

# The Charismatic Charlie Wade Chapter 3191

## Chapter 3191

Charlie couldn't help but exclaim: "Really? I say why it looked so familiar, but I have no specific memory of the scene at that time."

Lenan nodded, took out a photo album from her handbag, then opened the photo album, found a yellowed old photo, and handed it to Charlie.

Charlie took it and took a look, and found that in this photo, he and Sara, and their clothes, looks, movements, and even expressions were exactly the same as the fondant doll on the cake.

Lenan on the side smiled and said,

"After you sang the happy birthday song that day, we kept clamoring that you would marry her as a daughter-in-law."

"After you grow up, you must marry our daughter as your wife, so your expression is very aggrieved, saying that you don't want to marry a follower who sticks to you all the time."

"And then when we wanted to take pictures of you two, you felt even more unhappy that's it. This is how you look like."

Charlie looked at the photo and didn't recover for a long while.

He remembered many things that year, but many things that year had only an outline in his mind, and the relevant pictures had long been blurred to the point that he could hardly find any memories.

This is mainly because he has completely lost the channels and ways to retrieve his image memory since his parents died.

For so many years, he didn't even have a photo of himself as a child, nor a photo of him with his parents, or a photo of his parents when they were young.

So much so that after so many years, even the appearance of his parents is a bit vague in his memory.

Therefore, when he saw the fondant doll at first, he never thought it was himself and Sara.

Now suddenly seeing this old photo of himself and Sara when he was a child, he was naturally full of emotion in his heart.

Sara on the side asked him with a smile, "Charlie, do you still like this cake?"

"I like it, I really like it!" Charlie sighed sincerely: "I didn't expect this cake to be so realistic!"

Sara smiled and said,

"This is made by Eastcliff's most powerful fondant cake master. The people who lined up to make fondant cakes for her are too few to count, and many of them are very, very rich and famous."

"We had made an appointment for this birthday cake for several months. My parents brought it so far from Eastcliff just to surprise you."

Charlie looked at the doll on the cake, looked at the innocent look of himself and Sara, with mixed feelings in his heart, and even his eyes were a little hot and moist.

So he hurriedly smiled and joked: "Oh, this doll is so beautifully made, I don't want to eat it anymore."

Sara smiled and said, "Charlie, this doll is not for you to eat, it is reserved for you as a souvenir. You can eat everything except the fondant dolls."

## Chapter 3192

Hearing that the fondant dolls weren't for eating, Charlie was a little relieved, otherwise, it would really feel strange if his or Sara's caricature dolls were to be eaten.

Next to him, Sara looked at Charlie affectionately, and said softly:

"Charlie, I want to sing the happy birthday song to you like I did when I was a kid! You can make a birthday wish meanwhile, and wait until I finish singing to blow out the candles."

Charlie nodded lightly, smiled, and said, "Okay!"

Sara adjusted her breathing slightly, and then sang affectionately,

"Happy birthday to you~Happy birthday to you~Happy Happy birthday! wish you~Birth~Day... "

At this moment, Charlie put his hands together, closed his eyes, and silently made a small wish.

Now he has no material desires. His greatest desire is to find out the truth about the death of his parents and avenge them, but if this desire is put on such a warm birthday, it is more or less uncomfortable.

Therefore, he silently made a wish in his heart, hoping that all his family and friends would be safe and healthy.

That's enough.

After making the wish, Sara's birthday song was finished, and he burst into action and blew out the 27 candles on the five-layer cake one by one.

Sara, Philip, and Lenan clapped together, and Lenan smiled and said: "Charlie, I wish you like today and every year, and all your wishes be realized!"

Philip also nodded and said, "Charlie, I wish you all the best, peace, and success in your life!"

Charlie was moved and thanked them repeatedly.

Sara on the side approached Charlie's ear and quietly pointed at herself in the fondant doll. With a volume that only he could hear, she said,

"Charlie, I wish you Marry this girl home as soon as possible!"

Charlie smiled knowingly, without comment.

He had understood Sara's thoughts a long time ago, but there were many things that couldn't be explained clearly, so he simply played stupid.

## **Chapter 3193**

At this time, Lenan handed over a knife for cutting the cake and said, "Charlie, you are the birthday star, cut the cake first."

"Everyone will be happy after eating two bites, and then we will officially start the meal!"

"Okay, Auntie!" Charlie quickly agreed, and then used the knife to cut off a few pieces of the bottom layer of cake, put them on a small plate, and handed them to the three of them one by one.

Afterward, Philip took him, sat back at the dinner table, and began to enjoy the wine.

He took the initiative to pick up the wine glass and said to Charlie:

"Charlie, I have said too much thanks, I won't be a dog here, I will toast you on behalf of our family of three with this glass of wine!"

Charlie did not decline, picked up the wine glass, and said seriously: "Thank you, Uncle!"

The two immediately drank the liquor in the glass.

Philip said: “Charlie, your parents left early. Based on my relationship with your father, after he left, I should take care of you, nurture and educate you, and treat you as my own, but For so many years, I have not been able to find you.”

“In your 27-year-old life, you have been missing for nearly 20 years, and there are so many regrets...”

Speaking of this, he sighed and said seriously: “In the future, I only hope to spend more birthdays with you in my lifetime!”

Charlie was moved in his heart and said with a smile: “Uncle, how can you just have a few birthdays, at least it will take dozens of times before it makes sense, right?”

Philip laughed and said heartily: “Yes! I will have dozens of times!”

Between pushing the cups and changing the cups, Charlie and Philip had each drunk a catty of white wine, but both of them were only slightly drunk.

Even Lenan, who was originally incompetent, did not show any discomfort after drinking a bottle of red wine alone.

On the contrary, because of the effect of alcohol, she felt very happy as a whole.

Under the effect of alcohol, her cheeks were slightly reddish. Coupled with the rejuvenation pill she had just taken, her complexion looked white and red, charming and attractive.

## **Chapter 3194**

Philip looked at his wife, slightly stunned, and couldn't help but admire: “My wife, look at you now. There is a special illusion that we just got married...”

Lenan smiled slightly and said with some embarrassment: “The children are here, don't talk nonsense...”

He said solemnly: “What I say is from the bottom of my heart!”

As he said, he took out his wallet, and after opening it, in the outermost transparent card slot, there was a photo of the two when they were young.

Philip handed the photo to Charlie and Sara, and said: "Look at it, am I telling the truth?"

Charlie looked at the photo. Lenan in the photo was about twenty-six or twenty-seven years old. However, at that time, she took a mature route. Even the old photos looked very moving.

At that time, she was more attractive than now.

Sara on the side looked at her mother's old photo and exclaimed: "Mom, you were so beautiful when you were young."

"Although I have seen this photo many times, I can't help but praise it every time I see it..."

Lenan smiled and said: "Don't play rainbow f\*rts here. To put it mildly, those are youths that have long passed away, and you are in the age of positive youth."

As she spoke, she couldn't help but sighed: "But when I was young, Sister Margaret was really beautiful."

After that, she looked at Charlie and said sincerely:

"Charlie, you don't know how outstanding your mother was when she was young. There was a saying in the celebrity circle of the city that Changying brought Margarate from the United States to Eastcliff."

"At that moment in the city, the attraction of all the women in the city was instantly extinguished..."

Charlie couldn't help but chuckle: "Auntie, is there such an exaggeration you said?"

"Of course there is." Lenan said very seriously: "Your mother was in Eastcliff at the time. It was an absolute dimensionality reduction attack."

“Her appearance, temperament, figure, education background, and family background were all in the crushing class.”

“Starting to open up, when it comes to trends, the United States was definitely the center of the world trends at that time, so your mother was very amazing in all aspects in our eyes.”

She said again: “Furthermore, your grandfather’s family had been cultivating deeply overseas for many years, and it can definitely be regarded as a big old family.”

“The so-called nobles in Europe are also far behind your grandfather’s family. Your mother was the jewel in the hands of the An family.”

“What we have received is the dual aristocratic education of the East and the West, which is what we can compare to...”

Speaking of this, Lenan couldn’t help but said with emotion:

“At that time, whatever clothes your mother wore would immediately trigger a frenetic trend in Eastcliff’s celebrity circle.”

“At that time, your mother was the vane of Eastcliff’s celebrity circle. What she wears and what she carries, others couldn’t wait to find a way to buy it back and imitate...”

Sara asked in amazement: “Mom, what you said is true?”

“Of course!” Lenan said earnestly: “At that time, we hadn’t really connected with the world, and the information gap between local and foreign was very large.”

“Unlike now, the information network is so developed, there is basically no information gap at home and abroad.”

Speaking of this, she suddenly remembered something and asked Charlie:

“By the way, Charlie, have you ever thought about going to the United States to meet your grandpa and grandma?!”

## Chapter 3195

Hearing Lenan's question, Charlie was a little surprised for a while.

This was the second time he heard that, others asked him if he wanted to go to the United States to find his grandparents.

And the last one who asked him the same thing was Sara.

So Charlie told Lenan the same, what he had said to Sara before, showing that he didn't want to disturb his grandparents who hadn't seen him in 20 years, and hadn't even seen each other a few times.

When Lenan heard this, although she understood it deeply in her heart, she could still tell from her expression that she felt somewhat sorry for Charlie.

After hesitating for a moment, she said seriously:

"Charlie, in fact, for so many years, not only you have been searching for the truth about the murder of your parents, but your Uncle and I have been trying every means to investigate when we are looking for you."

"It was not clear who were the men behind the incident, but for so many years, we have not found any meaningful clues."

"So your Uncle and I think that there must be a very powerful man behind this incident, pushing and trading everything."

"If you want to find them out by your own ability, I am afraid it will be very difficult."

Philip also nodded at this time and said, "Charlie, although on the surface, today's society has been integrated globally, when it comes to classifying, the barriers between each class are far beyond your imagination."

"In our country, there are only four or five top families. Even if other families are rich, they can never be integrated into the circle of top families."

“There are many secrets, many special channels, and resources, only these few of the top families can know and master. This is only in the country.”

“If you look at the whole world, the real top families are those three. Many secrets are only known by these three families. Many things are possible only with these three families. The investigation came out.”

“Who killed your parents? Your grandfather and grandmother probably knew the answer long ago. Even if they didn’t know, if they used their resources, they would surely be able to investigate and find out.”

“So, if you can be with your grandparents If you recognize each other, this mystery may be solved immediately.”

Lenan also agreed very much and said:

“Yes, Charlie, your Uncle is right. It’s even possible that your grandpa and grandmother have already helped your parents avenge. If that’s the case, you are still here thinking about investigating.”

“Finding out the truth about what happened in the past and finding out the murderer of your parents is probably a useless effort.”

“Anyway, first recognize your grandpa and grandma, and then confirm this with them is the safest thing.”
