

The Charismatic Charlie Wade Chapter 3096

Chapter 3096

Issac hurriedly said: “Master, Zhifei from the Su family has been busy with Miss Gu’s concert recently.

He is very courteous, and he specifically came to me and wanted to buy the biggest billboard here.

I ignored him. I think this guy might be planning to make some monsters on the day of the concert.

Do you want to do it in advance?”

Charlie smiled slightly, and said: “Zhifei must be interesting in Sara. As the so-called fair ladies and gentlemen are so charming, it is not wrong to like her.

As long as he doesn’t act like Kim, don’t care about him. “

Issac said earnestly: “Master, I think that he will definitely be a scourge in the future.

Instead of letting him develop like this, it is better to start early to avoid future troubles.”

After speaking, he suddenly remembered something and couldn’t help but said excitedly:

“Master, or send him to Syria too, and be a company with his father over there.”

Charlie smiled and said, “Are you addicted to sending someone to Syria?”

Issac laughed and said, “It’s not true. The main reason is that the kid has impure motives for Miss Gu and I want to get him to Syria once and for all.”

Charlie waved his hand:

“I want to cooperate with Zhiyu now. This cooperation hasn’t officially started yet. I turned around and send her brother to Syria. How can I cooperate in the future?”

Issac said: “Master, you sent her dad to Syria, didn’t she say nothing?”

Charlie shook his head and said, “That’s different. Zhiyu’s concept of right and wrong is very strong.

I sent her dad to Syria for several reasons that cannot be refuted.

The first is that Zynn did organize an anti-Wade alliance, there were hatreds and grudges with my father; second, he is inferior to his beastly father, and helped him to abuse, which indirectly caused his wife and daughter to be in danger;

Third, Zynn, as a father, not only watches his daughter indifferently in danger, He even wandered around Chengfeng like a dog, begging for mercy. I sent him to Syria, and Zhiyu knew he deserved it.”

After speaking, Charlie said again: “However, if I also throw Zhifei into Syria now, she will definitely not be able to accept it, and there is no reasonable reason for me to do this, and this act can’t stand for reason.”

“Okay.” Issac said in a daze: “Actually, I just think this guy really follows Miss Gu with bad intentions, but you can rest assured, Master, I will definitely keep an eye on him.

If he dares to fix any monsters, as long as you give a word, I will immediately control him.”

Charlie smiled, and said, “Tomorrow the team from the Sara’s will be here. If they need your help, you must be more dedicated.”

Issac immediately stated: “Master, don’t worry, in my heart, Miss Gu’s priority is second only to you!”

...

Chapter 3097

In the early morning of the next day, the two business jets landed at Aurous Hill Airport 15 minutes apart.

There are planes landing early in the morning, which is very rare in Aurous Hill.

Because most of the first flights on duty are from the airport early in the morning, so there are a lot of planes departing from the airport in the early morning, and there are almost no incoming planes.

Of the two business jets, one flew from the north, and the other flew all night from the far southwestern Indian Ocean.

This business jet flying from the north is full of Sara’s management team.

They will begin the inspection and final adjustment of the concert venue and stage sound equipment this morning to prepare for her rehearsal tomorrow.

In the business jet flying from the Indian Ocean, apart from the flight attendant, there is only one passenger, and this passenger is Zhiyu.

She left for the Maldives yesterday and handled the ownership change of the island with Anson. After the formalities were completed, she flew back non-stop.

When her business jet stopped at the stand, dozens of Sara's team members in the business jet in front had already left in the airport shuttle bus.

She got into an off-road vehicle prepared at the airport and headed to the business jet terminal.

When she finished the entry formalities and walked out of the passage, she happened to meet Sara's team members picking up luggage in the luggage area.

Seeing this group of people's large bags and small bags, as well as various professional flight cases, Zhiyu glanced more subconsciously, and then guessed the origin of this group, knowing that they must be Sara's team.

However, she didn't think much, so she planned to bypass them directly to the exit, and then go to the parking building to pick up the car and go home.

Unexpectedly, at this time, a familiar man appeared in her field of vision. This man was her brother Zhifei.

At this moment, he rushed in from the outside and came directly to a female leader of Sara's team, and smiled diligently:

"Oh, a lot of people! But I was looking forward to it. You had to board the plane so early. Have you worked hard all the way?"

Tasha smiled awkwardly, and asked in surprise, "Why did Master Su arrive at the airport so early?"

Zhifei hurriedly said: "I'm was afraid that you will be struggling too hard, so I wanted to bring the convoy to pick you up.

The convoy is waiting outside and can take you to the hotel at any time!"

Chapter 3098

Seeing Zhifei, Zhiyu hurriedly stopped and turned sideways silently so as not to be recognized by him.

At the same time, she quietly looked at him twenty or thirty meters away from her corner.

Seeing her brother's courageous and flattering look in front of Tasha, she suddenly felt a little sick in her heart.

She suddenly felt that the men of the Su family had a very strong purpose in doing anything.

Take her father as an example. The two women almost died at the hands of her grandfather, but when her grandfather needed him to act as a facade, he was still able to put everything down and return to his father to play the role of a filial son.

In the final analysis, he wanted to strive for the seat of the Su family heir.

In the face of this purpose, the daughter is not that important at all.

As for the older brother, the same is true.

A few days ago, he had just sat down, the fact that he still stood in line with his grandfather after she and her mother were almost killed by grandfather.

From this alone, it can be seen that his pursuit of utilitarianism is comparable to that of his father.

The same is true for Sara.

Even with so many things happening at home, his pursuit of Sara has not been affected in any way, and there has never been a momentary pause.

At the moment, only Sara's brokerage team is coming to the airport, but even so, her brother has personally come forward to greet them, from this we can see how diligent he is.

Zhifei came to pick up Tasha and coworkers' entourage early in the morning, just to please the people around Sara first.

He felt that as long as these people feel that he is a good man with good intentions, these people will definitely say good things for him in front of Sara.

In his opinion, most women seem to be assertive, but in fact, there is not much assertiveness and persistence in their bones.

Many girls don't like a man at first, but once people around her are blowing air in her ears, brainwashing her, and constantly saying good things about the man, her heart will change little by little.

And many boys will use this as a tactic after pursuing girls to no avail, and there are countless successful cases in the market.

Therefore, Zhifei made a special trip to the airport to show his courtesy to Tasha and other Sara's team members.

Chapter 3099

In order to pursue Sara, Zhifei did not bother much during this time.

During this period of time in Aurous Hill, he has been carrying Sara's team on his back, paying for them with his own money, and secretly upgrading the hardware for the concert this time.

Originally, Sara's various equipment configurations for this concert have reached the upper limit of commercial performances, and the cost was so high that it was almost close to the revenue balance line.

And this level of equipment is already the limit of global commercial concerts. Even top singers such as Michael Jackson and Beyoncé would not be higher than this.

But Zhifei felt that he must let Sara feel his own good intentions.

Therefore, he spent money to buy the team responsible for the sound and lighting of the concert and the stage art.

With Sara's team on his back, he replaced the hardware and equipment such as the sound and lighting of the concert with the top level of the Olympic opening ceremony.

The freight for these equipments from overseas by air alone cost millions, plus the equipment leasing and commissioning costs, the overall cost has exceeded 30 million.

You must know that only tens of thousands of people will participate in a concert, and the face price of the performance ranges from one to two thousand to two to three hundred. If you take the median, the per capita ticket price is only one thousand. The box office revenue is only a mere tens of millions.

For any team, it is impossible to spend 30 million to build on-site equipment, because in this way, even if all the concert tickets are sold out, they will lose at least 15 million.

But Zhifei didn't care.

What he wanted was to use this almost stupid generosity in exchange for Sara's favor.

Throwing thirty million, just to make the concert of his sweetheart reach the top international level, Zhifei himself is happy with his arrangements, and he felt that this move would definitely win Sara's favor.

Moreover, he even thought that if his confession at the concert is unsuccessful, he would look for a public relations company to bring the rhythm to the whole network.

By then, as long as the media exposes the fact that he is spending 30 million, and then puts himself in an "infatuated man" persona, it will invisibly bring strong psychological pressure to Sara.

Sometimes, moral kidnapping is also a good way to pursue the other party.

Tasha, who is like any other human being, naturally knows why Zhifei is so diligent.

She hurriedly said to Zhifei: "Mr. Su you don't have to be so polite. I have communicated with the execution company that cooperated with us before in Aurous Hill. They have arranged a pick-up vehicle, so we won't bother you."

Chapter 3100

Zhifei heard this and knew that the other party was deliberately keeping a distance from him, but he was not angry.

Instead, he smiled and said: "Tasha, you may not know that the bus driver that the executive company arranged for you, had a sudden illness this morning, and he went to the emergency department of the hospital.

The executive company was unable to find an alternative immediately, so I hurried over to prevent you from waiting at the airport.

After all, you are not only crowded, but also so with more baggage equipment, the need for taxis will definitely be endless."

When Tasha heard this, she guessed that whether it was true or false, she could not refuse Zhifei, because they were relatively short on time.

So they have to hurry to the hotel to check-in, put down their luggage, and immediately follow the schedule.

They have to take all kinds of equipment to the venue. If they don't take the vehicles arranged by Zhifei, it might be a delay of two or three hours.

So she had no choice but to say thankfully: "Mr. Su, thank you so much..."

Zhifei hurriedly said, "What are you doing so politely with me."

After speaking, he quickly reached out and took Tasha's suitcase, and said: "The convoy is right outside the door, let's set off quickly."

"Okay." Tasha nodded and hurriedly said to the staff around her: "Everyone quickly pick up the luggage, and then take the car to the hotel. Time is tight, everyone move faster."

The group hurriedly sorted their luggage and items, and together with Tasha, headed to the exit under the leadership of Zhifei.

At this time, outside the exit of the corporate jet building, more than ten black Rolls-Royce cars and two vans were parked neatly.

Such a grand stage shocked the young people in the team.

Because Sara was low-key and never used top luxury cars like Rolls-Royce, most of her staff had never had the opportunity to ride in a Rolls-Royce as well.

Now they see more than a dozen Rolls-Royce picking up the plane, one by one. There are some uncontrollable joys.

As Zhifei put Tasha's luggage into the trunk of the lead car, he said to everyone: "Look for a car nearby and get in. We have many cars and are spacious. One car can seat two or three people."

"Some of the luggage that needs to be carried to the hotel is hard for everyone to carry by themselves. As for the equipment that needs to be sent to the venue, it will just stay here.

I have arranged two trucks behind me and professional transport personnel. It will help send the equipment directly to the venue, so that it can save a little trouble too!”

Most of the team brought by Tasha were girls, and Zhifei’s thoughtful and careful arrangement immediately won him a lot of favor.

So, the girls cheered, and after thanking Zhifei, they got into the car nearby.

Zhifei put the suitcase in, and said to Tasha, “Tasha, you can take this car with me. It just so happens that I have something to communicate with you on the road.”

“Okay.” she nodded and was about to open the car door. Zhifei hurriedly stepped forward, opened the door in front of her, and said with a smile: “Come on, please get in the car.”

Tasha thanked him and got into the car.
