

# The Charismatic Charlie Wade Chapter 3091

## Chapter 3091

Soon, Harvey who received the reply put the call on Kim's cell phone.

After Charlie answered the phone, he turned on the speaker and handed the phone to Kim.

On the phone, Harvey asked tentatively: "Kim, are you there?"

When Kim heard his father's voice, he suddenly broke down and cried,

"Dad! Dad, save me, dad! Someone here wants to send me to the ship as a crew member for three years.

I am not allowed to disembark in the middle, Dad. Hurry up and find a way to save me back!"

Harvey said embarrassingly: "Kim, Dad may not be able to help you with this matter."

"What?!" Kim collapsed and blurted out, "Dad! I still have to attend Sara's concert.

I have to prepare for my personal concert next season. You can't leave me alone, Dad!"

“You are still thinking about that rubbish concert!”

Harvey angrily reprimanded: “When will you mature and grow up a little bit? Don’t you think you have caused enough trouble?”

Don’t think that I can rescue you every time you make a mistake. Wiping your bu.tt, I’ll tell you the truth.

I can’t help you when you are in trouble this time. You can wipe your bu.tt by yourself! If you can’t wipe it, just don’t hold it to me!”

Kim suddenly cried, and sobbed: “Dad! You can’t be so cruel, I will die if you don’t save me, Dad!”

Harvey resented iron and steel and reprimanded: “Kim! When will you grow up? Dad is talking about you.

Haven’t you realized that in this matter I am powerless?

You are now What we have to do is not to ask me to save you, nor to scold me for being cruel, but to learn from the pain, reflect on your own problems, and then perform well in the next three years!”

Kim couldn’t help raising his head to look at Charlie, thinking desperately: “It seems that Charlie’s strength is indeed much stronger than I thought.

Otherwise, it is impossible for Cynthia to plead uselessly, and even the father cannot do anything...

It seems that my next three years will be spent living at sea...I really can’t get away...”

At this moment, Charlie said: “Okay, time is almost up, just stay here.”

Harvey on the other end of the phone hurriedly pleaded: “Master Wade, my naughty son is really causing you trouble. Please take care of him in the future...”

Charlie smiled and asked him: “You seem to know my aunt very well?”

Harvey hurriedly said: “It’s... an old classmate and friend for many years.”

Charlie snorted, as if he had already seen everything, and said indifferently:

“I can let my aunt who is selfish to the utmost and loves her face to her bones, put down her body, put down the hatred of me, and humbled to help intercede.

I see you two’s relationship should be more than just old classmates and old friends. Will you become my uncle someday?”

## **Chapter 3092**

When Harvey heard this, he was so embarrassed that he got goosebumps all over his body on the other side of the phone.

Immediately, he quickly denied: “Master Wade, you have misunderstood.

Your aunt and I are really just old classmates and good friends. There is absolutely nothing improper...”

Cynthia hasn’t divorced her original partner yet. Harvey naturally dare not expose the relationship between the two.

Otherwise, if it spreads out. Not only will he and Cynthia be discredited, but the Wade family will also definitely force her to cut off all contacts with him for the sake of face.

Even if Cynthia really loves him and insists on marrying him, the Wade family cannot agree, because they can't afford to lose that person.

In that way, he and Cynthia would never want to come together in an open manner in their entire lives.

If he insists, I'm afraid Cynthia will offend the old man and come with him, maybe in this case she won't get the last bit of inheritance.

Therefore, Harvey knew very well in his heart that he had to keep this secret, at least after the old man Wade drove the crane west, and Cynthia and her original partner formally divorced.

This thing could not be released to the public

Seeing him hurriedly denied it, Charlie has long since confirmed the relationship between him and Cynthia. For him, he had developed the ability to analyze things logically.

If something looks abnormal, there must be something deep in it. When Cynthia, was detained by Charlie in Aurous Hill at the beginning, she was not reluctant to say anything, and clamored in the rental house all day long.

So that Orvel had to pay attention and let all the neighbors living around her move out temporarily.

With her dissatisfied personality, how could she be willing to put aside her face and intercede for the son of an old classmate?

She didn't even go out and intercede for herself.

Therefore, on the surface, her behavior this time was very abnormal, and it seemed that it was extremely inconsistent with her personality.

But the more this happens, the more representative Harvey holds a high status in Cynthia's mind and is very important to her.

A woman who is nearly fifty years old had been separated from her husband for several years, and at the same time took another man very seriously.

No matter how to solve this question, the final result is two words: “extramarital affairs.”

## Chapter 3093

However, Charlie didn't say much, but smiled indifferently: “It seems that I think too much.”

After speaking, he checked the time and said, “Okay, let's not say much. I will have someone arrange a fishing boat for offshore operations in a while.

Then let the son go onboard and experience it, and wait for the ocean freighter on my side to be ready. He can come back and board the ship.”

Harvey felt distressed for a while, but he could only sigh: “Then please take care of him, Master Wade...”

At this time, Kim was completely ashes in his heart.

He couldn't imagine that he was still a top star in the music industry a few hours ago, and after a few hours, he would become a prisoner of Charlie.

Moreover, according to Charlie's statement, he couldn't even stay in Aurous Hill for a few days, and he was about to be sent to a fishing boat to experience life.

The conditions of the fishing boat were definitely much worse than that of a large freighter.

Apart from other things, the fishing boats are small in tonnage, and they must be swaying more severely in the sea.

In addition, there must be fish smell everywhere, and the conditions must be difficult.

However, he was alone and helpless in Aurous Hill at this time. He really did not dare to yell at Charlie anymore, but he could only shed tears and bear it silently.

As a local snake, Orvel quickly found suitable fishing boat resources for Kim.

After Orvel made a phone call, he ran back to Charlie eagerly and said, "Master, to tell you, this Kim is really lucky."

As soon as Kim heard this, a good expectation suddenly appeared in his heart, and he thought:

"Could it be that they can't find suitable fishing boat resources, so I don't have to go on a fishing boat to experience life?"

At this time, Charlie also curiously asked Orvel: "Why so?"

Orvel smiled and said: "I have a fishery company in Feng County, which is about 200 kilometers away from Aurous Hill.

My younger brothers have been in charge of it. I just called and asked. They happened to have two fishing boats.

To work in the South China Sea, the several boats in the fishery company's hands are all medium-sized fishing boats.

This type of vessel has limited tonnage, so you can't go too far. Generally, you are working near the South China Sea.

Return, about a month or so. They are loading supplies now and will set sail on time at 8 o'clock tomorrow morning."

Charlie estimated that with the resources in Zhiyu's hands, one month later, the ocean transportation business he and her joint venture should also be able to run, and then transfer Kim to the freighter.

But if he can't get up within a month, just ask him to follow the fishing boat a few more times.

So he nodded: “Okay, choose this one!”

## Chapter 3094

When Kim heard this, his eyes suddenly went dark.

“It will sail early tomorrow morning?! This is too sudden, right?”

As soon as he thought of this, he heard Charlie say:

“It’s a bit late to set sail tomorrow morning. Since it’s your company, then tell your brothers, work hard to speed up, and strive to install before 8 o’clock this evening.

Get supplies, and then set off early. It doesn’t matter if the road can be slower. The important thing is to let Mr. Zhong board the ship early.”

Kim’s desire to live is gone.

Orvel smiled and said, “It’s fine, Master, I’ll make a phone call!”

Charlie nodded in satisfaction, and said to Issac: “Mr. Issac, then you arrange a helicopter and send him over directly, and you can send him aboard as soon as he lands, don’t delay.”

Issac said immediately: “Okay young master!”

Afterwards, Issac immediately asked Orvel for the address. After Orvel communicated with his subordinates over there, he directly let several of his subordinates take a helicopter and sent the crying Kim to Feng County along the coast.

After Kim was taken away, Charlie looked at Orvel and asked with a smile: “Orvel, why do you have a fishery company in your hand? I haven’t heard you mention it before!”

Orvel said hurriedly: “Hmm, Master Wade, you don’t know that we are the people who take part in the game. Basically, we can do everything. I haven’t studied much, and I

don't know too much about business, so I like investing is such a simple and direct transaction.”

After that, he explained: “In most of my business, I use some resources on the road, open up a channel, register a company, and then arrange a few brothers to start directly.

The same is true for fishery companies. I have friends and acquaintances over there. The local maritime department has a good relationship with me.

So I registered a company, leased five or six fishing boats, and sent a few younger brothers to manage it.

Basically, I can make a net profit of one or two million yuan a year. I open a few more businesses and earn income.”

For Orvel, he does not have a business that can grow bigger and stronger.

After all, there is no core competitiveness, so he can only earn one or two million here, and one or two million there.

After accumulating less and more, not only can he feed more people, but he also earns more profits. The little bit of rolling gets bigger and bigger.

Charlie nodded his head with understanding, and also intends to make five handfuls of business, so he smiled and said:

“If you are interested, after the ocean shipping business starts, the supporting supplies procurement business will be handed over to you to do it.”

“As far as I know, every ocean-going cargo tanker must prepare a large amount of various materials before setting off.

Rather than handing out this business to outsiders, it is better to hand it over to someone who is familiar and trusted.”

When Orvel heard this, the whole person was already very excited, but still a little worried and said: “Master, I'm afraid that I am not capable enough to fulfill the requirements...”

Charlie waved his hand and said, “As long as you work hard, you won’t be dragged down.

Then you go to Haicheng to register a company, complete the relevant qualifications, and arrange for a strong and reliable subordinate to look at it.

When my business is running, with the conservative estimate you can make tens of millions a year.”

## **Chapter 3095**

Orvel was very grateful when he heard this.

In the early years, it was relatively easy for him to make money.

Relying on his special attributes and various relationships, he could make a lot of money every year by playing side ball.

However, in recent years, he has gradually washed out.

Many things that were very profitable in the past are now no longer touched, so the income has dropped sharply.

However, he has many disciples. The cost of keeping them and feeding these people has not been reduced despite the decline in income.

On the contrary, as prices continue to rise and per capita income continues to rise, their costs are also rising.

Therefore, although he had a glamorous appearance in the past few years, he has been in a state of being stretched.

Charlie suddenly took the initiative to hand over all the supply business of the Ocean Shipping Group to him in the future.

And the huge profits contained in it are nothing short of help for him.

Moved, Orvel couldn't help but bowed and said, "Thank you, Master, for your support!"

Charlie nodded and smiled: "You don't have to be so polite between you and me."

After speaking, Charlie said again: "I will give you Melba's contact information later, and you can talk to her directly about the business connection in the future."

Immediately, Charlie remembered something, and said, "Oh, yes, in the future, I believe it will be indispensable to deal with some local people.

There must be countless local snakes in this place, and you will have to arrange some younger brothers here to help Melba solve some things that she is not good at.

I will treat this business as a security business outsourced to you at that time. The profit margin should also be considerable.

Then, from the masters of the He family, I will arrange one or two for you."

Orvel quickly said, "Master can rest assured, I will go all out to ensure the normal operation of the terminal!"

"Okay!" Charlie nodded with satisfaction, and said:

"If this is the case, then you should hurry up to plan when you go back, and consult with Melba to see what you need to prepare and do your homework in advance."

After speaking, Charlie looked at the time, stretched his waist, and said to Orvel and Issac:

"Okay, let's be here today. You two have worked hard too. Two days later, it will be the concert of Sara.

Pay more attention to the situation in Aurous Hill, if there is any evil moth coming over, please tell me in time."
