

The Charismatic Charlie Wade Chapter 3051

Chapter 3051

Maggie also understood what he meant, and paid 500,000 first, and the next 500,000 would definitely be a bad debt for Wendy.

Although she didn't want to do something without business ethics, since the boss has spoken, how dare she disobeys.

So she had to say to Wendy: "Ma'am, our boss agreed. One million is no problem, but the money has to be paid in installments. The first half in advance and pay the other half after it's done."

Wendy didn't know how many times she was scammed. She was no longer the stupid woman at the time. She understood the other party's intentions instantly, so she said:

"Ms. Chen, if your company is willing to cooperate, only after you pay the full amount in one go, I'll start making arrangements here.

If you don't want to, let's forget it. I don't accept any form of bargaining, even if you pay 99% first and then 1% later, please forgive me."

After Kim listened, his face was green, and said: "This woman is really cruel, and he choked me out of all of the bargaining room!"

Maggie asked helplessly: “Master, what should I do now?”

Kim cursed: “What the hell can you do, promise her! Let her quickly arrange for someone to go there! If I get off the plane and can’t see more than 300 female fans, I fcuking kill her!”

Maggie asked tentatively: “Then let the finance transfer money now?”

“Okay!” Kim gritted his teeth: “You need to check the other party’s account number, and then notify the financial transfer, I will directly approve the mobile phone.”

“Ok.”

Maggie finally breathed a sigh of relief. Although this matter is not her own pot, if it is not resolved in the end, Kim will definitely make trouble for her.

Fortunately, it is finally resolved.

Although a lot of money was spent, this account must be recorded on George’s head, and it has nothing to do with her.

So, she hurriedly confirmed cooperation with Wendy, asked her for the collection account, and then immediately arranged the finance to be responsible for the payment.

When Kim boarded the private jet and was waiting for take-off, the financial side finished the transfer process.

After Kim used the mobile phone to approve, Wendy immediately received financial feedback and received the transfer from Kim’s actor agency studio the amount of one million.

She was very happy. In her opinion, this business was simply to improve everyone's lives, so she immediately sent a voice message to the company's employee group, and said to all the members: "Sisters, I just received a big deal!"

Many people in the group hurriedly asked what the big deal was.

Wendy said: "It's a temporary job as a female fan at the airport. The other party needs 300 people.

They will arrive at Aurous Hill Airport in two hours. The pick-up process takes half an hour. This time, Party A is a local celebrity and rewards one person with two thousand five hundred!"

Chapter 3052

Wendy received one million this time. According to the process, she left a profit of 250,000 to the company, and all the remaining 750,000 is used to give back to the employees. It was just two thousand five hundred per person.

As soon as the message was sent, the group suddenly exploded!

Who dares to imagine that a trip to the airport, the total amount of back and forth does not exceed three hours, you can make two thousand five hundred?

In such a short period of work, it is impossible to spend more than five hundred at most.

Therefore, hundreds of people in the group responded immediately, and everyone's response was similar: "Sister Wendy, I will go! Count me!"

After all, the income of this event has increased several times, and no one wants to miss this good opportunity.

However, the activity requires 300 people, and there are more than 1,000 full-time and part-time people in the group.

There are too many monks and less porridge, so how to distribute has become a more difficult problem.

Wendy thought over and over again, and said: "This time because the number of people needed is only three hundred, we have the following conditions for selecting people."

"First, give priority to the full-time contracted employees of the Company;"

"Secondly, among the full-time contracted employees, the attendance rate of the last month is selected from high to low, and the 300 people with the highest attendance rate can get this opportunity;"

"Third, if the selected person does not have time to go, the quota will be postponed!"

As soon as these conditions came out, the workers in the group were happy and worried.

The happy ones are naturally full-time contracted employees, and those with a relatively high attendance rate;

The worry is those part-time employees.

They thought that if they didn't sign a full-time contract, they would be able to cooperate with multiple companies so that they would have more resources and freedom.

But they didn't expect that when something good happened, the company would give priority to the contracted employees of this company.

Although these part-time jobs are very depressed, they have nothing to say. This is the price of freedom for not signing a contract.

Just like the difference between regular workers and temporary workers, the benefits will naturally vary.

In addition, the full-time contracted employees are also convinced of the way in which this rule is sorted by attendance.

After all, the most important assessment criteria for their manners to generate revenue for the company is attendance.

The price difference is not too much. The more attendance, the higher the income generated for the company.

When encountering such a good thing, naturally, the more important it is to give priority to these employees who have made outstanding contributions.

Seeing that everyone had no objection to her decision, Wendy immediately said:

“Let Sister Liya send out the attendance rate of last month to the group.

All employees who are in the top 300 and have no problem with time will please register with Sister Liya in ten minutes, and the 100 sisters from the next 300 will also pay more attention.

If the first 300 people can't go, or if they don't register within ten minutes, they will all be regarded as giving up, and you will all have a chance. Get a chance you people on the waiting list. Good luck!”

Chapter 3053

Wendy's movements are very quick.

Through further confirmation and screening of the list of personnel, she identified three hundred employees in ten minutes.

Later, she and Maggie decided on some details, including the slogans to be shouted, the banners to be displayed, and the physical movements and the time.

Kim himself was very dissatisfied with Wendy, but after seeing that she was very efficient and professional at work, his mood eased a little.

When Kim's plane took off towards Aurous Hill, Wendy had already deployed her staff. Three hundred courtesy ladies were preparing to leave for the airport from various places in the city.

After she arranged the work, she felt as happy as if she had won a battle.

She recalled that when her brother-in-law Charlie handed over the Shangmei etiquette company to her.

This company was still in the nascent stage, but in a short time, she ran this company in a decent way.

Not the company's performance was getting better and better and the scale was getting bigger and bigger as well.

Of course, she is also very clear that the reason why she has achieved such rapid development and success is mainly due to Charlie's face.

Now many businesses are introduced by Orvel and his men. If it were not for them.

It is impossible to get on the right track so quickly for the company.

Thinking of Charlie, the girl in her heart can't help but burst.

She now has a deep affection for him. Although she also knows that the gap between herself and Charlie is too great, once she has such a thing, it is difficult to disappear, even if she knows that it is impossible Linger.

So, she picked up the phone, after thinking about it, hesitating again and again, but still called Charlie.

At this moment, he was in Shangri-La, suddenly received a call from Wendy, and couldn't help being a little surprised.

These days, he almost forgot about her.

Originally, the lady Willson still scolded Horiyah who stole her money, and left Arous Hill on the balcony every day. By the way, she choked with Elaine.

But these days, the old lady seems to have constrained a lot and he hasn't heard much from her. She and Elaine are choked.

Chapter 3054

What Charlie didn't know was that Wendy's status in the Willson family was very high now, and she could be regarded as one of the best in the family.

This is mainly because the old lady, as well as the bedridden Noah and Harold the father and son, now rely on Wendy to make money.

Although Mrs. Willson was used to being in power all her life, she thought about forcing Wendy to hand over the money to her, but after Wendy became a company owner, her character was much tougher and her own ideas became more determined.

So she immediately made it clear to Mrs. Willson the current division of powers of the family.

Since she is responsible for making money and supporting the family, she must have the final say in this family, and other people must follow her words.

Although the old lady is not convinced, she can only agree to feed her family.

After Wendy determined the dominance of the family, the first request made was to stop the old lady from having any friction with Charlie's family.

Mrs. Willson had no choice but to stop. Charlie didn't know the details. He only knew that Mrs. Willson hadn't been moving recently.

As soon as she stopped moving, the family faded out of his vision.

However, even though he was surprised, he still connected the phone and asked in a lukewarm tone: "Wendy, are you looking for something to do with me?"

Wendy was a little nervous, and somewhat excitedly as well, she finally gathered courage and said, "Brother-in-law, what are you up to?"

Charlie said casually, "I'm not busy, what's the matter? I am with a friend outside?"

Wendy hurriedly said: "Oh...this way...actually...I don't have anything much, just wanted to report to you about Shangmei's recent situation.

Charlie smiled and asked her: “Is the company doing well nowadays?”

Wendy hurriedly said: “Brother-in-law, the company has been running very well recently! Thanks to Orvel and the others, the business is relatively large, the income is relatively high, and the number of employees is increasing.”

Charlie smiled and said: “That’s not bad, I hope you can make persistent efforts to take the company to the next level.”

Wendy promised: “Brother-in-law, rest assured, I will do my best to make Shangmei Company bigger and stronger.

It will become the largest etiquette company in the city and the province, and will never disappoint my brother-in-law’s expectations of me!”

Charlie gave a hum and reminded: “You must always remember how you were bullied and squeezed by the unscrupulous boss.

Remember these, you must take a warning, don’t become like them, forever. Don’t exploit those employees who are working for you, understand?”

Chapter 3055

Wendy hurriedly said seriously: “Brother-in-law, don’t worry! I was really ignorant before. No matter how I behave, I was a lot worse.

But now I’ve really changed my mind. I understand that life is not easy, so I have always been open and honest with the employees of the company, and I think about them everywhere!”

With that, Wendy said hurriedly: “For example, today, I took a large order of one million, and the other party asked 300 people to go to the airport to pretend to be fans.

In fact, it’s just a few hours before and after the arrival of the plane. A person getting five hundred is a lot. In that case, only a cost of 150,000 is needed, and the remaining 850,000 is profit.

As for the company's income, I could have kept it and not let them know. Then naturally everyone won't have any opinions."

"But, I finally decided to give the bulk to the employees, so for these three hundred people, I gave each of them 2,500!"

"The reason for doing this, on the one hand, as your brother-in-law said, I don't want to use the money to exploit them;"

"On the other hand, I also want to use this event as a reward to motivate those employees who perform better and make them work harder in the future.

At the same time, it can also stimulate those employees who have not got the opportunity and let them see hard work. The benefits! In this way, I can be more active in the future."

Charlie couldn't help but praised: "You can do this, it really makes me admire you."

After speaking, Charlie paused slightly, and then said: "If you just calculate economic accounts, you seem to have lost hundreds of thousands of profits, but if you look at it in the long run, you may have gained hundreds of more dedicated and high-quality employees."

"The profits these people can create for the company in the future will certainly be far more than these hundreds of thousands."

"But if you lied to them today and concealed the actual income, it would be equivalent to buying a time bomb. If one day they find out, they will be resistant to you and the company.

This will actually make your road towards progress in the future narrower and narrower."

Wendy said happily: "Thank you brother-in-law for the compliment! I will definitely find a way to make the future road wider and wider!"

Charlie gave a hum, and just wanted to hang up the phone after saying a few words, but suddenly, he recalled a detail that Wendy had just said on the phone.

So he asked: “By the way, Wendy, you just said that someone gave you one million, so you are going to send three hundred courtesy ladies to pick up the plane acting as fans at the airport?!”

“Yes!” Wendy said with a smile: “It’s the first time I have received such a job, but it seems that there are quite a few celebrities who buy fans.

Not only celebrities, but many marketing and Internet celebrities spend money to hire people as well. In the scene, it is said that if you package yourself very popular, you can cheat others to join and earn a high initial fee.”

Charlie asked hurriedly: “Do you know who is the one who bought the fans to pick up the plane?”
