Chapter 3213

So, Wendy nodded and said: “8,000 is 8,000, but you remember your promise not to interfere with my life and my freedom!”

“In addition, after my father and my brother can work, I will only pay 3,000 a month to the family! If you don’t agree, I’ll move out!”

Mrs. Willson promised in a loud voice, “Okay, grandma will definitely not interfere with your freedom in the future!”

Wendy took the Hermes belt back from her hand and looked at it in her hand for half a day.

She originally wanted to quietly put it in the mailbox of Charlie’s house and then tell him on WeChat.

But, grandma is around now, and she didn’t want to do this in front of her.

Moreover, just now, Charlie’s attitude did make her realize how distant he felt from herself and her family.

Thinking, Charlie should just help her in passing, but at the same time keep a distance of well water from her at all times in his heart.

In this case, she took the chance to send him a birthday gift, it will be a coincidence and make him resentful.

Thinking of this, she sighed quietly and said to Mrs. Willson, “All right, Grandma, let’s go home.”

Mrs. Willson nodded resentfully and followed behind Wendy, walking towards her villa while sighing and complaining,

“Wendy, it’s not that grandma is talking about you, why didn’t you tell me earlier about Charlie helping you? If you told grandma earlier, I wouldn’t have to run to touch this nail

Wendy walked in front, looking at the Hermes belt in her hand, said distractedly, “Brother-in-law won’t let me tell anyone.”

“Ai

Wendy heard these words, the heart is even more difficult, so the bottom of the feet quickly walked two steps, first back to the villa where the family lives.

Mrs. Willson trotted all the way up to catch up, the two came to the upstairs bedroom, lying in bed Noah and Harold have long been a little impatient, Harold with a look of expectation asked Mrs. Willson: “Grandma, did you see Charlie?”

Mrs. Willson said with a despondent look, “I have

Harold was busy asking, “Then what does he say? Is this guy really about to burst into flames?”

Mrs. Willson lamented, “What bursting into flames? Really whimsical, Charlie is impossible to falter

“Why ah grandmother?” Harold was amazed, hurriedly said:

“This is not all your analysis? Say what a leaf to know the autumn, also said what before the door to the market, and what now the door can be a sparrow, etc, how now say I whimsical?”

Mrs. Willson said in exasperation, “What’s wrong with me saying a few words? It’s not a crime to speak such things!”

Noah said in a roundabout way, "Mom, don't be so mean to Harold, he grew up naughty and didn't read much.

After saying that, seeing that Mrs. Willson's expression had eased a few points, he hurriedly asked, "Mom, you can tell us. Charlie that son of a b!tch why it is impossible for him to fail?"

Mrs. Willson sighed and said quietly,

"In the end, I was wrong in my estimation, this kid really has some ability, before Wendy has not told us, the person that helped her a lot, who gave the Shangmei etiquette company to her management, is Charlie!"
