

# The Charismatic Charlie Wade Chapter 3131

## Chapter 3131

Zhifei never dreamed that the information he received through his subordinates was actually a game that Charlie deliberately asked the trusted man to play.

He deliberately revealed his identity as the “Chairman of the Emgrand Group” to Zhifei, just to make him have a sense of urgency, so as to completely divert his attention.

Otherwise, if Zhifei had been making a fuss about his wife’s BMW car, he could soon get his wife’s true identity.

Therefore, he deliberately let people propagate a false message, telling the other party that this car belongs to the Emgrand Group.

At the same time, in order to strengthen Zhifei’s trust, he deliberately exposed the details of the BMW 760 which is actually a BMW 760. In this way, naturally, Zhifei can be convinced strongly.

Once Zhifei believed that this car belonged to the Emgrand Group, his attention was completely deflected.

Then he released the chairman of the Emgrand Group’s information. He may be a handsome, young, and rich young man, and is related to the god-level wealthy status circulated on the Internet. Then he will believe in all this even more.

As Charlie expected, Zhifei's current attention was focused on the chairman of the Emgrand Group.

While asking his man to arrange a meet with Doris Young of the Emgrand Group, he took out his mobile phone and searched for the short video of the god-level rich man who was all the rage in the city.

Sure enough, he found the scene where Charlie was photographed and recorded at the Jewelry shop.

However, it is a pity that the shooting angle of that video is not good, and the distance is relatively far, so he can't see Charlie's appearance, but the figure can be seen with a clearer outline.

That person is 1.85 meters tall, weighed less than one hundred and forty catties, had a body comparable to those long-legged men in the popular entertainment industry, which made Zhifei jealous.

He is most dissatisfied with his height. Although he is already 1.75 meters tall.

Among men, his height is considered to be above average, even two or three centimeters higher than the popular national trend at the beginning.

Nevertheless, he still carries in his bones, some dissatisfaction, because he only has the rich and handsome, if you want to occupy the "high" also, at least 1.8 meters or more.

## **Chapter 3132**

Therefore, when Charlie's height in the video was about 1.85 meters, and he was ten centimeters higher than him, Zhifei felt quite upset.

At this time, Zhifei's assistant ran out of the stadium and knocked on his car window.

He opened the central control lock, and the assistant hurriedly pulled the car door and got into the co-pilot.

He asked, "Master, Miss Gu has already started the rehearsal. Don't you want to go in and take a look?"

"No, I don't!" Zhifei waved his hand irritably, and said, "Hurry up and make an appointment with that Doris Young. I'm going to see her!"

"Okay." The assistant nodded and said: "I have asked someone to inquire about her contact information just now, and it is estimated that he will be able to reply in a while."

Just finished speaking, the phone immediately received a text message.

In the text message, there is a string of mobile phone numbers starting with 139.

The assistant hurriedly said: "Master, the number has been sent, I will call her now!"

Zhifei gave an absent-minded hum, still staring at the phone screen, Charlie's figure in the short video, all over his mind.

At the same time, his assistant had put the call to Doris's cell number.

This person did not go around on the phone, and directly reported to Doris about his family, saying:

"Hello, Vice Young of the Emgrand Group, right? I am the assistant of Mr. Zhifei, the young master of the Su family of Eastcliff."

"Our young master wants to talk to a senior from the Emgrand group about cooperation. I wonder if you have the time to meet with our young master?"

"What? Eastcliff's Su Family?" Doris pretended to be surprised, and then said in a flattered tone:

“Oh! I never dreamed that I would be able to see Young Master Su in our Emgrand Group?! It’s really unbelievable.”

“Fortunately, I don’t know when the Young Master will have time? I will come to visit him at any time!”

## Chapter 3133

Zhifei and his assistant, who was sitting next to him, were very satisfied with the excitement that Doris showed, and Zhifei’s expression was slightly relieved.

His assistant said at this moment: “Our young master is now in the city here, so if you have no problem, our young master can come to meet you now.”

“That’s great!” Doris’s voice was very excited, and blurted out: “Then I will immediately discard all the arrangements for the afternoon and wait for Master Su here!”

Zhifei’s assistant gave a hum, and asked tentatively: “By the way, our young master would like to meet the boss of Emgrand Group. I wonder if he has time in the afternoon?”

Doris hurriedly said: “I’m really sorry, our boss has always been very low-key, and he is still a hand-off shopkeeper.”

“Basically, he comes to the company two or three times a year, and he never participates in any commercial activities or meets anyone in the industry. Even me. I don’t know where he is, so please forgive me, Master Su.”

Zhifei’s assistant was also very helpless when he heard this, but fortunately, at least he was able to let the young master meet this woman first, so he said:

“Since your boss is not in the company, then wait until the opportunity arises. I will accompany you later.”

“Our young master will come to your Emgrand Group first, and you will do the greeting and security work ahead of time.”

Doris said without hesitation:

“Don’t worry, I will arrange the people under my hand to make preparations. When Master arrives, he can take the special elevator directly from the underground garage to the top floor!”

“Okay.” Zhifei’s assistant said: “In this case, we will be there in 20 minutes.”

After hanging up the phone, the assistant said to Zhifei: “Master, I will ask the bodyguard to prepare the vehicle, so don’t drive by yourself.”

Zhifei nodded. The reason why he drove by himself was original because he wanted to have a private space with Sara after picking her up, but unexpectedly, the meticulous preparations ended up being nothing. It’s fcking mad when I think of it!

Zhifei’s bodyguards and subordinates quickly organized the team. The assistant personally opened the door for him and escorted him into the back row of another Rolls-Royce. Then the team immediately set off for the Emgrand Group.

However, Zhifei couldn’t even dream of it. At this moment, Charlie was already in Doris’s office, waiting for his self-investment.

And Doris stood in front of Charlie respectfully, and asked: “Master, Zhifei will be here soon, how should I respond?”

Charlie smiled slightly, pointed to the back door of Doris’s office, and said, “When he comes, I will go to your lounge and rest for a while. You can talk to him first, and I will come out when the time is right.”

Doris nodded, and couldn’t help asking again:

“Master, what do you plan to do with him? He is the Su family’s grandson. If you want to attack him, the Su family will definitely not give up.”

“Besides, if he disappears in the Emgrand Group. The Su family will definitely do everything possible to figure out all the circumstances of the Emgrand Group. By then, will your identity not be exposed?”

Charlie smiled and said: "It's okay, don't worry about this, I have my own way!"

## Chapter 3134

Twenty minutes later.

Zhifei's motorcade drove into the underground garage of Emgrand Group.

Doris has arranged in advance for her secretary and the person in charge of the security department to wait in the underground garage.

As soon as the convoy arrived, they immediately stepped forward to receive them respectfully, and then took Zhifei and his entourage from the special elevator in the underground garage to the top floor of the Emgrand Building.

Zhifei really enjoys the feeling of holding the position of the moon among stars. In his opinion, a company of 100 billion in the Emgrand Group should be like the present when facing himself, the young master of the Su family. So all next to him are all respectful.

Doris's female secretary led the way and said as she walked: "Master Su, our deputy is waiting for you in the office, but her office is not too big, so your entourage will have to manage. They will take a break in the meeting room next to it, and I will ask someone to arrange tea for them."

Zhifei nodded lightly.

He also didn't want to take a lot of people into the other party's office to talk about things.

Moreover, he didn't feel that he would be in danger if he came to a group with a market value of hundreds of billions.

So he said to his assistant: "You go to the conference room and wait for me."

The assistant nodded immediately and said, "Okay master!"

Zhifei's assistant and bodyguard were introduced into the meeting room, and Doris's female secretary brought Zhifei to the office alone.

The female secretary knocked on the door, and Doris personally opened the door to the office. Seeing Zhifei, she respectfully said: "Hello Master Su, I am Doris Young, Vice Chairman of Emgrand Group. Welcome, with your visit, the Emgrand Group is shining!"

Zhifei did not expect that the vice-chairman of the Emgrand Group was such a beautiful and charming lady with considerable beauty. Seeing her wearing a professional suit with a knee-length skirt and her slightly curly long wavy hair, he was a bit stunned for a while.

## Chapter 3135

Originally in Zhifei's vision, since this woman could use her own efforts to become the vice-chairman of the Emgrand Group step by step, then she would have to be at least thirty-five or even over forty years old.

After all, it takes time and experience to advance in the workplace. No one would believe that a woman under the age of thirty can rely on her strength to become the second-in-chief of a company with a market value of 100 billion.

Because of this fixed thinking mode in his heart, the moment he saw her, he felt amazed.

Therefore, he also nodded very gentlemanly and said: "I didn't expect Vice Doris to be so young and to become the second-in-chief of a company at such a young age. The personal ability must be very remarkable.

Doris smiled humbly, and said humbly, "Master Su, I've been awarded."

After that, she hurriedly turned sideways and said, "Please come in!"

"Okay!" Zhifei nodded, and strode into the office.

Doris said to her secretary: "Go and prepare the best tea for Master Su."

The secretary hurriedly said: "OKay Vice-Chair!"

After the secretary left, Doris immediately invited Zhifei into her office and invited him to sit down on the sofa. Then she asked politely: "I wonder why Master Su came to our Emgrand Group?"

Zhifei smiled and said: "I have been in Aurous Hill for this period of time, and I am interested in making some investment in the city. I heard that your Group is the largest enterprise in Aurous Hill, so I want to cooperate with you."

Having said that, he also deliberately added: "Oh, yes, the 'one point' cooperation is at least 50 billion."

"Oh? Really?!" Doris immediately showed strong interest and asked with excitement: "I don't know what kind of cooperation Master Su wants to do?"

Zhifei smiled slightly, raised his hand and pointed to the high-rise buildings outside, and said with a smile: "Real estate, hotels, energy, automobiles, the fields you can think of. Basically, our Su family is involved in these fields, so we can cooperate in fields. It's not too much."
