

# The Charismatic Charlie Wade Chapter 3166

## Chapter 3166

Although Claire has been very busy recently, she feels very fulfilling.

Although she has been working for so many years before, she has been working in the Willson Group before.

Not only did she have to be blinded by the old lady, she was also constantly squeezed out by her cousins. That kind of work was very awkward and it was difficult to perform with her own Strengths and abilities.

Now that she works for herself after starting her own business, she can naturally sweep away the previous haze, and since the start of her business, she has received a lot of support and help from the Emgrand Group.

Therefore, she has gradually found a sense of success in her career and feels energetic every day with a sense of fulfillment and accomplishment.

As for Jacob, he has made considerable progress in the Calligraphy and Painting Association recently.

He is now the executive vice president of the Calligraphy and Painting Association, the second-in-command of the standard, and has a little fame and influence in small circles.

He happily introduced to his family: “Recently, our Aurous Hill City is actively building the image of a historical and cultural city.”

“The city has allocated a lot of funds to support the cultural field. Because of this, my painting and calligraphy association has recently won subsidies from local governments, it will get better and better in the future.”

“With government subsidies and help, our calligraphy and painting association is no longer just a hobby-based non-governmental interest group, but has become a semi-public and semi-private non-governmental charity organization!”

“Moreover, in this special subsidy from the government, all the full-time staff of the Painting and Calligraphy Association has been given a good salary. In the future, I will also have a fixed salary in the Painting and Calligraphy Association.”

Elaine asked curiously: “Oh, your calligraphy and painting association has started to pay you wages now?!”

Jacob said with an arrogant expression: “Not only pays but also a lot of other things!”

After that, he said again: “Look, as executive vice president, starting from this month, my monthly basic salary is 12,000 yuan, which is the second-highest in our entire painting and calligraphy association after President!”

Later, Jacob said again: “This is just the basic salary given to us by Aurous Hill City. In fact, many private enterprises have recently wanted to take up the business of cultural development, so they also donated a lot of funds to our Association.”

“They have a lot of matchmaking and resources, our association has successively undertaken many painting and calligraphy activities recently, so we will be very comfortable in the coming days.”

## Chapter 3167

Elaine hurriedly asked: "Then you can make money even if you cooperate with private enterprises?"

"Of course!" Jacob said immediately: "Private enterprises have their own sponsorship, and each event will give us some transportation consulting fees."

"I heard Chairman Pei calculate it. If two events are held a week, and all of us are present, it is estimated that we can get anywhere from 3,000 yuan to 5,000 yuan for an event."

"Damn!" Elaine said in surprise: "Can one event earn so much?! That would be two games a week, eight games a month, and a 3,000 yuan per game, which would be more than 20,000! With a basic salary, wouldn't it be possible to earn more than 30,000 a month?"

"Yeah." Jacob nodded and said with a smile: "I used to wonder why so many people like to volunteer to participate in various associations and societies that are not paid."

"Thinking that they are all seeking fame and face, but now I understand. It turns out that there are still a lot of ways in it, and if it is done well, there will be a lot of room for profit."

Elaine suddenly became interested, looked at Jacob, and asked in a flattering tone: "Jacob, when my legs are healed, can you get me into your calligraphy and painting association?"

"Arrange a part-time job and give me a salary. If there are any activities, I can also follow it. I am idle at home anyway."

Speaking of this, she touched her right leg and sighed, "Hey, I have been too miserable for most of the year. I didn't do anything. I stayed at home and raise my legs, but it made me feel bored."

Jacob was taken aback and hurriedly persuaded her: "Oh, our association has long since stopped recruiting new members. Recently, there are dozens of people who want to come in line and are waiting for interviews and defenses."

“You don’t know much about painting and calligraphy. If you want me to say, don’t toss about it. Wouldn’t it be okay to stay at home peacefully? When your legs are ready, you can walk around, or travel.”

To put it simply, he is thinking that she has ridiculed him for a long time. This b!tch, now wants to join the Calligraphy and Painting Association? Does she think he is mad?

However, he knew very well that at this time, when she was angry, he would have to go when he said such things, so he could only persuade her.

But even so, she was still a little dissatisfied, and coldly snorted: “What? Do you despise me? You can join the Calligraphy and Painting Association as the executive vice president, don’t even have the qualifications to be a member? Don’t think I am.”

“I don’t know what you are, the executive vice president. Isn’t it because of my good son-in-law?”

“Otherwise, your three sticks can’t show a f\*rt character, and you would have long been squeezed out, waiting at the door of the Calligraphy and Calligraphy Institute. It is not your but a dog’s turn to become a vice president!”

Jacob’s face flushed suddenly, and he thought to himself: “This b!tch is really right. I was almost squeezed out at the beginning. Fortunately, Charlie gave me a lot of face.”

“When Pei saw Mr. Orvel treating me respectfully, he rushed to flatter me, and then gave me the position of executive vice-chairman, but Elaine’s words are too ugly, what kind of dog be the vice president in the association?”

As he was thinking, Elaine saw that he was silent, and immediately said: “Since you are unwilling to help me, I will ask my good son-in-law to help.”

“Maybe then I will be able to join. When the time comes, it will be a good story for a husband and wife file to be spread out!”

Jacob’s scared sphincter almost lost control.

He knew Charlie’s abilities. If Charlie really spoke, it wouldn’t be difficult to get Elaine a vice-chairman position.

In that case, if she haunts him every day, he will be over, and there will be no chance to develop with Meiqing.

Thinking of this, he hurriedly said: “Oh, my wife, you said that I’m in the upswing of my career. If they suddenly find your relationship with me. What would they think of me?”

“Wouldn’t they consider it nepotism? If you really support my cause, you have to take the initiative to avoid suspicion!”

Speaking of this, he saw Elaine’s expression become ugly, and immediately waved his hand, gritted his teeth, and said:

“This way, you don’t have to come to the association in the future. I will give you half of my salary. You can spend it on whatever you want?”

As soon as Elaine heard about the money, her eyes lit up, and she blurted out: “No! You have to hand over all your salary to me!”

Jacob gritted his teeth and stomped his feet, spit out a word hardily: “Okay!”

## **Chapter 3168**

Originally, the family was happily waiting for the arrival of twelve o’clock, but Jacob didn’t expect that he couldn’t hold back his mood and made a show of it, and Elaine would take away all his future income.

While he was heartbroken deep in his heart, he also began to reflect on why he repeatedly fell in front of her.

He discovered that Elaine has this ability.

It seems a simple-minded approach, only relying on shameless and violent energy, in fact, she can always find the most accurate point in him, grasp it and hold it tightly all at once.

Thinking back to the married life for more than 20 years, he felt desperate.

For more than 20 years, he had failed to win in front of this woman and had been eaten by her for half of his life. There was no room for resistance at all.

Seeing Jacob, Charlie was a little sad, while Elaine looked smug and sighed silently. He felt more and more that his father-in-law could not support the wall with mud.

This timid and fearful middle-aged man has limited ability, limited thinking, and can't hide things in his heart, and he is especially easy to be complacent.

The bigger problem is that he has always lacked courage. According to this view, his wife's nightmare is inevitable in this life for him.

Claire also noticed that her father was depressed, and quickly turned away from the subject, and said to Charlie:

"By the way, mom said that when her legs get better, she wants you to take her to experience the yachting. I don't know if it's inconvenient for you?"

"It's convenient." Charlie agreed casually, and said, "When Mom's legs are better and the weather is warmer, let's go out to sea."

When Elaine heard this, her eyebrows were instantly pleased, and she kept saying: "Oh, that's really great! I'm so old but I haven't been on a private yacht yet!"

The happy Elaine blurted out again: "By the way, let's sail out to sea, can we go all the way south and go to the South Island for a round?!"

Charlie nodded and said,

"No problem. It's not far from the estuary to the South China Sea. Maximum, it's only 2,000 kilometers. If you are on a yacht, you can arrive in two or three days at most."

## **Chapter 3169**

Elaine suddenly became excited and clapped her hands and said, "It's great, great! I have never been to the South China Sea."

“In the winter a few years ago, Mrs. Willson was going to the South China Sea to spend the winter at sea.”

“But she only took Noah every time with his family and never let us follow. When I think about it, I get angry!”

After speaking, she began to take out her mobile phone and studied the famous scenic spots and delicacies in that region.

The family chatted freely, and the time ticked to 12 o'clock in the morning.

At 11:59 p.m., Claire began to take out her mobile phone to count the seconds silently.

At 12 o'clock exactly, she put down her mobile phone and said softly to Charlie who was sitting next to her, “Husband, it is twelve o'clock, happy birthday to you!”

Charlie smiled and said, “Thank you, wife!”

Elaine also hurriedly joined: “Happy birthday, my good son-in-law! Mom wishes you wealth and great fortune in the future!”

Jacob was a little bit depressed, but still cheered up and said, “Charlie, Dad wishes you a happy birthday, every year you have today, and every year you have the presents that you wish for!”

Charlie thanked all of them one by one, and the phone began to vibrate constantly, receiving dozens of text messages and WeChat texts in a row.

He turned on the phone and saw that many friends sent messages of blessings to him at this time point. Needless to say, Issac, Orvel, and Qin Gang, Warnia, Aoxue, Zhovia, Elsa, Doris, and Nanako also sent their wishes and Happy birthday message to him.

In addition, Mr. Philip and his wife, Liona and Zhiyu the mother and daughter, Pollard and Melba, the father and daughter also sent messages of blessings and good wishes.

Charlie didn't expect that even Wendy sent a blessing text message and thanked him for helping her during this time.

However, the one person Charlie didn't expect most was his grandfather Zhongquan.

Even this old man kept awake till 12 o'clock and sent a message on time to wish him a happy birthday, but Charlie didn't expect it.

And his aunt, Cynthia, who had been suffering in front of him, also sent a message, wishing him a happy birthday, and at the same time apologizing for her previous actions, hoping to be forgiven by him.

Claire was surprised to see that Charlie was constantly receiving lots of messages.

She didn't look at the content of the information, and just guessed that the people who sent wishes should be his customers.

## Chapter 3170

Elaine, who was sitting opposite, saw that Charlie was constantly receiving various messages, and couldn't help but smile and said with emotion:

"Oh, my dear son-in-law, your popularity is really good now. There are so many people who kept till 12 o'clock to wish you a birthday. They should all be your customers, so it seems that your business this year will definitely be better than last year!"

Charlie smiled slightly and said, "Actually, they are all old customers. It's just that they have become friends with me after a long time."

With that, he replied thank you one by one to all the people who sent the message, even if it was Cynthia, he politely replied the two words thank you.

Afterwards, he said to Jacob and Elaine: "Parents, it's too early. Please go back to your room and rest."

Elaine nodded and yawned: "Oh, I'm really a little sleepy. I can't stand it at this age."

After speaking, she turned to Jacob and said, "Help me and take me back to the room."

Jacob did not dare to say anything, and reached out to help her up, and accompanied her into the elevator.

Seeing the two of them enter the elevator, Claire couldn't help asking Charlie:

"Husband, do you think my parents can recover as before?"

Charlie chuckled twice: "Who can be right about this kind of thing."

Claire asked in a low voice,

"What's the situation between Dad and Aunt Meiqing? Last time Dad cried so much in the car, I was too embarrassed to ask him about these things..."

Charlie smiled slightly and said: "I haven't been aware of this matter recently, but I feel that I will see the result soon."

Claire asked nervously, "Husband, what do you mean by saying that you will see the result soon?"

Charlie thought of Pollard, and said calmly: "I still can't say this, but if there is any result, I will tell you as soon as possible."

Claire nodded helplessly: "Well then..."
