

The Charismatic Charlie Wade Chapter 3156

Chapter 3156

Originally thought that Zhiyu never mentioned the attitude of making Chengfeng responsible for his actions at the press conference, which represented her compromise and also represented the end of this rich family's grievance.

However, what everyone did not expect was that there is a new sequel to this incident today!

Zhifei, the eldest grandson of the Su family, suddenly jumped out at this moment and accused the family.”

“He also said that he would kowtow to the Jokhang Temple in order to make atonement for his family. In the eyes of the majority of netizens, this is really strange and interesting.

Therefore, this video caused a lot of waves in an instant, and even rushed into the hot search list of Weibo.

At this moment, Elder Su had been sent to the best hospital in Suzhou for emergency treatment because of a sudden loss of consciousness.

The children of the family were rushing to the hospital while sitting in the car and watching Zhifei's video yelling at him. Calling him a damn traitor.

But Charlie, the initiator of all this, drove the car leisurely at this time and took his wife back home.

As soon as he parked the car, and walked into the house hand in hand with his wife, the phone in his pocket vibrated.

After entering the house, when the wife went to wash his hands, Charlie took out his phone and glanced at it. It was a WeChat message.

When he clicked it again, it turned out to be from Zhiyu.

The content reads: "Grace, my brother went to the Emgrand Group today, did he come to see you?"

Charlie frowned slightly.

Zhiyu found him so soon?

Chapter 3157

In this way, this girl must have connected her brother's affairs with him in her heart.

Thinking that the two sides will have cooperation in the future, Charlie did not hide it.

He walked out of the door and came to the yard, and replied with his voice: "Yes, your brother ran to the Emgrand Group today. On the surface, he saw the vice-chairperson, but he was actually there to find out about my identity."

Zhiyu also sent a voice to ask: "Then he suddenly became what he is now, is it because of you?"

Charlie admitted frankly: “Yes, he investigated my wife’s license plate number. This behavior made me very dissatisfied.”

“Not only that, but he also wanted to dig out my true identity, since he had to find it himself. To not be awkward, then I can only fulfill him.”

Zhiyu hurriedly pleaded: “Grace, my brother has no social experience. Sometimes he is easily inclined to do wrong things. If he did something wrong, I apologize for him...”

“If you are still not satisfied, you can beat him and scold him, but let him kowtow all the way to the Jokhang Temple... This is too harsh...”

“This road is nearly 4,000 kilometers. With his body, he can’t get to the place in three or four years...”

Charlie said coldly: “Some mistakes can be made, but some mistakes are not. He stretched out his hand to me and my family.”

“For this alone, I have a reason to kill him; and don’t forget, he owes me a life, and the two things add up.”

“I originally had no reason to keep him, but the reason I let him go is to give you face.”

“Furthermore, I also allowed him to take his entourage and a doctor. In this way, he can eat and live well at other times except for kowtow every day. This is already very favorable to him. What are you dissatisfied with?”

Zhiyu was asked by Charlie in return, and suddenly she didn’t know how to answer.

At this time, Charlie said again: “In addition, you have to figure out a little bit. Your brother is not like you or your mother in his heart. He is like your father.”

“He does not rely on feelings to stand in line, but on profit. If you want to become the Su Family Patriarch, he is a huge threat to you.”

“I let them both disappear temporarily for a few years. This is to ‘protect you out of the city and helping you get on the horse.’ Without them here, you can better use your abilities to fight for the power of the Su family!”

“If you can inherit the family within three years and have great power, your dad and your brother will come back at that time, and they will be there to follow you.”

“Then you will give them a little favor from the Su family’s big plate. Enough for them to live a life of good food and good living, just to sit back and relax!”

“But if I leave the two of them here, they will only become your enemy, your stumbling block, and they may even attack you for profit.”

“If I leave your brother, you are always overwhelmed by his status as the eldest son and grandson, and your brothers and sisters will definitely turn back because of their interests in the future!

“But I let him leave for three years, and when the new king is crowned, he will come back again. He will at that time be no longer your brother, but your courtier!”

“The courtier is in front of the emperor, and he wants to worship three times and nine times!”

Chapter 3158

After hearing Charlie’s reply, Zhiyu fell into deep thought.

She knew that he was right.

“In front of the seat of the heir of the Su family, everyone is an enemy!”

“Dad and her brother and cousins are all enemies.”

“My brother and I, as well as the brothers and sisters of several other uncles, are also enemies.”

“If Dad and brother are here, they wouldn’t be willing to let her sit as the head of the house.”

“In the end, maybe the three of them will turn against me.”

“However, if I can hold the position of Patriarch first, then when they come back, everything has been settled. There are nearly 100 direct relatives of the Su family, but there is only one Patriarch.”

“There is an insurmountable relationship between the other members and the Patriarch. Gap.”

“This is not just a chasm, it is also a moat. Without this moat, even a pro-daddy or a pro-brother might not be able to resist the temptation of huge benefits...”

Thinking of this, she understood Charlie’s hard work.

“Although Gracee punished my brother, it may not be what it looks, but this incident actually helped me clear the obstacles in essence.”

“Furthermore, with my acting style, I can’t fight against my father and brother because of my interests.”

“Grace now distributes them separately. On the one hand, this helps me avoid the difficulties that I may face in the future, and on the other hand, he also protects the personal safety of my father and brother.”

“This can be described as killing two birds with one stone.”

Chapter 3159

At this point, Zhiyu said to Charlie: "Grace, your intentions are good, I understand!"

The top giants of modern society are in fact no different from the emperors and nobles of feudal society.

The internal operating mechanism of each family is exactly the same as the royal family of a feudal dynasty.

In such a special environment, it is not age or seniority that determines status, but title and rights.

Before choosing who is the prince, the princes are basically equal in principle, but there are slight differences because of the differences between the elders and the young.

However, even the eldest son is just the elder brother of other princes, but he is still of the same generation as other princes. When other princes see him, it is impossible for them to worship him thirty nine times.

However, once someone becomes a prince and inherits the throne, all other princes, whether it is his elder brother or younger brother, will treat him as monarchs and fully obey his orders when they see him.

This is the difference between monarchs and ministers.

The same goes for Zhiyu now.

Zhifei is now her brother.

But once she inherits the Su family, and Zhifei is her courtier, everything must be her head.

Even the father of the two, Zynn, is the same.

Therefore, although Charlie left the lives of Zynn and Zhifei, he must wait for Zhiyu to inherit the Su family before releasing them.

Because he believes in his own vision, Zhiyu is different from the rest of the Su family, and will never do anything to avenge, so as long as she is in charge of the Su family, he doesn't have to worry about what Zynn and Zhifei's ability to play bad tricks.

Zhiyu also understood Charlie's intention.

Therefore, at this moment, the gratitude in her heart for him has further sublimated.

Chapter 3160

Charlie said to her at this time: "So many things have happened in the Su family, Chengfeng's pressure should be almost unbearable. What you have to do next is to gradually let him release more power and resources to you. and gradually strengthen your right to speak in the Su family."

Zhiyu said: "Grandpa must be very dissatisfied with me now, I think he will definitely be on guard for me in the future..."

"So what?" Charlie smiled slightly and said: "In my opinion, his current core demands are two, one is that he doesn't want to hand over power, and the other is that he doesn't want the Su family to split or go downhill."

"To put it bluntly, the former is that he wants to ensure that her rights in the Su family are not threatened when she is alive, and the latter is that he hopes that after his death, the legacy he has worked hard can continue to be passed on."

"Although he must have a lot of dissatisfaction with you in his heart, to consider the future of the Su family, he can't find a better heir than you."

"He is almost 80 years old, and he has a life span of more than ten or twenty years left when he is to live fully. Of this, half of the time may be completely paralyzed in bed, unable to move or even lose the ability to think."

“Therefore, he can really hold the power of the Su family and take charge of the lifeline of the family for only a few years. If in these few years, he does not find a capable successor as soon as possible and help him consolidate his inheritance status.”

“Then once he has passed these years, the entire Su family will begin to fall apart. By then, he will most likely be lying in a hospital bed, witnessing the Su family being torn apart and even killing each other.”

“If you have the opportunity, you have to make him recognize this reality, and ask him if he is willing to ruin the family’s and decades of foundation for the joy of these last few years!”

Zhiyu said, “Okay Grace, I understand! Thank you!”

...

Just when Zhiyu realized Charlie’s hard work, Sara just finished the last dress rehearsal.

On the stage, she repeated all the songs to be sung at tomorrow night’s concert three times.

But fortunately, she didn’t need to sing hard, because the main purpose of rehearsal was to confirm all the procedures and details of the performance, especially the matter of dancers in the band, matters of lighting, sound, stage art, and live accompaniment.

After confirming that there are no flaws or omissions in the entire process, she is already confident about tomorrow’s concert.

Tasha stepped onto the stage at this time, handed a bottle of water to Sara, and exclaimed: “Sara, the stage visual and auditory effects are really great this time!”

“Not only is it beyond all your previous concerts, but even I have never seen such a great live concert in my memory!”

Sara smiled and said seriously: “Thanks to everyone’s hard work.”

With that, she said excitedly: “With such a good hardware foundation, tomorrow I will be able to give Charlie an unforgettable birthday present!”

Tasha curled her lips: “You know your Charlie, don’t forget, his wife will come to see you at the concert tomorrow night!”

Sara smiled and said: “So what, in my mind, my concert tomorrow is to show him alone, and all the others are in insignificant supporting roles.”

As she said, she couldn’t help sighing: “I have to say that this set of lighting and sound equipment that Zhifei bought is beyond my expectations. It is really too extravagant to use this equipment for concerts!”

“Yeah!” Tasha smirked: “The investment in this area alone is higher than the income of the concert.”

“Except for a super live event like the Olympic Games, no one would be willing to invest such a large cost in commercial performance. In order to please you, Zhifei cannot invest such a large cost.”
