

# The Charismatic Charlie Wade Chapter 3036

## Chapter 3036

Issac nodded, and directly grabbed George's mobile phone. With a strong break with both hands, he broke his Apple mobile phone into a 90-degree angle, and the mobile phone was instantly powered off.

George was startled, and blurted out: "You...what are you doing?"

Issac said coldly: "What am I going to do? I want to beat you!"

After finishing speaking, a slap hit George's face fiercely, George turned around in the same place, dizzy, and almost fell to the ground.

Seeing this, several other companions stepped forward and threatened: "Do you not want to do be in Shangri-La? Even you dare to fight our Manager!"

George, who came back to his senses, also said angrily: "Aren't you fcuking looking for death?! Believe it or not, I will let our young master kill you?"

Without hesitation, Issac raised his hand again with a slap in the face, and directly knocked George to the ground, and said with contempt: "You bird man, you don't have a long memory if you don't fight hard."

Having said that, he immediately ordered the security incharge on the side: "Drag these people out for me, and find a place where no one is there to beat them up good!"

The security incharge said immediately: "OK President!"

After speaking, he immediately took out the walkie-talkie and ordered: "A team of all personnel come to the presidential suite!"

Seeing that Issac was really moving, George immediately persuaded him and pleaded: “Mr. Issac, don’t be familiar with me. I also serve the master. The master said that he wants this presidential suite, so I am a servant.

I hurried up to implement it. I was so impatient and clashing just now. I’m really embarrassed. I would also like to ask you to have raise your hands high...”

Issac sneered: “You want to beg for mercy now? It’s too late!”

At this time, a dozen security guards ran over quickly.

When George and his entourage saw this scene, their legs became frightened.

George hurriedly pleaded, “Mr. Issac, it’s all our fault. Can we still get out of your way? The concert will begin in a few days. I can’t go ahead and busy with my injuries...”

Charlie said at this moment: “Mr. Issac, I have an idea. You take all the communication equipment of all of them, and then give them some hiking equipment and throw them into the old forest behind Phoenix Mountain by helicopter.

Aren’t there always fellow travelers sneaking in to explore, and then being trapped and unable to ask for help from the rescue team? Just throw them into the deepest valley and let them come out by themselves.”

## Chapter 3037

Issac smiled and said, “Mr. Wade, a well-trained person will not be able to climb out for two or three days.”

“It doesn’t matter.” Charlie said with a smile: “Just let them evaporate from the world, and taste the suffering of the world by the way.”

Issac understood Charlie’s intentions. He probably wanted these guys to miss the concert perfectly.

So, he instructed the security incharge: “Tie up all these people for me, take away all the communication equipment from them, and then put them on the helicopter.”

When George heard this, he knelt on the ground with a thud, and several other people knelt down after seeing this.

George knelt at the front, crying, and said: "Mr. Issac, you have a large number of them, don't play with us...our body, it's impossible to get out of the old forest in the deep mountains..."

Charlie said: "It doesn't matter if you can't get out. I'll give you enough food and water. If it doesn't work, you can live in the mountains for a few days and experience the beauty of nature."

With that said, Charlie asked Issac: "Does Shangri-La have the relevant qualifications and permits to operate tourism business?"

"Of course." Issac said hurriedly: "The various tourist qualifications of Shangri-La are very complete."

Charlie smiled and said: "That's really great. Now we will launch a "survival in the wilderness: deep mountain adventure" experience activity for these people.

The feature of the activity is to experience survival in the wilderness. The organizer is Shangri-La, and these few people come from afar. The guests are the first lucky customers in this wilderness survival experience. They got a free experience.

Issac immediately smiled knowingly: "Master Wade, then I have to ask the lawyers to quickly issue a travel contract, and then have them all sign the words."

"Yeah!" Charlie said with a smile: "Be sure to indicate that they are participating voluntarily and that if any accidents they will bear all the consequences, and then ask them to sign and slap, and then stamp their hands."

"I understand!" Issac nodded in excitement. Seeing George's wailing in fright, he immediately ordered the security incharge:

"It takes time for a lawyer to draw up a contract. Don't be stunned here. Hurry up. Bring people to the top floor and beat them up.

After the fight, they will wait by the helicopter. After a while, the lawyer will make the contract up, then sent them away as soon as they sign it!”

Behind the Phoenix Mountain Cemetery is a mountain range winding for nearly a hundred kilometers.

## Chapter 3038

Although the process of urbanization has become faster and faster in recent years, this kind of deep mountain and old forest has never been developed.

Moreover, in that kind of place, no one would usually go except a bunch of travel friends.

In the deep mountains there, it is really not easy to get out on both legs. It is said that if the donkeys are trapped in them every three to five.

In the end, they can only be taken out one by one by the rescue team. Over time, even the donkeys dare not go again.

Because it was not easy to come out, Charlie planned to throw George and these people over.

Anyway, Aurous Hill is located in the Central Plains, and there are no beasts that can eat people in the deep mountains and old forests. Even if they don't have the ability to survive, they won't die in there.

When that time comes, Issac can prepare them with water and dry food, so that they can be steadfast. Suffer for a few days in it.

At that time, they will not be left with any communication tools, so that they can fully experience what it means to stay away cut off from the world.

By the way, it can be regarded as a reminder to Kim. Since he is going to be the guest of Sara's concert, he must be here in these two days.

If George's experience cannot make him vigilant, then he will be also thrown over.

Only then did George realize that Charlie, who he once thought was a translator, was probably the real boss behind the scenes.

Issac was very respectful to him, a terrible thought suddenly flashed in his heart, and he knelt in front of Charlie with a plop, and then kept kowtow, begging: "Mr. Wade, Please go around me, I won't dare anymore..."

Charlie said blankly: "I don't hold you accountable very much. Instead, I provided you with free travel items. Isn't this forgiveness? If you are not even satisfied with this, then you are really making it hard for me to do it."

After speaking, he looked at Issac and said: "Or else take them to the dog farm first, let them stay there for two days, look back and see if there are any people who don't have long eyes, and join them together.

Get them together and send a wave to Syria to experience an outbound travel experience."

Issac said without hesitation: "No problem! If Kim is shameless when he comes, he will be sent to Syria together at that time."

When George heard this, he was shocked immediately.

## **Chapter 3039**

George became firmer and firmer in his guess just now.

The young man surnamed Wade in front of him must be from the Wade family!

No wonder he didn't put himself in the eyes at all, and even didn't take his own master seriously...

This time he really provoked a big man...

Thinking of this, George cried and said, "Mr. Wade, don't get me wrong, I don't have any dissatisfaction..."

Charlie smiled and asked him: “Are you sure? We always believe customer comes first. If you are dissatisfied, please tell me, don’t hold back.”

George’s liver trembled with fright, and he thought to himself: “What the hell is the customer comes first, this is fishing law enforcement!

If I tell him the truth, I am afraid it will end up worse!”

So, he choked and shook his head again and again: “No! There is absolutely no dissatisfaction!”

Charlie nodded and said coldly: “Since there is nothing dissatisfied with the plan, you will sign the contract obediently and wait for the departure. If you perform well, I will let you out a few days earlier.

If your performance is not good, you have to crawl out by yourself, and I will let people throw you back again!”

With that said, he instructed Issac: “Before sending them away, install GPS positioning for each of them.”

Issac hurriedly said: “Don’t worry master, I must make arrangements!”

Charlie gave a hum, and then asked: “When signing the contract, you will take a video for them to make it clear that they are voluntarily participating in the travel experience and voluntarily abide by our travel rules.

Remember to let them behave more truthfully and leave a message at backhand.”

Issac nodded and said, “Okay, I’ve written everything down.”

Charlie asked again: “By the way, you just said that they will be beaten up. This must be played after the contract is signed and the video is filmed. Do you understand?”

“understood!”

## Chapter 3040

Immediately afterwards, George and several people were escorted by the security guards and were taken to the rooftop crying and wailing.

Soon, Aurous Hill Shangri-La Hotel immediately launched a special wilderness survival experience project.

Under the careful care of the security guards, George and others signed a fair and just tourism service contract voluntarily and became the first adventurers of this new project. Lots of free lucky customers.

As soon as the contract was signed, these people were repaired by the security guards and were directly thrown into the helicopter.

The back kitchen of the catering department sent a bunch of food that was to be eliminated and expired, and a bunch of tap water temporarily canned. These are all the supplies for George and the others in the next few days.

After all, it's a big hotel. The food and tap water provided by the catering department are large enough. With the appetite of these young people, the food is enough for them to eat for half a month.

While Charlie was having dinner with the Ito family, a helicopter flew to the center of the deep mountain and old forest on the outskirts of Aurous Hill.

Immediately afterwards, the helicopter descended and threw these people into the deepest valley along with the food and water prepared for them.

George and the others officially started the wilderness survival arrangement that Charlie arranged for them.

At the same time, Kim, who is currently one of the most popular male singers in China, has been unable to get through the phone calls of several of his subordinates, and is as anxious as an ant on a hot pot.

He couldn't get in touch with his subordinates, and he immediately realized that they must have been cleaned up by the people at Shangri-La, or they might have detained them.

The detention of these people is not a big deal for him, but his performance after the day after tomorrow is the most important thing.

As for the matters related to his performance, George is in the process of matching everything from his itinerary, accommodation, and performance. If George disappears at this time, then he will arrive in Aurous Hill. It could be a black eye.

This time Sara's concert tour, after he asked his father to plead, his father saved his face to beg Philip, and Sara nodded and agreed.

This time he not only wants to take advantage of Sara's popularity to raise his traffic and influence to another level, but also hopes to show more performance in front of her through the cooperation of this concert tour.

He has a crush on her for many years, and dreams of wanting to marry her. Moreover, the Gu family is now getting stronger and stronger.

After Philip has recovered from a serious illness, the influence of the family is also growing. With Sara, he can really fight for decades less.

Although the strength of the Zhong family is also very good, it is still a bit worse than that of the Gu family.

What's more troublesome is that the grandfather of Zhong's family, that is, Kim's grandfather, came back from Nanyang and was not a Chinese citizen. He was so romantic all his life. Just his wife and he married four other women, plus the original match. Five wives.

Five wives gave him 21 children. Kim's father is just one of these 21 people. Even if he has been favored, the real estate that he can control is still diluted a lot, and he has nothing to do with Sara.

After all, Sara's father, Philip, holds half of the Gu family's assets, and this half of the assets will undoubtedly belong to Sara in the future.

Therefore, Kim also looks forward to catching her.

It can even be said that he has long regarded her as the end of his life goal. As long as he can marry Sara, he will no longer have to struggle in his life.

Based on these reasons, what he is most afraid of now is any flaws in the concert.

Right now George has completely lost contact. The only thing he can do is to rush to Aurous Hill himself and put all the work before the concert in place.

Moreover, he has to find that Issac to vent his anger.

After all, when did the young master of the Zhong family let a subordinate insult wantonly?

In this place, he said he had to find everything and make a show!
