

# The Charismatic Charlie Wade Chapter 3181

## Chapter 3181

Charlie patted his chest and promised: "Sara, you just believe in me and drink as much as you want. With me, it will never influence any business affairs."

Sara hesitated for a moment, but when she thought that Charlie never said irresponsible things, she nodded and said, "Okay, then I'll just listen to you. If I delay the show or make a joke being drunk. I won't go anymore."

Charlie nodded and said with a smile: "Just put ten thousand hearts."

Sara asked Lenan next to her: "Mom, would you like to drink some red wine too?"

Lenan smiled and said, "Of course I have to drink something, it is Charlie's birthday."

After finishing speaking, she looked at Charlie and said apologetically: "Charlie, my condition is a little bit tired recently, and the usual amount of alcohol may not be as good as usual. If I drink less, you will have to forgive me more."

Charlie nodded and asked with concern: "Auntie, your poor condition is due to your recent work, right?"

Philip on the side said with emotion: "Yes! Since I eliminated the threats inside and outside the group, your Auntie has been helping me with company affairs."

"Although my two brothers are much more honest, after the previous things, it is difficult to trust them 100%, so I don't dare to give them important work. Now I am suffering from no trusted staff, so your Auntie has to work harder."

After speaking, he looked at Lenan and thanked her: “My wife, it’s been really hard for you during this time.”

Lenan smiled and said sincerely: “What’s the hard work in this, as long as you are in good health and your career is going smoothly, I can rest assured.”

With that, she said again: “I myself am younger than you, so much work is nothing.”

Sara hurriedly said: “Mom, after my concert is over, I will go back to help you and dad. I will work hard at that time to make your life easier!”

Lenan smiled and said: “That’s really great. When the time comes, our family of three will cooperate, and your dad and I will definitely be able to relax a lot.”

At this moment, there was a knock on the door, and Charlie said, “Come in!”

As soon as the voice fell, Orvel dragged a delicate tray with one hand, and walked in by pushing the door with the other.

On the tray, there are three glasses filled with water and a long bundle of fruit knives.

He carefully placed the tray in front of Charlie and respectfully said: “Master Wade, the water and knife you want are here.”

Charlie nodded and smiled slightly: “Thanks for your hard work.”

Orvel said hurriedly: “Master Wade, you are too polite. If there is nothing wrong, I will go out first.”

“It is all good.”

## **Chapter 3182**

After Orvel left, Sara asked Charlie, “Charlie, what do you need water and a knife for?”

He smiled and said, “You’ll know right away.”

Then, he took out a very delicate rosewood box from his pocket.

When he opened the red sandalwood box, Philip recognized the pill in it at a glance.

He knew that this was the miraculous medicine that saved his life at the beginning and even made him younger than a dozen or twenty years old.

Mother and daughter Lenan and Sara witnessed this miracle with their own eyes, so they were naturally impressed by this pill.

However, the family of three didn't know why Charlie suddenly took out such a precious treasure.

At this time, he took out the Rejuvenation Pill directly, and then took the fruit knife sent by Orvel and divided the Pill into three equal parts.

At this time, the family of three finally realized the purpose of what Charlie did.

Philip and his wife Lenan felt some inexplicable tension, excitement, and faint expectation deep in their hearts.

It's not that they have always coveted the Rejuvenation Pill, but that both of them are almost at the age of knowing the fate of heaven. The more they reach this age, the more they long for the youth that has passed.

Usually, they don't dare to hope that they still have a chance to have any contact with the Rejuvenating Pill.

Therefore, seeing Charlie take out one and divide it equally into three, the two of them have realized what he is going to do, and they are naturally excited.

Then they saw him and put these three rejuvenating pills into three cups of water.

It is also amazing to say that this solid rejuvenating pill, as soon as it enters the water, it immediately melts, and quickly dissolves into the water completely.

In the water with the melted rejuvenating pill, there is no color, as if it has disappeared directly into the water.

Afterward, Charlie put the three cups of water and handed them in front of the three of them, and said:

“Uncle, Auntie, and Sara, your bodies are all healthy now. It’s just because of the intensity of your work that you are in a fatigued condition.”

“The tiredness is slightly more, especially in Auntie it is relatively obvious. After all, you have worked harder during this period, and when Uncle got sick before, you did not worry less.”

“In these three glasses of water, each one contains one-third of the rejuvenating pills.”

“Although it can’t make the three people around 20 years old, it can at least restore the physical, skin, and mental state to five or eight years younger.”

“At the same time, it can greatly supplement the body’s demand for vitality, and it can also greatly improve the energy and physical strength of the three in the future work and life.”

Speaking of this, he looked at Lenan with an excited look, and said with a smile:

“Auntie, if you drink this glass of water, not only will your tiredness be completely relieved, but your skin and body will also be younger.”

“It is estimated that in time, People who don’t know will think that you are less than thirty-five years old!”

“As for Uncle, you may be able to reach 38 or 39 years old.”

“As for Sara, it is estimated that the whole person’s feeling can return to the state of eighteen years old.”

## **Chapter 3183**

Hearing Charlie’s words, Lenan was not only excited, but her eyes turned red.

She was really moved by Charlie.

She didn't even dream that Charlie would directly take out a rejuvenating pill because of her recent fatigue. This generosity greatly exceeded her normal cognition.

Although Gu's family is very rich, Lenan and her family's strength are also good.

However, the more money she has, the more she understands that money is not the most important thing in this world, and those things that cannot be bought with more money are the most precious in this world.

For those poor people whose lives are in a problem, even if they know that their job may seriously harm their body, but in order to support the family, they are willing to exchange their health for this reward.

But for these top wealthy people who have already fully realized financial freedom, what they fear most is anything that hurts their bodies.

And they don't hesitate to invest a lot of money, just to make their body healthier, and let them live for a few more months, even just a few days.

However, sometimes money is not everything.

Even for a billionaire, by the age of 50 or 60, it is impossible to prevent his body from getting old, it is impossible to prevent his physical strength and energy from declining.

Therefore, something like Rejuvenation Pill has become the most precious treasure in the eyes of the rich.

This is also why Tailai was willing to spend 2 billion in cash to bid for Charlie's Rejuvenation Pill.

The wealthy people who were on the scene that day were still far worse than the Gu family in overall strength.

If a group of top wealthy people of the Gu family's level were brought together, the auction price of a Rejuvenating Pill might even exceed tens of billions.

Lenan understands the value of this Pill, so she is naturally excited and grateful.

## Chapter 3184

Philip was even more moved.

After all, Charlie once saved his life and even made him at least ten years younger.

With such great kindness, he didn't know how to pay it off. Now he took out another rejuvenation pill and gave it to his family.

Three mouthfuls, which made him feel ashamed.

So, he hesitated again and again, and said: "Charlie, you are so caring for our family of three. I am really grateful, but this gift is too expensive, I am really ashamed to accept it..."

Speaking of this, he couldn't help sighing, and then said: "It's just that your Auntie is really not in good health recently."

"Whenever I see her working day and night, I feel distressed, so I will take it for you, Auntie. Take this glass of water and keep the remaining two glasses for yourself!"

Charlie heard this and shook his head helplessly and said, "Uncle, just now you told me not to think like outsiders, but in a blink of an eye, you started to see me as an outsider."

"I have already said that this rejuvenation pill is for you, Auntie and Sara, even if you don't feel sorry for yourself, don't think like that for others."

"You still have to think for Sara, she is about to hold dozens of concerts all over the world, she must be very tired from running around."

"Anyhow, none of you have to regret it. Why are you being polite to me at this time?"

Sara hurriedly said: "Charlie, I'm fine, I'm so young, it's nothing like feeling tired at all!"

Charlie said with a face: "Don't fool me here, you forgot how the two of us met again? If it weren't for your stomach troubles all the time, why would you be willing to endorse my product?"

“You are only in your 20s. You already have stomach problems. Isn’t this caused by running around and getting tired all day, not eating on time, and having an unhealthy lifestyle?”

Sara whispered a little embarrassingly: “Although I have always had stomach problems, after taking JX Weisan, it is all cured... The big deal is that I will buy more JX Weisan this time to ensure that I won’t have stomach problems again.

Charlie said seriously:

“If a person is too tired, it will hurt not only the stomach, but also the liver, and even increase the burden on the heart. For the stomach it is JX Weisan, what about other things?”

“You have to run around this time. After such a long tour, what if something goes wrong while you are abroad?”

As he said, he looked at Philip again, and said solemnly: “Uncle, since you have an attitude like this, I shall treat you the same.”

## **Chapter 3185**

Charlie continued: “The plane you gifted me is too expensive.”

“It’s inappropriate for me to take such a thing, so I will arrange for someone to take down the two engines and you have to take them away?”

When Philip heard this, he was speechless.

Take the engine apart? How can there be such...

Besides, what would be the use of a plane without engines?

However, he was also very clear in his heart that Charlie really regarded his family of three as his own family, so he was so generous to come out with a rejuvenating pill.

Thinking of this, he was deeply moved in his heart, and at the same time he couldn't help but secretly said:

"Charlie treats us as his own family, and naturally I can't see him too much."

"Moreover, he and Sara have a marriage contract, and sooner or later he will be my son-in-law."

"If it is too far-sighted, it would seem that his future father-in-law is not doing things authentically..."

At this point, he sighed softly, looked at Charlie, and said gratefully: "Charlie, your kindness to our family of three will be remembered by me this whole life!"

Lenan also blushed and said, "Yes, Charlie, we are a family of three, and we owe you too much. If it weren't for you, our family would have been ruined..."

Charlie hurriedly said: "Auntie, please don't say that! If you really want to say who owes whom, I owe you, Uncle, and your daughter."

"For so many years, your family had been worrying about me. Worrying about finding me, and even traveling all over the world to find me."

"How can I be this person and worthy of being treated like this by your family! This kindness is more important than Mount Tai in my heart!"

Sara's eyes were also red. She resisted the tears and said, "Dad and Mom, we treat Charlie as family, and he also treats us as family. This proves that us four are truly a family."

"Even if Charlie and I are not married yet, he is still our family! As a family, we can't do anything for each other too much."

"Let's not be polite to each other here. If we say too much to be polite, it will be too far-sighted!"

After that, she looked at the three of them and said seriously: "I will leave the words here today, and I will never be polite to Charlie again."

“He is kind to me, it is my blessing since he is mine. I don’t want to be polite, I just want to enjoy his kindness to me!”

“Of course, I do the same to Charlie, no matter how precious things are, as long as he needs it, I will never hesitate for a second!”

As soon as she finished speaking, she picked up a glass of water and said proudly:

“No matter what you two are thinking, I will do it first!”
