

CHAPTER 801

Under the gaze of the crowd, at the door, the servant of the Yue family was carrying a middle-aged man in his forties, wearing a black suit and white shirt, wearing glasses and holding a briefcase.

With a smile on his face, the man is a little fat and looks very ordinary.

But when Zhong Luofei saw the man's first sight, he immediately welcomed him with a smile, stretched out his hands and said warmly, "Secretary Wen, you're here. Welcome!"

Wen Yuan naturally noticed the people's eyes. He glanced at them and then said in a loud voice with a smile: "today, I'm here at the request of director Qi to find Mr. Chen Fei and give Mr. Chen a prize!"

For a moment, the eyes of all the people on the scene are all focused on Wen Yuan and Chen Fei.....

The boss looked a little ugly and said, "Secretary Wen just said to come to Chen Fei, but he didn't say whether it was a good thing or a bad thing. It's not settled yet. What's your hurry! "

Mr. you was relieved, with a smile on his face, and said to boss ten days, "boss ten days, it's time for you to prepare Jade Buddha."

Ten days boss, who had been in the grip of victory, unexpectedly killed a secretary Wen, and came to find Chen Fei. Suddenly, his face was a little ugly.

The two gamblers, the boss of ten days and Mr. you, are also nervous at the moment.....

At this time, Yue Qiaoxi was also worried and puzzled, guessing in his heart.

"Is it Secretary Wen who happened to be here, so the Qi bureau chief asked him to complete the task?" Zhong Luofei guessed in his heart.

Zhong Luofei thought this in his heart, but then he felt a little incredible. After all, he had just made a phone call for more than ten minutes. How could director Qi send Secretary Wen to kill him.

It was actually entrusted by director Qi himself. What's the matter? Is it because of his phone call that director Qi personally ordered to ban Chen Fei's health wine?

Zhong Luofei's eyes are constantly changing, and his heart surges up quickly.

On hearing this, they were shocked again, with a look of doubt and shock on their faces.

Wen Yuanlang said in a voice: "I've come to see Mr. Chen. Naturally, I have something to do. Moreover, it is a major event entrusted by director Qi himself.

"Yue Qiaoxi also frowned, and then asked softly, "I don't know if Secretary Wen is looking for Mr. Chen. What can I do for you?"

Zhong Luofei's face was a little ugly. After all, he was still on the phone just now, saying that he wanted to ban Chen Fei's health wine. As a result, now people have a relationship with a person of secretary Wen's level. I'm afraid that's a bit of trouble.

The crowd was surprised and a little surprised.

"What

As a result, as soon as they spoke, Wen Yuan laughed and said, "Longjiang is right. I'm looking for Mr. Chen Fei of Longjiang."

"This Mr. Chen Fei is from longjiang City, not from Yuqing city. Secretary Wen, you can't be mistaken! " Josie Yue also said.

Zhong Luofei asked tentatively, "Secretary Wen, are you really looking for him?"

In surprise, Zhong Luofei and Yue Qiaoxi come back to their senses and hurry to get there.....

"There won't be any misunderstanding, will there?"

"What happened and how did he know Secretary Wen?"

"It's impossible, isn't it? Why did Secretary Wen come to him? "

They never thought that the person Secretary Wen was looking for was Chen Fei. For a moment, they were stunned.

At this time, Zhong Luofei and Yue Qiaoxi, who were looking over from behind, were dumbfounded when they saw this scene.

Chen Fei also reached out and shook hands with Wen Yuan.

"Yes, yes, that's me. We were just on the phone With a smile on his face, Wen Yuan reaches out his hand and shakes hands with Chen Fei.

Chen Fei nodded, stood up and said, "I am, you are Secretary Wen Yuanwen."

Just when they were curious about who Secretary Wen was looking for. Secretary Wen went to Chen Fei's desk, looked at Chen Fei, and then asked with a smile: "excuse me, are you still Mr. Chen Fei?"

Hearing the words, they were surprised and surprised. Then Qi Qi turned his head and looked in the direction of secretary Wen.

"Found it!"

As soon as he saw that face, Secretary Wen's eyes suddenly brightened, and his face showed a touch of excitement. He hurried to the other side and said, "thank you very much, but don't bother you. I found the person."

But at this time, his eyes through the gap around the crowd, saw a table more than ten meters away, is carrying tea, gently drinking Chen Fei.

Wen Secretary smell speech, nod, is about to speak out the name.

Yue Qiaoxi also immediately said: "today, many of you here are VIPs from all over the world. Secretary Wen, if you have a word, you can help find it."

A little surprised, Zhong Luofei quickly asked: "Secretary Wen, I don't know who you are looking for?"

When I heard Secretary Wen's official business, I came to find someone. Now, everyone was a little surprised."I came here this time to find someone." Secretary Wen said in a voice.

Yue Qiaoxi also quickly nodded: "Secretary Wen, I'm a local. If you need any help, my wife's family will be more convenient."

Zhong Luofei quickly asked: "Secretary Wen, I don't know what business you are here for this time!"

"Business!" Zhong Luofei and Yue Qiaoxi smell speech, can't help but eyes a bright, immediately thought of secretary Wen behind director Qi. Suddenly, the expression is more excited.

However, Secretary Wen waved his hand and said, "thank you for your kindness. However, I have a mission here today. I'm afraid I can't take part in these activities until I finish my official duties. "

"This way, please," said Luo

After a few greetings, Yue Qiaoxi, as the host, asked: "Secretary Wen, today is my brother's wedding day. You are the Secretary of Yuewen's family! The wedding hasn't been held yet. Please take your seat

Wen Yuan nodded and then shook hands with Yue Qiaoxi.

At this time, Yue Qiaoxi also welcomed him with a smile on his face, extended his hands and said, "Secretary Wen, I'm Yue Qiaoxi of Yue family. I've met Secretary Wen."

Zhong Luofei explained: "I have some friendship with my wife's family. I came to her wedding this time."

Wen Yuan was surprised to see Zhong Luofei, but he nodded and said, "Mr. Zhong, I didn't expect to see him here."

"Award!"

As soon as these two words came out, people were shocked and their expressions changed.

Zhong Luofei and Yue Qiaoxi, who had been expecting a little, now sank down and murmured in a low voice: "how is it possible to give awards? Why did director Qi award the prize to him? What happened?"

CHAPTER 802

Just when everyone was puzzled, Secretary Wen took out a small medal, rectangular, a bit similar to the size of the certificate, handed it to Chen Fei and said, "Mr. Chen, this is the special contribution award of medicine that director Qi personally ordered to give you. With this medal, you can go in and out of local drug administration departments freely and invite director Qi. If you start a related pharmaceutical enterprise, with this medal, you can also enjoy some special tax and subsidy preferential conditions. "

When the conditions were announced, Chen Fei didn't have much expression, and many other guests were buzzing.

Some business guests, in particular, are even more envious now.

Chen Fei snorted coldly and said, "is it a misunderstanding? Just now, when Mr. Zhong said that he wanted to ban my health wine, it was sonorous and forceful. People present heard it! How did it become a misunderstanding now? "

Then, he squeezed out a smiling face and wanted to explain, "Secretary Wen, Mr. Chen, this fact is a misunderstanding. I --"

after that, without waiting for words to come out from the other end of the phone, Zhong Luofei hung up directly.

As soon as Zhong Luofei heard this, his face turned white instantly. He quickly said, "what's the ban? What's your nonsense? I didn't say that. Don't mess with me."

"Mr. Zhong, the autumn health wine you said you wanted to ban met with some troubles. Some of the people we were looking for were hesitant. Otherwise, I'll go to the people above and put direct pressure on them to seal the health wine completely! "

Moreover, because the hands-free was not turned off just now, the voice on the other end of the phone rang directly and clearly.

However, just as he explained, a mobile phone rang. Zhong Luofei connected his cell phone and said it directly.

Zhong Luofei, who was beside him, was still in shock and dullness. At this moment, when he heard this, he suddenly woke up and his face changed greatly. He quickly waved his hand and wanted to explain, "Secretary Wen, Mr. Chen, I --"

"what!" Wen Mi's writing color was cold, and he said, "who has the courage to ban Mr. Chen's products for no reason?"

When Chen Fei heard this, he immediately laughed and said yes. But at the moment, he suddenly thought of something. He looked at Zhong Luofei and said, "Secretary Wen, director Qi, I'm willing to help promote it. However, some people just said that they would ban my health wine. I'm worried -- "

" so director Qi asked me to ask if Mr. Chen would like to. Director Qi can help promote Mr. Chen's health wine. "

At this moment, Secretary Wen took Chen Fei and said softly, "Congratulations, Mr. Chen. Director Qi attaches great importance to Mr. Chen and thanks him very much. By the way, director Qi understands that Mr. Chen seems to have produced a kind of health wine, which has good effect and certain auxiliary effect on many diseases. "

At the moment, Zhong Luofei's face was white and his spirit was in a trance.

For a moment, the discussion was buzzing, and the atmosphere of the scene was very warm.

They never thought that the famous ephedra oral liquid was developed by Chen Fei. No wonder director Qi attached so much importance to him and directly sent Secretary Wen to praise him personally.

With Secretary Wen's words, the scene was silent, and everyone was shocked. They all looked at Chen Fei in a daze.

"You say Mr. Chen has made such a great contribution. Compared with this, what kind of awards do we get from the relevant departments? "

"Moreover, Mr. Chen, with high integrity, let the domestic pharmaceutical manufacturers use the patent of Mahuang oral liquid free of charge after the successful development, and did not make money from the domestic people. This move has benefited hundreds of millions of Chinese people and thousands of medical units. "

"At this critical moment, Mr. Chen personally led the research and development team, broke the patent blockade of American white headed eagle, and developed Mahuang oral liquid, a drug to replace Alstom antibiotics, which solved this huge problem at one stroke."

"You know, it's a matter of concern to hundreds of millions of people in our country. If the solution is not good, it will either lead to the threat to the lives and health of many people; or it will cause the national pharmaceutical industry to suffer a heavy blow, bleeding to buy the pharmaceutical patents of the United States. Either way, it's not a good thing for us. "

At that time, Alstom threatened to continue to block the use of antibiotics in our country

When it comes to this, the people present can't help nodding. Even if they are not from the pharmaceutical industry, they naturally understand such a big thing.

At this time, Secretary Wen said: "some time ago, the shortage of Alstom antibiotics in China, you should know it!"

Zhong Luofei and Yue Qiaoxi frowned and felt something was wrong.

With these words, people were even more shocked and puzzled.

Secretary Wen chuckled and said in a loud voice, "if you want me to say that Mr. Chen deserves this kind of commendation. It can even be said that this kind of commendation is totally incomparable to Mr. Chen's great contribution."

Everyone nodded and looked curious.

Secretary Wen looked at the people who were talking about it all around him. With a smile on the corner of his mouth, he said in a voice, "I know that you may be curious about why Mr. Chen can get such a reward."As a result, Chen Fei was so valued by director Qi that he was puzzled and envied.

Even Zhong Luofei had an incredible expression. You know, even the Zhong family, where he lives, has worked in the capital for many years and has a deep relationship. It's also hard to enjoy this level of discount.

For a moment, everyone was shocked, and their eyes were full of shock and envy.

To some extent, this attitude is even more important than those preferential subsidies. After all, as soon as the medal is taken out, the drug administration departments in all parts of the country will not dare to stop it.

They are engaged in business and naturally know how much benefit this officially recognized preferential subsidy will bring. Moreover, the medal not only has subsidies and concessions, but also represents the attention and attitude of director Qi.

Wen Secretary smell speech, also frowned, cold voice drink ask a way: "Zhong Luofei, how is this to return a responsibility?"

Zhong Luofei saw that he couldn't deny it. He immediately knelt down in front of Chen Fei with a bitter face, and begged for mercy with a crying voice: "Mr. Chen, I'm wrong. I'm bewitched and bewitched. That's why I'm aiming at you, Mr. Chen. I know I'm wrong. I'll never dare again. "

When he said this, Zhong Luofei deliberately looked at Yue Qiaoxi, obviously suggesting that Yue Qiaoxi was the one who bewitched him.

CHAPTER 803

Yue Qiaoxi sees this, in the heart almost scolded to Zhong Luofei, but it's hard to say anything, can only face gloomy look.

Chen Fei face Zhong Luofei's begging for mercy, a cold face, light way: "Mr. Zhong don't ask me, what you do, you should bear the corresponding responsibility."

Secretary Wen also said coldly, "Mr. Zhong, after I go back, I will report to director Qi for a good investigation."

"Mr. Chen is going to be tough. We have to do it directly."

As a result, the scene was shocked, and people changed color and talked about it.

With a sharp drink, Chen Fei's momentum soared to the sky and spread to the whole audience, which shocked everyone.

"In that case, I'll take half of the property of my wife's family myself."

At the moment, Chen Fei's face sank down. Instead of taking the two herbs, he narrowed his eyes slightly, looked at Yue Qiaoxi sternly, and said in a cold voice: "master Yue, it seems that you are determined to break the debt!"

However, compared with half of the property of the Yue family, these two prefecture level herbs are obviously not worth mentioning.

The value of two prefecture level herbs can reach tens of millions or even hundreds of millions. Generally speaking, it is precious enough.

Yue Qiaoxi said with a smile: "there are two pieces of prefecture level herbs in the wooden box. This is a little bit of our Yue family's intention. Please let Mr. Chen work for us."

"Of course, to show our sincerity, our wife's family is willing to compensate Mr. Chen for this." Then Yue Qiaoxi clapped his hands, and immediately a servant came over with a wooden box and walked towards Chen Fei.

At the same time, he put the blame on Yue Qiaoyu. Anyway, now Yue Qiaoyu has become a useless person, which is of no use to the Yue family. At this time, Yue Josie will not feel sorry for his brother.

Immediately, his tone changed and he said: "of course, my younger brother Yue Qiaoyu did not do it right. He gambled with Mr. Chen with this invalid agreement. On behalf of my younger brother, I apologize to Mr. Chen for this. "

"Mr. Chen misunderstood. I'm not defaulting. It's just that this bet agreement, from the beginning, has not been effective. " Yue Qiaoxi said with a smile, obviously not ready to admit it.

Chen Fei smelled the speech, sneered, "after all, you still have to default."

"Half of the property of my wife's family is a gamble. Without the joint signature of the senior management of our wife's family, no one in our wife's family will admit this kind of thing. "

Yue Qiaoxi said: "the property of the Yue family is related to thousands of people in our Yue family. All important things should be decided by the senior members of the family."

"What do you mean? Don't want to admit it? " Chen Fei said coldly.

Then Yue Qiaoxi began to laugh and said, "I don't agree with Mr. Chen when he says that he is not in debt. Because I don't know about the bet Mr. Chen said

Yue Qiaoxi's expression was heavy, his eyes were cold, and he showed a firm color, which seemed to decide something.

Chen Fei saw that Yue Qiaoxi didn't speak for a long time, and said again: "why, the master of Yue family didn't speak! Do you want to default? "

But just at the beginning, Chen Fei and Chang feiyuan had already shown the evidence of Yue Qiaoyu's signature, and it seemed that the matter was irreparable.

Half of Yue's family property, such a huge bet, he Yue Josie will not agree in any case.

Hearing this, Yue Qiaoxi's face sank, his expression was a little cold, and he didn't speak for a long time.

"Never mind!" As soon as Chen Fei's eyes changed, he said, "that's the best, if so. Now, can the owner of your wife's family settle the debt that your wife's family owes me? "

Yue Qiaoxi's face changed, but he denied: "Mr. Chen's words are very serious. The things just happened were the conflicts between captain Zhu and Mr. Zhong, and between themselves and Mr. Chen. It has nothing to do with my wife's family."

Instead of sitting back in his seat, he went directly to Josie Yue and said in a voice, "master-in-law, I asked you for a debt before. You have made Zhu Yuanling and Zhong Luofei things to interrupt and block. Now, what other means can we use together? I've solved them at the same time. "

At this time, Chen Fei, who sent away Secretary Wen, came back again.

.....

However, although you are worried, Chen Fei has created many miracles since the banquet. Therefore, he still has confidence in Chen Fei.

This kind of person can't be easily subdued. Besides, it's still an important matter to hand over half of the property of his wife's family.

But Yue Qiaoxi is still different. Yue family is a martial and Taoist family. Yue family's headquarters are in Western Chongqing Province, far away from the capital. In addition, Yue Qiaoxi is a serious head of the Yue family.

Mr. You's face can't help changing when he hears the speech. In his eyebrows, he is a little worried. It's true that Zhong Luofei's family is a business oriented family with its headquarters in the capital. In addition, Zhong Luofei's family is not a real core high-level. Therefore, a secretary Wen is enough to hold down Zhong Luofei.

After a moment's silence, the boss said: "not necessarily. Although Chen Fei has the support of secretary Wen and director Qi, it's only useful for Zhong Luofei. We'll bet on him and his family. Josie Yue won't buy it. "Mr. you, with a smile on his face and a look of excitement in his eyes, said to boss Xu: "boss Xu, now, the end has been decided, you have nothing to say!"

Especially the boss of ten days, he never thought that Chen Fei had such a move. He got the support of the big boss in Beijing. On the contrary, he overturned Zhong Luofei, who oppressed him. The situation at the moment makes it impossible for him to predict.

The ten day boss and Mr. you who took part in the gambling game are a little silly now.

.....

The scene suddenly fell into a quiet atmosphere again. Everyone's eyes, all looking at Chen Fei, couldn't say what emotion it was.

With that, Zhong Luofei left.

After Secretary Wen left, Zhong Luofei came back to his senses. He suddenly got up from the ground. He didn't care about anything else. He took a look at Yue Qiaoxi and said, "brother Yue, I have something urgent. I'll go first."

Chen Fei sent Secretary Wen to the door and waved goodbye.

Secretary Wen shook his head and said, "Mr. Chen is too polite. No, I'll go by myself."

Chen Fei nodded and said with a smile, "thank you, Secretary Wen. I'll see you off."

With that, Secretary Wen looked at Chen Fei and said, "Mr. Chen, my task has been completed, and it's time for me to leave. In the future, when you're free, we'll have a good chat. "

"This momentum is too powerful. Mr. Chen is so young, but his strength is quite good! "

"But it's still too impulsive. The Yue family is a hundred year old martial arts family. It's not a wise choice to be tough."

.....

CHAPTER 804

Seeing that Chen Fei was ready to start, Yue Qiaoxi didn't look flustered. Instead, he was smiling.

He looked at Chen Fei with a long tone and said in a voice, "Mr. Chen, what do you mean? Are you going to rob my wife's things by force?"

Chen Fei said in a cold voice: "I just started, so what?"

But Kang and her sister-in-law pleaded with each other. Qingmei is innocent. Please help to persuade them! "

However, Yue Qiaoyu, who was furious at the moment, obviously couldn't listen to her words.

On Yu's side, Yu Qingmei's mother Ren Rong's face changed greatly, so she hurried forward and begged to stop: "Mr. Yue, don't, my Qingmei --"

the servants of Yue's family listened to the order, and immediately walked to Yu Qingmei's side, ready to arrest people.

For a moment, Yue Qiaoyu's face was ferocious and roared: "bring this cheap woman to me. I'm going to kill her now, kill her!"

He is proud of himself. He always boasts that he is romantic and graceful. Otherwise, he would not have thought of marrying Yu Qingmei. Such a character of him, it can be said that the most can not stand others say that he is incompetent nausea.

"What are you talking about?" Yue Qiaoyu's expression was ferocious, and his face was full of anger.

Hearing the speech, Yu Qingmei glared at Yue Qiaoyu and said firmly, "you disgusting and incompetent trash, I will not marry you even if I die."

With that, Yue Qiaoyu looked aside at Yu Qingmei, who was worried. His eyes were cold and he said, "You cheap woman, you are going to be my man right now, and you are not clear with other men. When you come through, I'll have something for you. "

Yue Qiaoyu, sitting in a wheelchair, was even more fierce. He gritted his teeth and glared at Chen Fei, saying: "Chen Fei, you abandoned me. Now, my wife's family is going to get everything back. You just wait to die

Behind Yue Qiaoxi, Yue Zihui looked excited and said in a voice: "Dad, don't kill that guy. Take your time and torture him a little bit."

In the voice, Yue Qiaoxi's face became more confident. He manipulated the cyclone with both hands and approached Chen Fei.

.....

"Chen Fei, after all, is still too young to fight directly with his wife's family. Now, it's lost. "

"The family of Yue is worthy of being the family of Yue. It's a hundred year old martial family. It really deserves its reputation."

"I'm afraid it's not too far away from the prefecture level."

"Yue Qiaoxi's move is so powerful that he deserves to be a top level master of Xuan level."

The attack was amazing.

The air force around the whirlwind, whistling, is to form a sharp blade, cutting open all the things in front of the whirlwind.

The strong wind whirled and roared, forming a huge whirlpool, which involved everything along the way, whether it was tables, chairs, benches, or flowers and stones, and smashed into countless pieces and scattered into the air.

While he was talking, Yue Qiaoxi gave a cold Snort and made a move with both hands. The majestic momentum behind him immediately spread out and turned into a roaring wind, whistling towards Chen Fei.

But at the moment, opposite Yue Qiao Xi, smell speech on the face show a touch of disdain of color, voice way: "win? It's good for young people to have ideas, but if ideas are too whimsical, it's arrogance. "

Yu Qingmei smelled the speech, with a look on her face. Then she nodded her head seriously and said in a soft voice, "I believe you."

Chen Fei looked at Yu Qingmei with a smile, then said with a smile, "sister Qingmei, don't worry. I will win

Yu Qingmei was also worried and could not help crying out, "Chen Fei!"

At this time, there are many people with similar ideas to Mr. you.

If there is a real fight, Mr. you doesn't think Chen Fei can win. He may even have his own life in danger.

He doesn't believe that Chen Fei and the Yue family can win by fighting. After all, Yue Qiaoxi is the top level master of Xuan. Besides him, the legendary old man of the Yue family is more likely to be a prefecture level master.

On hearing this, Mr. you looked even more gloomy. He sighed and shook his head.

Seeing Mr. you like this, the smile on the boss's face became stronger. Now he said in a voice: "Mr. you, don't be so frustrated. Isn't Chen Fei the first master of Longjiang city? Perhaps there is a chance of victory in the battle? "

Now, with Chen Fei's initiative to fight, the situation has turned upside down and become uncontrollable.

Originally, just a series of actions down, Chen Fei has the upper hand, but also occupy a reason word. Next, as long as you slowly grind with the Yue family, even if you can't get the bet for a while, you can force the Yue family to give in and get good benefits.

Mr. You's expression became more gloomy when he heard the speech. Although he didn't want to admit it, he had to admit that fighting with his wife's family was not a good choice.

Ten days boss was relieved, his face involuntarily appeared a smile, shook his head, said: "and the war, Mr. Chen this approach, it is not wise!" Seeing such a scene, Mr. You's face sank down, and his expression turned black. He looked into the field and said nothing.

Even the ten day boss and Mr. you who are sitting in front of us have to stay away from the edge and move to a far place.

This posture suddenly surprised everyone and changed their face. Some people were worried that the battle would affect them and hid in the corner.

When Yue Qiaoxi saw this, his momentum burst out. In a flash, the two momentum confrontation in front of the house of the master in law, momentum, people's heart was trembling.

But at the moment, Chen Fei didn't mean to have a water fight with him. His eyes were cold, and his momentum burst out, and his fighting spirit rose completely.

Yue Qiaoxi said this with a high sounding voice. It sounded a bit heroic, which made people move.

"If Mr. Chen forces me, I'm not afraid of the first World War!"

Yue Qiaoxi's tone was heavy at the moment, and he snapped: "although Mr. Chen is a red man in the eyes of director Qi, he is also a special instructor of Linglong organization. But my wife's family is not easy to bully. "

Kang Bihua and Yu Qin want to talk, but at this time, Yue Qiaoyu yells: "who dares to stop me, I've even done it with her."

The gloomy words scared Kang Bihua and Yu Qin, and they didn't dare to step forward. They could only watch the servants of the Yue family step forward and take Yu Qingmei away.

Seeing this, Yue Qiaoyu laughed very happily, "Chen Fei, don't you want to protect this cheap woman? Now, I will insult her in front of you! Ha ha

CHAPTER 805

Yue Qiaoyu, laughing wildly at the moment, looked at Yu Qingmei, who was brought by the servants of the Yue family. He licked his tongue and said in a voice, "strip her off for me. I want Chen Fei to see this cheap woman with his own eyes. How can she be humiliated by me?"

Chen Fei, who is facing the whirlwind of Yue Qiaoxi, sees such a situation. His eyes are cold, and his eyes are cold. He says in a fierce voice: "Yue Qiaoyu, you are looking for death!"

Yue Qiaoyu's ferocious and crazy cry: "Chen Fei, it's you who are looking for death, not me!"

This kind of situation is like a kind of silent satire to the family of Wu and Dao who has been inheriting for a hundred years. It makes people feel ridiculous and laugh.

They would never have thought that Yue Qiaoyu, the younger brother of the head of the family in law, who was in Western Chongqing Province, would die like this. And still so embarrassed to be killed in front of their main house.

Such a state of affairs, see people's heart surprised, eyes speechless surprise.

Yue Qiaoyu, who was struggling wildly, suddenly fell on the ground and didn't move any more. The whole person lost his breath completely.

Immediately, Chen Fei looks at Yue Qiaoyu. As soon as the cyclone condenses at his fingertips, a red breath bursts out. Whew, it accurately shoots into Yue Qiaoyu's heart.

At this moment, Chen Fei put his arms around Yu Qingmei, injected a touch of Zhenyuan breath into Yu Qingmei's body, and said softly, "sister Qingmei, I'm here. Don't be afraid!"

But the disabled leg of him, struggling, can only fall down from the wheelchair, fell to the ground, and then hand and foot with the forward crawl.

Yue Qiaoyu is extremely alarmed. He pushes Yu Qingmei away, and then struggles to escape.

But how can the servants of the Yue family catch up with Chen Fei. They just heard Yue Qiaoyu's voice, Chen Fei had already arrived in front of Yue Qiaoyu, cold eyes with a strong sense of killing, "you want to die!"

All of a sudden, Yue Qiaoyu's face changed greatly, his face showed the color of panic, and he roared madly: "come on, take me away quickly. Come on

He wanted to cry out to his brother, to ask for help. But turning around, he found that on the other side, his brother had been split by Chen Fei's sword.

Yue Qiaoyu, who used to laugh wildly, turned pale when he saw Chen Feichao attacking him.

At the moment when Chen Fei cuts his sword, he rushes towards Yue Qiaoyu at the same time.

Josie suddenly felt a sharp pain in his chest, and then a hot and powerful force hit him, directly throwing him out. His body hit the ground heavily, his mouth gushed out a mouthful of blood, and his face turned white instantly.

However, Yue Qiaoxi underestimated the power of Chen Fei's red long sword. His sharp air sword cut it down without any obstruction. He broke through Yue Qiaoxi's energy layer by layer and finally cut it to Yue Qiaoxi's chest.

Yue Qiaoxi's face color changed greatly and his body retreated suddenly. At the same time, his hands flapped continuously, and a stream of energy spewed out quickly to meet the sharp red sword.

But at this point, there is no time for him to think about it. Because the roaring red Qi sword was in front of him.

Yue Qiaoxi didn't expect that Chen Fei had just broken the whirlwind attack, which he had just gained the upper hand.

And Chen Fei's Nine Yang red flame sword, with a winding fire dragon, cleaves toward Yue Qiaoxi.

The roaring cyclone, which was directly dispersed by the fire dragon, burst into countless small cyclones and finally dissipated in the air.

As soon as the words came to an end, Chen Fei waved his right arm fiercely. The red sword was shining brightly, and the red flames surged out like fire dragons roaring into the whirlwind.

Chen Fei cold voice Li shouts a way: "do you think, I really can't kill you?"

But at this time, Yue Qiaoxi saw this and waved his hands. The cyclone stopped him again. "Move my brother first and pass me first!"

At the moment, Chen Fei's eyes are cold. He glances at the crazy Yue Qiaoyu, and his killing intention is more and more intense. He wanted to rush to Yue Qiaoyu.

Then Yue Qiaoyu burst out laughing crazily, "Chen Fei, do you see that? I want her to be disgraced, I want her to be humiliated and die. "

Yue Qiaoyu is even more proud of this situation. He grabs Yu Qingmei's arm and pulls it off, revealing a white lotus arm.

For a moment, the two sides seemed to be neck and neck.

Then, the white and red light is strong, constantly collision splash, forming a dazzling spark in the air. The fierce flame and the fierce wind collide with each other.

They collided with each other fiercely. In an instant, people felt that there was a flash in front of them, and the whole Yue's courtyard seemed to be shocked.

In an instant, the red sword chopped down in the air, and the violent whirlwind roared.

The tempestuous whirlwind suddenly became one of the shocks. It seemed that it was getting bigger again, and it was roaring towards Chen Fei. "Break him up for me!" Yue Qiaoxi's eyes were sharp and his voice was cold.

Yue Qiao Xi saw this, his face was surprised, but then he sneered, "use the sword to cut my whirlwind, I think you are stupid. My whirlwind is not an entity. How can I fear your sword? "

Then, Chen Fei's right arm danced and chopped directly against the fierce wind. "Jiuyang red flame sword, chop!"

The surface of the sword is full of light, flashing with red flame, with a terrible and burning meaning.

While speaking, Chen Fei's right hand soared in the air, and a red breath gathered in his hands. The breath gathered in the air and turned into a sharp red sword.

Seeing this, Chen Fei flashed a fierce killing intention in his eyes, and said harshly: "you, seek death!"

The roaring whirlwind once again blocked Chen Fei's route.

Seeing this, Yue Qiaoxi snorted coldly. He controlled the whirlwind with both hands, changed his direction and attacked Chen Fei again. "Is it so easy to avoid my attack?"

When Chen Fei hears the speech, his expression cools down completely. He doesn't care about the whirlwind coming in front of him. He turns himself into a shadow and rushes towards Yue Qiaoyu.

Then, with a big wave of his hand, he yelled: "what are you doing? Strip her for me. Naked, nothing left! "

At the moment, Yue Qiao Xi, pale and rising from the ground, just saw this scene.

For a moment, he looked at Chen Fei coldly, gritting his teeth, and said in a cruel voice: "you killed my brother, you dare to kill my brother, you --"

Chen Fei sent Yu Qingmei back to her mother Ren Rong, then swept his cold eyes to Yue Qiaoxi, and said in a cold voice: "don't worry, the next one is you."

CHAPTER 806

As he spoke, Chen Fei pulled out a shadow and rushed to Yue Qiaoxi. He pointed to Yue Qiaoxi as a sword, breathing the red light. He was about to chop Yue Qiaoxi.

Seeing this, Yue Qiaoxi was shocked. Regardless of his injury, he tried his best to run the breath of Zhenyuan in his body, and shot it out again and again to block Chen Fei's attack.

Almost in the blink of an eye, they fought each other for more than ten moves.

Yue Qiaoxi, who had been hiding in the main room just now, was much more ruddy now and walked out of the main room. Looking at Chen Fei, his eyes were full of resentment.

Yue Zihui, who had been worried and frightened, now changed his face one by one. Yue Zihui stopped rushing, arranged his clothes, restored his usual proud smile, and walked to Yue Qingwu with his hands behind him.

There was a lot of noise. At the moment, almost everyone came to a conclusion that with the appearance of master Yue Qingwu, Chen Fei would be defeated.

.....

"Run away quickly. In the face of master Yue, he has no chance of winning."

"Master Yue appears. Now it's hard for Chen Fei!"

"Look at this momentum, it's probably true!"

"Is it true that the master of the earth has reached the level of legend?"

"That, that's the master of Yue family, master Yue Qingwu!"

Some people who are familiar with the wife's family scream out one by one when they see the figure coming out.

This figure is an old man in his sixties and seventies. He is not young, but he is very tall and upright. His gray hair stands upside down. On his face, he has a serious face, just like the iron face judge in the temple. This face alone gives people a kind of oppressive momentum.

In the deafening sound, a burly figure came out of the house.

"Young man, don't go too far!"

Then, a voice of brilliance came down from the sky, like a God coming to the world.

Just as Chen Fei stepped into the main house of his wife's family, there was a roar and a thunderbolt. The whole main house of his wife's family seemed to tremble.

When he was about to go after Chen Yue, he would not stop.

Finally, before Chen Fei arrived, Yue Qiaoxi rushed into the main room.

When he saw Chen Fei rushing towards him, he was shocked and rushed into the main house.

Among the voices of shock, Josie Yue, who fled to the main house, turned to look at the scene behind him. He was completely shocked, and his face was full of shock.

.....

"You see, Chen Fei catches up. Yue Qiaoxi won't be killed, too!"

"I'm afraid it's not easy for the family to play hard this time."

"What was that just now? How could it be so powerful?"

"How strong is Chen Fei?"

Such a scene, to see the people were appalled, the whole people were stunned, incredible looking at the situation in the field.

In less than three minutes, more than ten of the besieged Yue family members died in one fell swoop, and most of the rest were injured, and many of them lacked arms and legs.

Because the speed of the flame burning, completely beyond their expectations. Fast along their bodies, when they want to protect themselves, it's too late. Half of their bodies have been burned out, and the whole person can't bear it any more. They fall to the ground with their breath cut off. In the end, the whole person was burned up, reduced to a mass of ashes, and scattered with the wind.

Some decisive warriors immediately cut off the contaminated parts with their swords, which prevented the spread of the fire. And some hesitant people, immediately regret.

The Yellow level warriors were infected by the fire, whether clothes or flesh, and then quickly burned up, causing a scream.

In a flash, a red blood line appeared in the air, with a layer of burning flame on the surface of the blood line. The flames roared down from the air, like dense raindrops, towards the besiegers.

Because in the face of dozens of people besieged Chen Fei, there is no fear at the moment, but an angry look in his eyes. Then his eyes sank and his right hand waved in the air.

However, people who think like this immediately overturn their mind.

Of course, there are also people in mind, whether or not to deal with Chen Fei at the moment, you can also take the opportunity to sell a favor to the Yue family. After all, now Chen Fei is besieged by dozens of people, it seems that the situation is not good.

Some are still shocked by Yue Qiaoyu's death.

Some are lamenting Chen Fei's strength.

For a moment, people have different expressions, and different ideas emerge in their hearts.

They had no idea that things would come to this. Chen Fei really dares to fight with the Yue family, and even has the upper hand, forcing Yue Qiaoxi to besiege him.

Such a situation made all the other guests at the scene look silly.....

Yue Qiaoxi could take a breath at last. He quickly retreated and fled to the main room.

For a moment, they besieged Chen Fei, and countless Qi swords, whirlwinds, flying swords, and rosy clouds came flying, like raindrops, and fell on Chen Fei.

However, under the attack of dozens of people, this momentum is still very powerful.

These people, though not too powerful. Most of them only have the strength of the later yellow level, and a few can reach the level of Xuan.

Then, from all directions, dozens of people from the family in law came out. Some of them are thugs of the Yue family, some of them are family members of the Yue family, and some of the guests who have a good relationship with the Yue family are also fighting now.

By Yue Qiao Xi so a shout to drink, the stunned Yue family people this just return to God.

Yue Qiaoxi's situation worsened again, and he couldn't think of anything else any more. He yelled: "Yue people, what are you still doing? Come on, stop him. Hurry up

But at the moment, Chen Fei's attack, did not mean to stop at all, on the contrary, it became more and more fierce.

In just a few tens of seconds, Yue Qiaoxi was defeated again and again, and the breath of Zhenyuan in his body quickly consumed more than half of it.

But these ten moves, almost all Yue Qiao Xi fell into the disadvantage. Under Chen Fei's sharp red sword, the breath of Zhenyuan, which he desperately photographed, was like paper paste. It couldn't resist much time. It was cut open and constantly broken.

In such a situation, people who support Chen Fei can't help worrying about him.

Yu Qingmei, with a sad face, wants to rush forward, but is held by Kang Bihua and Yu Qin.

Bet of Mr. you, at the moment also don't care about his bet, face with urgent color way: "Chen Fei, this time, admit defeat.". After all, what you are facing is not a person, but a century old martial arts world. "

CHAPTER 807

But at the moment, Chen Fei didn't mean to escape. It doesn't even mean to stop the attack.

He just glanced at Yue Qingwu, then his eyes fell on Yue Qiaoxi again. His red sword roared and shot at Yue Qiaoxi.

Yue Qiaoxi didn't expect that Chen Fei would dare to attack him even when his father came forward. He was caught off guard and was stunned in the same place. He had no time to escape. He could only watch the red streamer coming towards him and was about to shoot himself in the heart.

.....

"How could that be?"

"It doesn't matter if it's blocked, it's completely broken. What is his strength

"How can it be? Chen Fei blocked the old Yue's attack. "

Such a scene surprised all the people on the scene and shocked Chen Fei.

Suddenly, with a loud bang, Chen Fei smashed the two huge waves directly. Zhenyuan's breath burst into countless light spots and fell down in the air.

At this moment, facing the two waves, Chen Fei gently pushed his arms forward and patted the waves with his palms.

Yue Qingwu was also full of confidence. After shooting these two momentum, he hung his arms down with a proud smile at the corner of his mouth.

As he spoke, two huge waves surged in and patted Chen Fei's arms. The turbulent momentum seems to completely submerge Chen Fei.

"For the sake of your hard cultivation, I'll be merciful. I'll just break your arms and go back to recuperate myself."

As he spoke, Yue Qingwu waved his strong arms and took up two waves. From both sides, he patted Chen Fei fiercely.

Seeing this, Yue Qingwu's eyes were cold, showing a look of surprise, and then hummed: "boy, it's right for young people to have a temper. But if you're too stubborn, you're stupid. "

A voice, at the moment of Chen Fei, but not the slightest retreat, but is facing Yue Qingwu wave general breath, directly up.

.....

"It's a pity that if he is soft hearted and devotes himself to hard work. In the future, those who may have a chance to surpass the elder in law are still too young and arrogant. "

"Is Chen Fei stupid? At this time, I still want to fight with Mr. Yue. It's a dead end! "

"Is this the strength of prefecture level experts? It's horrible. "

For a moment, people were shocked.

Not to mention Chen Fei, the guests who hide in the corner feel this momentum at the moment. They all feel that their chest is stuffy, and they feel a little out of breath.

"However, your strength is not enough in front of me!" With a heavy cold drink, Yue Qingwu's momentum broke out again, just like the general smell of waves, and suddenly came to Chen Fei.

"Eh!" Yue Qingwu was surprised, but then sneered, "young man, no wonder you dare to be so arrogant. It turns out that you have some strength!"

As he spoke, Chen Fei's body was shocked, and his momentum suddenly broke out. A great breath of Zhenyuan rose up in the sky. He fought against Yue Qingwu's strength, but it didn't come down for a moment.

Then he shook his head and said, "this is my way of doing it."

Yue Qingwu heavy cold hum a, way: "don't exist of account, I Yue Qingwu nature don't admit."

He put down his arm, raised his head, looked at Yue Qingwu with a cool face, and said coldly, "master Yue, you don't want to admit it?"

At this time, Chen Fei gently released the index finger and middle finger of his right hand, and let the last piece of debris held by the two fingers drift away with the wind.

For a moment, the eyes of all the people on the scene are all focused on Chen Fei, waiting to see how he deals with the strength of his father-in-law.

It has to be said that Yue Qingwu is cunning and domineering, but you can't stop him at all. Because Yue's strength at the initial stage of the prefecture level ensured that he was able to do so.

This is a clear attitude. He, Yue Qingwu, will not admit the agreement, let alone the gambling of the half of the property of the Yue family.

In the whole process, from Chen Fei's taking out the agreement to his waving and smashing it, he didn't look at the agreement directly.

"I don't know any agreement. I only know that the property of my wife's family can't be taken away by an outsider." Yue Qingwu snapped.

In an instant, the strong wind completely smashed the paper agreement and turned it into innumerable pieces, which drifted away with the wind and quickly disappeared.

Yue Qingwu did not go to see the agreement at all, but waved and rolled up a strong wind, swept away quickly.

"It's not a whim, it's a real bet. At that time, many martial arts colleagues were present and witnessed the gamble. " Chen Fei said calmly.

Even if the old man in law heard this request, his eyes could not help coagulating, his face sank, and he said in a voice: "young man, don't you think this request is a bit whimsical?"Chen Fei showed his previous gambling agreement and said, "my request is very simple. I want your wife's family to cash their bets with me. I want my wife's family, half my property. "

"Arrogant boy, what do you want to do?" Yue Qingwu snapped.

However, Chen Fei didn't mean to retreat at all. Instead, he stepped forward and took a step. Then he looked at Yue Qingwu and said, "it's not me who is arrogant, but your wife's family."

During the conversation, Yue Qingwu's momentum burst out, and he covered Chen Fei impolitely, trying to force him back.

"Young man, are you too arrogant?"

At this time, Yue Qingwu's face is very blue, and he stares at Chen Fei fiercely. The anger on his face almost overflows.

Yue Zihui and other descendants of the Yue family, who are also learning from each other, quickly retreat to the main house.

Josie Yue, who had been so frightened that his heart almost jumped out, could no longer care so much. He retreated to the main room behind him, with a look of fear on his face.

The two collided and split in the air, turning into two colored light spots, which gradually dissipated in front of Josie Yue.

Just when Yue Qiaoxi was shocked, Yue Qingwu waved his hand and danced a blue streamer in his sleeve. He hit Chen Fei's red sword with a bang.

When people were shocked, Yue Qingwu, who had a confident smile on his face, was also shocked and looked shocked.

Then, his expression became gloomy, and he glared at Chen Fei and said harshly, "it seems that I underestimated you. It's very nice of you to be able to block my two attacks at such an age. "

"But you've pissed me off, too. Next, I'll let you see what is the gap between the Xuanji level and the prefecture level masters! "

CHAPTER 808

With a burst of drinking, Yue Qingwu's breath is surging up and down, and his momentum is constantly rising. His originally burly and incomparable figure seems to be more and more tall now.

At the moment, Yue Qingwu, standing in front of the main house of his wife's family, looks very tall. In addition, the rich Zhenyuan breath and colorful light behind him seemed to drip out, as if God had come to the world, which made people feel a sense of worship.

For a moment, the whole courtyard was shrouded in it, and the majestic momentum spread out without any scruple, which made people feel shocked and their hearts beat wildly.

In an instant, a red streamer came.

The red streamer quickly condensed into a bright red sword. Then Chen Fei held the long sword in his hand and chopped it out to Yue Qingwu's big blue hammer

Chen Fei didn't pay attention to Yue Qingwu's attack and made a volley with his right hand. In an instant, the red light behind him quickly gathered in Chen Fei's palm.

"Boy, arrogant!" Yue Qingwu said angrily, "take my hammer!"

"But that's good!" Chen Fei said calmly.

Just as the crowd was sighing, Chen Fei looked at Yue Qingwu's surging attack, with a faint smile on the corner of his mouth, and said gently, "is it really Yuanhua? It's a good offensive."
"

.....

"After all, he is too young. Although he has stepped into the realm of prefecture level experts, his inside information is still not as deep as his wife's!"

"Now, Chen Fei is in danger!"

"Yes, that kind of attack is not only oppressive, but also physically harmful."

"The power of Zhenyuan Huaxing's attack is much stronger than those of us Xuanji level masters."

"Only when you reach the level of the prefecture can you use the real element to condense weapons comparable to the real object, and then attack. It's called "true Yuan Hua Xing!"

"This is the symbol of Zhenyuan Huaxing, a prefecture level master!"

Such an offensive shocked the public.

In an instant, the giant hammer brought up a strong wind, and the air burst and crackled. A blue air burst out from the huge hammer and smashed at Chen Fei.

"Give me a hammer!"

Then, Yue Qingwu grabs the hammer in his hand and smashes it at Chen Fei.

Different from the swords and other weapons used by the yellow and Xuan level masters with the breath of Neiyuan and Zhenyuan, the hammer looks very concise, and the surface emits a moist light, just like a real object.

As he spoke, Yue Qingwu gave a sharp drink, and a thick and incomparable breath of Zhenyuan surged out. In Yue Qingwu's body shape, he gathered and changed, and finally formed a huge blue hammer.

Yue Qingwu said, but then his voice changed and he said harshly, "but even so, do you think you can beat me? It has been ten years since I entered the prefecture level realm. No matter how talented you are, you can't have reached the prefecture level ten years ago, can you? "

"At this age, I have reached the prefecture level. Even if I don't want to admit it, I have to admit that you are a martial arts genius! "

Even Yue Qingwu, at the moment, also showed a look of horror. His expression became dignified. He looked at Chen Fei and said in a deep voice, "I didn't expect you to be a prefecture level expert. No wonder you dare to be so unscrupulous

.....

"Is that true? Am I right? "

"Well, how is that possible? How old is he? He's not even twenty-five years old, so he's at the prefecture level? "

"Chen Fei is a prefecture level expert! It turns out that he doesn't need to ask for help at the prefecture level at all. Instead, he just needs to help himself. "

"This momentum, this, this is - prefecture level master!"

This time, all the people present, including Yue Qingwu, were shocked. They looked at Chen Fei with astonishment.

For a moment, Chen Fei was like a flame demon coming out of the endless flame, with a burning and strong momentum. It's against Yue Qingwu's momentum.

At this time, Chen Fei was shocked, and a red breath of Zhenyuan rose from his body. The red breath, like a flame, is burning violently, forming a bright red sea of flames behind Chen Fei.

"No help? What do you mean Yue Qingwu was stunned.

Chen Fei hears speech, voice way: "who says I want to call helper?"

"Boy, if you have any helpers, call them all out!" Yue Qingwu murmured.

.....

"Prefecture level master, that's too difficult. Any prefecture level master, it is the existence of a overlord level. It's not that easy to be invited

"But what helper can resist the pressure of the old man in law! Old Yue is a prefecture level master. Can Chen Fei invite a prefecture level master? "

"Maybe there's a real helper! After all, before facing Zhu Yuanling and Zhong Luofei, Secretary Xu Qizhi and Secretary Wen came forward to help! Now, it's no accident to have another helper. ""Does Chen Fei have any helpers?"

The other guests were also surprised and began to guess.

"Why, what do you mean by that?" Yue Qingwu frowned and said.

At the moment, Chen Fei suddenly raised his head and looked at Yue Qingwu, who was approaching him. Then he said faintly, "do you think you are the only prefecture level master?"

When people thought that Chen Fei would be defeated.

He took another step and drank fiercely again. Yue Qingwu came with a big bang. With great momentum, he oppressed Chen Fei fiercely.

"Kneel down!"

A sharp drink, deep tremor, like rolling thunder, directly from the sky, shock people's eardrum, in a trance. Some of the weaker people can't stand on the ground directly. They fall down and sit on the ground.

"Get down on your knees!"

Just like a God, Yue Qingwu now stares at Chen Fei.

.....

"It's over. Now, Chen Fei is really over."

"There is only a small gap between the prefecture level master and the top level master, but the gap is too big."

"This kind of momentum, too terrible, I, I can't stand it."

"Is this the real strength of the prefecture level master?"

Yue Qingwu's blue hammer is opposite Chen Fei's red sword. Under the collision, he couldn't even stop the power of unity. He was directly split by the red sword and turned into two parts. At last, he exploded and turned into countless light spots.

Even Yue Qingwu himself was cracked by the huge hammer and was eaten back. His chest was stuffy and his mouth gushed out a mouthful of blood. His face turned white in an instant.

This is the drawback of true metamorphism. Using true metamorphism can enhance attack power, but if it is damaged, it will also hurt your body.

CHAPTER 809

Yue Qingwu bites his teeth and wants to fight back again, but Chen Fei's Zhenyuan red sword is already on his neck. The red edge, under close inspection, also breathes the subtle flame streamer, I'm afraid that as long as Chen Fei moves a little, he can chop off Yue Qingwu's head.

Under such circumstances, Yue Qingwu did not dare to act rashly. He stayed in the same place, his face was full of shock and inconceivable color. Looking at Chen Fei, he said: "this, how can this be?"

"We are all prefecture level experts. Why can your Zhenyuan weapon break my weapon so easily? It's impossible!"

"Grandfather, Chen Fei is very powerful. But we don't have no other way. Grandfather, you have a lot of friends and know some prefecture level experts. If we invite them here -- "

" that's right. Once the century old foundation is destroyed, how can we face the ancestors of the Yue family? "

"That's the foundation of our wife's family for a hundred years. If we give it to Chen, how can our wife's family live in the future?"

"Old man, do we really want to give up 80% of our property? This is too much."

At the moment, many members of Yue's family began to show their displeasure.

Yue Qingwu immediately summoned all members of the Yue family to sit in the main hall and hold an emergency meeting.

People naturally understand Yue Qingwu's meaning and say goodbye one after another.

At this time, looking at the back of Chen Fei and Yu Qingmei who have left, Yue Qingwu is finally relieved. Then he stood up and announced, "ladies and gentlemen, I'm sorry. Today's banquet of my wife's family is over!"

Thinking of this, Yu Qin could not help but feel cold in her heart. A chill of fear rose from her tail vertebrae and spread to the top of her head along her vertebrae, which made her heart tremble suddenly. Her whole body collapsed and trembled.

Now Chen Fei is a master who can bring down the hundred year old martial arts family.

On hearing this, Yu Qin suddenly wakes up. At this time, Chen Fei is no longer Chen Fei in her eyes.

Behind her, Yu Qin instinctively wanted to stop her, but Kang Bihua stopped her and said, "third sister, Chen Fei is a prefecture level master. Don't act rashly. If you annoy him, our Yu family will be ruined. "

"Well!" Yu Qingmei smiles sweetly, looks at Chen Fei nodding and agrees, then leans close to Chen Fei and walks away together.

Chen Fei walked to Yu Qingmei, took her hand in public, and said with a smile, "sister Qingmei, let's go!"

"Yes Yue Qingwu looks respectful.

"Well!" Chen Fei nodded, then waved, "that's it, the corresponding procedures, go down to say."

Yue Qingwu hears the speech and sees Yue Qiaoyu's body lying on the ground. He can't help but feel a pain in his heart. But 80% of the family property conditions have been agreed, for a dead disabled son, Yue Qingwu certainly will not say anything more, immediately nodded and said: "I will obey Mr. Chen's command, my wife's family, cancel the engagement with the Yu family."

Yu Qingyu and Yu Qingwu nodded to each other about their marriage

The younger generation of the Yue family showed their dissatisfaction, but looking at the stern eyes of master Yue, they had to come forward and thank Chen Feifei, "thank you for your generosity!"

Master Yue Qingwu sighed at the moment, turned his head, looked at his people, and said: "don't fight any more. Mr. Chen's strength is beyond your imagination. It's very kind of Mr. Chen to leave 20% of my wife's property to my wife's family. Why don't you come and thank Mr. Chen? "

Just now, Yue Zihui, who was still fierce and full of anger, immediately withered at this.

"Now, those who are dissatisfied can stand up and I will give you a chance to challenge me. Beat me, I don't want a point. Do you dare? " Chen Fei sweeps all the people in the Yue family.

Chen Fei glanced coldly at Yue Zihui and said in a cold voice, "impossible? If it's not for your wife's family's contribution to Western Chongqing for many years, you don't want to stay in Chengdu. "

"What's more, the assets of my wife's family have been worked out by several generations of people. You need 80% as soon as you open your mouth. It's impossible!"

"Eighty percent! It's impossible Without waiting for Yue Qingwu to answer, Yue Zihui in the main room couldn't stand it. He rushed out with a cry, "Chen Fei, don't go too far. Do you know what 80% of my wife's assets are? "

Chen Fei said coldly: "eighty percent! I want 80% of your wife's property

Hearing the speech, Yue Qingwu changed his face for a while, hesitated for a moment, and said in a low voice: "half of the family property is really not enough! How much does Mr. Chen want? "

"Do you think you still want to use half of my property to kill me? Is that enough? " Chen Fei said coldly.

"This half of my property is my bet. But your wife's family refused to cash it, and even gave it to me. If I hadn't been strong, I would have been killed by your wife's family. "Chen Fei looked at Yue Qingwu, voice a cold, way: "you think, now you hand over half of the family property, this enough?"

This remark surprised everyone at the scene. Looking at the door of the main house, the younger generation of the wife's family were even more shocked.

"I lost. I'm willing to fulfill the bet and hand over half of my wife's family property!" Yue Qingwu is soft.

Thinking of this, Yue Qingwu was dejected, his eyes drooped, his face was full of loss, and his arrogant momentum disappeared at the moment.

And Chen Fei's current strength, I'm afraid, is much stronger than many Tian level disciples. What forces and experts are behind him? Yue Qingwu can't imagine.

You know, even if the top martial arts in China exists, it's a heaven level force. It's very difficult to cultivate young experts of this level.

Of course, Yue Qingwu didn't know that. But from Chen Fei's terrible skill, he can also guess that Chen Fei is definitely not an ordinary person, otherwise, how can he reach the level of prefecture level master in his early twenties.

Chen Qingfei's "nine days of burning" is not the best way to practice.

That's because the personal combat effectiveness of a warrior in the same realm is closely related to the quality of Zhenyuan's breath, combat experience, weapons and other factors.

Although Chen Fei and Yue Qingwu have also used the real yuan to transform the form just now, Chen Fei did not use the strength above the prefecture level. But under the confrontation, Yue Qingwu was defeated completely.

Chen Fei looked at Yue Qingwu and said, "nothing is impossible. It's just that you don't have enough knowledge, so you think it's impossible! The quality of my true yuan flavor is not comparable to that of you. "

And Yue Qingwu have the same questions, there are many guests at the scene.

"Yes, we can also get in touch with the Zhongs in the capital. After all, Chen Fei has offended Zhong Luofei. I'm afraid the Zhong family will not give up. "

.....

A burst of discussion, many people have given a variety of methods. In a word, they don't want to give away 80% of the property of their wife's family.

CHAPTER 810

In the sound of discussion, Yue Qingwu, sitting in the main seat, looks very blue and gloomy.

Finally, he couldn't listen to the noise in the hall. He clapped his hand on the armrest and yelled, "shut up, everyone."

The scene suddenly quieted down, and all eyes were on Yue Qingwu.

On hearing this, Chen Fei, who just relaxed, tensed up again.

As a result, Yu Qingmei put one hand on Chen Fei's neck, winked and said, "of course, brother Chen, if you mean that, I didn't say I don't want to!"

Chen Fei was relieved when he heard the speech.

Looking at Chen jiaofei's appearance, she couldn't help explaining. I know you don't mean that. "

As soon as Chen Fei heard this, he realized that Yu Qingmei thought of other places. He quickly waved his hand and said, "sister Qingmei, I didn't mean that at all. I just think that you are in a bad state of mind during this period of time, and you certainly haven't had a good rest. That's why I said to go to the hotel and let you have a good rest. Besides, there are restaurants in the hotel. I -- "

" hotel! " Yu Qingmei was a little surprised when he heard about the hotel. Then he looked at Chen Fei with some strange light in his eyes. "Brother Chen, you can't take me to the hotel because you want to --"

Chen Fei is not familiar with Yuqing city. He looked around and saw that there was a hotel with the right grade hundreds of meters away. So he pointed to it and said, "sister Qingmei, why don't we go to the hotel and have a rest ! "

Yu Qingmei nodded and answered.

Chen Fei saw the gloomy expression in Yu Qingmei's eyebrows, shook Yu Qingmei's hand slightly, and said, "sister Qingmei, I won't go home. Let's find a place to rest. "

But in this case, Yu Qingmei felt a chill from the attitude and practice of those people in the Yu family. She didn't want to go back to that cold family.

Yu Qingmei shook her head when she heard the speech. Although his marriage with Yue Qiaoyu is over with Chen Fei.

"Sister Qingmei, where are we going now? Back to Yu's villa? " Chen Fei asked.

Yu Qingmei nodded with a happy smile and said, "I always believe in you."

Chen Fei looks at Yu Qingmei, smiles and says, "sister Qingmei, I said it. I'll save you."

When the hall of Yue's family was tense, Chen Fei took Yu Qingmei by the hand, walked out of the courtyard of Yue's family and came to the street.

.....

"I understand!" The crowd nodded and then dispersed.

"Mr. Chen, what else do you want to meet?"

"Next, go to prepare the procedure immediately and send it to Mr. Chen."

Seeing this, master Yue sighed and said, "look on the bright side, our Yue family, after all, has survived. It's a blessing in misfortune."

Just now, the people who didn't agree with me didn't dare to say any more. They looked at Yue Qingwu one by one and kept silent.

"Now, you see, why should I give up?"

Yue Qingwu looked at the shocked people and said: "even if he is not a disciple of wushuanglou, the background and identity behind him are certainly not bad."

.....

"Heaven level forces, that, that is not what our wife's family can resist."

"If it's a person cultivated by heaven level forces, it's not impossible to reach the level of prefecture level experts at such an age."

"Well, does it mean that Chen Fei is a disciple of heaven level forces?"

After hearing Yue Qingwu's words, people's faces suddenly changed. Their faces were full of horror. They were stunned and speechless.

"Wouldn't you be afraid to connect that information?"

"In addition, after Yue Qiaoyu came back, he once said. In Chen Fei's hand, there is still a token of matchless building. "

At this time, Yue Qingwu continued: "moreover, the Zhenyuan red sword that Chen Fei used to break my huge hammer at that time, the Zhenyuan breath was pure and solid. The quality level and my Zhenyuan breath are not the same level at all. "

"He, he didn't use all his strength." Now, not only Josie Yue, but all the people in the hall were shocked.

"When Chen Fei and I started, we didn't try our best at all. We just improved a little according to my strength and gave up. Now, I don't know his real strength. But it is definitely above the initial stage of prefecture level. "

Yue Qingwu looked dejected, leaned back in his chair, and said in a deep voice, "before, I thought so. But after fighting with Chen Fei, I realized how stupid and arrogant this idea is. "

"Dad, it's impossible! You are a master at the beginning of the prefecture level. Even in the whole Chinese martial arts world, you are also a master! " Josie, still a little incredulous, asked in a voice.

They did not expect that Yue would say such a thing. Although Yue Qingwu lost to Chen Fei, but in their impression. Yue Qingwu and Chen Fei are both early fighters at the prefecture level. Even if Chen Fei wins, they are only slightly better than master Yue Qingwu.

As soon as the words came out, the people on the scene could not help but look shocked.

"Do you really think that if I take this old life in, my wife's family can beat him back?"

Yue Qingwu glared and said in a cruel voice: "do you know how terrible Chen Fei's strength is. I can live because he has left his hand. "

"This, but --" still some people don't understand.

Hearing the speech, Yue Qingwu was silent for a while. Then he shook his head. His face was full of silence. He said slowly, "No. Now the ending is good for our wife's family. "

Finally, Yue Qiaoxi asked, "Dad, is there really no room for huanzhan?"

The words shocked everyone, but there was still distrust in their expression.

Yue Qingwu stares at these noisy people, his face is red, and he shouts: "it's over? If we don't give it, our wife's family will be over. "

.....

"Grandfather, in this way, our wife's family will be finished!"

"80% of the family property, that's too much!"

"Old man, how can this work?"

This words, just quiet down the scene, once again noisy up.

With a cold face, Yue Qingwu said, "go through the formalities immediately and send 80% of the property to Mr. Chen."

"Well, I won't tease you. Let's go to the hotel!" Yu Qingmei said.

Chen Fei can only nod without saying a word, and Yu Qingmei came to the hotel together.

At the front desk of the hotel, Yu Qingmei walked directly over and said in a voice, "open a room for us!"
