

# The Charismatic Charlie Wade Chapter 3161

Speaking of this, Tasha suddenly remembered something, and said mysteriously: “Hey, Sara, do you know that Zhifei, just made a public decision on the Internet...”

Sara hurriedly asked: “What decision?”

Tasha said seriously: “This guy I don’t know if his brain is kicked by a donkey. He suddenly announced that tomorrow morning, he will set off from Aurous Hill to the Jokhang Temple in the southwest.”

“It will be a three-step kowtow and a kowtow all the way. This is four thousand-kilometer roads!”

Sara asked in astonishment: “Is he crazy? Why did he suddenly make such a strange decision?”

Tasha said: “This is not the strangest thing. The strangest thing is that this guy actually scolded his grandfather and dad, saying that they were sinful, and went on a pilgrimage to help them wash away their sins. Do you say this person is mad? Can a normal person do such a brainless thing?”

“Besides, tomorrow is your concert. This guy has been busy for so long and spent so much effort just waiting for this concert?”

“If he says, he will leave for the Jokhang Temple early tomorrow morning, he certainly didn’t plan to watch the concert that night.”

Sara also felt very puzzled. Although she was not familiar with this man, these situations were indeed very different from his style of acting, which made her very surprised.

In doubt, she suddenly thought of Charlie, so she quickly took out her mobile phone and sent him a WeChat message: “Charlie, does Zhifei’s matter have anything to do with you?”

Charlie received the WeChat content and replied to her with a dog-headed expression, plus four characters: “What do you think?”

Sara sent a face with a smirk covering her mouth, and also replied with four words: “It must be you!”

Charlie didn’t deny it either, and replied: “This guy has played a bit too much. After I sent you to the stadium today, he asked his people to investigate my license plate number.”

“He even went to the Emgrand Group to perform a big show just to see me. On the one hand, so I gave him a little punishment.”

Sara made an angry expression, and then said: “Why is this guy investigating your license plate number? Is it because he saw me getting off your car?”

“It should be.” Charlie said with a smile: “Maybe he has been in love with you secretly, so he has been dazzled.”

## **Chapter 3162**

Sara didn’t know that Charlie punished Zhifei mainly because he wanted to investigate Claire’s BMW.

In her opinion, the reason why he punished Zhifei was that he attaches great importance to her deep in his heart, and even had protected her as private property, so naturally, he did not want to let men like Zhifei to come to entangle with her.

Originally, she was a very independent young woman, and she had always scorned the machismo that women are accessories of men.

However, since the reunion between her and Charlie, the big woman thinking in her heart suddenly disappeared.

Her biggest wish right now is to be able to stand by Charlie's side, being collected, cared for, and even occupied by him like a precious private item.

Therefore, even though she felt deep in her heart that Charlie had been a little bit heavier in punishing Zhifei for her, but her heart was still full of a different kind of happiness.

So, she replied with shame:

“Fortunately, I have decided to quit the entertainment circle after this concert. Otherwise, I don't know how many people will be taken to the southwest by Charlie for a pilgrimage...”

Charlie smiled and said, “Don't you leave the entertainment circle without someone like Zhifei harassing you?”

Sara said earnestly: “After I quit the entertainment industry, I will be ready to take over from my dad. When that happens, I will be a lady at home every day, and I will devote myself to my career when I go out.”

After that, she said again: “But if I can get married sooner, it doesn't matter if I take over dad's shift later. If my hard-working dad retire later, I will give you two or three children.”

“Anyway, my father is in very good health now, and I don't think it will matter if he has been working for another ten years!”

Charlie was a little embarrassed when he heard Sara say that she was going to give birth to two or three children very frankly, so he simply changed the subject and asked her:

“By the way, when will Uncle and Auntie arrive tomorrow?”

She replied: “They should be around eleven in the morning.”

“Okay.” Charlie said: “Then tomorrow at nine o’clock, I will pick you up from the hotel, and then we will go to the airport together.”

Sara immediately replied excitedly: “Okay! Then I’ll wait for you at that time!”

## Chapter 3163

Charlie ended the conversation with Sara. When he put away his mobile phone and walked back to the villa, his wife Claire was chatting with his father-in-law and mother-in-law on the sofa.

Seeing him coming in, she hurriedly asked: “My husband, tomorrow is your birthday. I just discussed it with my parents.”

“I will come back early tomorrow afternoon and make a big meal with my parents at home. We are a family of four. We will celebrate your birthday at home, okay?”

Charlie smiled and said: “It’s okay, just have something casually, don’t be so troublesome.”

“How can you say that?” Claire said earnestly: “This is your first birthday after moving to a new house. It must be a little grander!”

Elaine also hurriedly said: “Yes, good son-in-law, you are the pillar of our family, we are celebrating your birthday, it must be more grandiose!”

Jacob said with some shame:

“Charlie, you and Claire have been married for four years. In these four years, your mother and I haven’t given you a birthday celebration. I’m really ashamed!”

“Yeah!” Elaine also hurriedly said: “Because I haven’t given you a birthday party before, I just wanted to give it to you this time.”

“I originally suggested going out to eat, so I decided directly to go to the best hotel in Aurous Hill.”

“But later I realized that it’s more meaningful to celebrate the birthday at home. I think it’s the same.”

“Birthdays are definitely the most warmth at home. So tomorrow, the three of us will give you a good birthday banquet. I will give you a warm and unforgettable birthday!”

Charlie couldn’t help feeling a little moved when he heard this.

It’s not because of Elaine’s attitude. After all, she has always recognized money, not the people.

What really moved him was Claire’s intentions.

Celebrating a birthday at home is definitely harder than going to a restaurant to eat ready-made food. His wife can have this kind of heart, which proves that she really is waiting for his birthday.

Moreover, in the past few years, when he had nothing to do and was very unwelcome at home, she would still remember his birthday, and would always quietly buy a cake and drag him out to find a place that she can afford. At a lowkey restaurant, two people would eat a meal quietly.

Thinking back to this, he was grateful for Claire’s persistence over the past few years.

## **Chapter 3164**

At this time, Claire said to him: "My husband, tomorrow I have to go to the old town. I will go to the construction site of the Emgrand Group at noon."

"In the afternoon, I will be back early, about four o'clock to start preparations. For dinner, you will eat less at noon tomorrow and save your stomach for a big meal at night."

"Let's start early in the evening. After your birthday, we will go to see Sara's concert!"

Charlie nodded and smiled: "No problem at all!"

After speaking, he checked the time and said: "Claire, you will watch TV with your parents for a while, and I will take a shower."

"Okay." she nodded, and when Charlie came upstairs, he suggested to Jacob and Elaine: "Mom and Dad, let's stay until 12 o'clock in the morning. This time we all can wish Charlie together his birthday for the first time."

"Okay!" Elaine clapped her hands and said, "I will wait until twelve o'clock, and say happy birthday to my good son-in-law!"

Jacob naturally didn't have any comments, but he kept sighing with emotion: "Oh! Thinking about the attitude towards Charlie in the past few years, I still feel uncomfortable as a dad..."

Elaine, who was on the side, didn't think about it. She just kept chanting, "I don't know if this good son-in-law is celebrating his birthday. Will his customers come to give him gifts?"

"Last time at the new year, those people didn't give away fewer things, all kinds of rare and precious treasures, it's really blinding!"

Claire helplessly said: "Mom...what are you thinking about here...the things that those people gave Charlie, to be honest, I've always been a little worried, I hope they don't bring such things again in the future."

"You are afraid for no reason." Elaine waved her hand indifferently:

“My good son-in-law is now a Feng Shui master. What rich people like to do most is to honor Feng Shui masters. The money given by rich people somewhere to such a master was in billions, which is amazing!”

Jacob said solemnly: “That guy is a big liar, didn’t he get caught later?”

Elaine curled her lips and said, “What does it matter to my good son-in-law? He shows feng shui to others, that’s all true talents!”

As she said, Elaine continued with emotion: “Didn’t they still give my son-in-law a luxury yacht?”

“My legs and feet are not very convenient. I have never had the opportunity to experience it on a yacht. I feel regretful when I think of it. ...”

Jacob opened his mouth and said, “The weather hasn’t really warmed up yet. Go on a yacht to feel the northwest wind on the sea? I want to go too but wait till Qingming Festival.”

Elaine’s eyes lit up, and she blurted out, “That’s good! After the Festival, I would be able to remove plaster from my leg too!”

After finishing speaking, she quickly said to Claire: “Claire, when that happens, you remember to remind Charlie, let him take us out on the yacht!”

## **Chapter 3165**

After Charlie came out of the shower, seeing his wife Claire hadn’t returned to the room, he put on his pajamas and went to the living room again.

In the living room, the family of three was chatting happily.

Jacob and Elaine, the old friends who had been arguing about separating, unexpectedly stopped pouncing at each other.

Charlie came down and asked curiously: “Claire, Dad, Mom. Why don’t you go back to your room to rest?”

Claire hurriedly got up, ran over to take Charlie’s arm, and said with a smile:

“My parents said they want to stay awake, your 27th birthday is less than two hours away. Everyone is waiting to wish you a happy birthday!”

Charlie smiled knowingly, and said, “Thank you, wife, thank you, parents.”

Elaine immediately flattered and said, “Oh my son-in-law, what you and doing with your mother so politely, it is really too strange.”

After finishing speaking, she immediately asked: “By the way, my son-in-law, tomorrow is your birthday. Will your customers come to our house to give you gifts like the one time at New Year?”

Charlie was startled. He didn’t know whether Issac and the others would come to give him gifts.

However, he did have some headaches about the scene of queuing to take gifts, so he made up his mind to say to Issac after a while and asked him to ask some other people, if he really wishes to prepare gifts for him, he would ask him to not do it or deliver home.

So while he took out his mobile phone to send Issac WeChat, he said to Elaine, “Mom, the reason why they came to give gifts during the New Year is mainly that I helped them a lot last year, so they concentrated on coming over at the end of the year to say thank you.”

“They will definitely not come on my birthday, after all, people’s money is not brought by the wind.”

When Elaine heard this, she couldn’t help but said with a bit of disappointment on her face: “I thought they would come tomorrow too. If this is the case, then wait patiently until the end of this year.”

Claire on the side heard this and shook her head helplessly.

Afterward, it was rare for the family to sit together and chat quietly.

Both Claire and Jacob talked about their own work.
