

The Charismatic Charlie Wade Chapter 3206

Chapter 3206

The reason for this is that the lady Willson came to have some fun with him, but it was because of Wendy.

She certainly does not know that the reason why Wendy was able to leap from bullying Miss Manners to become the general manager of Shangmei Etiquette Company is entirely that he saw her pity situation and gave her a chance.

Hearing this, he looked at Mrs. Willson, just like looking at a stupid old monkey, and said playfully: "Mrs. Willson, the most failed point in your life is short-sightedness, but if you can look deeper, the Willson family would not have fallen to this point today."

Then, he said seriously: "If you still want to continue to have the soup, then remember that in the future it is our family's well water, but if you can not do this, then maybe you will not have the opportunity to continue to live here."

After saying this, Charlie was ready to close the door, but unexpectedly, when Mrs. Willson heard this, she immediately became anxious and hurriedly stepped forward and blocked the doorway, cursing offhandedly,

"Charlie! How dare you preach to me, what are you? If it wasn't for my old man who brought you back from the construction site, you might be begging for food now, and you dare to call me short-sighted? Do you think my Willson family's previous foundation came from the wind?"

Charlie shook his head and said, "I don't know if the foundation of your Willson family was blown by the wind, but now it has been lost by you, the Willson Group should have been liquidated long ago, right?"

If I guess correctly, you should still owe a lot of money on the bank side, otherwise, your old villa will not be seized by the bank, now you can temporarily live in this villa given by others, what else do you have? If not for Wendy's ability to earn more money now, you would still be pulling plastic bags in the supermarket, right?"

Mrs. Willson didn't expect that Charlie would poke her in the heart with every word. The bankruptcy of the Willson family was the one thing she couldn't let go of deep down, while being forced to work in a supermarket was the one thing she felt most humiliated about deep down.

Angry and frustrated, she said: "Charlie! Don't be complacent too early! It won't be long before you'll be thunderstruck! I'll be waiting to see your family's joke then!"

Charlie nodded and laughed: "Welcome, but I'm afraid that you, old woman, won't be able to wait until the day I get that, so it would be a pity if you can't witness it?"

Mrs. Willson gritted her teeth and sneered, "I think you'll only be here for a month or two! When those rich people react, not only will they take back all the money you cheated them out of, they will also send you to jail and sentence you to life imprisonment!"

The more Mrs. Willson said, the more furious she became, and continued to curse as if she was on top of her head: "By then, Jacob and Elaine, as your accomplices, will definitely not end up well either!"

She said, panting, "Right, I almost forgot! There is also Claire!"

Charlie's eyes suddenly turned cold as he stared at her and said in a cold voice: "Old lady, it is because of Claire's face that I am reserving the last point of tolerance for you, but if you dare to speak out against her, don't blame me for not showing mercy!"

"Aigoo! Do you think I'm an old woman who's scared? I've even been in jail, how can I be afraid of you?"

When lady Willson saw that Charlie seemed to be very sensitive to her mention of Claire, she immediately thought that she had caught Charlie's sore spot, so her anger suddenly became even more arrogant.

Chapter 3207

Just as she was about to target Claire and make a good dig at him, she suddenly heard someone shout out, “Grandma! What are you doing here?!”

The one who spoke was actually Wendy!

Today is the weekend, Wendy originally did not have to go to work, but because there are more students at the training school, so she specifically went over to keep an eye on the professional class for half a day.

The first thing you need to do is to get a new one.

Although Wendy knows very well, with Charlie’s current economic strength, a Hermes belt in his eyes is really nothing.

But for the current Wendy, this is one of the few luxury items she can afford.

After all, she now earns money alone, four people eat, and her father and brother still need quite a lot of convalescence money, so she herself has been frugal, it was not easy to save this more than eight thousand dollars.

After she had the shopkeeper help to wrap the belt, on the way back she had been thinking about how she should hand the gift to Charlie.

After thinking about it, she planned to put the gift in the mailbox in front of Charlie’s house, and then send a WeChat to Charlie to come out and get it himself.

She felt that this was relatively safe and would not be known by others, especially her sister Claire.

Moreover, if Charlie was not willing to accept his gift, he would not have the opportunity to reject it face to face, and more or less leave herself some leeway.

However, when she was about to pass by his door, she heard her grandmother’s furious voice from quite a distance, and when she took a closer look, she saw her actually blocked Charlie’s door and quarreled with him!

This scared Wendy's soul half off!

So, she hurriedly stepped on her high heels and ran all the way to the door of Charlie's house, dragged Mrs. Willson, and pulled her without saying anything: "Grandma, come home with me!"

Wendy, after this period of training, can now be said to be very discerning, she saw the old lady to find trouble with Charlie, she knew that the old lady must have caused big trouble, this kind of time must not continue in front of Charlie's house and her tussle, or her emotions up, excited, otherwise, don't know what will she say to Charlie in anger.

Therefore, the best way is to get the old lady away first, and then find a way to apologize to Charlie!

Mrs. Willson didn't expect Wendy to come back at this time, and when she saw that she was pulling herself to leave, she hurriedly said, "Hey Wendy, don't pull me, I'm telling you, this guy Charlie is about to get caught, what are you afraid of him for? Maybe in a few days, their family will ask us to take them in!"

Wendy felt her back full of cold sweat, blamed off the mouth: "Grandma what are you talking nonsense! Brother-in-law is so powerful, how can he fail! You quickly apologize to brother-in-law, let's hurry home after apologizing, don't give him a hard time here!"

Mrs. Willson raised her eyebrows: "What? Let me apologize to him? He is a liar who is always trying to cheat, how can you ask me to apologize to him? How dare you ask me to apologize to him?"

"I'm telling you, Wendy, you were deceived by the illusion of his previous call to action! Look at his birthday today, not even a single person came to his door to give him a gift, what does this mean? It means he is no longer able to do it! Maybe he'll be reckoned with in the future!"

Wendy knew very well that Charlie's connections in the city were extremely strong, so how could she just say that?

If he really is failing, then Shangmei etiquette company's ex boss must be the first time to come back to find the company to snatch back.

So, nothing else to see, as long as he has not come to find her, then Charlie is certainly not likely to face any trouble.

The only possibility is that her grandmother is in big trouble again!

Chapter 3208

Seeing her grandmother's arrogant appearance, Wendy was afraid in her heart and hurriedly said, "Grandmother! How can you be so rude to brother-in-law! Hurry up and apologize to him!"

Mrs. Willson listened in awe and said, "Wendy, are you out of your mind? Has our family suffered less from his bullying?"

The old lady said with righteous indignation and reprimanded: "Don't you forget! Your mother was sent to the black coal kiln by him!"

"If he hadn't sent your mother to the black coal kiln, your father and your mother wouldn't be in this situation today! That shrew Elaine would not have had the chance to humiliate your father by hanging green hats all over the balcony!"

"Also, have you forgotten what happened to you and me, when we were taken into custody? That is not all thanks to him?!"

"Now that you have a chance to take revenge, you not only don't help me, but also turn your elbow to this son of a bltch, you want to kill me!"

Wendy's expression suddenly became very ugly, and she said very seriously, "Grandma! You are so old, why don't you still have a correct sense of right and wrong?"

"You are right, my mother was indeed sent to the black coal kiln by my brother-in-law, but have you ever thought about why she was sent to the black coal kiln by him? If she hadn't made a game with that woman, pitted all of Elaine's money not to mention the brother-in-law's villa, he wouldn't have been able to punish her that way!"

"And the two of us into the detention center, that incident, in the end, is also our own blame, the villa was given to brother-in-law, but you wanted to take over, repeatedly

come to trouble, you also encouraged brother to come over to the old housekeeper of Solmon at that time, we were not sentenced, is already brother-in-law's extra-legal grace! "

Mrs. Willson stood dumbfounded as if she had been struck by lightning.

She looked at Wendy, unable to say a word for half a day, while her whole body was already trembling violently because of her anger.

Half a day later, she pointed at Wendy and said in the utmost pain, "Wendy ah Wendy! What kind of mesmerizing soup have you been given by Charlie? You have always hated him, so why are you starting to speak to him now?"

Wendy looked at her and said without flinching: "Brother-in-law didn't pour me any soul-soup, and I didn't speak to him, I just saw the truth of the matter itself!"

"Previously a thousand mistakes, it is our fault, I am sorry to my cousin, but also sorry to brother-in-law, we hurt and failed them again and again!"

"You you f*rt!" Mrs. Willson was so angry that she almost had a heart attack, trembling and pointing at Wendy, angrily rebuking, "Have you forgotten how Charlie plotted to harm our family?"

"We almost lost half of our lives when we ate the dumplings wrapped by the daffodil! Is this not a blood feud now?!"

Wendy shook her head and blurted out, "Daffodil was planted at home by brother-in-law, and you stole it as leeks to eat, which is theft itself! Stealing other people's things to eat, eating poisoning is also entirely your own fault, what does it have to do with him?"

Mrs. Willson was furious, her face red and neck thick, gritting her teeth and cursing, "You you are trying to kill me, you! If you continue to favor him, then I won't have you as my granddaughter!"

Wendy was not willing to show weakness and shot back, "If you don't apologize to brother-in-law, then I won't have you as a grandmother!"

Mrs. Willson was stunned and cried out, “Wendy, are you crazy? What’s so great about this guy that you’re willing to turn against your grandmother for him?”

Chapter 3209

Wendy’s red eyes, emotional roar: “To be honest I’ve long had enough of you bossing me around!”

“You were the one who made me go with Gerald, you were the one who made me go with Fredmen, you were the one who caused me to lose my reputation, caused the Willson family to go bankrupt, and caused me to be forced to work as a courtesan to support my family!

“I have been suffering for more than a year, and a large part of it is because of you! You don’t repent, but now you want to force me to turn my back on my brother-in-law who has been so kind to me.

Mrs. Willson also broke down and cried: “In the past, grandmother certainly did something wrong, you can blame grandmother, I have nothing to say, but I have loved you for so many years, do you not know how to be grateful?”

“You don’t know how to be grateful to me, but you even said that Charlie has a kindness to you, you talk like this, don’t you think you are losing your conscience?”

The angry Wendy said without thinking, “Of course I don’t feel guilty! When I was forced to sign a contract of sale at the ceremony company, it was brother-in-law who rescued me!”

Wendy said, with tears in her eyes, continued, “Brother-in-law not only saved me, but also drove away the black-hearted boss and his girlfriend, and restored the freedom of all the other sisters who were forced to sign the deed together!”

“And, I tell you the truth, it was brother-in-law who gave me the Shangmei Etiquette Company to take care of! What I can have today, it is all because of brother-in-law’s care! The nobleman I am talking about is him!”

When Mrs. Willson heard this, her whole body was shocked, and her eyes could not wait to fall to the ground.

She had never dreamed that the noble person that Wendy had met was Charlie!

It is ridiculous that she thought that Wendy had climbed up to a nobleman, Charlie instead might have to falter, so she ran over to him for a round of mockery, but did not expect that the reason why their family still has food and drink is that he rewarded them a mouthful of food!

At this time, Wendy more and more excited, to the old lady Willson, said loudly: "Shangmei etiquette company can do so much so quickly, and it is not because of my capabilities."

"It is brother-in-law who has long helped me to deal with the underworld men, so those very people are now trying to take care of my business by all means!

"There are so many powerful people, so many different kinds of industries, now as long as there is a need for a Miss etiquette, they will definitely seek my cooperation!"

"Even many times if they don't need a Miss Etiquette, they still have to find me to cooperate!"

"Why is that happening? That is all because of brother-in-law."

"Have you ever seen the bosses of the road meeting, dozens of courtesans were invited to the scene to welcome guests, do sign-in?"

"Have you ever seen a big man marry his daughter, do not want the hotel's waiters, but instead spend money to hire more than a hundred ladies of etiquette, to go to the scene to serve food and wine to guests, tea and water?"

"The reason they do so, all because of the face of brother-in-law, only to help me by all means! Because of this relationship, Shangmei can develop so fast!"

Saying that, she pointed at Mrs. Willson and rebuked, "The food and clothing that you, my father and my brother have now are all given by brother-in-law!"

“Even this new dress you’re wearing is only possible because of brother-in-law’s blessing!”

“Otherwise, I would have been forced to sign a contract of sale and become an escort in a KTV, so I wouldn’t have any money to buy you new clothes.

“Maybe you even have to go to the supermarket to pull plastic bags to feed yourself!”

“Now that you have a stable life, you have to come out and make a fool out of yourself, what are you doing?”

“Do you want to force me to leave home and make a clean break with you forever?”
