, all sorts of pretentious remarks have emerged one after another.

However, Charlie didn't pay attention to any of these.
